GOVERNOR'S ASSESSMENT

ANNUAL REPORT TO PRESIDENT FOR THE YEAR 2018-2019

My independent assessment about various issues and efforts made for the welfare of people in Scheduled Areas for the year 2018-19 is as under.

1. Progress in implementation of Panchayats (Extension to Scheduled Areas) Act, 1996 (PESA)

A number of important initiatives were taken during 2017-18 by my State Government to ensure that mandate of PESA is taken forward I have reviewed the progress in scheme of devaluation of 5% funds of Tribal Companment Scheme (TCS) to the Gram Panchayats to Scheduled Areas and implementation of PESA Act & Rules. The scheme is being implemented since FY 2015-16. I am happy to inform that, the total amount disbursed in Gram Sabha Kosh during last four years, FY 2015-16 to FY 2018-19 is ₹ 877.43 Crore, under the 5% TCS scheme. Approximately 93000 works were taken under the scheme since its inception, out of which about 58000 works have been completed. I am happy to inform you that, the works on infrastructural services, implementation of FRA and PESA Acts, Public services such as health, sanitation and education, forestry, wild life conservation, water conservation, forest ponds, wild life tourisim, forest livelihood etc. have been taken up largely through these funds. The distribution of funds under this scheme was being done by Tribal Development Department till FY 2018-19. However, since the funds are devolved to Gram Panchayats for the Gram Sabha Kosh, the scheme has now been transferred to Rural Development and Panchayat Raj Department vide Government Resolution dated 19th June 2019. I have directed the Rural Development and Panchayati Raj Department to develop a mechanism for effective implementation and regular monitoring of the 5% TCS through the State PESA Cell in RDD, and also to extend help to Gram Sabhas for preparing plans and executionof works to be undettaken through 5% scheme. I have also requested the Tribes Advisory Committee to take review on utilization of funds under the 5% Tribal Component Schemes distribused to Grma Panchayats. The United 5% PESA fund has empowered the Gram Sabhas to exercise the right for their own Village Planning and development. This has resulted in increased response and Participation of members in Gramsabhas, when compared with the past. Considering this as achievement in rural development, I have requested the Tribes Advisory Council to deliberate on increasing the component of devolving the Tribal Component Schemes funds from 5% to 10% directly to Gram Sabhas Kosh of Gram Panchayats in Scheduled Areas.

The Tribal Cell in my office is in regular touch with field functionaries to expedite the process of declaration of PESA village. The demand for separate gramsabhas as per rule 4 of Maharashtra PESA Rules, 2014 by padas and hamlets increased due to the 5% TCS funding and independent planning at pada (Hamlet) level started in real sense. I am happy to inform you that, 2006 new PESA

villages have been declared throughout the State since 2014. There were 5768 PESA villages in Scheduled Areas of 13 dstricts. Now, the total no of PESA village s is 7854.

In this context, I have made a suggestion to Rural Development and Panchayati Raj Department in State Government to explore the critertion of population For PESA village declaration. I am Hopeful that the task of declaration of hamlet level villages and defining of the boundaries shall be of great help to people in those villages in utilising the resources.

There are 2895 Gram Panchayats in Scheduled Areas of the State. A proposal was made to Ministry of Panchayati Raj, Government of India seeking financial assistance for appointing Mobilisers in Gram Panchayati in Scheduled Areas. Central Government has given approval to this proposal. Under the scheme, Se1f Help Groups of women are being appointed as Mobilisers in PESA Gram Sabhas. The guidelines for these appointments have been issued. 2512 Self Help Groups of women have been selected as Mobilisers by the Gram Sabhas and each Group is being given ₹ 2500 per month as remuneration. Trainings of these PESA Mobilisers have been conducted at Block / Talulta level.

The monitoring mechanism for implementing PESA includes PESA Coordinators at District and Block levels. They serve as important links between the village panchayats / gram sabhas and the State Government. 59 posts of Block PESA coordinators and 13 posts of District PESA coordinators have been sanctioned. Out of these, 42 Block PESA coordinators and 10 District PESA coordinators have been appointed. They are being funded by the Central Government under the Rashtriya Gram Swaraj Abhiyan (RGSA). Trainings for these mobilisers / coordinators are being conducted through State Level Administrative Institute at Pune in Maharashtra A State PESA Unit has been created in Rural Development and Panchaynd Raj Department at the State level, for monitoring implementation of PESA Act and Rules in the State.

The Provisions of PESA, 1996 contains a non-obstante clause that, all Acts or Provision contary to the Provision of PESA, 1996 shall be deemed to be and void. I had requested the Tribes Advisory Council to take review on bringing all relevant State Legislations in lice with The Provision of PESA, 1996 and ensuring iplementation of PESA on the field level.. I had also directed the State Government to ensure that all the future State Legislations, Ordinances, Bills, Notifications, and Government Resolutions should be compliant to provisions of PESA, 1996, so far as their application to Scheduled Areas is concerned.

2. Meeting of Tribes Advisory Council (TAC)

In the period under report, 50th meeting of the TAC was held on 11th February, 2019. I had forwarded a list of issues, to be put up for the deliberation in the Tribes Advisory Council (TAC) meeting, as per the provisions of clause 4 (2) or the Fifth Schedule of the Constitution of India. By letter dated 27th March 2019, the Tribal Development Department has communicated me the decisions taken on those issues.

3. Progress in implementation of Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (FRA)

The implementation of FRA, 2006 has been an important agenda for the State Government as well as for my office as far as Scheduled Tribes is concerned. My office takes regular review of the implementation of FRA with a special focus on Community Forest Rights (CFRs).

The progress in the implementation of Forest Rights Act 2006, by the end of September 2019, is as shown in the following table:

	No. of	No. of	Percentage	No of	Percentage	Area under
	claims	claims	of Claims	Claims	of Claims	the Titles
	received at	disposed off	disposed off	Pending	Pending	distributed
	the Gram	by DL:Cs				(In Laskh
	Sabha Level					Areas)
IFRs	365309	356131	97.49%	9178	2.51%	26.73
CFRs	11985	9611	80.19%	2374	19.81%	27.75

I have directed the State Government to facilitate the IFR holders to access institutionalized credit through the nationalized banks on priority. I am happy to inform you that, my Government has extended Pradhan Mantri Kisan Yojana for the IFR holders for developing the land. In order to promote forest regeneration on such lands. I gave an appeal to the districts administration to take up tree plantation programmes with the participation of people. The districts administration were requested to take up activites of afforestation and regeneration in the forest lands, lying within the natural jurisdiction of Gram Sabhas, in a mission mode in at least 30 Gram Sabha in each PESA block with the consent of Gram Sabhas.

In order to help the villages to prepare their Community Forest Rights claims for submitting them to the sanctioning committees for approval, and tocreate awareness amongst the villagers about the Forest Rights, my Government has appointed 69 firest Rights Managers at the district and block level on remuneration basis.

The work of preparing Community Forest Conservation Plan has been started in 376 villages of the State through 16 Non-Government Organisations under UNDP-MoTA project.

4. Minor Forest Produce (MFP)

My office has instructed the district administrations to ensure that in accessing MFPs no obstructions shall arise to the Gram Sahhas in the access, use, disposal of MFP and sharing of revenue from MFPs. I am happy to inform you that, this has resulted in substantial increase in household incomes, reduced malnutrition and employment opportunities in Scheduled Areas. The scheme of providing a one-time financial assistance as a Seed Capital to the Gram Sabhas under Human Development Mission for accessing and regenerating the Minor Forest Produce is still continued. Various efforts are being made for aggregation and value addition of MFPs.

I have also given instructions to ensure that the Minimum Support Price (MSP) mechanism for the MFPs identified by the Union Government be implemented properly. During 2018-19 seasons, 13 Minor Forest Produce of 1284.56 Quintals have been procured under the Minimum Support Price scheme through Maharashtra State Co-op Tribal Development Corporation Ltd., Nashik.

5. Malnutrition

Incidence of malnutrition in scheduled areas of Maharashtra was higher than the average of the State. Infancy and preschool age are "characterised by rapid growth and high nutritional needs". On account of malnutrition during this period adverse effects take place on growth and intellectual development of the child. In Scheduled Areas of Maharashtra, a need of nutritional support was felt to ensure that the incidents of malnutrition are eliminated and children are not subjected to stunting illhelth and child mortality. In order to address the root cause of child malnutrition attention was also given to the nutritional needs if pregnant and lactating women.

Enhancing the financial allocation and appropriate policies are the basic requirements in the stratergy to takle malnutrition to formulate a stratagy for addresing the issue in systematic manner, the State Government was emphasized to provied one full meal for pregnant and lactating women and also to provide eggs to the children as additionality to the regular supplementary nutrition. The State Government has been providing "one full meal " per day to pregnent and lactating women, and one egg / bannan 4 time a week to children aged seven months to six year, respectively, in tribal sub-plan ares. Around 1,50,000 pregnant women and lactating mothers and around 8,30,000 children were benefitted under this scheme. During 2014-2015, there were 20816 Moderate Acute Malnourished [MAM] and 4473 Severe Acute Malnourished (SAM) Children found in Scheduled Areas. I am happy to communcate that, due to above mentioned sustained efforts, in the period under i.e. during 2018-19, incidence of malnourished children came down to 10469 MAM and 1656 SAM children. The number of child deaths between 0 to 6 years reduced drastically, from 4186 deaths in 2014-2015 to 2006 deaths in 2018-19

With a purpose for developing rural areas on the basis of self-sutainability, and with an intention to create self-employment and enhance the family income, in a comprehensive way, the Animal Husbandry Department was asked to promote back yard poultry and other animal husbandry activies as an ancillary activity in the Scheduled Areas. A project called Swayam for promoting backyard poultry has been approved for 2017-18 to 2019-20. The Tribal Cell in my office is regularly monitoring the progress in the implementation of the Scheme. The Department has planned to establish 104 Mother Units. I would like to inform that, 66 Mother Units have become fully functional; the chicks in some of the Mother Units have started laying eggs. The training programmes are being conducted by Maharashtra State Rural Livelihood Mission (UMED)

The Tribal Development Department is implementing the Community Action for Nutrition (CAN) process in selected 10 tribal blocks of Maharashtra though SATHI and Nutrition Rights Coalition of Maharashtra .The Community Action for Nutrition process is a novel approach which combines strenghening of the Govetnment systems through active community participation, community monitoring and improvement in household nutrition practices tackle the grave issue of malnutrition in the State of Mahatashtra. This process is being implemented in selected 10 tribal

blocks viz. Armori, Kurkheda, Shahada, Dhadgaon, Jawhar, Mokhada, Trymba Teshwar, Shahapur,

Junnat and Karjat, since September 2018.

6. Adoption of Villages to build Model Villages

On the concept of rural development of Mahatma Gandhi which revolved around creating model villages for transforming Swaraj (self-rule) into suraj (good governance), three villages in three tribal districts of Maharashtra,Village Mangurda in district Yavatmal, village Bhagdari in district Nandurbar and village]awarla in district Nanded, were adopted. The objective was to create a holistic development of these adopted villages in all aspects —human, personal, social, economic and environmental development, including provision of basic amenities, services, security and good governance. The stress for overall development in these villages was on a convergent approach by involving all stakeholders, dovetailing various Government schemes and Corporates through Corporate Social Responsibility.

While the progress made in certain sectors of development was impressive, in some areas it was moderate. Since the basic strategy behind this initiative is based on the principles of convergence of all governmental schemes, active participation, and involvement of villagers in planning, as well as implementation and close interactions between the administration and the people, it is expected that the development achieved so far is going to be sustainable.

The delivery of public service has improved in all three villages remarkably. Circle officials of various departments, for instance, gather in Bhagdari on one particular day to provide single window services pertaining to issuing various certificates, sanctioning of applications for various individual beneficiary oriented schemes, and social assistance programmes. Similar programmes are being organised in Jawarla and Mangurda on a regular basis.

It is expected that the development achieved in the adopted villages will be sustained with the willing and active participation of all stakeholders. A roadmap has been charted out and a strong foundation for village transformation has been laid. It will certainly help in achieving accelerated progress of the villages in the times to come.

I am happy to inform that, the three villages have come up on various level of development and become villages with a difference. These initiatives have been documented and published as"Adopting Villages, Changing Lives".

7. Tribal Sub-Plan Act :

Maharashtra 'model' of TSP is appreciated across India as it ensures separate allocations for TSP right at the beginning of budgetary processes. However, there is a need for statutory backing to ensure that funds are allocated every year at least in proportion to tribal population, and that they are non-divertible and non-lapsable. I have asked the State Government to frame an Act at the earliest.

8. Mobile Connectivity in remote areas :

During various visits to the Scheduled Areas of the State, I had observed that, communication and other activities in remote parts of the State, especially in the Scheduled Areas are very low compared to the other regions of the State. I had raised the issue of complete absence of mobile connectivity in the remote tribal areas of Maharashtra. This is proving to be a major handicap in providing ambulance and other emergency medical services to the tribal population and particularly in ensuring institutional deliveries of women. Urgent steps are needed to improve mobile connectivity in the Scheduled Areas of Maharashtra especially in the districts of Gadchiroli, Nandurbar, Amravati and Nanded. I had also requested the Tribes Advisory Council to deliberate on the issue.

9. Transfer of subjects listed in the Eleventh Schedule of the Constitution to Panchayati Raj Institutions.

The Eleventh Schedule of the Constitution (with reference to Article 243G) has laid down 29 subjects which may be transferred to the Panchayati Raj Institutions. As per the Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996 (PESA), a number of subjects have been mandatorily placed ln the domain of the Panchayati Raj Institutions (PRIs) and the Gram Sabhas. The State has devolved 14 subjects so far to the PRI. I have also requested the Tribes Advisory Council to take review and to give necessary instructions to the Government for transfer of remaining 15 subjects along with the funds, functions, and functionaries to the appropriate PRIs, in a time bound manner. Tribal Cell in my office is continuously following up this issue. I would like to ensure that the subjects are transferred in line with the requirements of PESA.

10. Conclusion

In the period under report, the progress in implementation of PESA and FRA has been significant with regard to empowering the Gram Sabhas in accessing, use, disposal of MFPs; financial devolution; and addressing malnutrition, regeneration of forest and management of forest resources. The administrative / monitoring mechanism for implementing PESA is strengthened. In the period under report i.e. during the year 2018-19, the 50th meeting of Tribes Advisory Council was held on 11th February 2019. The development initiatives in the tribal villages adopted by me have been documented and published as"Adopting Villages, Changing Lives". The Annual Administration Report for the year 2018-19 includes issues relating to law and order, Naxal movement, tribal unrests etc. in the State. The ITDP/ITDA wise schematic interventions and detailed observations on the progress in these areas have also been included in the Report. The data on district-wise valid transfers of the land restored to Scheduled Tribe cultivators has also been updated till 2019 in the report. The year under report has seen several important interventions in Scheduled Areas in Maharashtra.

Sd/-

(Shri Bhagat Singh Koshyari) Governor of Maharashtra

INTRODUCTION

1. To protect the interest of tribal, many safeguards are introduced and provided in the Constitution of India. As per 2011 Census, Maharashtra has a total tribal population of 105.10 lakhs. As per the Scheduled Area (Maharashtra) Order, 1985 the Scheduled Area is of 46531 sq. kms over 13 districts, 16 towns and 5809 villages with 49% of tribal population having predominant population of 45 tribes including 3 Primitive Tribes. The boundaries of Tribal Sub Plan area are coterminous with the boundaries of Scheduled Area.

2. The Fifth Schedule to the Constitution of India while defining the Scheduled Areas elaborates the provisions with regard to their administration and control thereof. Paragraph 3 more specially enjoins on the Governor of each State where there is Scheduled Areas in the State, to submit an Annual Report on the administration of Scheduled Areas in the State, to the President of Indian Republic.

3. According to the instructions and directions received from the Minister of State for Tribal Welfare, Government of India vide D.O. letter No. 18013 / 3 /86-TD (R), dated 15th January, 1987 addressed to the Chief Ministers of the State and the views communicated thereon by this Government vide No. TRI-1087/ CR-66/D-3, dated 12th January 1988, the Annual Report on the administration of the Scheduled Areas in the State has been prepared.

4. The present Annual Report for the year 2019-2020 has been compiled in the prescribed formats. This report includes details of the existing Administrative Machinery for the Scheduled Areas in Maharashtra.

5. The present annual report gives the conceptual background of the Scheduled Areas visa-a-visa the Tribal Sub-Plan (TSP) areas in the State. Further, it spells out the details of the sectoral programmes implemented under the core sectors such as agriculture, co-operation, education and public health, while providing the financial provisions and the expenditure incurred thereon during the period under reference. It further makes a schematic appraisal under key sectors of the economy in the Scheduled Areas.

6. Finally, it reviews the protective legislation enacted for ameliorating the socioeconomic conditions of the Scheduled Tribes in the State.

CHAPTER - I

THE SCHEDULED AREAS AND SCHEDULED TRIBES (STs) IN THE STATE OF MAHARASHTRA

- 1. In pursuance of the provision of sub-paragraph (1) of section (6) of the Fifth Schedule to the Constitution of India, the President of India declared certain areas in the State of Maharashtra as Scheduled Areas, vide (1) the Scheduled Areas (Part -A States) Order, 1950 and (2) The Scheduled Areas (Part B States) Order, 1950. Subsequently the Government of India, Ministry of Law and Justice (Legislative Department) vide its Notification No.GSR-876, dated 2nd December 1985 notified the modified Scheduled Areas in the State of Maharashtra. The previously notified Scheduled Areas have by this notification been merged into the modified Scheduled Areas.
- The Scheduled Areas of the State of Maharashtra are spread over 13 districts covering 50 tahsils. These comprise of 5809 villages and 16 towns covering an area of about 46531 sq. kms.
 - 3. According to the 2011 Census, the total Tribal population of Maharashtra State is 105.10 lakh. Maharashtra State ranks second in the country in relation to the total Tribal population, next to Madhya Pradesh. Coverage of the Scheduled Areas with the Total and Tribal Population as per the 2011 Census.

SUMMARY OF THE TOTALS OF ALL THE REGIONS

THE SCHEDULED AREAS AND THE TRIBAL SUB-PLAN (TSP) AREAS

6 Earlier, even with the definition of the Scheduled Areas it was noted that deployment of funds for the development of these areas from the general plan programme was totally inadequate, as also with regard to the provision for the tribal population in general. It was therefore, decided to evolve a new strategy for the development of the Scheduled Areas. This led to the formulation of the Tribal Sub Plan.

7. In accordance with the guidelines issued by the Government of India, the State Government adopted the following criteria for identifying areas under the Tribal Sub Plan in the year 1975-76.

(1) All villages in the Scheduled Areas (1950)

(2) All Tribal Development Blocks

(3) All talukas having 50 percent or more of tribal Population

(4) Villages or areas which can be constituted as pockets outside the above mentioned areas or which were contiguous to such areas and which together had a predominantly Tribal population and/or the inclusion of which in the TSP areas was administratively expedient.

8. The 2011 Censustotal Tribal population of Maharashtra is 105.10 lakh, out of which 54.81 lakh Tribal population live in the aforesaid Scheduled Areas and 50.29 lakhs, that is, 52.45% of the Tribal population lives outside the scheduled areas of the State.

9. Accordingly, the Government of India, Ministry of Law and Justice (Legislative Department) vide its Extra-ordinary Notification No. 80183, Part-II, Section 3, sub-section (1) No. 521, dated 2nd December, 1985 under the Scheduled Areas (Maharashtra) Order, 1985 has declared the Scheduled Areas (these are now co-terminus with the Tribal Sub Plan areas) in the State of Maharashtra.

10. The State Government, however, felt that in addition to the above-mentioned villages and tahsils in 13 districts approved by the Government of India for inclusion in the Tribal Sub Plan areas, a large number of villages in the districts of Raigad and Gondia as also some additional villages in the districts of Chandrapur, Yavatmal and Pune should also be included in the Tribal Sub Plan areas. The State Government selected and declared 488 villages as additional Tribal Sub Plan (Additional Tribal Sub Plan) villages. The total population of the Additional Tribal Sub Plan areas comes to 35.52 lakh of which the Tribal population was 6.45 lakh.

11. The Government of India has also decided that a group of villages having total population of about 10,000 and having more than 50% tribal population, those villages should be brought under the Modified Area Development Approach (MADA). Similarly if group of villages having total population of about 5000 and having more than 50% tribal population, those same should be constituted into a Mini-Modified Area Development Approach Pocket.

12. There are 1512 villages with a total population of 10.68 lakh (out of which the tribal population is 5.84 lakh) included in the Modified Area Development Approach and Mini-Modified Area Development Approach Pockets. Some of the villages out of the Additional Tribal Sub Plan areas are included in the Modified Area Development Approach Pockets. Though, the Government of India declined to place these additional villages on the same footing as the main Tribal Sub Plan Areas approved by them, the State Government felt that the tribal's living in these Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach Areas also needed special attention at par with the Tribal Sub Plan areas. All the benefits available to the tribal in the Tribal Sub Plan areas as approved by the Government of India have been extended to the tribals of these Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach areas. A total of 2016 villages with a total population of 16.32 lakh of which the tribal population is 7.28 lakh now constitute Modified Area Development Approach, Mini-Modified Area Development Approach and the Additional Tribal Sub Plan.

13. Accordingly, at present, 5809 villages from 50 Tahsil of 13 districts, viz. Thane, Palghar, Dhule, Nandurbar, Nasik, Jalgaon, Pune, Ahmednagar, Amravati, Yavatmal, Chandrapur, Gadchiroli and Nanded are approved by the Government of India for inclusion in the scheduled areas of the State. There are 5809 villages in the Tribal Sub Plan areas, 1272 villages in the Additional Tribal Sub Plan area, 888 villages in Modified Area Development Approach blocks and 365 villages in the Mini-Modified Area Development Approach blocks. As per the 2011 census, out of a total population of 1123.74 lakh of the State, the tribal population is 105.10 lakh.

14. Out of the total Scheduled Tribes population of 105.10 lakh in the State 50.70 lakh (48.23%) have been covered in the Tribal Sub Plan + Additional Tribal Sub Plan + Modified Area Development Approach + Mini- Modified Area Development Approach areas. There are 50.06 lakh Tribal (58.36%) residing outside the Tribal Sub Plan, Additional Tribal Sub Plan, Modified Area Development Approach, and Mini- Modified Area Development Approach areas. All the Scheduled Areas are now covered under the Tribal Sub Plan areas hence there is no separate programme for the Scheduled Areas. The Tribal Sub Plan commenced functioning since 1976 under a separate Major Head under the various major development heads of the plan.

15. The President of India declares the Scheduled Areas under the provisions of the Constitution of the India. The existing Scheduled Areas have been modified so as to encompass the areas covered under the Tribal Sub Plan areas in the State. Thus, the Scheduled Areas and the Tribal Sub Plan areas has become co-terminus.

THE SCHEDULED TRIBES (ST) OF MAHARASHTRA

16. The First Presidential Order notifying the Scheduled Areas was issued in 1950. This was subsequently modified in 1985.

17. There are 45 Scheduled Tribes in Maharashtra. Only 15 tribes have more than one lakh population as per 2011 Census which are Andha (4,74,110); Bhil (25,88,659); Gond (16,18,090); Halba Halbi (2,61,011); Kathodi, Katkari (2,85,334); Kokana (6,87,431); Kolam (1,94,671); Koli Dhor (2,20,074): Koli Mahadeo (14,59,565); Koli-Malhar (2,82,868); Korku (2,64,492); Pardhan (1,45,131), Pardhi (2,23,527) Thakur Thakar (5,67,968); and the Varli (7,96,245). The other tribes which have a population of less than one lakh but more than 10,000 are the Dhanka Tadvi (35,104); Dhodia (17,520); Dubla (18,697); Gamit (67,796), Kawar, Kanwars (26,354); Naikda, Nayakas (22,307), Oraon, Dhangad (43,060); Generic Tribes etc. (2,10,199)

18. The S.Ts living in the inaccessible areas have managed to maintain their cultural heritage through centuries of seclusion. Their characteristics, tribal dances and folklore are a part of their heritage. Their main occupations are agriculture, cattle rearing, wood cutting, collection of minor forest produce and selling these in the nearby markets. These different Scheduled Tribes have different historical backgrounds, cultural traits, dialects and dress, etc. Out of the above mentioned tribal communities, the 'Katkaris' in Raigad and Thane districts, the 'Kolams' in Yavatmal and Nanded districts and the 'Madia Gonds' in the Bhamragad area of Gadchiroli district have been declared as 'Primitive Tribes' by the Government of India and Central Sector Assistance is sanctioned every year by the Government of India for the development of these Primitive Tribes.

District-wise total and tribal population as per 1991, 2001, 2011 census of MaharashtraState is as follows.

Sr.	District	1991	census	2001	census	2011 census	population

CHAPTER - II

ADMINISTRATIVE MACHINERY FOR THE SCHEDULED AREAS

Many developmental schemes - both infrastructural and individually benefit-oriented schemes are taken up under the Tribal Sub Plan. Most of the schemes are implemented by the concerned administrative departments of Government. For instance the scheme of construction of roads in the tribal areas is implemented by the Public Works Department. The Tribal Development Department (TDD) works as the nodal agency for all developmental works in the Tribal Sub Plan areas. The main role of the Tribal Development Department (under the Tribal Sub Plan) is co-ordination and monitoring. The Tribal Development Department is also responsible for budget control, grant of administrative approval, review and formulation of the policy for developmental works in the above sectors and areas.

ADMINISTRATIVE ARRANGEMENTS FOR THE TRIBAL SUB-PLAN

1. Tribes Advisory Council (TAC) -

The Chief Minister and Minister for Tribal Development are respectively ex-officio Chairman and Vice Chairman of the Tribes Advisory Council. Its main function is to advise the Governor of the State on important matters concerning tribal development and to decide on policy matters pertaining to the Tribal Development Department.

2. Cabinet Sub-Committee for the Tribal Sub-Plan.

At the State Level there is a Cabinet Sub-Committee for the Tribal Sub Plan headed by the Chief Minister. This Committee is required to approve the formulation of the Tribal Sub Plan, supervise its implementation, and consider all the aspects for its successful and rapid implementation as well as do the monitoring of the Tribal Sub Plan.

3. Administrative Set-Up of the Tribal Development Department.

Earlier the field machinery of the Tribal Development Department was divided into two streams, viz. one under the Director of Tribal Development and the other under the Additional Tribal Commissioners (ATCs). This was not very effective. It had become necessary to re-organize the set up of the field machinery with a view to bringing it under a single line of command and thereby ensure smooth and effective working. The State Government therefore re-organized the field machinery of the Tribal Development Department vide GR. No. EST-1089/CR. No.799/D-15, dated 15th January, 1992. The salient features of the new pattern are as follows:-

(1) The Directorate of Tribal Development was upgraded to a Commissionerate of Tribal Development with headquarters at Nasik and for that purpose the post of the erstwhile Director of Tribal Development was upgraded to that of Commissioner in the super time scale of the Indian Administrative Service (IAS).

(2) With the setting up of a separate and independent Commissionerate of Tribal Development, the Secretary to Government in the Tribal Development Department has been left free to attend to Secretariat functions and has been relieved of field duties which he was earlier required to perform as Secretary-cum-Commissioner.

(3) The offices of the Deputy Directors of Tribal Development at Nasik and Nagpur have been respectively merged into the Offices of the Additional Tribal Commissioners at Nasik and Nagpur.

(4) In addition to the post of Additional Tribal Commissioner at Nasik and Nagpur, two new offices of Additional Tribal Commissioners have been started at Thane and Amravati respectively by redesigning and transferring the two posts of Joint Commissioners, Tribal Development of earlier Commissioner of Tribal Development and the monitoring cell of Commissioner's office.

(5) The Offices of the Tribal Development Officers have been merged into the Offices of the Project Officers (POs), Integrated Tribal Development Projects (ITDPs).

(6) The Commissioner has been declared as Head of the Department and the four Additional Tribal Commissioners as Regional Heads.

(7) The Additional Tribal Commissioners and the Project Officers are required to attend to the work pertaining to tribal development including implementation of the schemes run by the Tribal Development Department such as Ashram Schools, Hostels, etc., and to monitor the schemes under the Tribal Sub Plan implemented by the other departments.

(8) Again in November 1993 it was decided that 11 posts of Project Officers in sensitive projects should be upgraded and filled in from among the officers belonging to the Indian Administrative Service and Indian Forest Services. The idea behind the Integrated Tribal Development Projects was that various plan schemes and services should be integrated at the block level. The Project Officers of Integrated Tribal Development Projects did not have overall powers of supervision and administrative control over the block level machinery of the other departments. Consequently, there has been a lacuna in proper integration of services and supervision with accountability at the block level. To remove these lacunae, the Government selected 11 sensitive Integrated Tribal Development Projects and appointed Indian Administrative Services and Indian Forest Service's officers of the concerned Zilla Parishads (ZPs). They have given some of the powers that have been given to Collectors and Chief Executive Officers of the Zilla Parishads. The list of the Integrated Tribal Development Projects where Indian Administrative Services and Indian Forest Services officers were to be posted is given below.

Sr. No.	District	ITDP	Taluka
01	Palghar	Jawahar	Jawahar and Mokhada
02	Palghar	Dahanu	Talasari
03	Nashik	Nashik	Peth
04	Nashik	Kalwan	Surgana
05	Nandurbar	Taloda	Akrani and Akkalkuwa
06	Nanded	Kinwat	Kinwat
07	Amravati	Dharni	Dharni
08	Amravati	Chikhaldara	Chikhaldara (This has now been merged with the post of PO,
			Dharni and the ITDP at Pandharkawada, District Yavatmal
			up graded and the PO's post shifted there)
09	Gadchiroli	Gadchiroli	Dhanora and Kurkheda
10	Gadchiroli	Bhamragad	Etappali
11	Gadchiroli	Aheri	Aheri and Sironcha

(9) In March-1995 two posts of Deputy Commissioners in the Tribal Development Commissionerate have been upgraded and declared as Joint Commissioners (JC), Tribal Development, in the grade of Rs. 12000-16500 (Vth pay commission) in order to have proper supervision, monitoring etc. These posts have been created for collecting various types of information from the Integrated Tribal Development Projects and other departments implementing various schemes in the Tribal Sub Plan areas. The posts of Joint Commissioners have also been created so that the departmental officers who would otherwise have no chance for further promotion have an avenue of promotion.

(10) Thus the new set up aims at achieving a single and unitary line of command attending to the functions of Tribal Development as a whole. The new set up has abolished the functional distribution of work between the two field organizations and is expected to go a long way in achieving development of the tribals.

Each of the Additional Tribal Commissioners has the following territorial jurisdiction:

Name	Jurisdiction	ITDPs	Nos
1. A.T.C.	Konkan Revenue Division (Mumbai, Thane, Raigad,	Shahapur, Dahanu,	07
Thane	Ratnagiri and Sindhudurg districts) and Pune Revenue	Jawahar, Pen,

	Total	1	31

DEPARTMENT AT MANTRALAYA LEVEL-SECRETARIAT

The Tribal Development Department is headed by a Cabinet Minister who is assisted, by a Minister of State.

The main functions of the office of the Secretariat are State level co-ordination and monitoring of the Tribal Sub Plan and supervision of the implementation of various schemes by the Integrated Tribal Development Projects. Since the year 1993-94 the preparation of the Tribal Sub Plan is done by the Tribal Development Department.

COMMISSIONERATE LEVEL.

The Commissioner of Tribal Development's main function is State level co-ordination and monitoring of the Tribal Sub Plan and control over the offices of the Additional Tribal Commissioners and the Project Officers of the Integrated Tribal Development Projects with the assistance of Joint Commissioners.

DIVISIONAL LEVEL

The four Additional Tribal Commissioners assist the Commissioner, Tribal Development. Their main responsibility is regional co-ordination, monitoring & implementation of departmental Schemes.

The Tribal Development Department (Backward class) Welfare Sector pertaining to the tribals also implements the schemes. These schemes primarily relate to tribal education (Ashram Schools, Hostels, for Scheduled Tribe boys and girls, grant of scholarships, tution fees, etc.); the schemes of economic upliftment (supply of electric motors and oil engines to tribal cultivators) and training programmes such as pre-recruitment training centers and motor driving training centers.

The Divisional Commissioners of the six Revenue Divisions of the State are responsible for implementation of the Tribal Sub Plan programs in their respective regions. They guide and direct the Collectors and Chief Executive Officers (CEOs) of the Zilla Parishads in their respective divisions in the matters related to tribal development.

