D.O. No. 3(1)/2023-DGO-859

Date: 17th March 2023

Dear Sir,

This is in reference to the meeting of the Group of officers chaired by Secretary Coordination (Cabinet Secretariat) held on 11th November 2022 on the subject of "Updating the websites of Government of India Ministries and Departments".

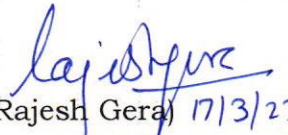

2. As per the recommendation of the meeting, Guidelines for Indian Government Websites (GIGW) had to be revised to make those more comprehensive, including general parameters of cybersecurity, for ease of reference and compliance.

In this context as advised by MeitY, NIC in collaboration with Standardisation Testing and Quality Certification (STQC) Directorate of MeitY, Indian Computer Emergency Response Team (CERT-In) and Industry experts have formulated GIGW 3.0. The revised version incorporates enhanced accessibility, quality, security and lifecycle management guidelines and has been structured to provide directions on the actions pertaining to Government organization, developer/developing organisation and auditor/evaluator to enable conformance. GIGW 3.0 is available at the website <https://guidelines.india.gov.in> (copy enclosed).

GIGW has been incorporated as a part of Central Secretariat Manual of Office Procedure (CSMOP) by the Department of Administrative Reforms and Public Grievances (DARPG). Keeping in view the recent revisions, it is requested that you may issue necessary directives for the inclusion of the current version (GIGW 3.0) as a part of CSMOP.

Regards,

Yours Sincerely,

(Rajesh Gera) 17/3/23
