

All seed producers who are registered with HSSCA and wants to avail Seed Multiplication Programme through HSSCA, must ensure the application of their seed programme through Uttam Beej Portal (UBP)

Uttam Seed Portal (UBP) was launched by the State Government first time in Rabi 2021-22 for quality seed production. Seed Producers also availed Seed Multiplication Programme in Kharif 2022. It is made mandatory for all the seed producers to register under Uttam Beej Portal for seed production only after registration under Meri Fasal Mera Byora. Therefore, all registered seed producers who want to avail Seed Multiplication Programme through HSSCA, must ensure the application of their seed programme through Uttam Beej Portal (UBP).