DISTRICT LEVEL

DISTRICT PLANNING & DEVELOPMENT COUNCILS

The State Government adopted a policy of balanced development on the basis of the district as the unit of planning and formulation of plans on the basis of which five year and annual plans could be formulated. Accordingly, since 1974 District Planning is being implemented in the State. For proper implementation of this District Planning, the District Planning and Development Councils (DPDCs) have been constituted in every district. Every district has a represent Minister/Minister of State for the purpose of ensuring the proper development of the districts. These Ministers are called District / Guardian Ministers. The District Planning and Development Councils of the district are headed by the District Minister. Any other Minister(s) elected from the district is/are Joint Chairmen and the Divisional Commissioner is the Vice-Chairman. The District Planning and Development Councils also consist of all elected members of the Lok Sabha, Raiya Sabha, the Vidhan Sabha and the Vidhan Parishad residing in the district. The President of the Zilla Parishads, one President from all the Municipal Councils, and a representative of the lead Banks are also members of the District Planning and Development Councils. The Collector of the district is the Member-Secretary of the District Planning and Development Councils. The District Planning and Development Councils have been mainly entrusted with the function of formulating district plans and monitoring the implementation of district level schemes in the districts. They have also been given powers for reappropriation of funds for district level schemes subject to certain overall guidelines from Government.

In order to ensure public participation in the planning, implementation and monitoring of the schemes for tribal development at district level, Special Executive Committees have been constituted under the District Planning and Development Councils in the 14 tribal districts. These Committees consist of the District Guardian Minister as Chairman and all the tribal MLAs, MLCs with the Additional Tribal Commissioner as Vice-Chairman. The Collector of the District, functions as the Member-Secretary of the Committee and the Project Officer of the Integrated Tribal Development Project is the Joint-Secretary. The President of the Zilla Parishad and the Chairman of the Tribal and Social welfare committee of the Zilla Parishad are members of this Committee. The Committee is expected to meet once in a quarter and review and monitor the implementation of the schemes taken up under the Tribal Sub Plan.

There is no separate full time district level officer of the Tribal Development Department for the implementation of Tribal Sub Plan schemes, apart from the district officers of the various Departments who are implementing the schemes of tribal development department. However, the Collectors of the districts and Chief Executive Officers of the Zilla Parishads are designated as Ex-Officio Additional Tribal Commissioners. In this capacity, the Collectors are responsible for overall supervision of the implementation of the schemes of tribal development in their district. The Chief Executive Officers of the Zilla Parishads are responsible for implementation of the schemes under the local sector, which are mostly with the Zilha Parishads. For proper and effective coordination, the Project Officer's of the Integrated Tribal Development Projects are placed under the Additional Tribal Commissioners.

PROJECT LEVEL

At the Project level, there is a Project Level Implementation Committee (PLIC) under the Chairmanship of the Local MLA. The Additional Tribal Commissioner is the Vice-Chairman, Chairman of the Panchayat Samiti and tribal person nominated by Government are members, while the Project Officer is the Member-Secretary of this Committee. All the implementing Officers are members. This Committee is required to meet once in every month and review the progress of tribal development schemes.

The Project Officer is the implementing officer in so far as the Backward Class Welfare Sub-Sector of the Plan is concerned. He has to implement the schemes of Ashram Schools, running of Government Hostels, sanctioning of Government of India Scholarships, sanctioning of motor-pumps and oil engines, etc. He also has to carry out the following duties in his project areas.

- 1. Registration and sponsoring of candidates with various agencies for employment; Sanction of tuition fees and examination fees under the Government of India Scholarships;
- 2. Preparation of various schemes under the Special Central Assistance (SCA);
- 3. Preparation of various types of reports of the project and monitoring / co-ordination with the implementing officers of the various departments in the project area;
- 4. Preparation of the annual Tribal Sub-Plan;
- 5. To help the Tribal Research & Training Institute in evaluating the various schemes implemented in the Project;
- 6. To help the Tribal Research & Training Institute staff in Bench Mark Survey work;
- 7. To provide employment to the tribal in the project area by way of Employment Guarantee Scheme (EGS) works; and

(To propagate various schemes implemented in the project with the help of the publicity unit attached to the project.

TRIBAL RESEARCH AND TRAINING INSTITUTE MAHARASHTRA STATE PUNE

1) <u>Year of Establishment and Objectives of the TRTI</u>

The Tribal Research & Training Institute, Pune was established on 1st May, 1962 to undertake research studies on various aspects of tribal's and to assess the impact of developmental program me / schemes on the life of the tribal people. The Institute is headed by Commissioner, TRTI. She is assisted by Joint Director and Dy. Director (I.A.D.P.).

1. THE MAIN OBJECTIVES OF THE INSTITUTE

- To conduct basic as well as applied research on tribal related issues.
- To take up evaluation of various schemes aimed at Tribal development and welfare as well as tribal youth.
- To impart relevant training to different levels of personnel in the tribal department.
- To provide competence building opportunities to the Tribal.
- To develop and maintain knowledge base related to the tribes and Tribal development.
- To preserve and propagate the culture, heritage and traditions of Tribes.
- To disseminate information about the Tribes and their indigenous knowledge and skills.

In line with the objectives, the activities of the TRTI are broadly divided into areas of Research, Integrated Area Development Program, Training Publications, and Library, Museum and Cultural activities.

The Institute supports a subsidiary institution named "The Maharashtra State Tribal Empowerment Society" located at Pune which undertakes capacity building and developmental works for the Scheduled Tribes notified in Maharashtra.

Tribal Research and Training Institute has completed Golden Jubilee in 2013. Marking this historic moment, President of India during his visit to TRTI, conferred the institute with Autonomous status. In line with this, Government of Maharashtra issued GR on 24 Dec. 2013.

2. LOCATION AND INFRASTRUCTURAL FACILITIES

TRTI is located at, 28, Queen's Garden, Pune-411001, and Maharashtra. Tribal Research and Training Institute has its own building. The Institute is housed in a three storey building having two training/ conference halls. There is a hostel for 30 trainees. The Institute has 2 cars to provide transportation facilities to the trainees.

It has a well-equipped library consisting of books on various subjects like Anthropology, Sociology, Economics, Law, Computer Science, and General Encyclopedias etc. The library has books required for competitive examinations also and subscribes to periodicals relevant in the areas of tribal development. In all there are about 20,000 books in the library. This Library is visited by a number of Research scholars and Post-Doctoral Fellows as reference library.

The Institute has a web-site (http://trti.mah.nic.in) of its own with e-governance friendly features like Notice board, Right to Information section.

3. STAFF AND FACULTY STRENGTH

The Government has sanctioned 66 posts of different cadre for the Institute to undertake Research, Evaluation, Training and related activities. The Government has also sanctioned 297 post of different cadres for the eight Caste Certificate Scrutiny committees working in various part of this state. In addition to that, Govt has sanctioned seven new caste scrutiny committees and sanctioned 70 regular and 70 contractual posts of different cadre to execute committee work in Septembner, 2019.

The TRTI provides support to the Committees in terms of provision of ethnographic details as well as other relevant information and data about the tribes while it simultaneously uses the verification details compiled by the Committees' Research officers for updating records.

4. ADMINISTRATIVE STRUCTURE

2) TRTI - AUTONOMOUS

Tribal Research & Training Institute has completed Golden Jubilee in 2013. Marking this historic moment, President of India during his visit to TRTI, conferred the institute with Autonomous status.

In line with this, Government of Maharashtra issued **GR on 24 Dec 2013.** A roadmap has been prepared for the institute. Some of the key activities are as follows:

- 1. To undertake and promote interdisciplinary research about tribal cultures, and the dynamics of development and its impact.
- 2. To function as planning cell and knowledge partner of government for tribal development, by designing policy planning, program formulation, implementation and evaluation.
- 3. To undertake training for staff/connected agencies, traditional leaders and functionaries, and members of tribal PRI.
- 4. To orient development agencies, administrators, peoples' representatives, activists about holistic approach of tribal development, and prepare relevant material for the purpose.
- 5. To support and expand partnership and networks between government and voluntary and educational institutions in different aspects of economic, social and bio-medical efforts for tribal development.
- 6. To protect the interests of genuine tribal people by preventing pseudo tribal claims to constitutional privileges and rights.
- 7. To undertake and provide for the publication of books, journals, periodicals and research papers in furtherance of the related objectives.
- 8. To institute, offer and grant prizes, awards, Fellowships, stipends in furtherance of the objects of the society.
- 9. To conduct surveys, evaluation of various schemes, programs, specially related to tribal problems and suggests solutions to solve the problems.

All necessary formalities are completed for TRTI to become autonomous. Till this date five meetings of BOG are conducted, while 3 meetings of Executives body are organized. The working of autonomous body is in process accordingly to the various resolution passed by BOG meetings.

3) <u>Library:</u>

This Institute has a huge library which contains books on various aspects of tribal culture, traditions, customs, development, statistics, also having good collection of Government Gazetteers, Reports, Census of States of India, Supreme Court cases, Bombay Law reporter etc. In all approximately 20000 books of different categories are available in this Library.

The Library purchases various subjects books and Periodicals every year e.g. Anthropology, Sociology, Tribal Education, Tribal Culture, Tribal Development, Law, Economics, Education, General Knowledge (for competitive exam preparation), Government Publications, Encyclopedia on various subjects, Reference Books on Tribal and other dept., Fiction, Nonfiction and motivational books.

The library subscribes popular magazines and daily newspapers. e.g Economic & Political weekly, Co-operative perspective, Lokprabha, Saptahik Sakal, Lokrajya, Dakshata etc.

Library is fully computerized from year 2018 with its OPAC accessible http://eg4.nic.in/ATI/OPAC/Default.aspx?LIB CODE=TRTI

Periodicals:

Econonomic & Political weekly, Co-operative Perspective, Lokprabha, Saptahik Sakal, Lokrajya, Dakshata, India Today, Employment- News, Frontline etc.

The Library has proved to be of immense utility, especially for the purpose of reference for the multifarious activities of the institute. Apart from the Government officers, the institute's library is being used by post graduate students as well as research students from various universities & allied institutions, Tata Institute of Social Science, BAIF Pune as well. The e-Granthalaya software was installed in the Library; we have completed digitization of twenty four rare books, and also 16700 other books. It will be upgraded and migrated soon in eG4 online cloud version, which would connect our library to other institutions running under Government of India.

This way our institute's collection, information can be displayed via OPAC on the portal of e-Granthalaya by just one click.

Publication Tribal Research Bulletin:

The Institute publishes a bi-annual "Tribal Research Bulletin" devoted to provide objective reading material based on first-hand field research & observation on various aspects related to tribal life, culture and development since 1979. At most, efforts are taken to make this bulletin useful to the general readers, Government Administrators & executives, the researchers and the scholars too. The bulletin certainly has the potential to help in planning and implementation of the relevant programs for the development of the tribal communities.

4) <u>Training</u>:

The Tribal Research and Training institute established in the year 1962 under the Department of Tribal Development under the Government of Maharashtra. It is the only institute, which focuses on the area of the tribal community. The Role of the Tribal Research and Training institute is to conduct research, evaluation of different schemes of the government, conduct survey of tribal population in the state, Scrutiny of the Caste Certificate and issuing the Caste Validity Certificates, to Preserve the unique Tribal Culture and impart training to the tribal people.

The Government of Maharashtra has been implementing different schemes of developments for tribal people. The institute has been conducting different training programs for effective implementation of the schemes in the short period.

In - service Training Programme:

Since the 1970 The Tribal Research and Training institute has been conducting in - service training program for the staff employed in the various division of the Department of Tribal Development. It includes the complete hands on training module with value addition, practical exposure and motivating them to acquire necessary knowledge, skills and cultivate positive attitude and behavior and habit for the efficient and effective discharge of the their duties and responsibilities. We have state - of – art training classroom with

necessary equipments and facilities. We have successfully conducted 216 Programs in the year 2019-20 of various categories.

Objectives of the Training function at TRTI:

- To ensure the continuous improvement in performance standards and continuous professional development of the employees of Tribal Development department of Maharashtra Government
- To Develop personnel of Tribal development department and other professionals involved in tribal welfare field such that they are align to the core objectives of the Tribal development department/Ministry of Maharashtra State Government
- To ensure the continuous knowledge assimilation and sharing of the updated knowledge in different areas needed for Tribal Development

Training Program for the Tribal Youths:

The Tribal Research and Training institute has been conducting the various programs for developing leadership qualities among the tribal youth. The TRTI is focusing on the all over development of the tribal people by organizing various camps and programs throughout the state and mainly focusing on the tribal Sub Plan area. The main motive behind these programs is to spread awareness about different schemes and Plans which are being carried out by various agencies of Government. TRTI has been acting as an agent between the Beneficiaries and implementing agencies. We have successfully conducted 8 Programs in the year 2019-20 of various categories.

Leadership training for tribal youth and children: -

Tribal students need to inculcate the leadership qualities along with education and knowledge. In addition, the life skills such as rational thinking, thinking of welfare of others at the same time able to make decision for their own future should adopted by them. This can lead to a capable generation. In view of this broad perspective, TRTI organizes Leadership Conservation training programs for the students from government hostels and School to the youth. In order to create a leadership perspective, programs like Prerana club, Abhay Abhiyan, Leadership development and Video Conferencing are implemented and through these programs training sessions for teenagers, the Prerna Club project are carried out.

Competitive Examination and Vocational Training Cell:

The Tribal Research and Training institute has been conducting various training program for different competitive examinations like UPSC, MPSC, Banking, Railways, Judicial, Engineering and other competitive examinations.

The Tribal Research and Training institute, Pune. has got its an autonomous status in the year 2013 soon after it, the separate Cell of Competitive Examination and Vocational Training Division established in 2018. Now the all schemes regarding Competitive Examination are being implemented through this division, The details are as follows:

1. Training Programme for UPSC/MPSC Civil Services Examination:

The representation of scheduled tribe candidates in the all-India and state civil service is very meager, because of various reasons i.e. very less no of candidates are appearing to such examination, lack of resources and proper guidance. To overcome this issue and give impetus and motivation for applying and appearing to such examination the government is running this program in 9 universities in Maharashtra and YASHADA Pune.

The separate G.R. is Passed dated on 15th July 2014 (शासन निर्णय क्र. प्रशिक्षण -२०१२/ प्र.क्र.१५८ (भाग-

२)/का-१७. दिनांक १५ जुलै २०१४) by the department and revised it from time to time by allocating the separate budget of Rs. 334.297 Lakh. (In Words Three Crore Thirty four Lakh and Twenty Nine thousand Seven hundred Only). The training is being imparted for 11 months duration in the each university having 25 candidates and 10 candidates in YASHDA, Pune, altogether it counts to total 235 candidates.

The admission to this course is done through the Common Entrance Test which is conducted in March every year and training starts in month of August. The application are invited from eligible and valid candidates through online mode. The Notification regarding Common Entrance Test is published through all leading daily newspapers across Maharashtra. Candidates are selected university-wise on the basis of the marks obtained in the test.

As this is non residential course, Students are receiving stipend of Rs. 6,000 Per Month subject to his/her required percentage of attendance in the class and Rs.6000 is paid only once for purchasing of important Books.

In 2019-20 the total no of candidates trained under this course are 235 and cost incurred is Rs. 2,45,10,206. Among 235 candidates enrolled, some candidates have got selected in the sub ordinate services in state and central services.

Training Programme for Judicial and Engineering Services:

Training Programme for Judicial Services:

The separate G.R. is Passed dated on 2nd December, 2014 (शासन निर्णय क्र. प्रशिक्षण -२०१४/ प्र.

क्र. ७३/का-१७.दिनांक २ डिसेंबर २०१४) by the department specifically for Judicial and Engineering Services.

The training program for Pre - Judicial services is being conducted by the Bar Council of Maharashtra and Goa institutes for the law graduates of the Scheduled Tribes. The duration of the training program is of 11 months.

The Selection for this course is done by asking application from the eligible candidates from each revenue department by issuing the notification in the newspapers across Maharashtra. Only those candidates who have applied for the Judicial Service Examination in the specific year of Maharashtra Public Service Commission are eligible to apply for this coaching. The BARTI, Pune is entrusted with task of the administration of admission process.

The nature of training is as such that, there would be classes on every Saturday and Sunday (weekend). There will be Q&A sessions on each of these days. The District Judge would be the Chairman of the session. So far BARTI, Pune was supposed to implement this program, In 2019-20 the program is not conducted due to discrepancies in GR.

Training Programme for Engineering Services:

There is mandate of conducting training program for the Engineer graduates of the Scheduled Tribes through the G.R. Passed dated on 2nd December, 2014 (शासन निर्णय क्र. प्रशिक्षण -२०१४/ प्र. क्र.५३/का-१७.दिनांक

२ डिसेंबर २०१४) by the department.

This is residential training program is being conducted by the Maharashtra Engineering Training Academy, META Nashik. There would be separate training for preliminary and main examination. The duration of the training program is of 11 months.

The Selection for this course is done by asking application from the eligible candidates by issuing the notification in the newspapers across Maharashtra. Only those candidates who have applied for the Engineering Service Examination in the specific year of Maharashtra Public Service Commission are eligible to apply for this coaching. Top 60 candidatures are selected through common entrance test on basis of marks obtained by them. The BARTI, Pune is entrusted with task of the administration of admission process.

5) Enterpreneurship and Skill Development Project Introduction:

Tribal Development Dept. Govt. of Maharashtra has entrusted TRTI Pune to plan and monitor skill development program by issuing circular dated March 6th 2018. The scheme is modified as per the needs of tribal youth and component of innovation has been added along with skill development affiliated entities undertaking the project in regular categories. Although income generation has been the prime objective of the program, some factors which complement income generation like education, health, clean energy, nutrition and drinking water are also considered under innovative categories. These proposals are financed for proof of concept, validation and possible upscaling for job/income generation involving skill development activities for tribal population within income generation age group.

Background:

The scheme earlier was implemented by Integrated Tribal Development Projects (ITDPs) across Maharashtra which focused on employment oriented and self-employment oriented income generation through the impart of skill training. The scheme has been transferred to TRTI Pune to ensure standardization of the process and promotion of on-line process required for securing the financial sanction.

Scheme of ESDP:

The scheme is implemented by collecting the proposals from higher offices and line offices as well as by issuing the notifications and press notes appealing agencies to submit the proposal in prescribed templates and seek the financial assistance as per their strengths and potential in tribal area. The second important category is innovative esdp which promotes self-employment, entrepreneurship among tribal target group. The funding sanctioned is as per the guidelines of Department of Science and Technology (DST), National Science and Technology Entrepreneurship Development Board (NSTEDB) for various entrepreneurship development interventions involving all stakeholders like students, faculties and technology institutions.

Proposals received are categorized based on those having affiliations under Sector Skill Councils (SSCs) National Skill Development Corporation (NSDC) and other entities like vocational education boards, open universities etc. These are titled as regular esdp proposals which focus on income generation only through salaried employment. Those who have no affiliation but wish to impart training in livelihood, self-employment and entrepreneurship relevant to tribal lifestyle without imposing any relocation are also considered for financial assistance under Innovative ESDP.

Some innovative projects requiring research, proof of concept and idea validation are also considered under research ESDP. The tribal population for mainstreaming requires intense soft / life skill components, being isolated and deprived of basic civic necessities the investment in boosting these complementary factors like education, health, nutrition, clean drinking water and hygiene with some sensitization, capacity building intervention will certainly aid the final goal of income enhancement through skills and entrepreneurship development project.

Thus the research esdp category is evolved during implementation and as per mandate of TRTI to be one of the Centres of Excellence in Tribal Research. The major achievement of the scheme are all document standardization including reporting, monitoring and submission templates with MoUs have been prepared and hosted on independent portal link http://trtionline.org.in/tambition for the reference and use by different stakeholders.

Till 31st March, 2020 there are 103 projects are sanctioned under this scheme. Out of which 11 Project are successfully completed and closed. Currently 92 projects are ongoing out of 92 ongoing projects 21 projects are under innovative category, 54 projects are under regular category, 10 projects are under research category, and 7 projects are under special projects category. Out of these 92 projects, Training programme of 39 projects are completed while training programs of 53 projects are yet not completed. There are 14532 candidates are trained under this scheme while employment is created for 2826 candidates and 3846 candidates are self-employed. Funds at the tune of Rs.3000.93 lakhs are utilized for this scheme up to 31st March, 2020.

6) INTEGRATED AREA DEVELOPMENT PROGRAM (I.A.D.P. SECTION(STATISTICS

- According to the 5th schedule of Indian Constitution, the Government of India has been declared scheduled area of Maharashtra State vide notification dated December 2, 1985. This area is based on the 1971 census.
- According to the Scheduled Area of the Government of India dated 02.12.1985, Government of Maharashtra Resolution No.TSP-1086/8710/PR.No.31/ T.5 dated March 09, 1990, Tribal Sub-Plan area of Maharashtra State, revealed updated list of the villages, based on the 1981 census.
- Due to the creation of new district and tahsils in Maharashtra state, proposal for revision of scheduled area is submitted on 07th February, 2019 to the Govt. of Maharashtra.
- This proposal has been made in accordance with the prescribed criteria of the Central Government for the scheduled area. In the current scheduled area.
- Current scheduled area of the state consists 13 districts. The proposed Scheduled Area consists of 21 districts. In this proposal, 1303 villages having less than 50 percent tribal population which do not satisfy contiguity criteria are excluded from existing scheduled area and 1628 new villages have been included in the proposed scheduled area according to the norms of 5th schedule of Indian Constitution. The Proposal of revision of scheduled area including 6071 village have been submitted to the state government.

EVALUATION

IADP (Integrated Area Development Programme) section of TRTI, Pune has been entrusted with the responsibility of Survey and Evaluation of various schemes implemented by Tribal Development Department.

The report and recommendations based on the evaluation are submitted to Tribal Development Department for reviewing evaluation's findings, recommendation and initiate necessary action accordingly for improvement in implementation of the schemes. Some reports also proved useful for better decision making when policy makers want to understand the social, economical, educational and physical development levels of Tribal in Maharashtra.

• At present, 167 evaluation reports have been prepared by this office.

• In the year 2019-20, a leadership development programme for tribal youth named "Prerna Club" was undertaken. It consists of 4 stages out of which stage 1 is completed in selected 8 hostels situated at 1.Ghodegaon, Dist Pune, 2. Mandhar, Dist Pune, 3. Somvar Peth, 5. Hadapsar (Amanora) and 6. Hadapsar (Akashwani), Hostel in District Pune. And 2 hostels in Ahmednagar District. An evaluation study was conducted for the said programme with the help of Google Forms and the report writing for the same is in the final stage.

PVTG BASELINE SURVEY (MUMBAI UNIVERSITY)

- There are three primitive tribes in Maharashtra State, Katkari, Kolam and Madiya Gond. The aim of this scheme is to bring about the overall and social development of the primitive tribes.
- This project is being implemented by the Mumbai School of Economics and Public Policy, University of Mumbai.
- The report writing of this project is in the final stage.
- For this project, Rs.25.00 lakhs of funds have been approved and Rs.15.00 lakhs has been released to Mumbai School of Economics and Public Policy, University of Mumbai at the end of the year 2018-19.

Building Social Capital through Training & Nurturning 60 Youth Leaders (GRAMSATHI)

- To train and nurture 60 youth leaders from the PVTG communities in Maharashtra (35 from Katkari community, 15 from Kolam and 10 from Madia community) to act as abridge between the administration and the community and also to build social capital among the communities.
- This project is being implemented by the Mumbai School of Economics and Public Policy, University of Mumbai.
- For this project, Rs. 136.00 lakh of funds have been approved and Rs.33.90 lakh has been released to Mumbai School of Economics and Public Policy, University of Mumbai at the end of the year 2018-19.

Policy Formulation for PVTGs Based On Field Research & Need Assessment – Tribal Research Centre, Mumbai School of Economics & Public Policy.

- To understand the developmental issues of PVTG group & to formulate a strategy based on in-depth research.
- For this project, Rs.154.76 lakh of funds have been approved and Rs.38.69 lakh has been released to Mumbai School of Economics and Public Policy, University of Mumbai at the end of the year 2018-19.

COMMUNITY BASED APPROACH TO IMPROVE HEALTH AND NUTRITIONAL STATUS AND TO REDUCE DEATHS OF TRIBAL'S OF MELGHAT

- The project is implemented by Mahan Trust, Utawali, and Dist.Wardha.
- Melghat is remote tribal area of about 4000 Sq.Km. having pollution density less than 75 persons Sq.Km. This area has lack of essential facilities.

- Mahan trust has surveyed the area and found severe malnutrition, child death rate around 90, low quality of cleanliness, 90% people do not use toilet and no availability of water.
- Mahatma Gandhi Tribal Hospital Utawali is working in 30 villages of Melghat area doing treatment of 1000 malnutrition children from age 0 to 60 month, 3000 children below age 5, 1600 pregnant women, 10000 patients from age 16 to 60 and 20000 patients at hospital.
- The purpose of the scheme is to reduce child death rate in 30 tribal villages, reduce severe malnutrition, reduce death rate of tribal between ages 16 to 60, reduce infant mortality rate and maternal death rate, cure patient from severe diseases.
- The duration of the project is 5 years. (September 2017 to August 2022)
- For this project, Rs.450.00 lakhs of funds have been approved and Rs.173,94,456,/- has been released to Mahan Trust at the end of the year 2018-19

SETTING UP DATA ANALYTICS AND PROJECT MANAGEMENT CENTRE FOR TSP PLANNING AND BUDGETING (PUNE UNIVERSITY).

- This project is being implemented in accordance with the Memorandum of Understanding between Tribal Development Department and Department of Technology, Savitribai Phule Pune University, Pune.
- It is necessary to collect the statistical information and computerized analysis of the schemes implemented by tribal development department and for this there is no technical system available with the department, hence the project is necessary.
- An analytics engine is being prepared by making rapid decisions in order to compile information about various areas related to tribal development.
- The duration of the project is 3 years. (2017-18 to 2019-20)
- For this project, Rs.855.16 lakhs of funds have been approved and Rs.727.72 lakhs has been released to Department of Technology, Savitribai Phule Pune University, and Pune at the end of the year 2018-19.

COMMUNITY ACTION FOR NUTRITION (SATHI)

- This project is being implemented to empower tribal communities to improve nutrition and strengthening awareness on nutrition related services on an experimental basis through public participation for improving nutritional related services and home based nutrition system in Maharashtra.
- This Project is being implemented by "Anusandhan Trust -Sathi" Pune.
- The duration of the project is 3 years. (Sept.2018 to Aug.-2020)
- For this project, Rs.5,35,20,906/- of funds have been approved and Rs.4,09,63,001/- has been released to "Anusandhan Trust -Sathi" Pune at the end of the year 2018-19.

Creating Livelihood in Jawhar and Mokhada

- Integraged Tribal Development Project Office, 4 Common Facility Centers (CFCs) will be set up in Jawhar and Mokhada talukas under Jawhar and approximatealy 10-15 villages will be selected under each center.
- The Scheme will be implemented in 60 villages of Jawhar and Mokhada talukas under the jurisdiction of Integrated Tribal Development Project Office, Jwahar in Palghar district. The scheme is being jointly implemented by I.D.C. Department (Industrial Design Centre) I.I.T. Mumbai and Integrated Tribal Development Project Office, Jawhar.
- The duration of the project is 2 years.
- For this project Rs.300.00 lakhs of funds have been approved and Rs. 194.44 lakhs has been released to Project Office, Jawhar, end of the year 2018-19.

8) FRA SECTION INTRODUCTION:

Since the inception of Forest Rights Act, 2006 (FRA), the Tribal Development Department, Maharashtra Government has been involved in recognizing the land rights of Schedule Tribes (ST) and Other Traditional Forest Dwellers (OTFD). Implementation of FRA, 2006 is ensured by three tier committees with the help of FRA In view of the agitations by tribal farmers, a quick review of rejected and accepted claims under FRA was conducted in April 2018 to identify the issues behind pendency in settling land rights. Based on study finding, a special drive - *'Vanamitra Mohim'* was initiated in May 2018 to expedite the process of settling the FRA claims as well as appeals at Sub-Division Level Committees (SDLCs) and District Level Committees (DLCs).

IMPLEMENTATION OF VANAMITRA MOHIM:

However, recently, while reviewing this process and its outcomes, a strong need to re-organize and sensitize the FRA personnel was sensed. Since, Tribal Research and Training Institute (TRTI), Pune is the Nodal Agency for FRA implementation, the Institute imparts special training program to sensitize the existing team of 135 FRA Coordinators working in 20 districts. A job chart was defined to re-allocate responsibilities and address the establishment issues.

Three special workshops to train the Master Trainers were conducted by TRTI and further these Master Trainers conducted workshops at district levels. Further, these coordinators are trained to use Data Management Portal to digitalize the district wise FRA data, developed by TRTI, Pune having address <u>http://trtionline.org.in/</u>. This portal provides an easy access to information on claims and appeals under *Vanamitra Mohim*. All the FRA personnel have been are trained to enter CFR and IFR data and also are equipped with all the required resources to access the portal. The field team is conversant in data management of claims and appeals in the most efficient manner.

All these efforts have a cumulative impact on the speedy disposal of FRA claims/appeals. Under *Vanamitra Mohim*, SDLCs disposal resulted into increase of inflow at DLCs. DLCs have shown good performance in disposal of appeals. Thus, the success of *Vanamitra Mohim* lies in acceleration of movement of the claims/appeals from SDLCs to DLCs.

Thus, the *Vanamitra Mohim* has been effective and efficient mode in achieving the goals set by Government of India though the Forest Rights Act, 2006.

FRA STATUS AS ON 31, MARCH 2020

The status of IFR and CFR claims and appeals as on 31, March 2020 is given in the table below:

ACTION PLAN (2019-20):

COMMUNITY FOREST RIGHTS MANAGEMENT DIPLOMA:

During the past few months a strategy has been laid down for the management and conservation of forest land and resources that are recognised and granted under FRA. The Act requires CFR holders to prepare management plans for sustainable use and conservation of land and Minor Forest Product (MFPs). Therefore, TRTI, Pune along with Mumbai University has been taken a Diploma in Community Forest Management in Medha Lekha, Gadchiroli, and the first village in India to receive CFR. Now in 2nd stage it is decided to take next diploma course batch in Nadurbar district for which selection exam is also has been taken. 35 tribal candidates from 35 CFR villages of Gadchiroli are currently enrolled for three months Diploma. Soon the Diploma course will be implemented in all the FRA districts as well as will be made available online. Besides this, 356 CFR villages are preparing their Conservation and Management plans for next ten years are with the help of local NGOs as per the MoTA guidelines. Such well-organised efforts by the implementing FRA in letter and spirit will uplift the socio-economic status of forest dwelling communities who were deprived of their rights and alienated from their land.

RESEARCH PROJECT RE REMOTE SENSING AND FRA

There is a real need for systematic research to assess the impacts of the assignment of IFR and CFR claims on forest change and biodiversity. Such research can also help tribal and other forest dwelling communities get a better understanding of the impacts of their management strategies on forests, and help them adapt their existing approaches if needed, to devise improved forest management plans.

It is important to objectively asses how this large scale change in forest rights has affected the forests of IFR/ CFR localities of Maharashtra. An analysis of satellite images of the landscape of the pertinent area between 2005 (prior to the passage of the forest rights act in 2006, and the cut-off date for claiming land under IFR) and current date, would permit us to arrive at reliable estimate of the impact of FRA on forest change. Using satellite remote sensing (from freely available archive of Landsat satellite images) in conjunction with

free and open source software this project aims to map changes in selected FRA patches, as identified by the Maharashtra TRTI between 2005-2011-2019.

Pilot project has been done, where they conducted rapid analysis of forest cover change on within IFR areas and selected CFR areas in two talukas (Gadchiroli and Dhanora) of Gadchiroli district. Report for the same has been submitted to TRTI. Based on findings of the pilot project, Two years projects has been sanction and work is in progress.

