

**NATIONAL INSTITUTE FOR THE EMPOWERMENT OF PERSONS WITH
INTELLECTUAL DISABILITIES (DIVYANGJAN)**

Internship and Data Collection opportunities at NIEPID

NIEPID Caters to the needs of persons with intellectual disability and their families. NIEPID is serving the persons with intellectual disability and their families from 1984 and has rich experience of 35 years. We offer internship opportunities to External students which include intermediate students' graduate students, post-graduate students and research scholars.

The interns will have a wide opportunity to get exposure in different departments namely.

- Department of Medical Sciences
- Department of Rehabilitation Psychology
- Department of Therapeutics
- Department of Special Education
- Special Education Centre
- Department of Community Rehabilitation Project Management
- Department of Adult Independent Living
- Department of Library and Information Services

We at NIEPID adapt a life cycle approach for persons with intellectual disability i.e from birth to Adults. We start with early intervention, pre, primary, secondary education and then vocational training for above 18 years. We also offer therapeutic services such as speech therapy, physio therapy, occupational therapy, hydro therapy and other psychological therapies and medical treatment. The interns will get to know the comprehensive life cycle approach and there will be orientation towards assessment to intervention of persons with intellectual disability.

We also welcome young researchers to collect data collection of our clientele. But the researchers have to fulfill certain conditions. We look forward to offer training to interns and young research scholars.

For more information write to nimh.dda@gmail.com and also mark a copy to internship23niepid@gmail.com who is the placement coordinator.