Additionally, Central Government shall provide diversion of forest land for following facilities managed by the Government:

- 1) School
- 2) Dispensary or hospital
- 3) Anganwadi
- 4) Fair price shop
- 5) Electric and telecommunication line
- 6) Tank and other minor water bodies
- 7) Drinking water supply and pipeline
- 8) Water or rain water harvesting structures
- 9) Minor irrigation canals
- 10) Non-conventional source of energy
- 11) Skill up-gradation or vocational centre
- 12) Roads
- 13) Community centre

HOLISTIC DEVELOPMENT OF IFR HOLDERS:

Keeping in mind the long term objective of socio-economic enhancement of tribal/forest dwelling farmers through FRA, a holistic development approach is adopted by TRTI. The list of individuals who received IFR is provided to District Collector's office and other administrative departments concerned with tribal development. It is expected from such departments to ensure the schemes and programs of individual benefits are made available or inclusive to these individual as per the need. This provides a linkage between IFR holders and other departments, further creating a scope for convergence. Following are some of such schemes which may be availed by IFR holder:

- 1) Crop loan
- 2) Agriculture equipment and fertilizers
- 3) Pump set and pipeline
- 4) Horticulture program
- 5) Schemes/ programs by Central Government
- 6) LPG gas
- 7) Bio-gas Milch Animals
- 8) Solar lamps
- 9) Minor irrigation

- 10) Tents for agro-tourism
- 11) Assistance for land levelling

THE COMMUNITY FOREST RESOURCE MANAGEMENT COMMITTEE

- In Community forest resource right the challenges are beyond recognition of right.
- The Community Forest Resource Management Committee (CFRMC) is selected by Gramsabha is appointed for the management of CFR as per rule 4(1) (e).
- The separate account is opened in the name of CFRMC.
- The Govt. of India through Tribal Affair Deptt. Vide circular Dated. 23 April 2015 insisted to prepare Conservation and Management plan of each CFR.
- The plan should include
 - a) Community organistion and capacity building.
 - b) Preparation of management plan
 - c) Administration
- This plan preparation can be prepared by through the accredited NGOs PRI Institution Government Department or local CBOs etc.
- This plan Prepared is to be implemented through the District Convergence Committee headed by District Collector.
- The Committee making efforts to increase the resources at Village Level are indication of real Development there from.
- Currently 7,844 villages have CFRs out of which in 356 villages CFR Management plans are being prepared and executed with the help of NGOs as per UNDP-MOTA guidelines

9. TRIBAL CULTURAL MUSEUM AND CULTURAL UNIT

Various schemes for the preservation of Tribal Art and Culture have been implemented by the Tribal Research and Training Institute, 28, Queen's Garden, Pune,

They are Tribal cultural festival

The scheme Tribal cultural festival has been sanctioned by Govt. of Maharashtra from the year 2013-14. This includes **Tribal handicraft exhibition, tribal dance competition and tribal film festival**.

Tribal handicraft exhibition

To promote and develop the tribal art and culture, this Institute organizes State Level Tribal Handicraft Exhibition every year as apart of festival. Tribal artisans get a chance to display their art forms as well as earn money. The tribal artists from all over Maharashtra are invited to participate in the exhibition. Each participant is given T.A., D.A., accommodation and food. T.R.T.I. makes arrangements for exhibition venue, arrangements of stalls and local advertisement.

Total 60 Artisans from all over Maharashtra participated with their artifacts. The exhibits like handicrafts, wooden articles, bamboo work, warli paintings, paper masche masks, metal craft, Gondi painting, Books on Tribal culture by Tribal writers and herbal medicines were for the sale.

Tribal dance competition

Tribal dance competitions were organized as a part of tribal cultural festival. Dancing troupes from tribal areas of Maharashtra contested in the competition. The participants from dance troops were given T.A., D.A., accommodation and food. First 3 troupes were awarded cash prizes.

Total no of 12 project level dance competitions have been organized in Maharashtra.

Tribal Film Fesival

The documentaries produced by TRTI. Pune were shown to the visitors at tribal Cultural Festival.

Production of Documentary Films

This Institute produces the documentary films on the tribal art and culture. From the year 1980-81 this Institute has produced 91 documentary films on development, art and cultural aspects of tribals in Maharashtra and the schemes implemented by the Govt. for the welfare of tribals.

Warli Painting Competition

Warli painting competition is organized every year for Warli and Malhar Koli artists from Thane district. The competition is held in two parts i.e. for Warli and Malhar Koli adults and for Warli and Malhar Koli students in ashram schools in Thane district. They are given painting material like cloth, colours & brushes. They are also given T.A., D.A. (for one day), cash prizes and certificates.

As per G.R. the Warli painting competition is organized every year for one day but the paintings cannot be completed in one day. so the artists have to stay at the place for two days and accordingly the proposal for two days stay and food has been send to govt. for approval .

Tribal Cultural Museum

The tribal cultural museum was established in the year 1964-65. The various sections of the tribal handicrafts such as ornaments, musical instruments, mask, warli paintings and agricultural implements are organized in different rooms. Traditional Adivasi Huts are also displayed here. There are 1358 artifacts displayed in the museum.

Foreign tourists from all over the world, college students, school children, scholars, researchers and also Indian tourist visit this museum.

Distinguishing projects of this institute

• Translation of Marathi text books of 1st to 3rd std. in 11 tribal dialects.(Katkari , Kolam, Madia, Mathwadi, Bhilau, Kokani, Pawara, Warli, Gondi, Korku)

- Audio Video Books of these translated text books in 11 tribal dialects.
- Preparation of work books for use of these translated books in 11 tribal dialects.
- **Preparation of Dictionaries** in three tribal dialects. (Katkari-Marathi, Warli-Marathi, Pardhi-Marathi.)

Other Activities

1. The institute participated in The Index trade fair at Mumbai from 1st may to 4th may, 2019 and The Index trade fair at Delhi from 2nd August to 4th August 2019.

2. The institute participated in National Tribal Craft Mela at Bhubaneshwar (Odisha) on 23rd November, 2019 to 29th November, 2019.

3. The institute participated in cultural programme at South Lounge, Warld Trade Centre, Mumbai on 14th November, 2019.

4. The institute participated in India International Trade Fair at New Delhi from 14th November to 27th November 2019.

5. The institute participated in Bhim Thadi Jatra at Pune from 18th December to 22nd December 2019.

6. The institute participated in 18th Pune International Film Festival from 9th January to 16th January 2020.

7. The institute participated in National dance festival at Bhubaneshwar (Odiosha) from 31st January to 2nd February 2020.

8. The institute participated in "Kala Ghoda Festival 2019" at Mumbai from 1st February to 9th February 2020.

9. The institute participated in cultural festival at MIT College, Loni, Dist. Pune on 13 th February, 2020.

10. The institute participated in Sanskruti Art festival at Thane from 21St February to 24th February, 2020

Goals for 2019-20

- Renovation of tribal cultural museum at Pune.
- To build Gondwana cultural museum at Nagpur.
- To establish tribal freedom fighter museum at Gadchiroli.
- To set up training center at Nagpur.

10) <u>VEREIFICATION OF SCHEDULED TRIBE CERTIFICATE</u>

There exist eight scrutiny Committees for Scheduled Tribes located at Pune, Nashik, Nagpur, Thane, Aurangabad, Amravati, Gadchiroli and Nandurbar.

Any person desirous of availing of the benfit or concessions provided to the Scheduled Tribes can make application for verification of Caste Certificate issued to him by the Competent Authority. Scrutiny Committee also acts as appellate authority against the order of rejection of the application by competent authority, authorized to issue caste certificate. The perfomance of eight Scrutiny Committee in the year 2019-2020 is as follows-

No.of	No.of cases	Total	N	No. of cases disposed off in the Year-2019-2020					Pending
cases	received in	cases							at the
pending	the Yr-		Valid	Invalid	Re-	Disposed	Transferred	Total	end of
for the yr	2019-20				inquiry	for other	to other		Year 18-
2018-19						reasons	Committee		19
25551	29254	54805	26915	1289	4	1749	0	29957	28848

As per Government Resolution No.STC-2119/CR-34/Desk 10 dated 13th Sept. 2019 established new 07 Scheduled Tribe Scrutiny Committee's. Yet new scrutiny committee work has not been started.

E-Tribe Validity Portal

In order to bring transparency to the Tribe certificate issuing process, online web based application was developed as 'आदि 'प्रमाण' प्रणाली' (eTribe Validity portal). The Tribal Caste Certificate Scrutiny process before creation of E-tribe validity portal was time consuming leading to high pendency. Lot of issues with bogus certificates was identified in Nanded and Aurangabad districts which needed to be addressed. There was a need to bring in transparency within the certificate scrutiny process and hence the idea of eTribe Validity was conceived. This portal was launched on 29th Apr 2016 by Hon'ble Governor of Maharashtra Mr. Ch. Vidyasagar Rao and Hon'ble chief Minister Mr. Devendra Fadnavis. It was made accessible to citizens from 1st May 2016.

Salient features of the e-Tribe Validity portal

- 1. Complete online process right from application to caste validity disposal. Two stage scrutiny process online and physical.
- 2. At all stages of process in the e-Tribe portal the Regulation of Issuance and verification of caste certificate Act 2001 & Rule 2003 is kept intact.
- 3. All 8 committees have their independent login IDs and are responsible for the area under their jurisdiction.
- 4. Clear instruction for use of portal displayed on the website.
- 5. Photo and biometric details of applicants are captured during physical scrutiny at committee offices.
- 6. Purpose wise segregation as per act is provided in the portal
- 7. Auto-redirection to committees based on the applicant's information. Multi-level validations to avoid duplications and identify offenders
- 8. 16 Reports with complete audit trail of each application
- 9. E-mail and SMS alert notifications to applicants
- 10. Online status verification feature for applicants
- 11. Authentication of Applicant's Caste Certificate details with Caste Certificate Issuing Authority database.
- 12. Provision to upload all the required documents for validity issuance.
- 13. Online application tracking system for the applicant where he/she can check the status of their application.

- 14. Vigilance module is also made part of the portal and required training is given to the officials.
- 15. Standardized the formats for issuing acknowledgment receipts to the applicant's communication to sponsoring authorities and the applicants (including show cause notices), generating valid orders.
- 16. Online validity verification option for sponsoring agency.
- 17. Appointment of Praman Assistants has been done for better implementation at committee level.
- 18. Unique Validity certificate numbering format to identify fake certificates

Current Status

A regular training program for committee officials has been conducted at TRTI. Praman assistants convey the issues faced at committee level, these issues are been addressed by the project development agency Mahaonline. Currently 151451 applications have been processed through the eTribe portal out of which 87138 validity certificates are issued till 22nd August, 2020. Phase 2 of E-tribe portal is being in the planning stage.

2) MAHARASHTRA STATE COOPERATIVE TRIBAL DEVELOPMENT CORPORATION LIMITED, NASHIK (MSCTDC)

Maharashtra State Co-operative Tribal Development Corporation is registered in 1972 as a General Society under Section 12(1) of Maharashtra State Cooperative Act as a Promotional Organization. Its ownership is vested in Government of Maharashtra, Social welfare Department subsequently with the creation of the separate Tribal Development Department in the year 1983 the Tribal Development Corporation is came under the administrative control of the Tribal Development Department.

1. <u>Establishment</u>

The Maharashtra State Co-operative Tribal Development Corporation Limited, Nashik has been established in the year 1972 for the socio-economic development of tribals in Maharashtra State as per provisions in Article 46 of the Indian Constitution.

2. <u>Aims and Objectives</u>

1. To work as an effective implementing agency to extend welfare program for the tribal.

2. To act as an effective agency to prevent economic exploitation of tribal farmers, artisans and labour.

3. To promote the socio-economic development of tribal *R* is by implementing the direct assistance schemes.

3. Major Activity:

- A) Monopoly Procurement Scheme
 - i) Procurement of Agricultural Commodities in the specified area of Maharashtra.
 - ii) Procurement of Minor Forest Produce under MSP.
- B) Price Support Scheme for paddy and coarse grain.
- C) Electric Motor Pump / Oil Engine / Gas Unit Supply / HDPE Pipe Supply Scheme.

- D) Nav Sanjivan Yojana
 - i) Consumption Finance Scheme.
 - ii) Door Step Delivery Scheme
 - iii) Rural Godown Scheme
- E) Other Scheme

i) Supply of essential commodities to GovernmentAshram School.

MANAGEMENT AND THE ADMINISTRATIVE STRUCTURE

Board of Directors

As per Bye-laws No. 41 of the Tribal Development Corporation. The Board of Directors of the Corporation looks after the supervisions and the management of the Corporation. There are at present 37 directors on the Board of Corporation enumerated as under.

Non Officials-

01	Chairman and Vice Chairman nominated by Government of Maharashtra. The Minister	02
	and the Minister of State for Tribal Development are ex-officio Chaiman and Vice	
	Chairman respectively as per the Government Resolution No. TDC/1084/C.N. 918/D-3,	
	Dated 21 st November 1985	
02	Three Directors are nominated by Government from the Tribal M.L.As Government	03
	orders Government Resolution No. TDC/1084/C.N.918/D-3 Dated 21 st November 1985.	
03	Fifteen Directors are elected by the affiliated societies (3 Post of the Directors are	15
	reserved for woman)	
04	One Directors is nominated by the Maharashtra State Co-Operative Bank	01
05	One Director is from State Government undertaking, Semi Government and local Bodies	01
	to be nominated by the Government	
	Sub Total (A)	22
06	Secretary of Tribal Development Department	01
07	Commissioner, Tribal Development Department	01
08	Secretary, Food & Civil Supplies Department	01
09	Secretary of Planning Department	01
10	Registrar, Co-Operative Societies (M.S.)	01
11	Principal Chief Conservator of Forest	01
12	Additional Tribal Commissioner, (Nashik, Thane, Amravati, Nagpur)	04
13	Central Government, Ministry of Welfare, Directors	02
14	Representative of the Employees Union	02
15	Managing Director, MSCTDC	01
	Sub Total B	15
	Total A + B	37

As the field level there are 9 Regional Offices, One Sub-Regional Office (upgraded) and 35 Sub-Regional Officers at the following places.

Sr.No	Regional Office	Sub Regional Offices							
1	Nasik	Peth, Dindori, Ghoti, Surgana, Kalwan							
2	Nandurbar	Nandurbar, Navapur, Pimpalner, Dhadgaon, Taloda, Shahada, Yawal							
3	Jawhar	Jawhar, Mokhada, Shahapur, Palghar, Kasa, Manor							
4	Junner	Ghodegaon, Rajur							
5	Bhandara	Navegaonbandh, Deori, Ramtek							
6	Chandrapur	Chimur, Gondpimpari							
7	Yeotmal	Pandharkwada, Kinwat, Kalamb							
8	Gadchiroli	Ghot, Kurkheda, Dhanora, Armori, Korchi							
9	Dharni	Dharni, Chikhaldhara							
10	Sub Regional Office	Aheri							

Under the 9 Regional Offices there are 35 Sub-Regional Offices. An I.A.S. Officer, The Managing Director is the Administrative Head of Maharashtra State Cooperative Tribal Development Corporation.

Major Activites:-

1) MONOPOLY PROCUREMENT SCHEME

The Monopoly procurement scheme started during 1977 in 7 tahsils in Tribal Sub Plan area on pilot basis, considering the response to the scheme & demand of tribal peoples the scheme applied in 15 districts 73 tahsils in the state of Maharashtra. The scheme was suspended for one year vide Government resolution dated 7th March 2008. However it was restarted from October 19, 2013 in 30 tahasils of 8 Districts of remote area for specified agriculture commodities.

During the season purchase activities performed through 23 purchase centers. The purchase conters were run by sub agent socieites of MSCTDC which are Adivasi Vividha Karyakari Societies, where the societies are not capable to run the purchase centers, corporation purchased it directly. The details are as under

Purchase Agriculture Commodities as under

(Wt. in Qtls. & Value Rs.Lac)

D) Supplies of food grains to Government Ashram Schools

During season 2017-18 the Corporation had supplied various foodgrains (Kirana items) to 529 Government Ashram Schools as well as 200 Government Hostel. Presently the corporation does not run this scheme since then.

E) Door-step Delivery

Only in Aheri Sub Regional area, the door delivery of food grains from godowns of the

District Supply Office to the Fair Price shopkeepers was done. However this scheme hs also been stopped since March 2020.

F) SUPPLY OF ELECTRIC MOTOR PUMP, OIL ENGINES AND HDPE PIPES TO TRIBAL FARMERS

The scheme envisages improvement of agriculture yields of the tribal farmers by affording them irriational facilities. It also enables them to undertake cultivation of different cash crops rather than to go in for thhe traditional low yielding crops.

The tribal farmer having minimum 1.5 acre and maximum 16 acres of own cultivated land holding with nearby source of water available in the form of well, river or nala is eligible for the scheme.

The selection of the beneficiaries under this scheme is done by the separate Task Force Committee. Such committee consists of concerned Project Officer (ITDP) as Member Secretary, concerned B.D.O., Assistant Engineer of MSEB, Regional Manager, MSCTDC, and Deputy Engineer of Small Irrigation Sub-Divison and Member of Legislative Assembly of the concerned Tahsil etc. work at every project level and finalise the selection.

The works of implementing the said schemes have been entrusted to Maharashtra State Co-Operative Tribal Development Corporation Ltd., Nashik since 1980-81. TDC purchases the Oil Engine through E-Tendering & the installation & fitting of Oil Engines is also done by TDC. The 5% quantity of the transport plan shall be made available for pre-dispatch inspection to ITI to check wheather the purchased oil engines are as per BIS specifications.

Presently the scheme has been transferred to the Agricultural department and hence only the pending issues since year 2014 are being dealt with by the Maharashtra State Corporatibe Tribal Development Corporation.

The decision has been taken by the Government of Maharashtra to give benefits to the Tribal Beneficeries by Director Transfeering funds in their bank account (DBT) as per Government Resolutation No. DCT-2316/CR.133/D 1417 Tribal Development Department, Mantralaya, Mumbai dated 05.12.2016. Guidelines have been asked from the government regarding the implementation of the above schemes. As soon as the guideline is received from the government electric pumps for the year 2014-2015, 2015-2016 & 2016-2017 and Oil Engines for the year 2015-2016 & 2016-2017 necessary action will be taken to this respect.

G) HDPE Pipe distribution:-

According to Government of Maharashtra Government Resoluation dated 24.12.2008

H.D.P.E. Pipes are being distributed to BPL beneficiaries on 100% subsidy since 2013-2014. H.D.P.E. Pipes are distributed by the corporation. The BPL beneficiaries who took the benefit of oil engine / electrical motor pumps are liable to avail this HDPE pipes. Under this scheme each beneficiary will be given minimum 06 mtrs to 210 mtrs pipe upto the cost of Rs. 15,000/-

The decision has been taken by the Government of Maharashtra to give benefits to the Tribal Beneficeries by Director Transfeering funds in their bank account (DBT) as per Government Resolutation No. DCT-2316/CR.133/D 1417 Tribal Development Department, Mantralaya, Mumbai dated 05.12.2016. Guidelines have been asked from the government regarding the implementation of the above schemes. As soon as the guideline is received from the government H.D.P.E. Pipes for the year 2014-2015, 2015-2016 & 2016-2017 necessary action will be taken.

H) Consumption Finance Scheme:

The Consumption Finance Scheme is being implemented in Tribal Sub Plan Area since 1978. It provides for the consumption requirement of the needy families during the lean period. The scheme was not implemented in the year under consideration.

The Consumption Finance loan distributed and the recovery made during the season 2009-2010 to 2013-2014 is as under. :-

(Rs. In Crores)

Season Loan Distributed		Loans	31.07.2020	31.07.2020	Outstanding	
	Beneficiries	Amount	Distribution	Recovery	Loan	
		(Rs.)	less 30% Govt.		Beneficiaries	Amount
			Subsidy			(Rs.)
2009-2010	200000	61.39	42.92	2.31	191500	40.66
2010-2011	400000	126.31	88.42	4.98	380448	83.44
2011-2012	300000	92.98	65.79	4.14	284702	61.65
2012-2013	189200	59.70	41.79	2.26	180228	39.53
2013-2014	91025	28.70	20.09	0.77	89029	19.32
Total	1180225	369.08	259.06	14.46	1125907	244.60

As per Government Resolutation dated 6^{th} June 2019 the Consumption loans were waves off by the Governnment.

(8) Share Capital

The authorized share capital has been raised up to Rs. 200 crores. Out of this 49% share is to be contributed by Central Government whereas 51% is to be contributed by State Government.

Vide Government Resolution Dated 24th August, 2004; a policy has been made by State Government to contribute Rs. 20 Crores each year to the Corporation so as to make it self sufficient.

Sr.	Particulars	Contribution	Authorized Share	Actual Renewal 31.03.2016
No.		ratio	Capital (Amts.in Lac)	(Amts. In lac)
1.	Central	49%	9800	1214.57
	Government			
2.	State Government	51%	10200	10293.66
3.	A.V.K.S. Share	-	-	1.25
	Capital			
	Total	100%	20000	11509.48

The corporations do not have its own sufficient godowns and office buildings. Due to this situation Corporation has to pay huge amount on rent. Moreover the godowns of Adivasi Vividh Karykari Sahakari societies are not in proper conditions. Also due to inadequate storage capacity of the godowns, this corporation had to suffer from losses due to shortages. Therefore a decision had been taken to construct own storage godowns and office buildings. Accordingly in pursuance of Board of Directors decision, godowns shall be constructed at 57 centers on the pattern of A.P.M.C. and for centers on the pattern of Maharashtra State Marketing Federation. Accordingly, construction of two godowns in Chandrapur district and 3 godowns in Gadchiroli district have completed. The MSCTDC has received land from MIDC at Aheri in Gadchroli district and Deori in Gondia district.

The Corporation shall remain committed to protect tribal farmers and tribal artisans from economic exploitation as well as to ensure proper utilization of Agriculture Produce and Minor Forest Produce for better marketing through scheme implemented by Central and State Government.

To implement scheme for supply of package of agricultural tools and seeds basis of subsidized Oil Engine scheme as per Government approval.

MONITORING AND EVALUATION

For monitoring of the tribal development programmes apart from the various authorities viz. the Additional Tribal Commissioners, the Special Executive Committee of the District Planning & Development Councils, the Project Level Implementation Council, etc., mentioned in the earlier paragraphs of this Chapter, there is the Chief Secretary's Co-ordination Committee on Tribal Development with the Secretaries of the concerned administrative departments as members and the Secretary, Tribal Development as Member-Secretary. This Committee periodically reviews and monitors the implementation of the schemes taken up under the Tribal Sub Plan. The Planning and Monitoring cell in the office of the Commissioner, Tribal Development at Nasik monitors the implementation of the various tribal development schemes and one of the Deputy Commissioners is entrusted with this task. This Cell collects information from various authorities, tabulates the data collected and suggests taking of / takes further action as may be necessary.

The Tribal Research & Training Institute, Pune is the main agency for evaluating important schemes of tribal development. It has evaluated a number of schemes and published evaluation reports. There is a State-Level Committee headed by the Secretary of the Tribal Development Department which looks into the follow-up action taken by the concerned Departments on the evaluation reports. In addition to this, the services of other agencies are also engaged for the evaluation of certain important schemes. Regular concurrent evaluation is also done by the Project Officer of the concerned Integrated Tribal Development Projects.

PERSONNEL POLICY

The tribal areas are characterized by isolated and difficult terrain with lack of facilities. Officers are, therefore, reluctant to work in the tribal areas. Realizing the importance of the role to be played by the Project Officers of the Integrated Tribal Development Projects, the State Government has given the following facilities to them:-

(a) Retention of Government accommodation, if any, allotted to them in their previous place of posting. They are required to pay only 10 per cent of their pay as rent for retained accommodation.

(b)Rent-free accommodation is provided at the place of their new posting. In case Government accommodation is not available at the Project Headquarters, Government reimburses the rent (including the electrical, conservancy and other charges) of the hired accommodation.

(c) The State Government has increased the Incentive Allowances to the Government employees working in the remote and inaccessible tribal areas vide Government Resolution No. EST -1097/C.No.18 / D-15, dated 5th February, 1999 to the following rates.

Pay Scale	Rate of Incentive Allowance per month
	(Rs.)
Basic Pay less than Rs. 3050/-	100
Basic Pay of Rs. 3050 & above but less than Rs. 4589	200
Basic Pay of Rs. 4590 & above but less than Rs. 6499	300
Basic Pay of Rs. 6500 & above but less than Rs. 9999	400
Basic Pay of Rs 10000 and above	500

Initially the State Government had identified the whole of Gadchiroli district, Rajura and Gondpimpri talukas, 81 villages in Mull and 23 villages in Chandrapur taluka of Chandrapur district for the special action plan where incentives as stated above were given. Now as per the aforesaid Government Resolution incentive allowance at enhanced rates is only being given to the employees

working in 1472 villages of 290 pockets of 46 tahsils of 13 districts. These villages are considered to be in the most inaccessible areas. The State Government has issued directions that posting in tribal areas should not be regarded as a punishment posting and experienced and efficient officers are being posted in tribal areas.

CHAPTER III

TRIBAL SUB-PLAN AND IMPLEMENTATION OF TRIBAL DEVELOPMENT PROGRAMMES

CONCEPT

The Directive Principles of State Policy, under Article 46 of the Constitution of India, enjoins on the State to promote, with special care, the educational and economic interest of the weaker sections of the people and, in particular of the Scheduled Castes (SCs) and Scheduled Tribes (STs), and protect them from social injustice and all forms of exploitation.

The strategy for tribal development has undergone refinements in successive plans. A total and comprehensive view of tribal problems was first taken on the eve of the Fifth Five-Year Plan, when the strategic concept of Tribal Sub Plan evolved. This strategy lay emphasis not merely on development programmes but also on protective measures. It also lays emphasis upon socio-economic development of individual Schedule Tribes, in addition to the emphasis upon area development. The Tribal Sub Plan area strategy was introduced for the first time in Maharashtra in 1976-77, with the following main objectives:-

- To narrow the gap between the level of development of Tribal Sub Plan areas and other areas of the State;
- (2) To improve the standard and quality of the tribal community;
- (3) To tackle the important problems faced by the tribals; and
- (4) To eliminate exploitation of the tribals, speed up the process of social and economic development, build up an inner strength among the tribals and improve their organisational capacity.

2. Under the Tribal Sub Plan areas strategy, areas of tribal concentration were carved out as Integrated Tribal Development Projects. At present, there are 29 such Integrated Tribal Development Projects which have been approved by the Government of India and the State Government. There is a separate allocation of funds for the Tribal Sub Plan. These funds are utilized only for the tribal development programmes.

3 As mentioned earlier in paragraph 10 of Chapter-I of this report, there are some pockets of tribal concentration which does not fulfill the criteria of percentage of tribal population as prescribed by the Government of India for inclusion in the Tribal Sub Plan areas, but contain sizable tribal population. The State Government decided that the tribals in these pockets should also be given the benefits of Tribal Sub Plan areas and, therefore, carved out these pockets from Additional Tribal Sub Plan areas. All the benefits given to the tribals in the Tribal Sub Plan areas are extended to the tribals of Additional Tribal Sub Plan areas. Integrated Tribal Development Projects have been established in the Additional Tribal Sub Plan areas with similar administrative arrangement as that for regular Integrated Tribal Development Projects.

MODIFIED AREA DEVELOPMENT APPROACH (MADA) POCKETS

4. There are in all 43 Modified Area Development Approach and 24 Mini- Modified Area Development Approach Pockets covering 1233 and 295 villages respectively. According to the 2001 Census the total tribal population covered in Modified Area Development Approach and Mini-Modified Area Development Approach Pockets is 5.84 lakh. As in outer Tribal Sub Plan areas programmes of economic and educational up-liftment of tribal in these pockets have been undertaken.

Primitive Tribes -

5. The Government of India has approved the following communities as Primitive Tribes in the State of Maharashtra:-

- (1) Madia Gond : In the Bhamragad area of Gadchiroli district.
- (2) Kolam : In the Yavatmal, Nanded and Chandrapur districts.
- (3) Katkari : In the Raigad & Thane districts.

6. As per the recommendations of the Government of India, the State Government has formulated projects for the development of these communities. The programme for the development of Primitive Tribes includes provision of shelter-cum-hut, supply of unit of goats and poultry, rehabilitation of families, grant of bullock pairs, agricultural inputs, seeds, fertilizers, agricultural implements etc. at nominal cost. For this programme, Central Sectoral Assistance is being made available by the Government of India.

New Method of Formulation of Tribal Sub Plan -

7. The method followed in respect of formulation of Tribal Sub Plan up to 1992-93 was that the Planning Department used to allocate plan outlays to different administrative departments. The departments, in turn, used to carve out outlays for the Tribal Sub Plan, as per their own discretion and priorities. The departments were also deciding of the schemes, programmes and development works, were to be taken up from the funds set aside for the TSP. Therefore, even though an independent Tribal Development Department was established in 1983 at Mantralaya (Secretariat) level, it could not effectively participate in deciding outlays for different sectors for the Tribal Sub Plan.

8. Keeping in view the above shortcomings, the State Government took up this issue with the State Planning Board before the commencement of the Eight Five-Year Plans. The State Planning Board appointed a Sub-Committee in January, 1991 under the Chairmanship of Shri D.M. Sukthankar, a member of the Board and former Chief Secretary, to study the matter. After making an in depth study the Sub-Committee submitted its Report to the State Planning Board in June,

1992. The recommendations made by the Sub-Committee were accepted by the State Planning Board and thereafter by the State Government in September, 1992.

Some of the important recommendations of the Sukthankar Committee for effective implementation of the Tribal Sub Plan are:-

(i) The Planning Department should first allocate definite funds to the Tribal Development Department (i.e. fix a plan ceiling for) for the Tribal Sub Plan. The responsibility for finalizing the Tribal Sub Plan within the ceiling so indicated should be entrusted to Tribal Development Department and not to the Administrative Department as done earlier.

(ii) The funds so far made available to the Tribal Sub Plan were not more than 7 percent of the total size of the State Plan. There may not be objection to accept this percentage initially. However, the schemes to be taken up from these funds should be tribal welfare oriented. Gradually, the size of the Tribal Sub Plan should be increased to 9 percent of the total size of the State Plan.

(iii) In the Tribal Sub Plan, major emphasis / thrust should be given to those schemes viz. Crop Husbandry, Social Forestry, Primary Education, Health Services, Link Roads, Minor Irrigation, etc. which are important from the point of view of tribal's.

(iv)Active participation should be sought from the Voluntary Organization in the tribal development works.

(v) The outlays to be provided for tribal development for the Tribal Sub Plan areas and Outside Tribal Sub Plan areas should be 75% and 25%.

(vi) Maximum No. of schemes in Tribal Sub Plan should be district level and out of total outlay for the Tribal Sub Plan 60 - 70% of the outlay should be made available for such schemes.

These recommendations have been accepted and followed by the State Government from the year 1993-94.

Plan Outlay and Expenditure

9. During the year 2018-19, the Tribal Sub Plan outlay (Scheme Expenditure) was Rs. 8969.05 crores, which was 9.40 % of the State's Annual Plan Outlay of Rs. 95000 crores. The Plan-wise / year-wise outlay and expenditure incurred are given in the Table 3.1 below.

Table 3.1

THE STATEMENT SHOWING THE STATE PLAN AND TRIBAL SUB-PLAN OUTLAYS (Rs. in crores)

Plan Year	State Plan Outlay	TSP Outlay	Percentage	Actuals
Vth FYP (1974-78)	2627.57	124.99	4.75	71.79

Some Important Achievements

(1) The Tribal Sub Plan strategy, introduced in the State from 1976-77, takes notice of the fact that in order to accelerate the development of the tribal communities, an intensive approach to the tribal problems is necessary in terms of their geographic and demographic concentration. For faster development of this community, areas of tribal concentration were delineated and 17 Integrated Tribal Development Projects (including one for Primitive Tribes) have been approved by the Government of India. However, as mentioned earlier in Paragraph 10 of Chapter, I of this report, there are other areas of tribal concentration which do not fulfill the norms prescribed by the Government of India for carving out Integrated Tribal Development Projects but which need special attention. The State Government declared some areas as Additional Tribal Sub Plan areas, in which 4 Integrated Tribal Development Projects have been carved out in January 1992. (i.e. Four new projects have been started outside the original Tribal Sub Plan areas.) In these Additional Tribal Sub Plan areas. The Additional Tribal Sub Plan covers 1291 villages situated in 32 Tahsil of 10 districts with tribal population of 3, 43,486.

(2) Various developmental schemes are implemented under the Tribal Sub Plan areas for the benefits of tribals. Some schemes like Ashram Schools, Backward Class Hostels, Supply of Electric Motor Pumps, and Oil Engines and Schemes in Integrated Rural Development Projects (IRDP) i.e. individual beneficiary (IB) schemes have also been made applicable to tribals living Outside Tribal Sub Plan (OTSP) areas. Both infrastructural and Individual Beneficiary schemes are also taken up under the Tribal Sub Plan areas. An infrastructural scheme also benefit non-tribal in the Tribal Sub Plan areas, while the Individual Beneficiary schemes are only meant for the tribals wherever they are living. Under the Individual Beneficiary schemes, the rate of subsidy provided to the tribals varies from 10 per cent to 50 percent in the Tribal Sub Plan Area and, Outside Tribal Sub Plan areas depending on nature of scheme and financial status / position of beneficiaries

(3) Various schemes have been implemented under the Tribal Sub Plan and the tribals have certainly derived a good deal of advantage from the following schemes:

1) EDUCATION (EDUCATION DEPARTMENT)

Government of Maharashtra has given special emphasis on facilities for students SC/ST categories of tribal areas of the State. Accordingly, in 15 districts tribal population has been identified. They are Akola, Washim, Bhandara, Thane, Nasik, Dhule, Nandurbar, Jalgaon, Mumbai (W), Nanded, Yavatmal, Nagpur, Gondia, Chandrapur and Gadchiroli. It has been noticed that literacy rate in tribal sub plan areas is as low as 65.7% as an endeavor to bring up this rate. State Government with the help of Government of India has taken up state wise programme of adult education.

1. Vastishala:-

Now this scheme has been revised and vastishala teacher are going to be provided with D.Ed. training facilities in order to absorb them as regular primary teacher. The scheme is closed due to reason of Vastishala has been converged in to regular school.

2. Book Bank in Primary Schools: -

Text books are provided free of cost to students in rural and hilly areas in the State as purchase of text books in difficult for their parents due to poverty. Though proposed, the State Government has also decided to provide free text books under Sarva Shiksha Abhiyan scheme to all students in standard 1 to 8 in Z.P. schools and all Private Aided Schools.

3. Special facilities to SC/ST students in primary schools in Educationally Backward areas: -To increase enrollment and retention of SC/ST students in schools, many incentive schemes are in operation by the Government. Under this, a set of uniform and writing materials supplied free of cost per students in tribal area where literacy rate and enrollment is low. An outlay of Rs. 180.00 lakh has been sanctioned for tribal area & Rs. 160.00 lakh for outside tribal area. The State Government has decided to provide free textbooks under this scheme to students in standard 1 to 4 in Z.P. schools from 103-development block where female literacy is less than that at national level.

4. Grant to DRDA for construction of school rooms: -

Scheme of construction of school room has been included in basic needs programme under Universalisation of Primary Education in tribal area. Facility of primary school is provided within 1.0 Km. the Government has instituted District Construction Development Fund vide G.R. No. PRASHAE/ 1096/44/96/PRASHI-4 dated 31/03/1998 & PRASHE/1096/44/96 /PRASHI-4 dated 30/06/1999. The Government also has increased limit for expenditure on construction of primary school rooms in tribal area.

5. Attendance allowance to girls from weaker section of the society:-

To enroll and retain girls from SC/ST & VJNT and deprived classes particularly from tribal area to schooling, Government of Maharashtra has introduced the scheme of attendance allowance at the rate of Rs. 1/- per day of attendance. This is paid to the parents and is subject to the maximum Rs. 240/- per academic year. An outlay of Rs. 0.00 lakhs for tribal & Rs. 284.60 lakhs for outside tribal area are sanctioned.

6. Sarva Shiksha Abhiyan a Programme for universalization of Education Scheme:-

Government of Maharashtra has undertaken District Primary Education programme with financial support of World Bank for educationally lagging behind district identified on the basis of literacy rate. Now the scheme of Sarva Shiksha Abhiyan a programme for universalization of Education is implemented in the state monitored by Maharashtra Prathmik Shikashan Parishad, Mumbai. The grant share is 60% of Central Government and 40% of State Government. The flagship schemes like mid day meal also implemented in the State to enhance and retain the enrollment with financial support of Central Government.

7. Opening of New Non-Government Secondary Schools:-

100% grants to qualifying un-aided recognized secondary school in tribal area are given by the State government as per Government Resolution dated 10/11/2000 instead of grant's in slabs for general schools.

8. Stipend to Tribal Students:-

As poverty of parents has been the prime cause for students remaining out of school, there is a provision of payment of stipend to students from tribal areas in the State. Boy students in standard 5thto 7th are given stipend at the rate of Rs. 40/-, while girls are given Rs. 50/- per month, for boys students with good, moral conduct and minimum 75% attendance for quality for stipends. This is

given for ten months in an academic year. However, students from Ashram Schools and residential schools where they get lodging & boarding free of charge are not eligible to get this benefit under these schemes.

9. Post literacy Programme:-

National literacy mission came into existence on 5th May 1988 to eradicate illiteracy in India. As per its Directive principle an autonomous institute named as Maharashtra Literacy Council is established on 18th June 1996. Total literacy has been achieved in Thane, Dhule, Nasik, Nanded, Yavatmal, Bhandara, Gadchhiroli & Chandrapur districts after total literacy mission. Its evaluation has been under taken outside agency. In Nanded & Yavatmal districts continuing education scheme is in operation after completing total literacy programme there.

10. Books in tribal dialect:-

With a view to create interest in learning among the students in tribal area schools M.S.C.E.R.T. Pune prepares books in tribal dialect. The council also takes care of teacher training to Universalization of Primary Education these books.

2) TRIBAL DEVELOPMENT DEPPT.

1. Government Ashram School

19. Post-matric scholarship for S.T. Students (Centrally sponsored Scheme) Govt. of India Scholarship: -

The scheme of Post Matric Scholarship has been introduced for providing higher education to Backward Class students, who are staying in rural and hilly areas, and whose financial condition is poor and due to which, they are unable to take higher education. This scheme is implemented through the Project Officers of the ITDPs. They have been empowered to disburse the scholarships to the concerned educational institutions, as per the requirements of the institutions and the records received by them. Project Officers of the concerned ITDP sends blank application forms to the educational institutions and also instruct them to fill up such forms. These forms are accepted up to 31st of July every year, by the educational institutions from the students. The scheme is given

adequate publicity through various educational institutions. In addition to this, every year officers-incharge of the scheme give wide publicity in the local newspapers for the information of the students and also instruct the students to apply for scholarship. For the renewal of the scholarship 75 % of attendance is necessary for the students. 60% of the previous year's expenditure towards scholarship is disbursed to the institutions on an ad-hoc basis. For the disbursement of this scholarship the educational institution opens PLA account in Nationalized Banks, where the students also open their account. The said scholarship is disbursed up to 30th September every year. Under this scheme of the Government of India all the Scheduled Castes & Scheduled Tribes Students studying in Post Matric courses are eligible to receive an amount from Rs. 235/- to 740/- (for hostellers) and Rs. 140/- to 330/- (for day scholars) scholarship subject to the condition that

- (a) The income of the parent should not exceed Rs. 2, 50,000/- per year.
- (b) The student should not be a full-time employee
- (c) The student should have good conduct and his progress and attendance should be satisfactory, and
- (d) Only the first two children of the same parents are eligible.

Government of India has increased the rate of Post Matric Scholarship for the students, belonging to Scheduled Tribe by modifying the existing groups and income ceiling from 10th Five-Year Plan. The details of the Existing & Revised Groups Income Ceiling and Scholarship Rates are as follows

The Government of Maharashtra vide its Resolution dated 31st March 2005 have decided to give scholarships to 10 students belonging to Scheduled Tribes to undertake studies abroad in accordance with the said decision application for scholarship to undertake education in foreign countries.

These scholarship will be awarded to M.B.A. (Post Graduation)-2 Medical Education (Graduation-1 & Post Graduation-1)-2 B.Tech (Engineering) (Graduation-1, Post Graduation-1)-2, Science (Post Graduation)-1, Agriculture (Post Graduation)-1, Other Subject (Post Graduation)-2 – Total 10 students.

In this year 2019-20 Rs. 400.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2020 is Rs. 104.69 lakhs.

26. SHABARI GHARKUL YOJANA

Some tribals are not having their own houses and some body is having their mud houses. Therefore, the Government in Tribal Development Department vides Resolution dated 28th March, 2013 has given sanctioned to implement Shabari Gharkul Yojana which provides permanent houses having facilities of toilets, bathrooms and electrification. Under this scheme the house is constructed on 269 Sq.Ft. carpet areas which include sitting room, 1 bedroom, kitchen, toilet and bathroom. Rs. 70,000/- is provided to construct the house in rural area which is now amended to Rs. 1,00,000/- as per Government Resolution dated 7th August, 2014. Following are the details of area and the required income of the family.

Sr. No.	Area	Area wise amount of one house (Rs. In Lakhs)	Family income of the applicant (Rs. In Lakhs)
1	Rural Area	1.00	1.00
2	Nagarparishad Area	1.50	1.50
3	Municipal Corporation, Mumbai Metropolitan Region Development Area	2.00	2.00

Though there is ceiling on family income, a provision is made to give priority to the beneficiary of Below Poverty line.

This scheme is implemented through concerned Project Officer and concerned Additional Tribal Commissioner is the controlling authority

In this year 2019-20 Rs. 20000.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2020 is Rs. 12000.00 lakhs.

3) Social Welfare Department (B.C.Welfare Schemes)

1. Scholarship in students studying in High Schools.

Under this scheme there are no grants for financial year 2019-20.

2. Maintenance allowance to Backward Class students studying in Military Schools:-Under this scheme there are no grants for financial year 2019-20

3. Scholarship to Scheduled Tribe Students studying in High Schools:-

The scheme is implemented by the District Social Welfare Officer, Zilla Parishad of the respective District. Under this scheme scholarship is given to the intelligent meritorious students belonging to the scheduled tribe studying in High schools. Scholarship of Rs. 50 per month, Rs. 500/- is given for a period of 10 months to scheduled tribe students studying from 5^{th} to 7^{th} and scholarship of Rs. 100 per month Rs. 1000/- is given for a period of 10 months to the scheduled tribe students studying from 8^{th} to 10^{th} .

The expenditure on this scheme for the last year is as follows.

Year	Grants Received	Expenditure	Benefisharies
2018-19	53.61	33.62	5717
2019-20	30.45	17.34	1734

4. Financial Assistance to the Students residing in the Scheduled Tribe Hostels

The scheme is implemented by the District Social Welfare Officer, Zilla Parishad of the respective District. In Maharashtra at the Divisional level the hostels are located at Mumbai, Pune, Nashik, Amravati and Nagpur. Each student residing Student residing in these hostels run by voluantary agencies are given maintainance allowance of Rs. 900/- for a period of 10 months. Financial assistance is provided to the voluntary agencies in the form of grant in aid for building rent and towards the remuneration of the staff working under the hostels run by these voluantary agencies.

Year	Grants Received	Expenditure	Benefisharies
2017-18	98.48	98.48	40
2018-19	333.72	266.98	40

4) (I) Other Sectors

1. CROP HUSBANDRY

In Maharashtra, agriculture and allied occupations constitute the mainstay of the tribal economy. Nearly 85 % of total tribal population is engaged in the agriculture. Although, most of the tribal families depends on agriculture for their main source of income and occupation, tribal agriculture is characterised by low technology and low input resource and therefore, the per hectare productivity of various crops in the tribal area is low. Moreover irrigation facilities in the tribal areas are also extremely limited.

Under Adivasi Upyojana (TSP & OTSP) scheme subsidy is given to tribal farm families for various items to increase in the productivity of their farms. The Committee was formed by the Government on 24 February 2016 for recapitulation of the scheme under the Chairmanship of Joint Director of Agriculture, Nagpur. The Committee had submitted the report to Government to change the present norms of subsidy and increase the annual income limit upto Rs. 1,50,000/- per family. The State Government has therefore revamped the scheme in 2017-18 with new norms of subsidy and components so as to provide sustainable irrigation facilities. As per Government Supplementary letter dated 30.12.2017 this scheme is known as Birsa Munda Krushi Kranti Yojana. The State Government also increase the annual income limit upto Rs. 1,50,000/- per family.

Sr. No.	Item	subsidy limit (Rs.)	subsidy percentage
1	New Well Construction	2,50,000/-	100
2	Old Well repairing	50,000/-	100
3	Lining of Farm pond with slipolin paper	1,00,000/-	100
4	Inwell Boring	20,000/-	100
5	Sprinkler / drip irrigation	25,000/- (sprinkle) or 50,000 (drip)	90
6	Electricity connection charges	10,000/-	100
7	Kitchen garden	500 per beneficiary	100
8	Pump Set (Disel / Electric)	20,000/-	100
9	PVC / HDPE Pipe	30,000/-	

The pattern of assistance available for various items is as under :

An outlay of Tribal Sub Plan and Outside Tribal Sub Plan Rs.10289.33 lakh has been provided for the year 2019-2020 and expenditure incurred is Rs.10289.33 lakh.

Districtwise details of Birsa Munda Krushi Kranti TSP and OTSP Schemes implemented in 2019-2020.

2) HORTICULTURE

Fruit & Vegetable Plantation in Kitchen gardening of Tribal Farmers. -

Earlier the scheme was implemented since 1997-98 in Melghat area of Amravati district and subsequently in 14 tribal districts viz Thane, Palghar, Pune, Nashik, Dhule, Nandurbar, Jalgaon, Ahmendnagar, Nanded, Amaravati, Yavatmal, Gadchiroli, Chandrapur and Gondia of the state. The aim of the scheme is to provide balanced diet with vitamins and other essential nutrients to the tribal population for providing inputs of Rs. 252 such as vegetable seeds, seedlings, fruit tree grafts and agricultural implements kit. The proposed layout of the scheme for the year 2020-21 is Rs. 26.00 lakhs.

Major Head Demand No. is this tribal plan scheme & under tribal plan establishment of nurseries this scheme relates to horticulture.

2401-Crop Husbandry

(796) Tribal Sub Plan

- (01) (32) Kitchen Garden scheme in Trible District.
- (2401 A806)—(33) Subsidy.

The subsidy of Rs. 212/- per beneficiary is given to tribal farmers to gain nutritional benefit from Kitchen garden scheme supply kit which includes vegetable seeds, seedings, and fruit free grafts as per requirement.

During 2019-20 the physicial and financial statement as below.

3) SOIL AND WATER CONSERVATION

Watershed development programme for tribal farmers in Maharashtra through various State and Central sponsored schemes.

Irrigation facilities are less in tribal areas so tribal farmers depend upon monsoon rains. They do not have other fixed income sources. The Government of Maharashtra implemented the watershed development programme to increase ground water level and providing protective irrigation to their seasonal crops which enhance the productivity of the crop.

In the concept of watershed development programme, land improvement through various treatments from "ridge to valley" approach, which is manageable hydrological unit. In watershed development programme, area treatments are the basic aspects to conserve the water & soil. In tribal areas this programme is implemented during the year 2015-16 with following objectives.

- 1) To conserve the soil and prepare the cultivable land by adopting land terracing.
- 2) To increase the productivity of the soil by preventing soil erosion.

- 3) To increase the ground water level by accepting various nala treatment.
- 4) To providing the life saving irrigation to crop during dry spell.
- 5) To increase the crop productivity through adopting various improved technology.
- 6) To generate employment in agriculture and to check the migration of the tribal people.
- 7) To increase the income of the tribal farmers through agriculture.

In watershed development programme, the area treatment work is done on the farmers own land and the nala treatment is done on the public land. Following are the watershed development treatment carried out in this programme during 2014-15.

A) **Area treatments**: - Continous contour trenches (C.C.T.), deep C.C.T., Compartment bunding, graded bunding, terracing & repairs of old paddy bunds etc.

B) **Drainage line treatments**:- Earthen structure, loose boulder structure, Gabian structure, farm pond, earthen nala bund, cement nala bund, diversion bunds etc.

1) Continuous contour trenches (C.C.T.) :- This treatment is implemented in waste land where land stops is from 1 to 33%. Trenches along the contour lines are dug out and small bunds are formed. It checks the soil erosion and stores water. Stored water is percolated in the soil, which increases the water table. The seed of grasses, bushes and trees are also planted on the bunds. This will help in soil and water conservation.

2) **Deep C.C.T.** :- Deep C.C.T. treatment is carried out in waste land, where land

slope is upto 8% and in heavy rainfall areas. The trenches of size 1mt. X 1mt. and 20 mt. in length are dug out along the contour lines. It checks the soil erosion and stores water. Stored water is percolated in the soil which increases water table. The seed of grasses, bushes and trees are planted on these bunds. This will help in soil and water conservation.

3) Compartment bunding :- Small earthen bund of section 0.80 sqm to

1.20 sqm are constructed across the slope by digging a trench near a bund. This activity mostly carried out in arable land. It helps in moisture conservation and controlling soil erosion and ultimately increases the crop production.

4) **Terracing**: - Under this treatment, the natural sloppy land is converted in to a plain terrace. The land having average natural slope from 4 to 8% is converted into cultivable plain land, which is suitable for paddy cultivation. By this activity the rain water is stored evenly in the terrace for paddy crop. It brings barren land under cultivation. Tribal farmers get the permanent source of income and it helps to uplift their standard of living.

5) **Repairs of old paddy bund**: - Some times, heavy incessant rain causes the damage and erosion of the paddy fields. These bunds require repairs and maintannce, which results even supply of water to the paddy fields and ultimately increases the paddy production.

B) **Drainage line treatments:** - Earthen structure, loose boulder structure, gabion structure, farm pond, earthen nala bund, cement nala bund, diversion bunds etc.

1) **Loose boulder**: - The loose boulder structures are constructed in series by keeping the stones across the nala. It checks the velocity of water and retains the soil. This bund is constructed on slopy land and catchment upto 10 ha to check the soil and water erosion.

2) **Earthen nala bund**: - Earthen bunds are constructed across the nala or gullies to hold the runoff water and percolate into the soil. This also helps to control the soil erosion and increases the water table of wells in periphery. Stored water is used as protective irrigation to various crops during dry spells occurred in monsoon season.

3) **Cement nala bund**: - Cement concrete nala bund is constructed on nalas to store the water. Stored water is percolated into soil and also used as protective irrigation for various crops. Water level of surrounding wells is increased.

4) **Diversion Bandhara**: - This activity is carried out mostly in the hilly areas where heavy rainfall occurs and nalas flows up to the month of December. Bund is constructed across the nala and stored water is diverted towards the different crop fields by small canal according to the slope.

5) **Farm Pond: -** This is the individual beneficial scheme, under which farm pond is dug out in particular farmer's field. Rain water is harvested and stored in the farm pond. Water is percolated into soil and also used as protective irrigation for various crops during dry spells occurred in monsoon season.

Due to area treatments rain water is conserved in soil which helps to increase the ground water level. In drainage line treatments, rain water is harvested and stored in above mentioned structures, which helps to recharge ground water level and ultimately increasing water level of surrounding wells. Stored water is used for direct irrigation to crops with help of lifting devices. Due to these different area treatment and drainage line treatment activities, tribal farmers are getting irrigation facilities to their crop, which help to increase their seasonal crop productivity. Ultimately it helps in uplifting the standard of living of tribal farmers in tribal areas.

During 2019-20 under tribal sub-plan scheme Nil.

4) Animal Husbandry Programme:-

Livestock plays an important role in the development of agrarian rural economy of the state. It has been an established fact that flow of income to owners through livestock production is continuous throughout the year irrespective of season. The department of Animal husbandry is playing a vital role in sustainable economic upliftment of the rural population specifically in schedule area. For the Scheduled area the department is framing and implementing programmes with special view and approach.

The following scheme are implemented in the year 2019-20

- 1. Under Navinyapurna yogna supply of 2/4/6 milch animals, supply of 10+1 goat units and start up avocation of 1000 birds-broiler unit on 75% subsidy is given.
- 2. Under DPC, two milch animals group distribution to District's Schedule Caste Beneficiary is given.
- For creating an opportunity for self-employment training to scheduled cast beneficiaries regarding Animal Husbandry is given wherein 3 days daily allowance and travel allowance of Rs. 1000/- per beneficiary is given.
- 4. Under integrated poultry development scheme day old 100 chicks are distributed on 50% subsidy and 25 pullet and 3 cocks of the age group 8-10 week are distributed.

SWAYAM PROJECT:

State Government is implementing SWAYAM PROJECT in 104 ICDS BLOCKS of 16 Tribal Districts. The project is aimed to provide an opportunity of self employment for livelihoold, as well as protein nourishment to the children in anganwadisin tribal area. The project cost is Rs. 22.56 Lacs. 104 mother units being established to rear 19.52 lakhs day old chicks of low input technology birds. 45, four week old birds each are being distributed to 43,368 beneficiaries at free of cost. Funds received in the year 2017-18 were Rs. 770 lakhs of which Rs. 753 lakhs was utilized in the year 2018-19, grant of Rs. 800 lakhs was received of which Rs. 663 lakhs was utilized. During 2019-20 grant of Rs. 943.03 Lakhs was received of which Rs. 493.60 lakhs was utilized.

Till now 66 mother units have been established in Thane, Palghar, Amravati, Gondia, Nagpur, Yavatmal, Raigad, Nanded, Nashik, Dhule, Jalgaon, Pune and Ahmednagar districts. Total 629570 four weeks old chicks of low input technology breed have been distributed to 40142 beneficiaries.

1. Mobile Veterinary Clinics

Some parts in the scheduled area are remote and hilly. To provide the veternary health cover and other related facilities these Mobile Veterinary Clinics are working in their jurisdiction. The Statement of 2019-20 is below.

5. DAIRY DEVELOPMENT

As per Government Resolution dated 16th May 2001, individual beneficiary schemes were scrapped. Under Tribal sub Plan Schemes the sanctioned funds were to be utilized for replacement of old machinery and purchase of new machinery for the processing dairies and chilling plants in tribal region.

In the year 2019-2020 funds is Nil.

6. FISHERIES DEPARTMENT: -

According to 2011 census in state, the number of Tribal is 105.10 lakhs & total population is 9.35%. In Tribal mainly Kolam, Bhill, Gond, Warli, Katkari, Pardhi etc. caste is included. In this tribes are illiterate & they are very poor. For this tribes, Fisheries is open & their financial condition & therefore day to day life. Government has implementing tribal sub plan scheme from 1976-77. In Maharashtra, Raigad, Nashik, Dhule, Jalgaon, Pune, Ahmadnagar, Nanded, Thane, Amravati, Yavatmal, Nagpur, Bhandara, Chandrapur & Gadchiroli. 14 districts, 68 Talukas, 6962 villages & 13 cities tribal sub plan area is declared & this area is 50755 sq.killometer &States total area is 16.5%. The tribals who are out of this area for them also the outlay has been declared.

Fisheries Vision –

In State Fisheries useful land	-	4.18 lakh Hectare		
For Tribal area useful water spred area	-	0.97 lakh Hectare		
Fish seed capacity (State)	-	114.00 Crore		
Tribal area capacity - 10.00 Crore				
Fish seed centre (State)	-	30 Hatchery		
Fish seed centre (Tribal)	-	6 (Dapchari, Karanjwan,		
		Itiyadoh, Loni, Chargaon,		
		Amalnala		
Fish seed Rearing centre (State)	-	16		
Fish seed Rearing centre (Tribal)	-	3		

Tribal Districts –

 Thane, 2) Raigad, 3) Nashik, 4) Dhule, 5) Jalgaon, 6) Ahmadnagar, 7) Nanded, 8) Amravati, 9) Yavatmal, 10) Nagpur, 11) Bhandara, 12) Gadchiroli.
 Production of Fish seed capacity (Tribal) – 6.00 Crore

Fisheries Department Plan:-

For Tribal people fisheries Department has implemented schemes as given below:-

(i) Establishment of Fish Seed Production:-

In Tribal areas 97000 lakh water sq.area is available for fisheries development. For optimum stocking of fish seed, demand of good quality fish seed to be produced in tribal area 6 fish seed centres are operated. Which made fish seed available for stocking? To enhance fish seed production in some fish centre, establishment of Chinese hatcheries has been done. Extension & maintenance & repairing work has been taken on priority. This scheme is benefitted for tribal fisherman.

Above 6 fish seed centres are operated with optimum capacity. We can produce 6.00 crore fish seed in tribal areas.

(ii) Fish Farming in Impounded Waters: -

The main objective of this scheme is to bring more and more cultivable water areas under fish culture. Under the scheme, seed is supplied at subsidized rate to the fisheries co-operative and local bodies for stocking. Similarly, subsidy on construction of rearing ponds, purchase of food and fertilizer is also granted. The scheme envisages increase in fish production and thereby to provide employment opportunities to the rural tribal.

(iii) Fish farmer's development agency: -

Under Fish Farmers Development Agency the beneficiary chooses from tribal area. These tribal are trained by the department for fishery. Thus department gave financial assistance to the fisherman. This subsidy pattern is 75:25 (Central shares 75% and State share 25%).

(iv) Development of Fisheries Co-operatives Societies: -

In State tribal fishermans centres are there. In this scheme for change of work & financial changes managerial subsidy & Share capital contribution is given in financial assistance form.

(v) Assistance for the Purchase of Fishery Requisites: -

Under this scheme, tribal individual of fisheries reuisities is given. So this scheme is individually beneficiary. In which per fisherman 5 killo nets provision is made for tribal fisherman can use this for fishery purpose and can earn for his day to day life.

7. FOREST DEPARTMENT -

In Maharashatra State, 50757 Sq. Km. (Provisional) of scheduled area is spread over the districts of Thane, Raigad, Nasik, Dhule, Jalgaon, Ahmadnagar, Pune, Nanded, Amravati, Yavatmal, Chandrapur & Gadchiroli. The extent of forest dispersed in scheduled areas in these 13 districts is 26281.06 Sq. Km. (Provisional) approximately constituting about 44.79 % of the total forest area of Maharashatra State, Viz 61579 Sq. Km. (Provisional).

Forest villages & inforest settlements were established & developed with the purpose of ensuring sustained and adequate availability of labour for forestry works. At present the forest villages and inforest settlements are under the administrative control of the Revenue Department subject to the provisions of Forest Conservation Act 1980, the inhabitants of the forest villages and inforest settlements enjoy the same benefits of occupancy rights in hand as are available to the residents of Revenue villages. The large scale of employment in various forestry works undertaken in forest areas was a source of livelihood to the forest dwellers. They were granted concessions, privileges like Nistar and Grazing facilities etc. & were provided amenities like drinking water, school, rooms/buildings etc. through development plan programs to the extent possible.

A total outlay of Rs. 7696.00 lakhs is provided under the scheme in the tribal sub plan of 2019-2020 and expenditure incurred is Rs. 6682.00 lakh.

(B)

8. SOCIAL FORESTRY

No financial outlay was available for the year 2019-2020 under the Tribal Sub Plan for Social Forestry Department.

9. CO-OPERATION: -

With the State Government's participation by way of Share Capital Contribution, Ioan & managerial subsidy, the Co-operative movement has now become a vital instrument of economic development in the tribal areas. It has become and effective medium for the successful implementation of various schemes, which have a bearing on the raising of the standards of living of the tribal population. In order to study the problems of Tribal Co-operative societies a committee was appointed on 30th January, 1984 under the chairmanship of Shri Madhukarrao

Pichad, the then Minister of State for Tribal Development. On the basic of the recommendations made by that committee the following important decisions were taken by the Government to revitalize the co-operative structure in the Tribal areas.

(1) To reorganize the Adivasi Co-operative Societies on the following criteria:

(a) The area of operation of a society should be limited to 5 to 10 kms.

(b) For each 5,000 population, there should be one society.

(2)While reorganising the societies on the above lines, the existing societies (275 societies) should be Liquidation.

(3) To extend financial assistance to these societies (Newly registered 938 societies) in the following manner:

(a) To increase the rate of commission in under Monopoly Procurement scheme.

(b) To increase the rate of commission in fair price shops dealing and

(c) Managerial loans given to Adivasi Co-operative Societies from the fourth to the Seventh year converted into subsidy.

2. The Government has accorded sanction to give 100% management subsidy to these reorganized societies for a period of five years. The Government has also agreed to convert the operational loans given to the Adivasi Seva Societies in to subsidy. However, the pattern in respect of management subsidy & share capital is still under the consideration of Government.

3. The details of some important schemes and outlay provided for them in the Tribal Sub Plan, 2019-2020 are given in the following paragraphs.

(1) SUBSIDY TOWARDS BAD DEBT RESERVE: -

Financial assistance is given to each Adivasi Co-operative Society towards its bad debts reserve funds unto a limit of 5% of the maximum of its outstanding. Government contribution for subsequent years is on the basic of difference in loans advanced in the previous years, subjects to the maximum contribution of Rs. 0.30 lakh to each society.

(2) GRANT OF INTEREST SUBSIDY UNDER VARIOUS SCHEMES:-

There are various schemes for grant of interest subsidy to tribal farmers. These schemes are (i) Interest subsidy to small farmers, (ii) Interest subsidy to Tribal members of Adiwasi Cooperative societies at the rate of 5% & (iii) Production incentive scheme Government has decided that the crop finance disbursement to the Adivasi Co-operative Societies should be done at concessional rate. The scheme wise outlay provided for 2019-2020 are as follows:

Sr.No.	Particular	Outlay	Expenditure
1.	Interest subsidy to small farmers	0.00	0.00
2.	Interest subsidy to Adiwasi members of Adiwasi Co-operative Societies at 5%	0.00	0.00
3.	Crop Production Incentive Scheme	350.35	260.01

(3) SEVEN YEARS INTEREST FREE LOANS FOR THE PURCHASES OF SHARES OF ADIVASI CO-OPERATIVE SOCIETIES:-

Adivasi Co-operative Societies offer various the members of such societies. Government grants them interest free loan of Rs. 100/- the loan is repayable in 5 equal installments and the first installment becomes due in the third year from the date of release of the loan. An outlay of Rs. 35.00 lakh and expenditure of Rs. 0.00 lakh in the year 2019- 2020 for this scheme.

(4) FINANCIAL ASSISTANTS TO TRIBAL PURCHASE OF SHARE OF CO-OPERATIVE SUGAR FACTORIES (LOAN AND SUBSIDY): -

Under this scheme financial assistance is given to the tribal so as to become member of cooperative sugar factories at the rate of Rs. 10,000 or the actual book value of the share by way of 50% interest free loans and 50% subsidy. The loan is recovered in 5 equal installments after 2 years from the date of grant of loan. This scheme is being implemented through the District Deputy Registrar of Co-operative Societies. An outlay of Rs. 135.10 lakh and expenditure of Rs.0.00 lakh has been for this scheme in the year 2019-2020.

(5) MANAGERIAL SUBSIDY FOR FAIR PRICE SHOP OF TRIBAL CO- OPERATIVE SOCIETIES: -

The distribution of food grains and consumer articles is done through Adivasi Multipurpose Co-operative Societies. While undertaking these activities, the societies sustain losses. In order to reimburse such losses, management subsidy is given at the rate of Rs. 2,500/- per society per year or the actual loss whichever is less. An outlay of Rs. 0.00 lakh and expenditure of Rs. 0.00 lakh for this scheme for the year 2019-2020.

(6) MANAGERIAL SUBSIDY AND SHARE CAPITAL TO ADIVASI VIVIDH KARYKARI SOCIETIES FOR REVITALISATION: -

Since the activities of the above-reorganized Adivasi societies have been expanded, they will have to appoint additional staff for which they will have to incur management expenses. The estimated excess expenditure involved on management activities would be about Rs. 30,000 per society per year. To meet out this extra expenditure they are being provided management subsidy of Rs. 30000/- or actual loss due to extra expenditure on management in the previous year which

ever is loss. However the pattern in respect of financial assistance is still under consideration of government. An outlay of Rs.11.80 lakh and expenditure of Rs. 3.20 lakh has been for the year 2019-2020.

(7) SHARE CAPITAL ASSISTANCE TO THE ADIVASI VIVIDH KARYAKARI SOCIETIES. :-

Adivasi Vividh Karyakari Societies have to raise loans for giving agricultural loan, supply of fertilizes and seeds, and for doing various businesses like fair price shop, dairy, fisheries etc. to their members. Since the raising of loan is related as per the times of their capital, share capital assistance of Rs. 50,000/- per society is to be given to the 938 societies for strengthening their capital base. Share capital subsidy is given to the societies excluding the societies to whom share capital contribution is given. An outlay of Rs.0.00 lakh and expenditure of Rs. 0.00 lakh has been for the year 2019-2020.

Accordingly, total budget provision for district level and state level schemes for year 2019-2020 was Rs. 313.17 lakh. And actual expenditure upto 31 March 2020 was Rs. 263.20 lakh. And thus percentage of expenditure was 84.04%.

10. GROUND WATER SURVEYS AND DEVELOPMENT AGENCY (GSDA)

The Groundwater Surveys & Development Agency under Water Supply & Sanitation Department implements the following programmes under the Tribal Sub Plan. The details of the scheme are as given below.

Hydro fracturing of Drinking Water Bore wells:

The hydro fracturing is a process to rejuvenate the existing low yielding bore well. In which water is injected in to the bore well at high pressure. Which widen and extends the existing fractures? This increases the connectivity of the fractures & improves the yield of the bore wells.

Cost of hydro fracturing is Rs. 6,000/- (Rs. Six Thousand only) per bore well. The successful bore well after hydro fracture benefits the 250 population approximately.

During the year 2019-20, under Tribal Sub Plan (TSP) a grant of Rs. 461.50 lakh and expenditure of Rs. 185.32 lakh. Accordingly the target of hydro fracturing was 10 bore wells.

District wise details of allocation of grants, expenditure and work done for the year 2019-20 under this scheme is shown in the following table.

^{12.} DROUGHT PRONE AREA DEVELOPMENT PROGRAMME In the year 2019-2020 funds is Nil.

13. Mahatma Gandhi National Rural Employment Guarantee Scheme- Maharashtra

The Government of Maharashtra has been implementing the MGNREGS under the Central Act through the Maharashtra Employment Guarantee Act, 1977 in entire State since 2006 to 2008 in phased manner. The main objective of MGNREGS is to make effective provision for securing the right to work by guaranteeing employment to all adult people who is volunteer to do unskilled manual work in rural areas in the State of Maharashtra and also to create durable assets.

Payment under the MGNREGA is made through Banks / Posts.

Only E-musters are used all over the State for taking attendance so that the labourers are given wages in the prescribed time and now wages are deposited into the wage seekers account directly through EFMS. Uses of EFMS for transfer of wages electronically and ensure that there are no delays. Pay slips are being distributed to the workers. Social Audit for ensuring transparency and accountability in implementing in the scheme.

A full fledge Commissionerate is functioning in Nagpur for the effective implemention of the Scheme. In case the payment of wages is not made within 15 days from the date of closure of the muster roll, the wage seeker shall be entitled to receive payment of compensation for the delay, at the rate of 0.05% of the unpaid wages per day of delay beyond the fifteenth day of closure of muster roll.

Government of Maharashtra published State Employment Guarantee Council Rules, Unemployment Allowance Rules & Grievance Redressal Rules.

Year	% age of HH SCs among workers under MGNREGA	Employment for full 100 days in the MGNREGA (No of SCs Household)
2015-16	9.50	19505 HH (8.93%)
2016-17	9.21	13753 HH (8.19%)
2017-18	10.15	17784 HH (8.83%)
2018-19	11.15	17688 HH (9.19%)
2019-20	11.67	11437 HH (9.20%)

SCs Employment under MGNREGA - Maharashtra are as follows:-

STs Employment under MGNREGA – Maharashtra are as follows :-

Year	% age of HH STs among	Employment for full 100 days in the
	workers under MGNREGA	MGNREGA (No of STs Household)
2015-16	19.33	42869 HH (19.63%)
2016-17	20.00	34440 HH (20.52%)
2017-18	19.12	42711 HH (21.20%)
2018-19	19.05	40633 HH (21.12%)
2019-20	21.21	25274 HH (20.33%)

During the year 2019-20, the State has spent Rs. 1825.67 Crores and created 629.65 lakhs person days under MGNREGA. For the week ending dated 14.03.2020, 44558 works are ongoing with an attendance of 2,65,063 labours in the state.

Important Achievements:

- Under MGNREGS, priority for works of drought proofing has been given. In this Soil Conservation, Water Conservation, Afforestation and agricultural & allied works are on top priority.
- Under Jalyukt shivar Abhiyan, emphasis has been given for water conservation and these water conservation works are taken under MGNREGS on top priority.

"A Day with Labour Programme" a new concept on the eve of Gram Rojgar Divas is taken in the State with view of giving the benefits of other development & social schemes of the States of MGNREGA workers and their families.

14. Pradhan Mantri Awaas Yojana- Gramin (PMAY-G)

Indira Awaas Yojana (IAY) was made an independent scheme with effect from 1st January 1996 aimed at addressing housing needs of the BPL households. After more than 30 years of its implementation, although Indira Awaas Yojana addressed the rural housing shortage, there still exist huge gaps in rural housing scenario in view of the limited scope of coverage under the scheme. To address the gap in rural housing and in view of Governments, commitment to provide "Housing for All" by 2022, the scheme of Indira Awaas Yojana has been re-structured into Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) w.e.f. 1st April, 2016.

Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) aims to provide a pacca house with basic amenities to all houseless living in Kutcha and dilapidated house by 2022. In its first phase objective was to cover 1.00 Crore households living in construction of quality house in three years from 2016-17 to 2018-19 and ensured construction of quality houses, using local materials, design and masons specially trained in quality workmanship. In its second phase from 2019-20 to 2021-22 objective is to cover 2.95 crore households.

Key Features of PMAY-G

- 1. Providing assistance for construction of 2.95 crore houses in rural areas by 2022.
- 2. The minimum unit (house) size is 25 squre meter including a dedicated area for hygienic cooking.
- Unit assistance of Rs. 1,20, 000 in plains and Rs. 1,50,000 is hilly states difficult areas and Intergated Actions Plan districts is provided.
- 4. The cost of unit (house) assistance is to be shared between Central and State Government in the ratio 60:40 in plain areas and 90:10 for north-eastern hilly states.
- 5. Provision of toilets at Rs. 12,000/- and 90/95 days of unskilled wage labour under MGNREGA over and above the unit cost.
- Identification of beneficiaries using SECC-2011 data. The identification and selection of the beneficiaries is done by the community through the Gram Sabha, from the SECC-2011 list, based on the housing deficiency and other social deprivation parameters.
- Use of effective convergence for provision of electricity, piped drinking water facility, rain water harvesting, LPG gas connection under UJJWAL scheme, solare initiatives, backyards fruit plants, poultry, goatery, dairy shed, solid and liquid waste management etc.

- 8. All payments are done through DBT to beneficiary's Bank / Post Office accounts registered in Awaas Soft MIS.
- 9. Specially designed mason training certificate proforma on site to improve quality of homes and enhance skills of participants.
- 10. Creating menu of housing designs based on local typologies incorporating local materials, traditional knowledge and aesthetics.

15. POWER DEVELOPMENT -

A) Tribal Sub Plan (District level)

This scheme is executed in area notified as Tribal Sub Plan (TSP) area as well as other than Tribal Sub Plan (OTSP) area. The objective of Government of Maharashtra for implementing this scheme is to fill gap of development between tribal and non-tribal area, to improve living status of tribal peoples, to increase rate of social as well as economical development of Tribal peoples. The district wise yearly plan under this scheme is approved by Government of Maharashtra. The electrification of un-electrified tribal wadi / vastis, release of L & F as well as Agricultural connections to tribal beneficiaries & associated infrastructure work are carried out through this fund.

For financial year 2019-20 MSEDCL budget Rs. 11557.85 lakhs and expenditure of Rs. 11250.75 lakhs. Received fund of Rs. 92.78 Crores under Tribal sub plan scheme and Rs. 12.32 Crores under Other Tribal Sub Plan scheme from Government of Maharashtra. Work orders for given to the contractors under Tribal Sub Plan Scheme 146 nos. of Ag. Connections, 406 Domestic connections and 50 wadi pada electrification works carried out & expenditure incurred of Rs. 58.47 Crs. Similarly, under Other Tribal Sub Plan scheme, 79 nos. of Ag. Connections, 382 Domestic connections and 1 Wadi pada electrification work carried out & expenditure incurred of Rs. 7.60 Crs. Balance work in progress.

B) Tribal Sub Plan (State Level)

1. To electrify unelectrified Tribal Villages and Wadi/Padas in Scheduled Areas.

Proposal for electrification of 23 villages & 397 padas in Thane (Palghar), Nandurbar, Pune, Ahmednagar & Jalgaon district involving expenditure of Rs. 76.70 Crore has been prepared. Request for funds sanctioned was sent to Energy Department vide letter No. 3165 dated 20.10.2014. Tribal Department in their session held in December 2014 had sanctioned Rs. 25 Crores through additional demand but as per Government of Maharashtra decision communicated vide letter no. संकिर्ण-2014/प्र.क्र.234/ऊर्जा-5 दिनांक 31.03.2015 has released fund Rs. 18.25 Crores only. Demand for remaining amount has been made to Government of Maharashtra vides letters no. म्.अ.(चितरण)/ग्राचि-1/3068 दिनांक 02.03.2015, but fund is not sanctioned.

Under this scheme 21 tenders were floated and 21 LOA were issued having coverage of 356.76 km LT line, 164.51 km HT line, 125 DTCs & electrification of 229 nos. village / wadi padas.

Up to the end of September 2019 work of 356.76 km of LT line, 164.51 km HT line, 125 DTCs, electrification of 188 nos. village / wadi padas is completed and expenditure incurred is Rs. 18.25 crs.

Also Government of Maharashtra sanctioned Rs. 4.85 Crs MSEDCL vide Government Resoluation No. BUD-2016/Karyasan-6 Dtd. 18.02.2016 for electrification of Tribal Villages / Wadies for Nandurbar and Ahmednagar district.

Under this scheme 5 tenders were floated and 15 LOA were issued having coverage of 91.5 km LT line, 42.54 km HT line, 38 DTCs and electrification of 44 nos. village / wadi padas..

Up to the end of September 2019 work of 93.22 km of LT line, 42.54 km HT line, 38 DTCs, electrification of 44 nos. village / wadi padas is completed and expenditure incurred is Rs. 4.85 Crs.

2. Scheme to Resolve problem related to low voltages and high interruptions in Melghat area of Amravati District.

There are complaints of low voltages in villages from Melghat area of Amravati District. Further especially during Monsoon season, it takes long time to restore power supply in the event of breakdown, as lines are passing through dense forest. In order to sort out low voltage and high interruption problem, proposal of Rs.27.07 crore has been sent for approval vide letter No. 2262 dated 22.01.2014 to Energy Department, Tribal Department has released Rs. 23.15 Crs for this week.

Under this scheme a 33/11 KV substation is installed at Dhakarmal. Augmentation of power transformer of 3.15 MVA to 3 MVA done at Dabka substation, additional power transformer 1 X 5 MVA installed at 33/11 KV Gondwadi S/s and Kadhav S/s and 3 nos. of 33 KV bays are erected at Dabka S/s. 19.5 KV S/C Line with 100 Sq.mm ACSR, 62 km 33 KV Pin type composite line with 100 Sq.mm ACSR, 3 km 11 KV Pin type with 100 sq.mm. ACSR, 9 km upgradation of 33 KV Line to 100 sq.mm and 2 nos. 11 KV station type capacitor bank installed. Expenditure incurred under this scheme is Rs. 23.15 Crs.

16. MAHARASHTRA ENERGY DEVELOPMENT AGENCY

In the year 2016-17 MEDA Scheme is diverted to district level. For 2019-2020 the Budgeted and expenditure is Nil.

17. PUBLIC HEALTH: -

National Rural Health Mission

National Rural Health Mission (NRHM) has been launched in the country with effect from 12 April 2005, which aims at providing accessible, affordable, effective, accountable and reliable healthcare to all citizens and in particular, to the poorer and vulnerable sections of the population.

Main Objectives of NRHM programme are,

- Reduction in child and maternal mortality
- Universal access to public services for food and nutrition, sanitation & hygiene and universal access to public health care services with emphasis on service addressing women's and children's health & universal immunization
- Prevention and control of communicable and non-communicable diseases, including locally endemic diseases
- Access to integrated comprehensive primary health care
- > Population stabilization, gender and demographic balance

- Revitalise local health traditions & mainstream Ayurveda, Yoga, Naturopathy, Unani, Siddha and Homoeopathy (AYUSH)
- > Promotion of Healthy lifestyles.

For TSP 2019-20 Budget for Central Share Amount Rs.12965.35 Lakhs & Expenditure was Rs.7826.87 Lakhs. For (60%) Central Share Rs.17239.32 lakhs budgeted in 2020-21.

Regarding State Share Budget Tribal Department budgeted under District Planning Control Committee (DPDC).For 2019-20 Rs.11794.14 lakhs & Expenditure was Rs.13002.10 lakhs. For (40%) State Share Rs. 19200.00 lakhs budgeted in2020-21.

Tribal Schemes under National Rural Health Mission

Schemes for Tribal and Affected Areas

Introduction

Maharashtra has 16 tribal districts out of which 5 are sensitive and six are leftist extremism affected districts. Considering the health problems of these areas and non-availability of trained staff to provide the health services, few schemes for these difficult areas has been started.

- 1. HARDSHIP ALLOWANCES.
- 2. CO-ORDINATION CELL AT DISTRICT HOSPITALS.
- 3. MOBILE MEDICAL UNITS IN GADCHIROLI DISTRICT.
- 4. FLOATING DISPENSARY & FLOATING AMBULANCE IN NANDURBAR DISTRICT.
- 5. MEDICAL & DENTAL CAMP.
- 6. CME FOR TRIBAL MEDICAL OFFICER

Hardship Allowances

- Hardship Allowance is introduced to motivate the MOs, specialist and Health workers working in difficult areas of the state.
- This scheme has been introduced in 11 out of 16 tribal districts of Maharashtra. These Districts are Amravati, Chandrapur, Dhule, Gadchiroli, Gondia, Nanded, Nandurbar, Nashik, Thane, Palghar, and Yavatmal.
- Hardship Allowance is applicable to the staff and the Medical officers working at extremely interior and difficult areas & getting salaries from treasury funds. Monthly allowance to these officers and staff is shown in the following table.

(Amount in Rupees)

Sr. No	Cadre	è.					Monthly remuneration			
1	ANM

				18	952.08	683.43		71.78		

Approved PIP for 2020-2020 is Rs.1468.80 Lakhs.

Co-ordination cell at District Hospitals

Health Institutions (SCs, PHCs, and CHCs etc.) have to refer patients to District Hospitals in emergency. Majority of the District Hospitals are 300 bedded and above. These Hospitals have Different Sections for Registration, Laboratory checkup, X-ray medicines etc. Tribal Patients do not understand the language and there is delay in getting all the formalities done. Because of such environment Patients are not willing to stay in hospitals and many of the times insists for discharge even if the condition of the patient is critical.

Considering such situation we started co-ordination cell from the year 2009- 2010 at **Amravati**, **Gadchiroli**, **Nasik**, **Thane**, **Nandurbar**, **and Nagpur**. Patient's health Condition required treatment and expected time of arrival is communicated. One cell member takes the responsibility and informs the casualty MO to concerned Specialists. When Patient arrives a Co-coordinator of cell accompanied the patient till emergency from registration to laboratory and report collection. After emergency also the patients are asked to contact the cell in case of any difficulty in the hospital during the stay in the hospital. A cell member visits the patient twice in a day for any difficulty. Transport arrangement is also made if required after discharge.

- > There will be one Supervisor and four Coordinators in the cell.
- Supervisor should be at least 12th Standard Pass and Coordinator should be at least 10th Pass.

- Two Co-coordinators will be males and two will be females. This can be changed as per the requirement of the Districts.
- Co-coordinators and Supervisor must be from tribal community and able to speak local tribal language prevalent in district or in patients coming to DH.

Co-Ordination Cell Expenditure 2019-2020								
Sr. No	District 5	Manpower	Approved Budget 2019- 2020	Expenditure (APRIL 19 to March 20)	%			
Total		22	28.29	26.22	92.03			

> Approved PIP for 2020-2021 Rs. 37.64 Lakhs.

Floating Dispensary & Floating Ambulance in Nandurbar District

About 50 villages of Nandurbar district are completely isolated due to Backwaters of Sardar Sarovar. These villages have mountain on one side and back water on other side. Government of Maharashtra is providing health services to theses villages by floating dispensaries. These dispensaries visit all the villages on fixed days and provide medical services. Only the post of Medical Officer and Driver are approved by Government. These dispensaries are providing good services, however, in case of emergency particularly in case of delivery or critically sick child, they have to discontinue the service and take the patient back to Health Facility for treatment. This leads to major disruption of services to remaining villages and irregularity in service provision.

Distance between floating dispensary and bank of river changes every time and patients need to travel in water to reach dispensary. This becomes very difficult for the patients particularly the pregnant women. In addition there is no place for patients to wait till the Floating dispensary approaches the villages. Considering the above condition, it is provided to provide additional essential staff and space to (2) Floating Dispensary and (3) Floating Ambulances to this areas so that these ambulances can be called to shift pregnant women,

critically ill neonates and other sick persons. Floating dispensary has been operational since the year 2014 -15 and floating ambulance was starting from the year 2016 -17 (operational since February 2017) to provide services to this difficult areas.

Operational area of Floating Dispensary and Ambulances:

Floating 1 Dispensary & 1 Ambulance: - Akallkuwa Taluka

From Manibeli Village to Mukhadi Floating Dispensary Service's available in Akallkuwa Taluka consisting of 8 villages.

Floating 1 Dispensary & 2 Ambulance - Dhadgaon Taluka

From Pimpalchowik to Bhadal Floating Dispensary Service's available in Dhadgaon taluka consisting of 16 villages.

As per the monthly report of July 2020. Out of 2 dispensaries 1 dispensary is not functional year because of some technical problem.

FMR Code	Name of Activity	Name of Post	No of Post	Approved PIP 2019-2020	Expendture March 2020	%

Mobile Medical Units at Gadchiroli Districts

- Mobile Dental Units (2)
- Mobile Ophthalmic Units (2)
- Mobile Pathology Units (2)

Gadchiroli district is completely LEA area and length of the district is about 350 KM. Except for DH Gadchiroli and SDH Aheri, there is no availability of dentist, pathology unit or the Ophthalmological unit.

Considering this, six mobile units have been supplied under IAP to Gadchiroli districts. These include 2 Dental Units, 2 Pathology Units and 2 Ophthalmologist units. However, these units are not functional due to non-availability of funds for manpower and operational expenses. As no such services are available in periphery, these units are extremely essential for the district.

Mobile Medical Units Expenditure 2019-2020									
Name of Activity	Name of Unit	No of Unit	Budget	Expenditure (APRIL19 to March 20)	%				
Mobile Medical	Dental Unit	2	19.41						
Unit At Gadchiroli	Ophthalmic Unit	2	14.90	33.12	52.91				
	Pathology Unit	2	28.29						
	Total	6	59.15	33.12	52.91				

Approved PIP for 2020-2021 for three MMU Rs.83.98 Lakhs.

Medical & Dental Camps

The Medical & Dental Camps are organized in tribal areas of the state with the help of Specialists from Government and Private Medical Colleges. The Services of the Specialists like General Medicine, Surgery, Pediatrics, obstetrics& Gynecology, ENT, Orthopedic, Skin & V.D, Anesthesia& Dental facilities are provided in the camps. The programme has been organizing since 2015 -16 and there are 69 camps are approved in the pip for the financial year 2020-21out of which 50 camps will be conducted during 2020-21.

The patients identified by Medical Officers in Primary Health Centre & Rural Hospital are referred in the camps. These patients are in need of specialist's services and surgeries which are not routinely done in PHC and RH and there are to be performed in the camps. The patients referred from RBSK program & Sickle Cell Program, Malnourished Children, females with Gynecological problems and Pregnant Mothers with BOH, are examined by specialists and treated & given proper advice.

Camp is normally organize for four days, first day for OPD Screening, Second & Third day for Surgeries & on Fourth day Post-operative follow up is provided. Wide publicity of camps is made through Public Health Department. Camps schedule is intimated in advance to all Health Care providers.

Medical and Dental Camp Financial Report

Year	Approved Camps	Approved Budget	Expenditure in Lacs	%
2019-2020	50	201.00	131.03	65.18

Approved PIP 2020-2021 Rs. 277.38 Lakhs.

Maher Ghar Scheme

• In the state, many of the tribal padas are situated in hilly areas where roads are difficult to reach for immediate transportation of mothers for delivery to PHCs in emergencies.

- In most of the tribal areas, there is no mobile network coverage, which makes it even difficult to call ambulances for transportation. This is an important cause of high maternal and neonatal mortality in hilly and tribal areas.
- It is neither economical nor feasible to provide vehicles to each pada for transportation during emergency. There is no mobile phone coverage in remote tribal areas and landlines are out of order for prolonged time.
- In such situation since 2011-12, one room/ MaherGhar is functional in PHC premises where pregnant woman get admitted 3-5 days before her due date, to address above mentioned problems.
- The MaherGhar scheme is being implemented in Thane Circle Palghar (13),

Nashik Circle - Nashik (2), Nandurbar (10),

Latur Circle - Nanded (3),

Akola Circle - Amravati (9), Yavatmal (2),

Nagpur Circle - Gondia (13), Chandrapur (7), Gadchiroli (31).

Implementation strategy:

- A Pregnant woman is admitted in Maher room before four to five days of her expected date of delivery.
- The ANC mother in Maher room is daily examined by Medical Officer & Nurses of PHC and provides appropriate medical care and referral services in time, which ultimately reduces morbidity and maternal mortality.
- When labour starts, the woman is shifted to PHC for delivery. If any complications are detected during waiting period, the pregnant mother is transported to suitable higher referral center.
- Under MaherGhar Scheme, one room is constructed in PHCs premises. It has amenities like one sanitary block (Toilet and bathroom), one kitchen ota with smokeless Chulha and one solar water heater system.
- In maher room, mother along with her child and one relative can stay.
- The RKS of PHC is authorized to identify the Self-Help group or BPL, family from local village for cleaning and maintaining of Maher room and providing diet to the mother along with her child and one relative.
- Financial Implications:
 - ✓ Compensation for loss of daily wages to beneficiary (Rs. 250 per day per beneficiary for average stay 3 days),

- ✓ Maintenance cost to SHG per delivery (Rs. 250 per day per beneficiary for average stay 3 days) is provided.
- ✓ ASHA incentives Rs.200/- per beneficiary,

Under this scheme, in year 2019-2020 total 2471 pregnant women have been benefited. Approved budget for 2019-2020 is 60.48 lakhs and Expenditure is 20.90 Lakhs. Approved Budget for 2020-21 is Rs.25.00 Lakhs

National Urban Health Mission

NUHM is implemented in cities and towns with a population of more than 50,000 in all district headquarters and state capitals. The remaining towns will continue to be covered under NRHM. Total 95 cities are covered under NUHM (27 Municipal Corporations, 64 Municipal Councils, 4 Cantonment Boards and one District Headquarter-Alibaug). Community Interventions such as ASHA, MahilaAarogyaSamiti and RugnaKalyanSamiti are an important part of NUHM. The NUHM encourages the effective participation of the community in planning and management of health care services.

Innovations under NUHM:

- **RNTCP:** Fund provision of Nutritional supplement to TB patient in RNTCP especially MDR-XDR TB patients of Municipal Corporations.
- Mobile Medical Unit (MMU): Total 10 Mobile Medical Unit was approved in Maharashtra State i.e. 5 Mobile medical Units for Rest of Maharashtra & 5 Mobile medical Units for MCGM are approved and are made functional.
- **DILAASA Project to Mumbai City:** 11 DILAASA centers for victims of sexual abuse & domestic violence are made functional in 11 peripheral hospital of MCGM. Under NUHM required staff has been approved & recruited for DILAASA centers.
- **SNCU:** Human Resources and operational expenses are provided under NUHM for functioning of SNCU in 11 Government Medical Colleges (GMC).
- **SNCU in MCGM:** 12 Bedded SNCU is approved for MCGM Maternity home and is functioning in MahimMatenity Home.

For TSP 2019-20 Budget for Central Share Amount Rs.1525.00 Lakhs & Expenditure was Rs.0.00. For (60%) Central Share Rs.3653.66 lakhs budgeted in 2020-21.

Regarding State Share Budget Tribal Department budgeted for 2019-20 Rs.1545.81 lakhs & Expenditure was Rs.529.14 lakhs. For (40%) State Share Rs.2435.77 lakhs budgeted in 2020-21.

Revised National Tuberculosis Control Programme

Tuberculosis (TB) is a disease caused by bacteria called as Mycobacterium Tuberculosis. It mainly affects lungs but can also affect all parts of body. TB spreads through air. When a person suffering from pulmonary tuberculosis coughs or sneezes, organisms are spread in air through droplets. As per Guidelines of Central Government, NTEP is being implemented in Maharashtra since 1998-99 in a phased manner. This programme is implemented all over the state since 2003. To implement this programme effectively State TB Society and 80 Districts/City TB Centers have been established.

Objectives of RNTCP -

1 To achieve 90% notification rate among all expected 1 TB cases in the society.

2 To achieve 90% success rate for all new and 85% for re-treatment cases

3 To significantly improve the successful outcomes of treatment of Drug Resistant TB cases

4 To achieve decreased morbidity and mortality of HIV associated TB

5 To improve outcomes of TB care in the private sector giving them treatment support.

This program has been included in the National Rural Health Mission Plan. National Vector Borne Diseases Control Programme

Malaria Control Programme is being implemented in the State since 1953. The mile stones of the programme are as under,

1953: National Malaria Control Programme

1958: National Malaria Eradication Programme

1977: Modified Plan of Operation

1979: Multipurpose Worker Scheme

1995: Implementation of Malaria Action Plan-1995

1997: Implementation of Enhanced Malaria Control Project in tribal districts EMCP.

1999: National Anti-MalariaProgramme

2004: National Vector Borne Disease Control Programme

From 2006 "National Rural Health Mission" (NRHM) was implemented in State. Under this scheme grants are made available for this programme. From 1st May 2013 NRHM changed as "National Health Mission" (NHM).

Goals of NVBDCP:

a. Reduction of mortality on account of Malaria, Dengue, Japanese Encephalitis (J.E.) & efficient morbidity control.

- b. Elimination of Lymphatic Filariasis by 2020.
- c. Elimination of Malaria by 2025.

This program has been included in the National Rural Health Mission Plan.

Integrated Diseases Surveillance Project (IDSP)

Integrated Disease Surveillance Project (IDSP) was launched with World Bank assistance in November 2004 to detect and respond to disease outbreaks quickly. The project was extended for 2 years in March 2010. From April 2010 to March 2012, World Bank funds were available for Central Surveillance Unit (CSU) at NCDC & 9 identified states (Uttarakhand, Rajasthan, Punjab, Maharashtra, Gujarat, Tamil Nadu, Karnataka, Andhra Pradesh and West Bengal) and the rest 26 states/UTs were funded from domestic budget. The Programme is proposed to continue during 12th Plan as a Central Sector Scheme under NRHM from domestic budget only. In Maharashtra state surveillance units (SSU) have been established in state and District Surveillance Units in 36 districts.At the end of March 2019, the rate of leprosy is at 0.75 per ten thousand people (9,990 left after the end of March 2019).

This program has been included in the National Rural Health Mission Plan. National Leprosy Eradication Programme

NLEP is Centrally Sponsored. This programme is integrated in to General Health Care Service. The NLEP is implemented in the State by Govt/ Local bodies (ZillaParishad, Municipal Corporation and Municipal Councils) and Voluntary organizations. The State had achieved Leprosy elimination by end of Sep. 2005. Elimination means to reduce the Prevalence Rate (PR) of the state less than 1 per 10000 populations. Future Strategy in NLEP are:-

- To promote early case detection & prompt MDT.
- To further reduce the Leprosy Burden, Stigma & discrimination against people affected with Leprosy (PAL) & their family members.
- To provide quality Leprosy Services through General Health Care System (GHC) by creating strong referral system & by enhancing DPMR (Disability Prevention & Medical Rehabitation) Services.
- Capacity building of GHC Staff.
- IEC & advocacy for early self-reporting.
- Strengthening Monitoring & Supervision.

This program has been included in the National Rural Health Mission Plan.

National Blindness Control Programme

National Programme for Control of Blindness (NPCB) was 100% centrally sponsored scheme, launched in the year 1976. Now it is 75% Central & 25% State Govt. share since 2012-13. The goal of this program is to reduce the prevalence of blindness from 1.4% to 0.3% by 2020. Rapid

survey on avoidable blindness conducted under NPCB during 2006-07 showed reduction in the prevalence rate of blindness from 1.1% (2001-02) to 1% (2006-07). To implement the Programme successfully, State Health Society Maharashtra (Blindness Division) at state level & District Health Societies (Blindness Division) are establish in all the Districts of Maharashtra State including Bruhanmumbai Municipal Corporation as per the guidelines from Govt of India. The Programme was oriented mainly for Cataract Surgeries & Screening of School Children with provision of Spectacles to the students having refractive errors.

This program has been included in the National Rural Health Mission Plan. National Mental Health Programme

Central Govt. has started "National Mental Health Programme in Aug, 1982. There are 4 Regional mental hospitals (Pune -2540 Beds), (Thane-1850), (Nagpur-940 Beds), (Ratnagiri-365 Beds) in the state having total 5695 bed strength. In all 34 District of Maharashtra. Under District Mental Health Programme (DMHP) 16 Districts have been implementing this DMHP programme. Also there is separate psychiatric wing in 14 Govt. Medical Colleges under DMER. Govt. of Maharashtra has started a special Health Programme for farmers called —PRERNA PRAKALP in 14 suicide prone districts of Vidharbha&Marathwada region. State Govt. has also provided toll free Mental Health Help Line No. 104 since 26 Feb. 2015.

This program has been included in the National Rural Health Mission Plan.

National Programme for the Health Care of the Elderly

Govt. of India has initiated National Programme for Health Care of the Elderly (NPHCE) with 80% Central Govt. and 20% State Govt. financial share. Dedicated facilities at District Hospital with 10 bedded wards, additional human resources, machinery & equipment, consumables & drugs, training and IEC.Strengthening of 8 Regional Medical Institutes to provide dedicated tertiary level medical facilities for the Elderly, introducing PG courses in Geriatric Medicine, and in-service training of health personnel at all levels.

This program has been included in the National Rural Health Mission Plan.

National Programme for Prevention & Control of Deafness

The Programme was a 100% Centrally Sponsored Scheme during 11th Five Year Plan. However, in as per the 12th Five Year Plan, the centre and the States will have to pool in resources financial norms of NRHM mutas mutandis. The Programme was initiated in year 2007 on pilot mode in 25 districts of 11 State/ UTs/ the Programme have been expanded to 192 districts of 20 States/ UTs. In the 12th Plan, it is proposed to expand the Programme to additional 200 districts in a phased manner probably covering all the States and Union territories by March, 2017.

COMPONENTS OF THE PROGRAMME:-

 Manpower training and development – For prevention, early identification and management of hearing impaired and deafness cases, training would be provided from medical college level specialists (ENT and Audiology) to grass root level workers.

2) **Capacity building** – for the district hospital, community health centers and primary health center in respect of ENT/ Audiology infrastructure.

3) **Service provision** – Early detection of hearing impairment and deafness, management of hearing and speech impaired cases and rehabilitation (including provision of hearing aids), at different levels of health care delivery system.

4) Awareness generation through IEC / BCC activities – for early identification of hearing impaired, especially children so that timely management of such cases is possible and to remove the stigma attached to deafness.

This program has been included in the National Rural Health Mission Plan. National Tobacco Control Programme

In 11th five year plan in the year 2007-08 Ministry of Health & Family Welfare, Govt of India has started National Tobacco Control Programme. The programme was launched in 21 states covering 42 districts in a phased manner. In Phase-I of the programme, support was extended for setting up state as well as district cells. In 2009-10, National Tobacco Control Program was implemented as Pilot project in Thane & Aurangabad. State Tobacco Control Cell (STCC) has been formed in the Directorate of Health services, Mumbai and Joint Director (NCD) is a State Nodal Officer (SNO) for this programme. As the oral health cell has been newly formed, the deputy director oral health is also involved in the program. SDG for tobacco: Relative reduction in prevalence of current tobacco use by 15 % (target for 2020) and further reduction by 30% (2025).

This program has been included in the National Rural Health Mission Plan. National Oral health Programme

Given the burden of oral diseases in our country and their impact, oral diseases need to be paid attention along with prevention and control of other non-communicable disease under NHM. World Health Assembly in 2005 included Oral Health with other non-communicable diseases (NCDs) for health promotion and disease prevention strategies.

Goals and Objectives of the NOHP

1. Improvement in the determinants of oral health e.g. healthy diet, oral hygeine improvement etc. and to reduce disparity in oral health accessibility in rural and urban population.

2. Reduce morbidity from oral disease by strengtherning oral health services in sub district/district hospitals to start with.

3. Integrate oral health promotion and preventive services with general health care system and other sectors that influence oral health; namely various National Health Programmes (National Tobacco

Control Programme, State child health Programme, National Program for prevention and control of fluorosis, National Program for Prevention and Control of CVD, Diabetes and stroke etc.) Education, Social Welfare, Women and Child Development, etc.

4. Promotion of Public Private Partnerships (PPP) for achieving public health goals.

This program has been included in the National Rural Health Mission Plan. National Programme for Prevention & Control of Cancer, Diabetes, Cardiovascular Diseases & Stroke (NPCDCS)

In India Non-Communicable Diseases is increasing tremendously. So GOI initiated NPCDCS program (National Program for Prevention and Control of Cancer, Diabetes, CVDs & Stroke) in 100 districts of India. The Govt of Maharashtra with the assistance from Govt. of India NPCDCS programme is implemented in following districts:- Wardha, Washim, Amravati, Bhandara, Chandrapur, Gadchiroli, Nandurbar, Osmanabad, Parbhani, Satara, Sindhudurg, Thane, Pune, Nashik, Jalna, Nanded, Ratnagiri.

OBJECTIVES

□ Prevent and control common NCDs through behaviour and life style changes,

□ Provide early diagnosis and management of common NCDs,

□ Build capacity at various levels of health care for prevention, diagnosis and treatment of common NCDs,

□ Train human resource within the public health setup e.g. doctors, paramedics and nursing staff to cope with the increasing burden of NCDs, and

□ Establish and develop capacity for palliative & rehabilitative care strategies

STATEGIES

The Strategies to achieve above objectives are as follows:

□ Prevention through behavior change

- $\hfill\square$ Early Diagnosis and Treatment
- $\hfill\square$ Capacity building of human resource
- □ Surveillance, Monitoring & Evaluation

This program has been included in the National Rural Health Mission Plan.

NAVSANJIVANI SCHEME

Preamble:

Total component budget Rs. 49.14 lakhs upto Rs. 15.85 lakhs for 2020-21. To bring about co-ordinated efforts and effectiveness in the implementation of various schemes, which were implemented in tribal areas, the government aggregated all such schemes and started Navsanjivani Yojana as per G.R. dated 25/6/1995. Health related activities in this scheme include filling up of

vacant posts, keeping vehicles in good condition, provision of medicine & equipments in adequate quantities, pre-monsoon surveillance of tribal villages & padas and implementation of preventive & curative services, monitoring of water chlorination activity, health check-up of Anganwadi children by Medical Officers.

Aims & Objectives:

Improve the health of population in Tribal areas by providing them health services, clean water, by providing food supply, giving proper treatment to malnourished children and ultimately giving productive and long life to tribal population and to reduce maternal and Neonatal morbidity and mortality.

Implementation of Programme:

Under this programme various health services are being provided to tribal population at Sub-center, Primary Health Center level, village level since 1995. Various activities are carried out through this programme.

- a. Matrutva Anudan Yojana
- b. Mobile Medical Squad
- c. Dai Meetings
- d. Water Quality Monitoring
- e. Pre Monsoon Activities

Health Institutions in Navsanjivani Area:

Under Navsanjivani Yojana free services are given to patients in tribal area by Rural Hospital, PHC, Sub Centere, and Ayurvedic Hospital. Health Services are also provided by Mobile units.

Total Districts	16
Total Blocks	78
Sub District Hospital	21
Rural Hospitals	103
Primary Health Centres	335
Sub Centres	2027
Total Villages	8238
Anganwadis	13695
Total Dais	12765

Health Institutions in Navsanjivani Area

Various schemes under Navsanjivani Yojana:

a. Matrutva Anudan Yojana:

This scheme is being implemented in 16 Tribal districts. A pregnant women is paid Rs. 400 /- in cash for visiting health center for antenatal check up along with medicines worth Rs. 400/- to ensure a better health. This Scheme is applicable to tribal women having current pregnancy and two living issues. During year 2020-21 (upto Jun 2020) out of 26477 mothers, 1107 mothers are given benefit against approved Budget of Rs.45.35 lakhs and Expenditure Rs.4.43 Lakhs is reported.

b. Mobile Medical Squad:

Total 281 Mobile Medical squads have been constituted with one Medical Officer with a vehicle and Para-Medical staff to visit designated villages and hamlet to identify malnourished and sick children and provide medical health and if required to refer them to the nearest health center. Since year 2016-17 Medical Officers are being provided Rs. 18000/- per month through RCH PIP (NHM) funds in additon to Rs. 6000/- honorarium.

Recently 108 Mobile Medical squads are sanctioned vide GR no.sankirna-2016/pra. Kra. 252/ Arogya-3 dated 9-02-2017 in 9 districts of Maharashtra namely Palghar, Pune, Nashik, Dhule, Nandurbar, Nanded, Gondia, Gadchiroli & Chandrapur.

During year 2020-21 (upto Jun 2020), 212 number of Bharari Pathak are working & Budget Rs.513.12 lakhs and Expenditure Rs. 73.40 Lakhs.is reported.

c. Dai Meetings:

In tribal & remote area deliveries are conducted by Dais in some villages. Dai meetings are conducted at PHC level to improve the knowledge level of Dais for 100% registration of deliveries & new born children, and also to identify high risk mothers & new born children. In the year 2020-21 (upto Jun 2020), 524 Dai Meetings were conducted in which 2891 Dais were persent. Budget provision for this activity is Rs. 4.00 Lakhs and Expenditure incurred is Rs. 0.57 Lakhs.

d. Pre Monsoon Activities :

Accessibility in tribal area is a problem in monsoon season due to geographical situation of area & limited transport facilities. Hence it is planned to conduct Health checkup, immunization / nutritional assessment of all children in said area. In the month of May & June, various Mobile Medical Squads are deputed in hilly areas to facilitate uninterrupted treatment, vaccination, referral services.

National Malaria Elimination Programme

There are two tribal schemes under National Malaria Elimination Programme since year 2009-2010 functioning at district level. The information of these two schemes is as follows:-+

Tribal Sub Plan Major Scheme code No 2225 E Sub-head code No TR- 220002 (TSP) (Old code no. 22102864) and Outside Tribal Sub Plan Major Scheme code No 2225 E Sub-head code No TR- 220005 (OTSP) (Old code no.22103726) are the two schemes under National Malaria Eradication Programme. To reduce Malaria cases, to avoid deaths due to Malaria and to prevent any impact on industrial and agriculture work due to Malaria are targets for which these schemes are implemented. To achieve these targets regarding Malaria control, Budget received at district level from Tribal Department is utilized for Tribal area to procure essentials like pricking lancets,

alcohol spirit swabs, Micro slides, RDK Kits, Lambda Powder, Temiphos, Laboratory Materials and Antimalaria Insecticides etc by Concerned District Malaria Officers at District Level. A technical sanction is approved by the office of The Director Health Services, Mumbai and after receiving it, the administrative sanction is approved by the Concerned District Collectorate and the purchase procedure is then completed.

Expenditure of Rupees 543.24 (Lakh) has been done out of the total sanctioned budget Rs. 821.88 and Final modified Grants of Rupees 670.04 (Lakh) under Tribal Sub Plan 2225 E Subhead code No TR- 220002 (TSP) (Old code no. 22102864) whereas Expenditure of Rupees 122.16 (Lakh) has been done out of the total sanctioned budget of Rupees 226.00(Lakh) against Final modified Grants of Rupees 149.73 (Lakh) under Outside Tribal Sub Plan Scheme code No 2225 E Subhead code No TR- 220005 (OTSP) (Old code no.22103726) (OTSP) during the Financial Year 2019-20.

The total budget sanctioned under Tribal Sub Plan 2225 E Sub-head code No TR- 220002 (TSP) (Old code no. 22102864) from Tribal Department is Rupees 797.78 (Lakh) and the total budget sanctioned under Outside Tribal Sub Plan Scheme code No 2225 E Sub-head code No TR- 220005 (OTSP) (Old code no.22103726) (OTSP) is 230.81 (Lakh) for the Financial Year 2020-21. Expenditure of both Tribal Scheme is **Nil** up to July 2020.

Year	Budget	Expenditure
2019-20	1047.88	671.38
2020-21	10.29	0.33

SCHEME UNDER TRIBAL SUB PLAN (OF PHCS AND SUB CENTERS)

1) Establishment / Maintenance / Construction of Sub Centers/ Primary Health Centre/ Health Institution (2210 4876)

This scheme is for construction of newly established PHCs/ SCs and also for repair and maintenance of existing PHCs and SCs. National AYUSH Mission

The Government of India has started the Centrally Sponsored Scheme of National AYUSH Mission in the year 2014. This Scheme includes provision for AYUSH healthcare services and education for the public, strengthening the quality of Ayurveda, Homoeopathy and Unani medicines and their sustained supply etc. For this purpose as per the Scheme Guidelines, out of the total Grant required for the related components, specified share has to be made available by the Central Government and State Government respectively.

As per the guidelines of the Centrally Sponsored Scheme of National AYUSH Mission, after the release of the Central Share to the State Treasury Department, the said amount has to be transferred/deposited into the Bank Account of the State AYUSH Society that has been constituted and registered as per the central guidelines. Accordingly, vide Public Health Department GR No.PHD-30011/CR.No.483/2014/Aarogya-7, Dt.22.6.2016 permission has been granted for constitution of State AYUSH Society for implementation of National AYUSH Mission in the State. In this Society, the constitution of Governing Body under the Chairmanship of Hon'ble Chief Secretary, Govt. of Maharashtra and Executive Committee under the Chairmanship of Hon'ble Principal Secretary, Public Health & Family Welfare Department, Govt. of Maharashtra has been made.

A total grant of Rs.7181.072 lakh (Central share 60% - Rs.4308.643 lakh + State share 40% - Rs.2872.429 lakh = Rs.7181.072 lakh) has been sanctioned by Ministry of AYUSH, New Delhi to Maharashtra State for the year 201920 under centrally sponsored scheme of National AYUSH Mission as per State Annual Action Plan 2019-20. As per the sanctioned grant, the central share (60%) for General, SCSP & TSP components has been released by Ministry of AYUSH to State treasury dept. & corresponding State share (40%) is to be released by State Govt. Accordingly, following grant has been approved for TSP component :-

Component	Year	State Annual Action Plan Sanctioned Amount				
		Central Share	State Share	Total		
TSP	2019-20	413.124	275.416	६८८.५४		

For the year 2019-20, the following provision for Central Share and State Share mentioned below was made in the State Budget under the Tribal Department under Tribal Sub Plan.

Sr.No.	Year	TSP Component (Rs. in lakhs)		
		Central Share	State Share	
1	2019-20	413.12	0.00	

However, since the Finance Dept. has imposed financial / budgetary restriction to implement preventive measures to stop the spread of the global pandemic of COVID-19, the State Govt. did not sanction the release of central share grant amount of rs.413.142 lakhs approved for TSP component under centrally sponsored scheme of National AYUSH Mission.

Vide the D.O. Letter No.S.16030/4/2020-NAM, dated 04.03.2020 of Hon'ble Joint Secretary, Ministry of AYUSH, New Delhi addressed to the Hon'ble Principal Secretary, Public Health & family Welfare Department, Mantralaya, Mumbai and marked to this Directorate, it has been notified that a total grant of Rs.52.385 Crore (Central share-60%-Rs.31.431 Crore + State share-40%-Rs.20.954 Crore) has been approximately allocated for Maharashtra State for the year 2019-20. Accordingly, the process of submission of State Annual Action Plan (SAAP) to the Central Government is ongoing.

For the year 2020-21, the following provision for Central Share mentioned below has been made in the State Budget under the Tribal Department under Tribal Sub Plan.

Year	TSP Component (Rs. in lakhs)
	Central Share
2020-21	413.00

However, for the year 2020-21 no provision of State Share has been made in the State Budget under the Tribal Department under Tribal Sub Plan.

18) INDUSTRY AND MINERALS

1. DISTRICT INDUSTRIES LOAN SCHEME

The objective of the scheme is to provide financial assistance in the form of margin/seed money for the promotion of tiny industries in semi-urban and rural areas with a view to generate employment opportunities including self-employment.

Margin money assistance is admissible only to those units whose investment in plant & machinery does not exceed Rs.2 lakhs. All towns and rural areas having population of less than 1 lac are covered under the scheme. The extent of assistance is 20% of the total investment is Rs. 40,000/- whichever is less. In case of entrepreneur belonging to general category, and in case of entrepreneur belonging to scheduled caste & scheduled tribe assistance up to 30% of total fixed capital investment or up to maximum of Rs. 60000/- whichever is less is provided. All units falling

within the view of the Small Scale Industries Board and Village Industries, handicrafts, handlooms, Silk & Coir Industries are covered under the scheme.

The State Government's rate of interest on this loan is 4% and repayment is to be done within 7 years. This scheme is particularly useful for rural artisans.

An outlay of Rs. 21.65 lakhs is provided for the year 2019-2020 and expenditure incurred is Rs. 6.45 lakh.

2. Revised SEED MONEY SCHEME

The objective of the scheme is to encourage unemployed persons to take up selfemployment ventures through industry, service and business, by providing soft loans to meet part of the margin money to avail institutional finance.

Eligibility:

Local unemployed person or group of persons fulfilling.

- (1) Age Group : 18 to 50 years
- (2) Qualification: Std VII pass.
- (3) Domiciled in the State of Maharashtra for the last 15 years.

Scope –

As per Government Resolution dated 18th May 2007, the Government of Maharashtra has made the following changes in the earlier Seed Money Scheme.

- Project cost increased from to Rs. 10 lakhs to 25 lakhs for industry, service and business activity.
- Seed Money assistance at 15 % of the project cost approved by financial institutions is offered. In case of projects up to Rs.10 lakhs, the quantum of assistance is 20% for SC/ST/OBC/NT/VT/Handicapped.
- Seed Money component up to 3.75 lakhs maximum.
- Bank loan 75% of the project cost.
- The rate of interest on seed money is 6% per annum and if the borrower repays installment regularly and within schedule time, then the borrower will get rebate of 3% in interest. So he has to pay only 3% interest. Hence for regular repayment interest of 3% per annum.
- If the installment is not repaid in time, it will attract 1% penal interest.

The repayment of loan starts after three years in four yearly installments for industry cases. In other cases repayment starts after six months of loan availment.

An outlay of Rs. 69.62 lakhs is provided for the year 2019-2020 and expenditure incurred is Rs. 42.10 lakh.

ENTREPRENEURIAL DEVELOPMENT TRAINING PROGRAMME

This scheme was introduced with the objective of training to the educated unemployed person to take up self-employment ventures, skilled wage employment wherein guidance is given related to industry / service / business activities & skill up gradation. Information regarding choice of activity, necessities of land, project report, various no objection certificates, marketing etc. is given. Under the scheme, training is imparted by MCED, MITCON & other NGOs approved by Directorate of Industries. Following programmes are organized:-

1. Entrepreneurship Introductory Programme

(Udyojakata Parichay Karyakram) of 1 day - Non Residential

In this programme information regarding selection of activity, Entrepreneurship personality development, business management Government Agencies and Financial Agencies is providing finance, etc.is given. Total expenses per programme are limited to Rs. 600/-

2. Entrepreneurship Development Training Programme (12 days Residential)

This programme consists of 12 days residential training programme, which includes foods. Candidates selected in Entrepreneurship Introductory Programme are mainly given Entrepreneurship widespread information. Institute is given Rs. 4000/- per trainee.

3. Technical Training Programme (15 days to 2 months Non-Residential)

4. This training programme consists of information of improved technical knowledge related to Production and Service. Trainees are given Rs. 500/- for 15days, Rs. 1000/- for one month and Rs. 2000/- for the period of 2 months as a stipend. Institute is given Rs. 3000/- per trainee.

20) <u>ROADS AND BRIDGES -</u>

During the year 2019-2020 at district level budget provision of Rs. 24142.9 lakhs was made under Tribal sub Plan and an expenditure of Rs. 23448.89 lakhs was incurred for Road and Bridgework and state level budget provision of Rs. 32500.00 lakhs and an expenditure of Rs. 19655.47 lakhs was incurred for Roads.

The State Government also takes up road works through the help of Boarder Road Organization in the most sensitive areas of Gadchiroli and Bhandara districts.

19) IRRIGATION (Water Resources Department)

The main occupation of the tribals in the State is agriculture. Despite irrigation facilities existing in tribal areas are inadequate. Moreover, the command areas of the irrigation projects usually lie in the plain lands whereas the tribal mainly resides in the hilly areas. Therefore, the Major benefits of these projects predominately go to non-tribal land holders. The increase in agricultural production is inestimably linked with increase in irrigation facilities in the State. The flow of benefits from the major and medium irrigation projects to the tribal are usually negligible

on account of the reasons mentioned above and hence it is quite necessary to give the highest priority to minor irrigation works in the Tribal Sub Plan areas.

- 1) Irrigation Development Corporation
- 2) Minor Irrigation Projects in the State Sector
- 3) Minor Irrigation Projects in the local Sector

WATER RESOURCES DEPARTMENT

There are 67 Major / Medium & Minor irrigation projects from Water Resources Department being funded through Tribal Sub Plan. These projects satisfy the laid down criteria of more than 50% of area & 50% of beneficiaries belong to tribal. Out of the projected potential of 115273.00 Ha. of these projects 92542.07 Ha potential is created up to March 2020.

Irrigation projected provides assured irrigation facilities to the tribal land which facilitate increase of crop production thereby upliftment of tribal. These projects also become source of drinking water for human and animal consumption.

Scheme wise details are given in following paragraphs State Plan

1. EXPANSION PLAN OF TRIBAL ITI: - Due to change in Technology and Production process as well as specific Trade skilled worker in service sector, to achieve this goal it is necessary to introduce New Trades Tribal, construction of State level and also for continuity and new works and Tribal ITI Buildings. In this programme 12 scheme introduce various Schemes is included. Which are 28 Ashramshala, Nirvaha stipend for tribal students in ITI Magel Tyala Vyawsai Prashikshan? Additional trades for women in existing ITI, Hostel facilities for tribal students and construction of Hostel buildings in Tribal Areas for this scheme Rs.2808.96 lakhs provide for construction by workshop and administrative building on state level. An outlay of Rs. 2826.96 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 2546.11 lakh.

2. PROCUREMENT OF DIFFICIENT EQUIPMENTS IN EXISTING ITI

The training need based and unless updated the same cannot sustain to the industrial world. Updating of curriculum results in new tools equipments and machineries are to be purchased. Further normal use of such tools leads to their wear and tear which ultimately results in need for new tools. Thus revision of syllabus, advance technology and normal results in deficiency of tools and equipments. In Maharashtra there are 56 Govt. ITI's in tribal sub plan which will need to procure deficient equipment. Moreover, to replace of worn-out machine tools, hand tools, etc. from old institutes. An outlay of Rs. 376.26 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 61.23 lakh.

3. CONSTRUCTION OF WORKSHOP & ADMINISTRATIVE BUILDING /HOSTEL BUILDING /ESTABLISHMENT OF NEW ITI'S

There are 56 Govt. ITIs functioning in the State under Tribal Sub-Plan. Out of which 43 Government ITIs are having their own workshop and Administrative Building. 11 Institutes are running in private buildings on rental basis. An outlay of Rs 767.45 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 234.22 lakh.

4. INTRODUCTION OF ADDITIONAL SEATS IN EXISTING ITI AND EXPANSION OF EXISTING ITI.

In order to take advantage of certain skill are as in the context of technological advancement as well as developments in other sectors viz. Electronics, Industry, Creation of T.V.Transmission Centers, Refrigeration and Air Conditioning development of petrochemical complexes, Plastic Technology, as also to train manpower in the field of Electronics for Computer services, additional seats have been introduced in existing ITIs. An outlay of Rs. 0.00 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 0.00 lakh.

5. INTRODUCTION OF TRADE OF MORE DEMAND IN LIEU OF TRADES OF LESS DEMAND.

For arranging need base training programmes and to establish strong linkage between training and employment opportunities, review of the training courses in different old ITIs of Tribal Sub-Plan for starting new trades becomes essential. Such change over creates enough flexibility in training system and it becomes need oriented. It also helps to remove the imbalance between the skills and the training facilities available. Such diversification is need based. An outlay of Rs. 0.00 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 0.00 lakh.

6. ESTABLISHMENT OF NEW ITI.

An outlay of Rs. 646.90 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 522.24 lakh.

22. TECHNICAL EDUCATION: - PART - II

Technical education system has been reorganized by the State through the introduction of improved technologies and supply of adequate technical and managerial manpower to this sector. The planning for technical education is based on the projections of future technological development, the social relevance etc. In the Tribal sub plan area, emphasis has been given on vocationalisation of education at the stage and development of facilities in pre-secondary school certificate (SSC) vocationalisation of education. An outlay of Rs. 1.99 lakh has been provided for this sector in the year 2016-17. The scheme details are as follows.

1) +2 VOCATIONAL EDUCATIONS:

A) In order to motivate the trainees get for self-employment or employment after completion of the higher secondary education and to divert them from the University Education, the scheme of Vocationalisation of Education at +2 stages has been introduced. The main aim is to give useful education at the level of secondary and even after completion of the secondary education. In this scheme i) Technical ii) Commerce iii) Agriculture iv) Food Technology v) Fisheries and vi) Para-medical, total 18 different subjects have been introduced by Maharashtra State Board of Secondary & Higher Secondary Education, Pune.

B) The Central Government had announced its new education policy in 1986 and opined that emphasis should be laid in the vocationalisation at +2 Stage higher secondary level, accordingly the State Government has started Minimum competency based vocational courses from 1988-89 in following 6 different groups i) Technical ii) Commerce iii) Agriculture iv) Food Technology v) Fisheries and vi) Para-medical, at present 27 competency based vocational subjects are started taught in the 8th and 9th five year plan.

Since the inception of this scheme, 2 Government and 64 private junior colleges from the TSP area has introduced in this scheme. An outlay of Rs. 4.00 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 2.00 lakh.

2. ENHANCEMENT OF FACILITIES IN PRE SSC VOCATIONAL EDUCATION-

There are 13 Government technical High Schools / centers running in the TSP Areas in the state, with a total intake of 3684 students. All these centers are established exclusively for giving the benefit of technical education at the Pre-SSC stage for the student in tribal areas. To remove the deficiency of machinery and equipment and complete the uncompleted building

construction works. An outlay of Rs. 350.40 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 97.49 lakh.

23) URBAN DEVELOPEMENT

TOWN PLANNING AND VALUATIONAL DEPARTMENT

In accordance with the guidelines issued by the Central Government, State Government has adopted certain identifying areas under the Tribal Sub-plan in the year 1975-76 and implemented with effect from 1st April 1976. There are 10 Municipal Towns in the Tribal Sub-Plan area which are included in Thane, Nasik, Nandurbar, Amravati & Yavatmal districts.

The Development plans for Municipal towns are sanctioned under the provisions of Maharashtra Regional and Town Planning Act, 1966. The State Government has initiated the scheme viz. UD-6(a) scheme for Financial Assistance to the Municipal Councils for implementation of the Development Plan proposal way back in the year 1964. In the course of time, this scheme has become integral part of the District Plan. The scheme is also made applicable to the Municipal Councils in tribal area. Under this scheme Financial Assistance is granted to Municipal Councils in the form of both Grant-in-aid and loan for the sites reserved in the Development Plans depending upon the Class of Municipal councils. For C-1 class Municipal councils having population less than 15000 souls 100% Grain-in-aid is given for their non-remunerative works and accordingly special attention is being paid to the Tribal Municipal Towns.

The priority list of sites which are to be implemented under this scheme, is as mentioned below-

- 1. Acquisition of lands for various purposes.
- 2. Market & weekly Bazaar.
- 3. Schools & construction of Roads.
- 4. Dispensary and Hospitals.
- 5. Burial & Cremation Grounds, Slaughter houses.
- 6. Library
- 7. Parks and Gardens
- 8. Social Welfare Centers
- 9. Construction of Public Latrines & Urinals.

The statement showing release of loans &grants released by the State Government since 1994-95 to 2019-2020 is as follows.

CHAPTER IV

ANTI-EXPLOITATIVE MEASURES

The State has a long tradition of protecting the interests of Tribals by providing suitable legal protection in all spheres of life wherever there is a possibility of exploitation.

Legislative Measures for the Protection of the interest of Tribal in Land. (A) The Bombay Land Revenue Code, 1879

2. During the latter part of the nineteenth century, in some notified areas within the British administered Bombay Presidency/Province, restrictions were imposed on the transfer of belonging to backward communities including tribals. To achieve this objective, an land amendment Bombay Land Revenue Code. 1879 was made in 1901 to the by incorporating two new sections, viz. 73-A and 79-A. Under section 73-A, in certain tracts or villages, where the original survey and settlement had not been introduced, Government issued notification, declaring that the occupancies shall not be transferable without a prior sanction of the Collector, after the date of such notification. Accordingly, a the notification was issued in 1902 covering certain villages of the State. The restriction was made applicable only to the lands held by members of the backward communities and excluded those held by Brahmins, Baniyas, Marwaris, Prabhus, etc. Under Section 79-A provision was made for summary eviction of person occupying such lands, in an unauthorized manner.

(B) The Maharashtra Land Revenue Code 1966

3. The Maharashtra Land Revenue Code, 1966, a unified Code for the State of Maharashtra, was brought into force with effect from 15th August, 1967. Restrictions were imposed under Section 36 of the said Code on alienation of land belonging to tribals.

Sub-Section (2) of the aforesaid section 36 provided that occupancies of persons belonging to such STs as may be notified by Government, shall not be transferred except with the previous sanction of the Collector. Sub-Section (3) further provided that if any transfer has been made in contravention of sub-section (2), the transferor or his heir may apply to the Collector within 2 years of the date of such transfer for restoration of the land. The Collector on receipt of such application had to determine in the prescribed manner the liabilities for arrears of land revenue or any other dues forming charge on the land and restore such land to the tribal, on his acceptance to pay such amount. The major weakness of the above provision was that the Collector had no powers to restore the land to the tribal (original owner) (i) if the application was made two years after the transfer and (ii)if the tribal applicant declined to agree to pay, bear the arrears of land revenue and other charges towards the dues on the land.

4. It was, however, observed that despite these provisions, transfer of land from tribals continued. In 1971, the State Government, therefore, set up a Committee under the Chairmanship of the Revenue Minister, Shri H. G. Vartak, to enquire into and report on how far the provisions of the Maharashtra Land Revenue Code, 1966 and the relevant tenancy laws had been effective in giving protection to people belonging to the ST communities and to suggest remedial measures hetherto.

5. The Committee in its report observed that, despite the provisions made under the subsections (2) and (3) of Section 36 of the Maharashtra Revenue Code, 1966 transfer of tribal's lands to non-tribals continued. These transfers, according to the Committee, broadly fell into two categories: (a) transfer to non-ST persons in clear violation of the provisions of Section 36 (2) of the Maharashtra Land Revenue Code, 1966 and (b) under the provision of Section 36 (b) of the Maharashtra Land Revenue Code, non-tribals could obtain the land of a tribal on lease with the permission of the Collector if the tribal holder was sick and/or unable to cultivate/disabled from cultivating the land.

6. A number of non - ST persons took undue advantage of the above provisions of Section 36 (2) of the Code and took lands belonging to tribals on lease and occupied the same for the period required to claim the status of a tenant. Later on such non-tribal tenants lawfully acquired ownership rights in the land under the tenancy laws through the Tenancy Courts.

7. The Committee made certain other important recommendations though not directly connected with the prevention of further alienation of lands. These were mainly for the restoration of alienated lands to them. Among them, the Committee suggested an amendment to section 36 of the Maharashtra Land Revenue Code, 1966 seeking to provide that the Tribal Lands obtained by the non-tribals by way of transfer made on or after 26th January,1950, be deemed to be unstatutary mortgages for a period not exceeding 20 years from the date of the transfer. On the expiry of this period or on the payment of the amount found due and payable by the transferor in respect of the mortgage, the land be restored by the Revenue Officer to the ST person, i.e. the transferor. The Committee also recommended that tribal's lands purchased by non-tribals under the Bombay Tenancy and Agricultural Land Act, 1948, be restored to them, and suggested necessary amendments to the Tenancy Act, 1948, to remove legal obstacles, if any to implement this.

8. The above recommendations of the Committee were examined by the State Government and two important legislations were enacted in order (a) to prohibit transfer of land by tribals and, (b) to restore alienated lands. These legislations were:

(i) The Maharashtra Land Revenue Code and Tenancy Laws Amendment Act, 1974 (Mah. XXXV of 1974)

(ii) The Maharashtra Restoration of Lands to Scheduled Tribes Act, 1974 (Mah. XIV of 1975).

(C) The Maharashtra Land Revenue Code and Tenancy Laws (Amendment) Act, 1974

9. The Act came into force with effect from 6th July, 1974. It deals with restoration of tribal's land illegally transferred to non-tribals. By this Act, Section 36 (3) of the Maharashtra Land Revenue Code, 1966 was amended to provide for restoration to a tribal, is land illegally alienated to a non-tribal, before the 6th July, 1974. Another new Section 36-A inserted in the Code, by this Amendment Act, imposes restrictions on future alienation of land belonging to tribals by way of sale (including sales in execution of a decree of a Civil Court or award of any Tribunal or Authority), with effect from 6th July, 1974.

Also tribals have been prohibited from transferring their lands by way of gift, exchange, mortgage, lease or otherwise, without prior permission of the Collector, which in turn requires the approval of the State Government. Such permissions are required to be granted by the Collector only on satisfying the conditions prescribed by the Government in this regard. The Collector has to satisfy himself, that no other tribal from the same village or within a radius of 5 Kms. of such village is prepared to accept the tribal's land for the same consideration as offered by the non-tribals. The Act also provides that if any tribal's land is taken by a non-tribal, in contravention of the above restrictions then the Collector is empowered to declare such a transfer as invalid and the said lands, stand forfeited to Government free from all with effect from the date of such declaration. Then the Collector has to re-grant such land to the original tribal land-owner(s) or his successor(s)-ininterest, for personal cultivation. A nominal price up to 48 times of the assessment was to be charged. However, the total holding of such tribal, inclusive of lands held by him as owner, tenant or lease should not exceed one economic holding, i.e. 16 acres of dry crop land. The nontribal who has taken any land belonging to a tribal on lease after the 6th July, 1974, with the permission of the Collector does not acquire a statutory right to the purchase of tribal land under the Tenancy Laws, as per this amendment. Such land is to be restored to the tribal (original owner), after the expiry of the lease/mortgage period. The law further provides that the land of a tribal should not be auctioned for recovery of Government dues; instead it should be taken under management and leased to a tribal.

(D) The Maharashtra Restoration of Land to Scheduled Tribes Act,1974

10. The Act provides for restoration of such tribals' lands, involved in legal and valid transfers including exchanges, affected between 1st April, 1957 and 7th July, 1974. Lands purchased or deemed to have been purchased by non-tribals during the above period under the provisions of the Tenancy Act (including acquisition of land regularized on payment of penalty under Tenancy Laws), are also covered by this Act. The Act has been with effect from 1st November, 1975. District wise valid transfers of land, restored to Scheduled Tribe cultivators up to 1999-2000 are shown in the following Table No.4.1.

Sources: Revenue & Forest Department, Mantralaya, Mumbai.

All these Acts have been applicable to all cases involving tribals in the State whether living within the Scheduled Area or outside. However, these provisions have excluded the land put to non-agricultural use by the non-tribal transferee, before 6th July, 1974.

12. The administrative responsibility for the implementation of these legal provisions lies with the Revenue Department of the State Government. Detection of tribal land alienation cases has been entrusted to the Tahsildars of each tahsil. The Tahsildars have also been empowered to exercise the powers of the Collector under these Acts in the matter of enquiry and final disposal of cases in ordering restoration of the lands to the tribals. Appeals against the order of the Tahsildar lie with the Maharashtra Revenue Tribunal. The Collector supervises the work of the Tahsildar and takes a review of the progress made in his monthly meetings. The monitoring of work is also done by the Divisional Commissioners who have been empowered to undertake suo-moto revision of cases where appeals have not been filed in the Maharashtra Revenue Tribunal.

13. In order to enable the tribals to pay the compensation for the land restored to them, a scheme of financial assistance is being implemented. Under this scheme the tribals are given interest free loans, equal to 6 times the amount of assessment of the land, plus the value of improvements, if any. The loan is to be repaid in 12 annual installments. The remaining amount equal to 42 times the assessment is given as subsidy.

A) Important Law and Order incidents occurred during April 2018 to March 2019 in the

Scheduled Areas of the State:-

1.	Five persons lynched by mob on suspicion of being child lifters at Rainpada, Tal- Sakri
	(Dhule) :- Incident :- On 01-07-18, a group of men belonging to Gosavi community (Fortune Teller) disembarked from a State Transport bus at the tribal dominated Rainpada hamlet, Tal - Sakri, Dhule. When one of the group members attempted to speak to a girl child, a crowd that had gathered for Sunday bazaar mistook the strangers for child lifters and pounced upon them. Rumours were also mongering for the last few days that a gang of child lifters was active in the area. Without ascertaining the identity of the strangers, the mob (1,500/2,000) dragged them to Rainpada Gram Panchayat office. At that time, 30/35 members of the mob forcibly entered the Gram Panchayat office by breaking the door and beat the five strangers with sticks and others objects to death. The fury of the mob did not spare even the police team, which
	 arrived on the spot to pacify it. Two police officials were also injured. The names of the deceased persons are as follows :- 1. Dadarao Shamrao Bhosale, Aged - 40 yrs. 2. Bharat Shankar Bhosale, Aged - 45 yrs. 3. Raju Shrimant Bhosale, Aged - 45 yrs. 4. Bharat Shankar Malve, Aged - 45 yrs.
	5. Angan Shrimant Hingole, Aged – 22 yrs. <u>Action :-</u> In this connection, on the complaint of Assistant Sub Inspector Ravindra Randiv, an offence was registered at Pimpalner P.S. vide CR.No. 74/18, against Balu Manyaram Bhavare and others (30/35), under relevant sections of law and as of 31-07-18, total 28 persons were arrested.
2.	Adivasi-Muslim (Qureshi) Clash at Nandurbar city :- Incident :- Vankar Ratilal Thackeray (Bhill), R/o. Chichapada, Bhilati (Nandurbar) and Vikram Jama Quereshi (Muslim) R/o. Quereshi Mohalla (Nandurbar) had previous enmity. On 08-07-18, an altercation took place between them over a trivial issue. Vikram Quereshi and his associates (11) started assaulting Vankar. When Vankar's mother Smt. Kashibai, aged 48 yrs. and a relative tried to intervene, Vikram and his associates also assaulted them. At that time, Adivasi and Muslim groups pelted stones on each other and torched one vehicle. Police had to burst two tear gas shells to disperse the warring groups. Action :- In this connection, on the complaint of Smt. Kashibai Thackeray an offence was registered at Nandurbar city PS vide CR. No.220/18 against Vikram Quereshi and others (12- all Muslims), under relevant sections of law and as of 31-07-18, total 04 persons (all Hindus) were arrested.
3.	 Rape on a Hindu Minor girl and its Repercussions at Aarni (Yavatmal) :- Incident – Mustafa Jabbar Khan, aged 17 yrs., Sohail Shahid Shaikh, aged 20 yrs., Gaurav Raju Pardhi, aged 17 yrs., Yash Bandu Taple, aged 17 yrs, Shahid Altaf Beling, aged 13 yrs and Akhil Khan Avsar Pathan, aged 20 yrs. all residents of Mubarak Nagar, Aarni (Yavatmal) allegedly offered an intoxicated chocolate to one Preksha Ravindra Chhallani, Jain, aged 14 yrs. (resident of the same area) and raped her. The accused persons also filmed the act and used the video to threaten the girl and her parents to keep quiet. On 7-10-18, the family approached Aarni Police Station with a complaint. A case was registered vide CR. No. 737/18, under relevant sections of law and all the accused persons were arrested. Repercussions :- On 11-10-18, under the leadership of Shri. Balasaheb Mungimwar (Ex.
	MLA) and Shri. Khwaja Baig (MLC) and all party Morcha (400-500) was held at Tahsil office, Aarni demanding trial of the case in fast track Court and stringent punishment to the

perpetrators etc. Bandh (100%) was also observed in Aarni town for the same demand. On 12-10-18 and 13-10-18, Jain community held Morchas (5) at Darvha, Ner, Kalamb, Jalka and Digras (Yavatmal) under local leadership to protest against the incident.

4. Attack on Policemen at Hivri, Tal. Maregaon, Yavatmal :-

<u>Incident</u> – On 26-11-18, Police Head Constable Rajendra Kulmethe, Head constable Madhukar Muke and Constable Pamod Khupre attached to Maregaon PS (Yavatmal) had gone to Hivri village to arrest one Anil Letu Meshram, aged – 35 yrs. A local court had issued a Non-bailable arrest warrant against Anil Meshram in an old case of trespass and assault. However, Anil Meshram and his mother Indira Meshram aged 58 yrs. attacked the police team with wooden sticks. Head Constable Raju Kulmethe sustained head and face injuries and the other police men were also seriously injured. Anil Meshram fled the spot after the incident. The injured policemen were moved to Government Rural Hospital, Maregaon, where the doctor on duty, declared Head Constable Raju Kulmethe dead before admission and other 2 policemen were admitted for treatment.

In this connection, on the complaint of Head Constable Madhukar Muke, an offence was registered at Maregaon PS vide CR. No. 399/18, under relevant sections of law and Indira Meshram was arrested.

5. Hindu-Muslim clash at Korai, Tal - Akkalkua, Nandurbar :-

Incident- On 04-01-19, one Tala Baloch (Muslim) r/o of Korai, Tal – Akkalkua (Nandurbar) eve teased girl students at Sant Jadnade College, Khapar, Akkalkua. At that time, one Sangesh Tadvi (Hindu – Adivasi) took objection. Therefore, Tala Baloach and his five friends (all Muslims) assaulted Sangesh with iron rod and baseball bat.

When Sangesh Tadvi informed his mother about the incident, his mother Kalavati Tadvi and (25-30) others went to the house of Tala Baloach and pelted stones. They also allegedly robbed ornaments and cash from Tala's house.

Action :- In this connection, total 03 cases were registered at Akkalkua PS :

1. On the complaint of Sangesh Tadvi, against Tala Baloach and 5 others vide CR.No. 4/19, under relevant sections of law and total 05 accused persons were arrested as on 31-01-19.

2. On the complaint of HC/ Mohan Shirsat, against Kalavati Tadvi and (25-30) others vide CR.No. 5/19, under relevant sections of law.

3. On the complaint of Basik Ali Baloch, against Sangesh Tadvi and (30-35) others, vide CR.No. 6/19, under relevant sections of law and total 05 accused persons were arrested as on 31-01-19.

6. <u>Relocated tribals protest, attack Police and Forest officers at Melghat Reserve,</u> <u>Chikhaldara (Amravati)</u>:-

Background – Between 2008 and 2012, tribals from eight villages of Chikhaldara namely, Nagartas, Amona, Borukheda, Dhargad, Gullarghat, Somthana (Budruk), Somthana (Khurd) and Kelapani were rehabilitated out of Melghat Tiger Reserve under a compensation package they had themselves opted for. The package was rupees 10 lakh per family. Now, the villagers are demanding Government job for one person in the family, better civil facilities at the place of rehabilitation, farm lands, parity in compensation with the newly rehabilitated villages of Buldhana district etc.

Incident :- On 14-01-19, villagers of these eight villages assembled at Khatkali gate, Tal - Chikhaldara (Amravati) and illegally entered into the core area of forest. Forest guards tried to stop them and a clash broke out. Angry villagers attacked the forest guards. Total 41 personnel of Forest department sustained injuries. In this connection, an offence was registered against 17 protestors at Chikhaldara PS vide CR. No. 6/19, under relevant sections of law.

On 18-01-19, one Champalal Bethekar (Project affected person of Kelapani village) and other 15 to 17 project affected persons attacked forest and police officials at Kelapani when the forest and police officials tried to remove them from forest. In this connection, an

offence was registered against 18 protestors at Chikhaldara PS vide CR. No. 8/19, under relevant sections of law and 03 persons were arrested as on 31-01-18. On 22-01-19, a team of Forest and Police department held a meeting with the villagers at Kelapani village and tried to persuade them to leave the forest. While the meeting was going on smoothly, the villagers started arguments and became aggressive. They attacked Forest and Police officials with sharp weapons, lathis and stones. Total 15 officials were injured in the incident. The protestors also damaged 3 vehicles of Forest department. In this connection, an offence was registered against 130-140 protestors at Chikhaldara PS vide CR. No. 10/19. under relevant sections of law and total 10 persons were arrested as on 31-01-19. 7. Five persons killed in accident, mob sets 18 trucks on fire at Gurupalli, Ta. Etapalli, Gadchiroli :-Incident - On 16-01-19, at around 09:00 a.m., near Gurupalli, Tal. Etapalli (Gadchiroli), a truck operating for the Surjagad iron ore mine rammed into a State Transport bus, travelling from Etapalli to Aheri. Five passengers died and twenty-three sustained injuries in the said accident. Locals reached the spot, removed dead bodies and rescued the injured passengers. As the news of the accident spread, more people came from nearby villages and staged an impromptu roadblock (500-600) at the accident spot. The mob torched 18 trucks and smashed 7-8 trucks. They also shouted slogans against Lloyd company. Main demands of the protesters included compensation of Rs. 50 lacs to dead, Rs. 25 lacs to injured, closure of Surjagad project etc. In the evening, relatives and villagers brought dead body of one of the deceased namely Prakash Ambade to Etapalli Forest Post and continued the agitation until 17-01-18. On 17-01-18, the agitation was called off after the intervention of Shri. Ambarishrao Atram (Guardian Minister), along with Collector and SP, who convinced the protesters to give up their agitation. Shri, Atram assured to get Rs. 25 lacs each for the kin of deceased, maximum compensation to injured persons etc. Later, the dead body was taken for final rites. Action - In this connection, total 2 cases were registered at Etapalli P.S. 1. C.R. No. 02/19, against the driver of the truck for causing death by negligence etc. and the driver was arrested. 2. C.R. No. 03/19, against members of the mob for rioting and causing damage to property etc. Hindu – Muslim clash at Sakali, Tal – Yaval (Jalgaon) :-8. Incident :- On 26-01-19, during the Gramsabha of Sakali Grampanchayat, one Wasim Khan and his associates proposed to put up photographs of Tipu Sultan and Dr. Abdul Kalam in the office of Grampanchayat and to write name of the Panchayat in Urdu language. The Grampanchayat turned down the same demand. Infuriated with the denial, Wasim Khan and other Muslims (50-60) pelted stones on the houses of Hindus in Sakali village and damaged a four-wheeler vehicle of one Gopal Chowdhary. When police intervened, the mob manhandled them. Action - In this connection, on the complaint of PC Sunil Ghuge, an offence was registered at Yaval Ps, vide CR. No. 09/19, under relevant sections of law and as on 31-01-19, total 18 persons (All Muslims) were arrested. Repercussion- On the same day, one Asif Shaikh Zafar and 13 others (all Muslim) assaulted and seriously injured one Anjubai Ravindra Mahajan while she was passing from Kasaiwada, Yaval. In this connection, an offence was registered at Yaval PS. vide CR. no 10/19, under relevant sections of law. 9. Timely Action ensures peace after damage to a statue of Chatrapati Shivaji Maharaj at Trambakeshwar (Nashik Rural) :-On the intervening night of 12-03-19 and 13-03-19, the statue of Chhatrapati Shivaji Maharaj at Shivaji Chowk in Trambakeshwar town, (Nashik Rural) was partially damaged by one Deepak Vishwakarma, who was found to be under the influence of alcohol. Timely action by the police and revenue officials ensured that peace prevailed.

<u>Action</u> :- In this connection, an offence was registered at Trambakeshvar PS vide Cr. No. 45/19, under relevant sections of law and the accused person was arrested.

<u>Repurcussions</u> :- On 13-03-19, the shopkeepers of Trambakeshwar town downed their shutters as a mark of protest.

10. Clash of INC and BJP supporters at Nandurbar city :-

Background :- Indian Nation Congress (INC) party workers from Hamalwada, Sambhaji Nagar (Nandurbar) and Bhartiya Janta Party (BJP) supporters from Maliwada (Nandurbar) had previous enmity over Dahi Handi and other issues.

Incident :- On 18-03-19, both the groups clashed near Maharashtra Vyayam Shala, Nandubar city over a local issue of damage caused to the shop owned by a BJP supporter from Maliwada. Both the groups resorted to stone pelting, in which a few police officials were injured. Police had to use force to disperse the warring groups. A BJP Councillor Anand Baburao Mali sustained serious injuries in the incident.

<u>Action</u> :- In this connection, two cases were registered at Nandurbar City P.S. PS vide Cr. No. 98/19 & 99/19.

- 1. CR.No. 98/19, on the complaint of Nilesh Mali against Prashant Jadhav and (90-100) others for rioting, attempt of murder etc. and as on 31-03-19 total 20 accused persons were arrested.
- 2. CR.No. 99/19, on the complaint of PSI Mahesh Shirsagar against Prashant Jadhav and (150-200) others for rioting, using criminal force for deterring police to discharge duty etc. and as on 31-03-19 total 24 accused persons were arrested.

B) DETAILS OF NAXAL RELATED CRIMES

ENCOUNTER / EXCHANGE OF FIRE :-

Encounter :-

III. Legislative Measures for Protection of tribal from Economic Exploitation

(A) The Maharashtra Tribals Economic Condition (Improvement) Act, 1976

14. This is another important of legislation for the protection of the tribals. One of the measures to bring about effective economic improvement of the tribals is to protect them from exploitation by certain unscrupulous elements in society. To achieve this objective, the Act makes any lending made before the commencement of the Act, invalid void and a initio and prohibits marketing of certain agricultural and minor forest produce in specified tribal areas by private agencies. The Act provides for suitable alternative arrangement in the Tribal Areas for of produce and providing marketing such the needs of the tribals through the State Government and other specified agencies.

IV. Monopoly Procurement of Specified Items

15. The State Government has appointed the Maharashtra State Co-operative Tribal Development Corporation (TDC) as the 'Chief Agent' and the Adivasi (Tribal) Multi Purpose Co-operative Societies (ACSs) as its 'Sub-Agents', for the purpose of procurement of notified agricultural and minor forest produce from the tribals. The Maharashtra State Co-operative Tribal Development Corporation Limited procures on monopoly basis 21 Agricultural & 31 minor forest produce, at about 581 centers spread over in the Tribals areas. In addition to this vide State Govt. Notification dated 12-9-1996 & G. R. dt 28 - 10 -1997 the Grass Procurement Scheme have been started in Mokhada, Jawhar Tahsil in Thane Distract in the year 1998-99. During the procurement season 1998 - 99 total 37. 156 M. T.Grass worth Rs. 0.24 lakhs have been purchased through 4 purchase centers. During the procurement season 2000-2001 total 77.13 M. T. Grass worth Rs. 8, 07,543/- have been purchased, in the year 2001-2002 no purchase of grass by Tribal Development Corporation.

The trading losses suffered by the M. S. Co-op. Tribal Dev. Corporation Ltd. were found to be continuously increasing from 1982 - 83 to 1984 - 85. However, a steep decline in these losses trend during the period 1985 - 86 to 1986 - 87 there was again increase in loss during

period from 1987 -88, 88 - 89 and profit 1990 – 1991, 1991 – 1992, 2001-2002,2002-03, 2003-2004 there was again a loss and since from 1992 - 1993 to 2018-2019 there has been continuous profit.

17. The TDC trading losses of the were due to increase in transportation cost, high rents of godowns, natural losses, inadequate prices fetched in auctions, heavy bank interest, etc. High trading expenditure is a result of the scheme being operated over a vast and extensive rural area characterized by poor communication. Another reason for the losses is the small quantities of commodities tendered by the tribals, which make it difficult to maintain uniformity in the grade.

18. Another important feature of the Monopoly Procurement Scheme is peak in quantity in the year of 1986 - 87 to 2015 - 2016 as exhibited through the quantity of produce purchase by the TDC. The following figures in Table 4.3 of quantities procured to gather with their value will show clearly.

Table 4.3

Year wise Procurement of food grains & Minor Forest Produce by the Maharashtra State Cooperative Tribal Development Corporation Ltd, Nasik-

Year	Quantity (in Qtls.)	Procurement value (Rs.in lakh)
1986-1987	8,66,900	1,535.05

Consumption Finance:

19. With the prohibition of private money-lending in the tribal areas, it is necessary to provide credit facilities to the tribals, for their development and consumption needs. Credit requirements for developmental activities are provided under various schemes including the Nucleus Budget. To meet the consumption requirements of the tribal's, a scheme of 'Consumption Finance', has been in operation since 1978-79. For this purpose Government has created a revolving fund and made available total amount of Rs.8.00 cores. So Tribal Development Corporation under the scheme a beneficent family is eligible for a maximum loan of Rs. 400 holding 4 units or Rs 800/- up to 8 units of Rs. 1000/-, over & above 8 units in their family. The following table indicates the position of disbursement of consumption finance / loans and its recovery.

Table 4.4

Year	No.of Beneficiaries(Nos.)	Loan/Finance distributed (Rs.in	Percentage of recovery

(B) Maharashtra Sales of Trees by occupants belonging to Scheduled Tribes (Regulation) Act, 1969.

20. This is one of the protective legislations administered by the Revenue and Forest Department. The Government thought it necessary to regulate the disposal of trees standing in the holdings of persons belonging to ST and to provide for matters connected therewith. It was a piece of legislation made for the benefit of tribals and also for safeguarding them against the exploitative practices of the private contractors dealing in forest produce.

21. Under the Act, the Forest Department demarcates the land of the tribal occupants with the help of the local Patwaris and draws up a detailed list of trees to be felled. The marked trees are felled, converted, transported to the Forest Sale Depot and subsequently sold through auction After the confirmation of the sale in auction the occupant is paid the sale departmentally. proceeds, after deducting the expenses incurred in connection with the sale. No supervision charges are levied and recovered by the Department. This measure enables the tribals to earn remunerative prices for their forest produce by eliminating unscrupulous middlemen/contractors.

(C) Debt Relief Act, 1975

22. Under the Maharashtra Debt Relief Act, relief was given to tribals by liquidating the outstanding loans and interest payable thereon for the following categories of persons:

(i) Small and Marginal farmers, rural artisans, rural labourers, industrial workers, etc., and those whose total income from all sources did not exceed Rs. 24,000 during the year, before 1st August, 1975.

(ii) A worker whose total income from all sources did not exceed Rs. 6,000, if living in an urban area and Rs.4,800, if living elsewhere, during the year before 1st August, 1975.

23. Tribal farmers were deemed to be small farmers irrespective of the extent of un-irrigated land cultivated by them, thereby placing tribals within the purview of the provisions of Maharashtra Debt Relief Act, 1975 with certainty.

(D) Bonded Labour

24. The Government of India has passed a legislation called the Bonded Labour System (Abolition) Act, 1976, which came into force with effect from 25th October, 1975 (initially through an ordinance).

25. The Industries, Energy and Labour Department deals with the administration ofBonded Labour System (Abolition) Act, 1976. The responsibility of identification of the bonded labourers and their release from bondage lies with the Revenue and Forest Department. After the bonded labourer is made free and released, the work pertaining to rehabilitation of the bonded labourers is required to be done by the Revenue and Forest Department.

26. Vigilance Committees under the Act have been constituted in the districts of Thane, Nasik, Dhule, Satara, Akola, Chandrapur, Bhandara, Aurangabad, Jalgaon, Amravati, Ahmadnagar, and Kolhapur, Nanded, Solapur, Sindhudurg and Melghat Sub-Division of Amravati In addition to their duty under section 13 of the Act, to identify, release and district. rehabilitate the bonded labourers within the areas of their jurisdiction, they are also to advise the District Magistrates for effective implementation of the other provisions of the said Act.

27. The Government, under Section 10 of the said Act, has also conferred powers and imposed

duties on all the District Magistrates under the Act in their respective jurisdiction. In order to identify the offences under the said Act, the Government has also conferred the powers of First Class Judicial Magistrate, upon all the District Magistrates, Additional District Magistrates and Sub-Divisional Magistrates in the State, in their respective jurisdiction.

The rehabilitation of Bonded Labour is a Centrally Sponsored Scheme and the expenditure is borne by both the State and Central Governments on a 50:50 per cent basis.

29. The State Government vides its Resolution, Revenue & ForestDepartment No. RB-1083/2128/CR-185/R-4(A), dated 26th December1983 constituted a Screening Committee for considering the problems regarding the rehabilitation of bonded labourers as per the directions of the Government of India.The said Screening Committee scrutinized three special for schemes the rehabilitation of freed bondedlabourers and proposals weresubmitted to the Government for a pproval of the following schemes

(i) Scheme of rearing goats (unit of 20 goats and 20 ducks);

- (ii) Scheme of supply of two buffaloes; and
- (iii) Scheme of Supply of a pair of bullocks and a cart. Immediately on release, every bonded labourer is required to be given an immediate help of Rs. 500 in kind.

30. The concerned Collectors had also been requested to take action for the rehabilitation of the bonded labourers in the light of the following rehabilitation measures :-

(1)The bonded labourers freed from bondage may be provided with a house site under the hut construction programme within a period of 3 months, and if in the meantime there is rainy season, the period may be extended up to a maximum of 6 months, even if his name does not appear in the 1971 Census or any other data base being used for this purpose.

(2) Most of the Government waste lands have been disposed off. However, as far as the distribution of surplus lands under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961 are concerned, bonded labour being landless should be given top priority, even by relaxing the condition of distance of 8 kms. between his residence and the village where such surplus land is available for the purpose.

(3) On identification of bonded labourers, action for his rehabilitation should be taken without waiting for the conviction or otherwise of those who have kept them under bondage.

(4) The bonded labourers freed from bondage should be rehabilitated with of the i.e. the help on-going schemes Integrated Rural Development Programme, Employment Guarantee Schemes, TRYSEM, etc.

(5) The bonded labourers released from bondage may be provided employment urgently, under the Employment Guarantee Scheme or on any other work within a period of fifteen days.

6) Admission in the Government Ashram Schools to the children of tribal Bondedlabourers should be granted on priority basis.

(7) Wherever possible, Adult Literacy Classes should be started for released bonded labourers.

III Excise Policy

31. In the Maharashtra State following Area is declared as Tribal Areas of the State, (Tribal Areas of the State are the parts of Scheduled Areas. "Scheduled Areas" means the area declared to be scheduled area by the President under the Scheduled Areas (Part A State) Order, 1950, made under sub-paragraph (1) of paragraph 6 of the Fifth Scheduled to the Constitution of India.) vide Government Notification Dated 14.01.1982 and in the interest of tribals local tradition, grant of

Sr. No.	Name of District	Area				
01	Gadchiroli	Entire District				
02	Thane	Mokhada Tahsil,				
		Talsari tahsil &				
		Jawahar tahsil (excluding Jawahar Municipal area)				
03	Dhule	(now part of Nandurbar District)				
		Navapur tahsil (excluding Municipal Area)				
		Taloda tahsil (excluding Municipal Area)				
		Akkalkuwa tahsil (excluding Municipal Area)				
		Akarni tahsil (excluding Municipal Area)				
04	Amravati	Melghat tahsil (excluding Dharni & Chikhaldara Hill Station				
		Municipal Council Area)				
05	Nasik	Surgana tahsil (excluding Surgana & Peth				
		Tahsil (excluding village panchayat area of peth)				

Licence in Form T.D.- 1 (for sale of Toddy), licence in Form C.L. II and Form C.L. III (for wholesale and retail sale of Country Liquor respectively) is prohibited

As per the welfare measures taken for these areas commercial vending of Toddy & Country Liquor like alcoholic beverages in these areas has been discontinued.

However, depending on the traditions and custom prevailing in these areas, tribals are exempted in respect of their own local traditional drinks distilled or brewed from Mohra Flower, Rice or Fruits in such tribal areas in so far as it related to the manufacture, possession, consumption, use or offering or distribution of such liquor for mutual accommodation for personal and social purposes but not for commercial purposes.

Continuous efforts are being made to wean away the Tribals from the habit for drinking alcoholic beverages through various measures. The Non-Government Organization working for the purpose, are being given the every possible assistance and help in their work. The Social Welfare Department of the Government organizes seminars and shows to educate the Tribals about the ill effects of alcohol.

- The same excise policy is continued by the state this year also in addition to this Maharashtra State Excise Department has issued a notification dated 4th March, 2015 which empowered the panchyats of scheduled area for granting prior approval of any Excise Licence in their jurisdiction. The powers are vestol with respective gramsabha.
- 2. The tribal people are also benefited as toddy licenses with fixed licence fee are issued in tribal areas.

3. There is no exploitation of tribals as there is no sale of liquor in this area.

IV Displacement of Tribals

32. The main cause for the displacement of tribal's is the major and medium irrigation projects taken up in the tribal areas.

33. The State Government has enacted a special legislation known as the 'Maharashtra Resettlement of Project Affected Persons Act, 1976 which came into force from March The Act provides for the granting of alternative wet lands on a prescribed scale in 1977. the benefited zone. to the project affected persons, whose lands have been acquired for the projects. Similarly, the persons whose houses have been acquired for the project are granted housing plots in the new villages, where incontinence amenities such as internal roads, schools, water supply, electricity, etc., are provided. In order to enable the housing plot allotted to construct houses, they are granted loans at a reasonable rate of interest and the loan is to be repaid in 20 equal installments.

34. No distinction is made between tribals and non-tribals as far as the grant of relief are concerned. There is also no separate monitoring of resettlement of the project affected tribals. Hence a separate assessment of the progress of rehabilitation of the project affected tribals is very difficult.

In a large number of cases the tribals of Scheduled Areas are rehabilitated outside the Areas and they do not get all the concessions available to them in the Scheduled Areas. The question of providing necessary protection to displaced tribals may be considered.

35. According to the provisions of the Act, a displaced person is required to deposit 75 per cent of the compensation received for his cultivable land which has been acquired for the project. It is understood that due to various difficulties including the fact that the place when they would be provided with alternative land is not known to the tribals at the time of receiving compensation most of the tribals are not willing to deposit 75 percent of the compensation. Hence, many of the projects affected tribals become landless in the process of displacement due to acquisition of their lands.

V. Payment of Minimum Wages

As far as the occupational structure is concerned, a considerable part of the tribal 36. population is engaged in (a) Agriculture, and (b) Forestry Operations. In addition to these two sectors. tribals are also employed in various development projects like works. irrigation projects. While road etc. minimum wages have been fixed in respect of most of the employment where tribals are employed in sufficient numbers, no such minimum wages rate has been fixed in respect of the

Forestry Operations, where a large majority of the workers are tribals. It is, therefore, necessary to include Forestry Operations in the Schedule Areas and fix minimum wages for this purpose.

37. The PO, ITDP is declared as Inspector of Minimum Wages considering the need to strengthen the Administrative machinery.

38. The administrative machinery for implementation of the Minimum Wages Act faces a challenge to cover the inaccessible and far-flung tribal's areas. It is, therefore, necessary to strengthen the administrative machinery further for its implementation in the tribal areas. The problem of conferring powers of inspection on the officials of the Tribal Development Department such as Assistant Project Officers of the ITDPs and Tribal envelopment Inspectors under the Minimum Wages Act may be considered.

CHAPTER V

NEW INITIATIVES

Community based approach to improve health and nutritional status and to reduce deaths of tribal's of Melghat

- This project is implemented by Mahan Trust, Utawali, Dist. Wardha.
- Budget for this scheme is Rs. 450.00 lakhs.
- Melghat is remote tribal area of about 4000 sq.km having pollution density less than 75 person sq.km. This area has lack of essential facilities.
- Mahan trust has surveyed the area and found- severe malnutrition, child death rate around 90, low quality of cleanliness, 90% people do not use toilet and no availability of water.
- Mahatma Gandhi Tribal Hospital Utawali is working in 30 villages of Melghat area doing treatment of 1000 malnutrition children from age 0 to 60 month, 3000 children below are 5, 1600 pregnant women, 10000 patient form age 16 to 60 and 20000 patient from at Hospital.
- The purpose of the scheme is reduce child death rate in 30 tribal villages, reduce severe malnutrition reduce death rate of tribal between age 16 to 60, reduce infant mortality rate and mother death rate, cure patient from severe diseases.

Creating a Diploma Course in Sustainable Management of MFPs under FRA and PESA

- This Diploma course is designed by Mumbai School of Economics and Public Policy, University of Mumbai, Mumbai.
- Budget for this scheme is Rs. 215.00 Lakh.
- The diploma course has been developed to provide the technical knowledge to the gramsabhas in nearly 7700 villages having more than 29 lakh hectares of land under CFRA, so that they can maximize the benefits from the forest right acts.
- The workshop was held in Mumbai in the month September 2017 and October 2017 where the detailed syllabus was discussed and detailed modalities for running the programme were formulated.
- The necessary approval from the statutory bodies of Mumbai School of Economics and Public Policy was obtained and course material in Marathi language is prepared.
- The first module and orientation programme will be conducted at Mendha over a period of 2 weeks and duration of diploma course will be for 20 weekends.

• CFR diploma course started for creation of Forest Conservation and Management Plan of CFR villages like already done in 376 villages out of 7713 (with the help of NGOs) by TRTI in collaboration with Mumbai School of Economics and Public Policy (MSEPP).

Creation of baseline for the PVTG groups

- Mumbai School of Economics and Public Policy, University of Mumbai, Mumbai implement this scheme.
- Budget for this scheme is Rs. 25.00 Lakh.
- The proposed baseline survey of PVTGs covers Kolam, Katkari and Media Gond communities in Maharashtra.
- The baseline survey covers following factors
 - Economic Indiactors- Average monthly income and expenditure, asset ownership including land, house and animal, migration pattern, employment / unemployment structure etc.
 - Health and Education indicator- access to education, awareness of health issues, literacy, gender gap etc.
 - Social/demographic indicators: family size, sex ratio, social capital, mortality, social network
 - > Policy- examination demand drivers policy inputs and implementation of policy.

Setting up of Data Analytics and Project Management Centre for TSP Planning and Budgeting.

- This scheme is implemented by Department of Technology, Savitribai Phule, Pune University, Pune.
- Budget for this scheme for First year is Rs. 664.00 lakh and Recurssive Expenditure Rs. 63.72 lakh per year for three year i.e. Total budget for this scheme is Rs. 855.16 lakh.
- This centre will consolidate data generated through various schemes implemented. This data will helpful for monitoring and evaluation of various schemes in future. This data will helpful for decision making and framing new scheme.

Proposed Creation of a Farmers Producer Organization (FPO) of 30,000 farmers under central assistance:

1. Provide a digital platform for small farmers that is suitable for usage by micro-businesses and supports multiple business model and small farmer innovations.

2. Execute the below activities with the support of appropriate field partners wherever applicable:

- Institution Building
- Disintermediation / Direct Market Linkage

- Semi-processing setup
- Retailing of End-consumer Products
- Improve Livestock Status
- Establish Agri-business Course at Ashram Schools
- Provide Professional

Services in the areas of Manufacturing, Retail, and Distribution Management

3. Build an ecosystem of professional services providers, buyers, and domain knowledge partners so that the solution can be scaled independently.

<u>Pandit Dindayal Upadhyaya Swayam Yojana-</u> (Schemes for students who could not get admission in the Hostels.)

The Tribal Development Department has provided hostels facilities to Scheduled Tribe students for their higher education in various secondary and higher secondary colleges, medical, engineering colleges, polytechnics etc. Under the Tribal Development Department there are total 491 government hostels (283 for Boys and 208 for Girls) are functioning.

The total strength of these hostels is 58,485 and the students can get admission in the government hostels under the admission capacity. However, the number of students belonging to Scheduled Tribe students who want to take education under various courses is increasing day by day. Due to this, number of students entering secondary and higher secondary education, degree and postgraduate courses etc. is very high and comparatively the availability of admission to the government hostels is less.

- Providing Pre-matric scholarship to all ST students learning in the schools run by Rural Development Department and Urban Development Department. (Appox. 14 lacs students covered).
- Vide G.R dated 06.05.2017, Tribal Development has started DBT Scheme to all ST Students in Government Ashram School.
- 3. Various innovative activities are being implemented in Government Ashram School for the upliftment of quality education such as **Karadi path activities** for English, **MIEPA** training for math and Marathi language's, WASH programme, Kayapaya Abhiyan etc.
- 4. Providing Life Skills training to all students in government Ashram School.
- 5. Development of Science Lab and providing science training to science teachers in Government Ashram School, with the help of Eklavya Science center Bhopal.

1) Ashram Shala Transformation Campaign on (Kayapalat Abhiyaan)

For effective implementation of WASH program in line with "Swachh Bharat Abhiyan" in Government Ashram schools, repair and construction of toilets, bathrooms, hand wash stations, water supply and dining rooms along with Kitchen has been envisaged. According to the Government Resolution dated 05 May 2017, Ashram Shala Kayapalat Campaign is being implemented in a time bound manner. 200 Master Trainers have been trained to to train Ashram Shala staff and students on behavioral change w.r.t. WASH. Key resource centers empaneled by Water and sanitation department have been selected for the implementation of the WASH Programme. The work done in kayapalat abhiyaan is being monitored at multiple levels and the best work will get rewarded. During the summer vacation many Ashram Schools have completed minor repairs in Schools. Similarly Schools are preparing detailed project proposal for water, sanitation, major repairs with the help of KRCs.

2) Providing Life Skills Training to the staff and adolescent students of Ashram Schools

Tribal Development Department is constantly trying for the overall development of the students of ashram school. To achieve the same motive, TDD in association with Rajmata Jijau Mother Child nutrition Mission with the assistance of Health department and Woman & child Development Department have begun the life-skills training program to solve problems faced by adolescent children in ashram schools. This program provides life-skills training to teachers and superintendents who are now training the students from standard 6th to 12th in all Government Ashram schools.

Health, nutrition, hygiene, reproductive health, safety, protection, self-care are the sensitive issues that have been taken up in this training. The Department has decided to include the Life skill training as an integral part of curriculum of Ashram school.

3) ISO certification of Ashram schools

The department is encouraging the schools enhance the basic infrastructure, and regular maintenance of school infrastructure to provide a conducive environment to students for study. Department also encouraging the schools to establish a standardize process as per ISO norms. As of now, around **20** schools are registered for ISO certification and around **30** schools are already ISO certified.

4) Direct Benefit Transfer:-

The Tribal Development Department used to provide in kind benefits like supply of uniforms, shoes, socks, night dresses, stationery to Ashram Schools students. To empower the students to buy the necessary material as per their choice and desired quality, Tribal Development Department has taken the decision of "Direct Benefits Transfer" and transferred the amount of rupees 7500 to 9500 directly to the bank accounts of the students or a joint bank account of the students and parents. By adopting this procedure, department has ensured faster delivery of service

to students, avoided delays that occur in mass procurement and has brought transparency. This year 161 crores were distributed as direct benefit transfer.

In Tribal Development Department "Swachh Ashram Shala Abhiyaan" program is being implemented. NSE with technical assistance of UNICEF is supporting the WASH initiative in 172 Ashram schools of Nashik region by providing technical and financial support. This program consists of:

- i. Installation of Wash (Water, Sanitation and Hygiene) Facilities:
- ii. Repair of basic facilities for cleanliness by construction organizations.
- iii. Provide hand wash stations and drinking water facilities.
- iv. Water conservation through rain water harvesting, solid and waste management (with incinerator), making platform for washing clothes.
- 1) Change in behavior and dialogue:
 - i. Promoting a healthy life system through audio-visual media and games to create a team of students in each school and disseminate messages related to the Wash program through them, also including menstrual hygiene management.
- 2) Usage and maintenance guidelines :
 - i. Keeping a user manual for regular maintenance, time limit, responsibility to each group which includes cleaning workers, students and school management committees.
 - ii. To establish a committee at the ashram school level and to ensure that the activities are carried out in a phased manner for repair and maintenance. The Committee, regularly reviewing the supply of sanitary items, ensure that supply of these items (washing soap, napkin, safety equipment to cleaners etc.) is being done regularly.
- 3) Other affiliates Institutions:
 - i. JSCF (Water Aid) will be working as a project management and coordinating institution for the programs, and in the implementation of these programs, will help in setting up basic facilities, behavior change and training.
 - ii. KRC (Key Resource Centers) has been entrusted with the responsibility to take necessary action to complete the projects. The KRC list has been set up by the Water Supply and Sanitation Department to provide better facilities for the implementation of these programs.
- 4) Impact: -

This Programme will benefit 172 ashram schools and 70 thousand in the area of Additional Commissioner, Tribal Development, Thane and Nashik. For this, NSE will provide around 9.7 crore rupees for 3 years.

A. Urvi Ashok Piramal Foundation:-

The aim of the project is to provide timely health checkup and treatment, counseling of ashram school students. Tribal Development Department has signed a Memorandum of Understanding on 12th July, 2016 with Urvi Ashok Piramal Foundation under the Corporate Social Responsibility for free Medical health checkup through Mobile Health Unit. This foundation has started free medical checkup of 16 Ashram Schools in Pen ITDP area. In this Programme weekly checking of the students was carried out by mobile health units.

This program is being implemented and its utility is also proven. This program has been extended to 19 Ashram Schools of Shahapur and Murbad Talukas from the current year.

Major features of this program:

- For the 14 schools in Shahapur taluka, the Urvi Permal Foundation will provide mobile health unit including doctors, nurses, drivers and counselors. The entire expenditure on this will be borne by the Foundation..
- GPS system is installed on the mobile health unit, so that the movement of the unit is known and the distance carried out in a day. The Mobile Health Unit will also be contacted in consultation with Tribal Development Department at the designated places.
- The information regarding the health history of each student and the treatment done by health unit from time to time will be kept in digital form and given to the school management. After health checkup of students of the ashram school, necessary medicines will be provided to the student and the record will be maintained under the control of concerned Head Master with due signature of Headmaster, Female Officer or Superintendent.
- According to this program, the weight, height, hemoglobin and blood group of the student will be observed in the first six months. Necessary medicines and tonics will be provided to those found having low hemoglobin, low weight and other nutritional deficiencies. Students are examined by their eye sight and are treated accordingly.
- The purchase of Mobile Health Unit vehicle, maintenance of Mobile Health Unit and the expenditure on the employees' wages is borne by the Foundation.
- The cost of necessary medicines, other materials, treatment of students, and fuel for the mobile health unit is borne by the Foundation.
- The information related to the medical examination of the students will not be made available to any person or organization by the Foundation without prior consent of the Tribal Development Department.

B. Dr. Baba Saheb Ambedkar Technical University (BATU):-

Tribal Development Depart has signed an MoU with Dr. Baba Saheb Ambedkar Technical University (DBATU) to come on board as its academic and technological partner. DBATU is an affiliating State Technical University and shall be bringing all the affiliating Engineering, Pharmacy, Architecture, Hotel Management and Catering Colleges and to take active part for improving quality of Technical Education, promoting awareness about science and technology in masses, developing and propagating technological advances, conducting research and innovation activities at the department and in affiliating colleges for the benefit of society in particularly in the tribal areas of Maharashtra.

Through this partnership the Department will be able to obtain manpower support including student interns and Young professionals for data collection, compilation and analysis and for various field projects of the Department and its subsidiaries (TRTI, TDC, PO offices etc).

C. Tata Institute of Social Sciences (TISS):-

Tribal Development Depart has signed an MoU with the Tata Institute of Social Sciences (TISS) to come on board as its knowledge partner and to provide expertise and assistance pertaining to CSR. This partnership will help TDD to bring in an academic outlook while drafting policy interventions.

TISS will assist in developing Proposals/ Detailed Project Reports (DPRs) as may be required for facilitating funds & support under CSR through multiple corporate entities while also providing policy level advice pertaining to CSR. TISS will also carry out research, training and evaluation studies of various policies of the Government relating to tribal development in Maharashtra. TISS will undertake research studies into the core educational issues of Ashramshalas such as learning outcomes, teacher performance, student attendance and make policy suggestions for improvement based on the findings of these studies.

TDD will provide mentorship opportunities to students of TISS through internships and fellowships giving them a first hand opportunity to work with the government.

D. Mumbai School of Economics & Public Policy Institute (Mumbai University):-

The Tribal Development Department (TDD) aims at timely policy intervention that is research backed and in this light the TDD with the Mumbai School of Economics and Public Policy (MSEPP), University of Mumbai would establish a Tribal Research Centre (TRC).

TDD aims to generate a relevant database on tribal related issues that would enable evidence based policy intervention for which the Tribal Research Center will be one of key partners to conduct research and evaluation studies relating to tribal development in Maharashtra. These Research projects will be jointly undertaken with the government bodies Tribal Development Corporation (TDC), the Tribal Research and Training Institute (TRTI) and other institutions, organizations and experts. TRC would also evolve and conduct training programmes for building capacity and knowledge base within TDD.

Also, TDD would provide internship opportunities to students of MSEPP for obtaining manpower support for various research and evaluation / monitoring initiatives of TDD. MSEPP has started diploma course for FRA (Forest Right Act),

The first batch has begun. The MSEPP is also working on creation of policy for PVTGs.

E. Dr. A.P.J.AbdulKalam Amrit Food Planning: -

Bharat Ratna, Abdul Kalam, Amrit Diet Plan, Tribal Development Department, Govt. Decision, Order-2013 -01, 78 / Function-8, dated 18/11/2015, to provide pregnant women and lactic mothers in a scheduled area for a period of six months. Under the scheme of 85 Integrated Child Development Projects of 16 Adivasi districts of the state, women and child development departments should implement it. It has been implementing.

Government decision no. A full-time diet given under the scheme- AVI-200 / PRO-4 / Function- 8 dated 22/06/2018, includes Chapati or Bread, Rice, Pulses- Dal, ShegadanaLadu (Rajgir / Dalia / Lalsi / Sugar) Eggs, or bananas, green leafy vegetables / fruit vegetables, edible oils, iodized salt, masala, lemon, etc., and for the cost of fuel / gas refineries and other contingencies, the cost is Rs. 35 / -. It's been there.

In addition to the regular benefits received from Anganwadi workers and anganwadi assistants to successfully implement this scheme, it has been approved to give Rs. 250 / - each Rs. 500 / - per month per month to prepare the scheme.

Egg-Banana is being given to children under 7 months to 6 years of age under stage 2. Their rate is allowed to be Rs. 6 /- Eggs made for the Amrit Diet Plan should be done locally through poultry schemes run by self help groups / poultry projects in government pilot projects. If it is not available through it, then it has been instructed to purchase from the local market.

The above revised rates will be effective from July 01, 2018.

This scheme is being implemented under the control of Tribal Development Department and through Integrated Child Development Services Scheme.

Phase- I - of the Scheme vide Tribal department G.R dated 18/11/2015 pregnant and lactating mothers were benefitted with one square meal in the Anganwad Centre. After detection of Pregnancy, and registration in the Primary Health Centre and the nearest Anganwadi Centre or Mini Anganwadi Centre, She becomes eligible to avail te benefits of the Scheme. Post pregnancy, the Lactating mother also gets benefits for the first 6 Months.

Phase- II - Vide Tribal department G.R dated 05/08/2016, Children aged 7 Months to 6 Years, who are registered in the Anganwadi Centre are benefitted. The Children get a diet of 2 bananas (Vegetarian) or 1 egg (Non- vegetarian) for 4 days in a week, i.e., 16 days in a month. To monitor its Implementation, a committee is to be formed at the Gram Panchayat Level / Anganwadi Level comprised of the following members.

Lady Sarpanch / Lady Gram Panchayat Members	 Chairperson
One Lactating Mother	 Member
One Pregnant Woman	 Member
One Anganwadi Worker	 Member

At the State / District / block Levels the Scheme is to be monitored by the following

State Level - ICDS Commissioner ate, Navi Mumbai

District Level: Deputy Chief Executive Officer of 16 Tribal Districts

Block Level: Child Development Project Officer Working in the 16 Tribal Districts.

CHAPTER VI VANMITRA MOHIM

BACKGROUND

Forest provides a wide scope for availing livelihood opportunities for forest dwelling communities and thereby to enhance the rural economy. Food security and economy of tribal communities and other forest dwelling communities are highly dependent on the ecology around them. A large number of Scheduled Tribe members draw their livelihood directly from the forest. Forest Rights Act (2006) is thus of utmost importance for rural poverty alleviation.

FRA IN MAHARASHTRA STATE

Scheduled Tribes and Other Forest Dwellers (Recognition Forest Rights) Act 2006, simply known as FRA (2006), ushered in as one of the most powerful statutes recognizing the rights of STs and forest dwellers over natural resources available around them. Central government entrusted the responsibility of effective implementation of the statute on state governments and urged them to act on it. Maharashtra was one of the first few states to implement FRA. The State Government has issued guidelines and instructions for the effective implementation. Gadchiroli was one of the first districts to implement FRA and recognize the forest rights of community members accordingly. Gradually, FRA was implemented in 26 districts of Maharashtra with forest land.

In order to scrutinize the FRA claims, District Collector headed DLC, Sub-divisional Committee and Gramsabhas were activated. For the administration and flawless implementation of FRA, contractual personnel were recruited by the state government who are working with various government agencies since 2008. It was observed that, in most of the districts, meetings of DLCs and SDLCs to scrutinize the claims were regularly conducted till 2011. However, the quantitative data shows that the frequency and subsequent disposal of claims were slowed down. The recent agitation by farmers and forest dwellers in February 2018 for the effective implementation FRA led government to issue a directive for speedy disposal of all the CFR and IFR claims pending at various levels in stipulated time period. Accordingly, Tribal Research and Training Institute, Pune was declared as a 'Nodal Agency' by Tribal Development Department, Government of Maharashtra, to complete this task. Thereby, TRTI, Pune undertook a responsibility of assessing the current situation and to suggest a way forward. The Institute looked into few selected claims and appeals and listed the reasons for rejecting claims. It also pointed out some flaws in the entire process of scrutinizing the claims.

ISSUES IN IMPLEMENTATION

• Pendency in examining the claims has been noticed particularly at the level of SDLCs over the period of past ten years. As on 31stMarch 2019, 3,62,679 IFR claims and 12,037 CFR

claims are received at Gramsabha. There are 5845 IFR claims, 955 CFR claims and 3209 appeals pending at Sub-divisional committee level by March 2019.

- Fourteen reasons or flaws in the process of disposal of claims were put forth by TRTI.
- When the claim is accepted by the district committee, it is expected that the land to be allotted is measured in all four directions and the titles are distributed to those who claimed. 16984 IFR Claim + Appeals titles and 638 CFR Claim + Appeals titles are not distributed to those whose claims were finally accepted by the District Committees. Further, 7/12 extract needs to be prepared with the name of the claimant in other rights column to enable him/her to get benefits of bank loan, subsidy etc.
- It was observed that many of the rejected claims at SDLCs need to re-examine before finalizing at DLCs due to non-observance of legal provisions.

INITIATIVES BY TRTI

TRTI proposed VanmitraMohim to clear pendency of claims and appeals at SDLCs and DLCs in time bound manner. Accordingly, a Government Resolution on 11th May 2018 was issued announcing VanmitraMohim.

A stark need to reorganize and sensitize the FRA personnel was thus felt to complete the task. Therefore, TRTI has taken an initiative to reorganize and train the existing team of around 150 contractual personnel in the field as well as to address their establishment issues for better performance.

- A job chart has been defined for each post to redistribute responsibilities evenly. Further, to build their capacities two days training cum review workshop was designed and conducted by TRTI on 24th and 25th May 2018 which was attended by 134 contractual field personnel. The workshop was conducted to review the performance of FRA and to understand the problems faced in scrutinizing the claims. All the personnel actively participated in the workshop and showed positive attitude towards the objectives of VanmitraMohim
- Likewise, their work was reviewed and documented by TRTI officials with the help of online data management system (http://trtionline.org.in/).
- Since the appointment of these personnel in 2008, honorarium remained the same for all these years. In order to incentivize the personnel for better delivery of services, an increment in the honorarium and extension of the service is provided to all. This has proved to be encouraging perk for all those working at a ground level resulting in rapid action oriented work which is evident from real time data collection and entry on portal.

- 54 experienced and promising candidates from the team were trained as Trainers in two days workshop on 28th and 29th May 2018.
- Further, the Trainers conducted training workshops on 14th June 2018 in 10 districts and 21st June 2018 in 3 districts for SDLC members wherein the pendency of claims/appeals is high in numbers. The workshops were attended by 934 SDLC members. In the workshop the participants were briefed about the current status of FRA and the objective of VanmitraMohim was explained.

STATUS OF CLAIMS

Since the act has been implemented a number of IFR and CFR claims are received by Forest Rights committees. The status of IFR and CFR claims and appeals as on 31st September 2019 is given in table below:

Sr No	Perticular	Claims		Appeal		
		IFR	CFR	IFR	CFR	
	Total Claims received by	365309	11985			
	Gramsabha

Η	Total No of Titles Distributed	117260	7283	54257	10	

Table 2: Status of Claims and Appeals (State)

As on 31st September 2019 total of **365309** Individual Forest Rights claims are filed at Gramsabha level and a Total of 122175 Claims are finally accepted by DLC in 26 districts of Maharashtra. In 26 districts, an on 21st September 2019, a total of 122175 claims are finally accepted by. Out of claims received, 51954 claims are rejected by Gramsabhas, 177649 claims are rejected at SDLC and 4353 claims are rejected at DLC. Total number of rejected claims is 233956 (64.04%) at all three levels out of which 22.21% claims are rejected by Gramsabha, 75.93% rejected by SDLC and 1.86% rejected by DLC. Considering Section 6 (5) of the FRA, the rejected claims at SDLCs should be forwarded to DLCs for final decision which is not practiced in most cases.

Looking at pendency, data indicates a total of 9178 (2.51%) claims are pending at all three levels of verification. Out of total pendency 1756 (19.13%) claims are pending at Gramsabha, 3984 (43.41%) are pending at SDLC and 3438 (37.46%) claims are pending with DLC.

Individual Forest Rights Claims

Accepted claims								33.44	
Total number	of Dispose	ed claim	S				356131	97.49	

Table 3: Status of IFR Claims (State)

Out of total claims received, **356131(97.49%)** claims are scrutinized and either finally accepted or rejected claims at SDLCs and/or at DLCs.

COMMUNITY FOREST RIGHTS CLAIMS STATUS

As on 31st September 2010, **11985** Community Forest Rights claims are filed at *Gramsabhas* of 26 districts across the state. As many as **7771** (**64.84**%) CFR claims are finally accepted by District Committee. A total of 1840 (15.35%) claims are rejected at three different levels i.e. Gramsabha (57), SDLC (1455) and DLC (328) for various reasons.

Further, a total pendency of 2374 (19.81%) claims is indicated in data. Pendency at Gramsabha level is 676 (28.48%), at SDLC is of 946 (39.85%) and at DLC is 752 (31.68%). A significant number of cases are pending in Gondia, Nashik, Raigad, and Chandrapur districts. Thus, total number of disposed claims is 9611 (80.19%).

The titles of accepted CFR claims are distributed in almost all the districts. There are few titles yet to be distributed in Raigad and Thane districts.

Table 4: Status of CFR Claims (State)

Community Forest Rights Claims									
Total Number of	Total Number of claims Received by Gramsabha								
	Grams	abha	SDI	۲ C	DL	С	Tot	al	
	Total Number	%	Total Number	%	Total Number	%	Total Number	%

Accepted claims							7771	64.84	
Total number o	f Disposed	claims					9611	80.19	

STATUS OF IFR APPEALS AT SDLC AND DLC

There 51954 IFR claims are rejected by Gramsabha out of which 35239 claims are received for reexamination by SDLC. A total number of 15036 (26.43%) appeals are rejected and 2807 (21.87%) appeals are pending with SDLC.

Total of **128686** appeals were received by DLC. Out of which **62144** were accepted, **18568** were remanded to SDLCs and 41844 (73.57%) appeals were rejected. It leaves IFR pendency of 10028 (78.13%) with DLC.

Individual Forest Rights Appeals								
Total Number of claims Rejecteded by Gramsabha								
Total Number of appeals Recieved by SDLC								
Total Number of Appeals Received by DLC								
	Gramsabha	ı	SDLC		Total			
	Total	%	Total	%	Total	%	Total	
	Number		Number		Number		Number	
Rejected Appeals			15036	26.43	41844	73.57	56880	
Pending Appeals			2807 21.87 10028 78.13			12835		
Accepted Appeals								
Remanded by DLC	to SDLC						18568	

Total IFR claims accepted so far are 1,22,175 and total IFR appeals accepted 62,144 Thus, the sum total of accepted IFR claims comes to, 1,84,319 (50.45%).

CFR APPEALS AT SDLC AND DLC

5 CFR appeals are received by SDLCs out of which one appeal is accepted. Similarly, 18 appeals are received, 3 are remanded and 5 appeals are accepted by DLCs.

DIGITALIZATION INITIATIVE

MAHAVANPORTAL

Maharashtra Knowledge Cooperation Limited (MKCL) with the guidance of TRTI has developed

'MahaVan' portal

For the effective and time bound implementation and disposal of Scheduled Tribes and Other Traditional Forest dwellers Act 2006 and Rule 2008, 'MahaVan' portal is created. The portal enables eligible IFR and CFR claimants to submit or register their claims online and to receive the forest rights without any impediments. It also provides real time status of IFR and CFR till the date. Besides IFR and CFR claimants, the portal can be used by Gramsevak, Village Forest Rights Committee of Pada/Wada/Tola/Tanda, SDLC members and DLC members.

Benefits of Mahavan Portal:

- Community Forest Rights and Individual Forest Rights claim process from start to end.
- Complete online process for Forest Right Committee-SDLC-DLC.
- > No rejection without valid reason stipulated in the system.
- > Tracking of pending claims of CFR & IFR.
- Complete Business Process Re-engineering as per Forest Rights Act.

MahaVan Portal is being developed by MKCL to digitize the process of scrutinizing and decision making. *MahaVan* can be used by applicants, Gramsabha members, SDLC and DLC members by generating a User Id and password. With the help of *MahaVan*, users can easily apply or track or scrutinize the IFR/CFR application and avail the necessary details and status of claims. The portal supports SDLCs and DLCs in decision making by providing by GIS mapping of land and indentifying the area requested in IFR or CFR claims.

FRA DATA MANAGEMENT PORTAL

Portal address: <u>http://trtionline.org.in/</u>

TRTI developed this portal to provide an easy access to information on claims and appeals under VanmitraMohim. It focuses on rejected and pending claims only. The portal features the real time data of the scrutiny of pending claims and rejected claims.

All the FRA personnel are trained to enter data related to CFR and IFR claims and also are equipped with all the required resources to access the portal. The field team has been engaged in data management of claims and appeals in a most efficient manner.

Based on the data entered in the portal nine reasons of rejection are churned out from all the rejected claims. Following are the reasons -

- unable to prove ST identity,
- > no evidence of three generations dwelling in forest,
- ▶ satellite images showing no encroachment before 2005,
- > more than one person claiming rights on same forest land,
- unable to produce any two evidences mentioned in Rule 13,
- claimant was absent to present evidences,

- > no records on various other official documents,
- \succ unable to prove encroachment before 2005,
- \triangleright other than above.

As on 31st September 2019, following data is available on the portal –

- Number of Users 151
- FRC details 4,522
- IFR approved -1,67,535
- IFR rejected 22,507
- CFR approved -7,390
- CFR rejected 113
- Rejected cases automatically classified reason wise

Chapter VII

The Provisions of the Panchayats (Extension to the Scheduled Areas) Act,

1996 (PESA) mentioned in the Fifth Schedule Areas.

Constitutional Provisions with regard to Panchayati Raj System in the Country

The Constitution (Seventy-Third Amendment) Act, 1992, which came into force w.e.f. 24th April, 1993, inserted Part IX in the Constitution of India and accorded Panchayats a Constitutional status as institutions of local self-governance for rural India.

- Article 243M (1) of the Constitution exempts Scheduled Areas and tribal areas referred to in Clause (1) and (2) of article 244 from application of the provisions of Part IX of the Constitution. However, article 243M (4) (b) empowers the Parliament to legislate and extend the provisions of Part IX to Scheduled Areas and tribal areas referred to in clause (1), subject to such exceptions and modifications as may be specified in such law and no such law shall be deemed to be an amendment of the Constitution for the purpose of article 368.
- The Panchayat (Extension to Scheduled Area) Act 1996. (PESA ACT 1996 2 PAGE COPY.pdf)

FIFTH SCHEDULE AREAS

• The Fifth Schedule of the Constitution deals with the administration and control of Scheduled Areas as well as of Scheduled Tribes residing in any State other than the States of Assam, Meghalaya, Tripura and Mizoram. "The Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996" (PESA), extends Part IX of the Constitution with certain modifications and exceptions, to the Fifth Schedule Areas notified under article 244(1) of the Constitution. At present, Fifth Schedule Areas exist in 10 States viz. Andhra Pradesh, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Rajasthan and Telangana.

DEFINITION OF VILLAGE AND GRAM SABHA

• Under the PESA Act, {section 4 (b)}, a village shall ordinarily consist of a habitation or a group of habitations or a hamlet or a group of hamlets comprising a community and managing its affairs in accordance with traditions and customs Under the PESA Act, {section 4 (c)}, every village shall have a Gram Sabha consisting of persons whose names are included in the electoral rolls for the Panchayat at the village level.

PESA EXCLUSIVELY EMPOWERS GRAM SABHA TO -

- a) Approve plans, programme and projects for social and economic development;
- b) Identify persons as beneficiaries under the poverty alleviation and other programmers;

- c) Issue a certificate of utilisation of funds by the Panchayat for the plans; programmers and project
- d) Safeguard and preserve the Traditions and customs of the people, and their cultural identity, Community resources, and Customary mode of dispute resolution
- e) Carry out executive functions to Approve plans, programme and projects for social and economic development; Identify persons as beneficiaries under the poverty alleviation and other programmers;

PESA empowers Gram Sabha/ Panchayat at appropriate level with

1) Right to mandatory consultation in land acquisition, resettlement and rehabilitation of displaced persons

2) Panchayat at an appropriate level is entrusted with planning and management of minor water bodies.

3) Mandatory recommendations by Gram Sabha or Panchayat at appropriate level for prospective licenses/lease for mines and concession for the exploitation of minor minerals

4) Regulate sale/consumption of intoxicants

5) Ownership of minor forest produce

- 6) Prevent land alienation and restore alienated land
- 7) Manage village markets

8) Control over money lending to STs

9) Control over institutions and functionaries in social sector, local plans including Tribal sub plan and resources

IMPORTANCE OF PESA

- Effective implementation of PESA will not only bring development but will also deepen democracy in Fifth Schedule Areas. There are many benefits of PESA.
- It will enhance people's participation in decision making. PESA will reduce alienation in tribal areas as they will have better control over the utilization of public resources. PESA will reduce poverty and out-migration among tribal population as they will have control and management of natural resources will improve their livelihoods and incomes. PESA will minimize exploitation of tribal population as they will be able to control and manage money lending, consumption and sale of liquor and also village markets. Effective implementation of PESA will check illegal land alienation and also restore unlawfully alienated tribal land and most importantly PESA will promote cultural heritage through preservation of traditions, customs and cultural identity of tribal population.

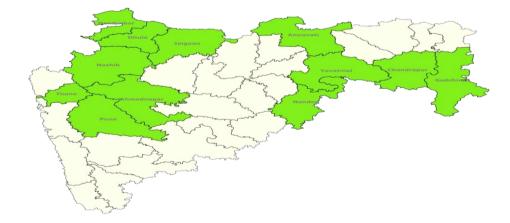

MOPR'S INITIATIVES

RECOGNIZING THE IMPORTANCE OF PESA, THE GOVERNMENT OF INDIA HAS BEEN MAKING EFFORTS TO ENSURE EFFECTIVE IMPLEMENTATION OF PESA IN PARTNERSHIP WITH THE STATE GOVERNMENTS. SOME OF THE ACTIONS INCLUDE

 I) Consolidated guidelines on implementation of PESA were issued on 21.5.2010 to all the

States having Fifth Schedule Areas

- II) Constant reviews of the implementation of the PESA Act in the States having Schedule Areas, through visits to States, correspondence and meetings/workshops
- III) Under RGPSA, the States with Fifth Schedule Areas are being assisted financially to deploy PESA Coordinators at State, district and block and Gram Sabha Mobilizes at Gram Panchayat levels
- IV) Publication of a Handbook on "Community Mobilization" in Fifth Schedule Areas
- V) Sponsored various research studies and action researches on themes related to the PESA
- VI) Impressing on the States to formulate Rules for implementation of the provisions of PESA and amend the State Panchayati Raj Acts and the subject laws to make them PESA complaint
- VII) Requesting the Ministries/Departments in the Central Government for amending the Central laws in consonance with the provisions of PESA.

The status of implementation of PESA in Maharashtra.

I. Status of compliance of Panchayati Raj Act in Maharashtra. 13 partially covered PESA districts, partly covered districts are Thane. Pune, Nashik, Dhule, Nadurbar, Jalgaon,

Ahmednagar, Nanded, Amravati, Yavatmal, Gadchiroli, Chandrapur and newly created district Palghar is added.

59 Blocks and

2835 GramPanchayats and

5905 PESA Villages are covered

- II. The State Government of Maharashtra has adopted the Model Rules framed by Govt. of India in 2014.
 - The Govt.of Maharashtra has approved the PESA rules and published in official gazette vide notification dtd-4th March 2014.
 - The rules defined the Provision of Gramsabha.
 - The Panchayat established shall function as executive body Comittee of the Gram Sabha.

(Maharashtra PESA Rules 2014.pdf)

Funding to direct Gramsabha/Grampanchayats as an

UNTIED FUND.

• The Hon. Governor of Maharashtra insisted to transfer direct funds to pesa Grampanchayats. Thereby an amendment to the Mumbai Grampanchyat Act has been made by the Govt.

The Govt. of Maharashtra has decided to transfer the funds directly to the Gram Panchayat

- Account called Gramsabha kosh. These funds are 5% of TSP Outlay of the District and distributed to Gram Panchayat on the basis of Tribal population. The Governor of Maharashtra instructed to make such direct fund provision and thereby an amendment to the Mumbai Gram Panchayat Act and the funds are transferred directly to the Gram Panchayat from the year 2015-16 annually. So far we have been placed the funds for four years namely 2015-16, 2016-17, 2017-18 and 2018-19. This scheme has been transferred to Rural Development Department for effect implementation from 2019-20. The funds for 2019 are being placed to the Gram Panchayats. The funds are untied and the Gram Panchayat has to utilize this fund for immediate needs as decided by the Gram Sabha. (pesa vp_amendment for 5% fund.pdf)
- The detailed instruction for implementation of the scheme are laid down in GR Tribal Development Department's resolution No.pesa 2015/cr-19/d-17dt-21 April 2015.
- The grants would be made available in every fin.Year on the basis of tribal population of the village/Gramsabha.
- The amount is credited in VP a/c directly through RTGS.
- The amount is supposed to be spent on following category-

- a) Infrastructural services.
- b) Implementation of FRA & PESA.
- c) Health, Sanitation and Education.
- d) Forestry, wild life coservation, Water conservation, forest ponds, wild life tourism and forest livelihood etc.
- e) The Administrative Approval to the work is to be accorded by Gramsabha.No technical sanction is required to the work costing to less than 3 lakhs.
- f) On Completion of work Utilization Certificate is to be given by Gramsabha and submitted to the CEO as per works undertaken.

The position of fund utilization is as under by end of February, 2019:-

Sr.No.	Particulars	Year 2015-16 to 2018-19
1.	Released Funds Transfer to G.P.	Rs. 877.43 Crs.
2.	Total works taken in hand	69589
3.	Completed works	42401
4.	Works in progress	3769

The Untied 5%Pesa fund has empowered the Gramsabhas The right to exercise for their own Village Planning. This has resulted in increasing response of members of Gramsabhas which was very weak.

- The demand for separate gramsabhas as per rule 4 of PESA rules prepared by Govt. of Maharashtra, of padas and hamlets increased due to this funding and independent planning at pada level started in real sense.
- The right for MFP and ponds in the area of Gramsabhas has started a new flow of source of Income to Gramsabhas. This fund is sumptuous to the need of Gramsabhas.
- In Maharashtra the Panchayats in scheduled area were remote and Group Panchayats of 2 to 7 villages and several padas there under. The mighty was right and weak were waiting for freedom. The Pesa has brought them a real freedom and they are exercising through the untied fund, MFP and Pond fisheries.
- The work of plantation in Pesa area through the villagers is astonishing. Near about 40 lakh plants have been planted this year at the instructions of Hon. Governor.
- The Grampanchayats have started to plan for their needs. A real wish for development is started through their dreams of development of the village which brought them together for gramsabhas.

Chapter IX SPECIAL INTIATIVES & PROJECTS BY TRIBAL DEVELOPMENT DEPARTMENT

EDUCATION INITIATIVES FOR IMPROVING QUALITY

Strengthening School Management Committees

EKLAVYA SCIENCE PROGRAMME

Improving Science Teaching and Learning through Teachers Training, Science

TOTAL BUDGET: 14 Cr

IMPACT:

1.32 lac children

400 Ashram schools

800 + teachers trained

Eklavya Foundation: 30 year old organisation. Advisor to MHRD& SCERT Madhya Pradesh. Pioneer in Science Education and mentored several States.

Training to improve capacities of science teachers and lab assistants to deliver science education. Hands-on kit to students for doing experiments as per syllabi. Bringing labs to classroom.

- Fuelled love for experimentation and science in the schools as children have got a chance to do experiments themselves.
- Improved pedagogy and conceptual clarity.
- Science libraries cum reading corners have been set up in 81 schools and would be set up in 319 schools by Dec, 2019.
- Science Centre established in 81 Ashram Shalas & EMRS

Teacher Training, Nashik

Science Exhibition at Patoda AS, ITDP Kinwat

KARADIPATH ENGLISH PROGRAMME

TOTAL BUDGET: 4.32 Cr

1.4 lac Children

406 Ashram schools

3282 teachers trained

Pvt Karadipath Ltd.: Globally acclaimed for children literature 8 English speaking programmes. Working in Tribal Schools of Telangana, Goa and other States.

2 year immersive English language programme to rapidly improve the English proficiency of children

IMPACT:

 This inculcated huge confidence & helped students in developing speaking skills & comprehension of English language.

 Would assist in availing professional/science education and improve employability prospects for students in future.

 100 Schools under Karadipath are being taken for conversion into English medium schools in a phased manner.

Demonstration to teachers within Facilita

LIFE

Maharashtra is the first State in the C

1.91 Lac

Students benefitted through this programme. Every Saturday sessions were designed by teachers with real time implementation in their day to day life

30 +

Master Trainers Trained across Maharashtra for regular on field support to teachers and designing Classroom Interventions

502

Implemented in all GovernmentAshram Shalas across Maharashtra

The LSE Trainings have been rolled out in all

ART EDUCATION BY ART INDIA FOUNDATION

Budget: 37.50 Lac

2000 students

Khula Asmaan Sessions in 6 Ashram schools of Palghar Region.

To nurture the creativity of students, an art course has been introduced in collaboration with "Khula Aasmaan" - a vibrant platform for creative expression for children and young adults.

- Creation of comprehensive courseware in Marathi to enable delivery of arts curriculum.
- Train the teachers to teach arts as this subject was not taught in ashram schools so far.

IMPACT:

- Enhanced skills in art forms, This has lead to better student teacher interaction and students have started expressing themselves through Art.
- Web page for students excelling in arts have been created by Khula Aasman. Long term plan to screen talent of selected ones to become professional artists These skills could lead to income generation in future.

KAYAPALAT ABHIYAN & SPECIAL REPAIRS : 2017-18

KAYAPALAT ABHIYAAN
