3. Respective Stakeholders.

Response to Uttarakhand Power Corporation Ltd., Victoria Cross Vijeta Gabar Singh Urja Bhawan, Kanwali Road Dehradun, Letter dated 05.02.2026.

Point no 3 to 6: It is to submit that UJVNL has claimed Capital Expenditure under the head of Additional Capitalization for FY 2024-25 towards the expenditure incurred on RMU works, DRIP works and other Capital Works. However, the Hon'ble Commission approved provisional Add cap for FY 2024-25 only against RMU and DRIP works proposed in MYT petition. Further, in MYT order the Hon'ble Commission observed that the other add cap (other than RMU and DRIP) would be considered after prudence check at the time of True up.

UJVNL had already submitted asset wise or component wise break up, details of work executed and justification for capital expenditure to the Hon'ble Commission.

Point no 7 to 9: It is to submit that a meeting was held between UJVNL and PTCUL for transfer of Transmission assets at Dhakrani, Tiloth and Khatima Projects. UJVNL had requested PTCUL to start maintaining the transmission assets at the earliest, to which PTCUL replied that it will not be possible to maintain the transmission assets at the above locations without proper separation. PTCUL requested UJVNL to maintain these assets until they develop facilities at these locations and takeover of the transmission assets from UJVNL.

In view of above UJVNL requested the Hon'ble UERC for allowance of O&M and Additional Capital Expenses to UJVNL till transfer of the transmission assets.

Point no 10 to 11: It is to submit that UJVNL is complying with the Hon'ble Commissions directives regarding Regulations 22(4) of UERC Tariff Regulations by seeking prior investment approval above 5 Cr.

Point no 12 to 18: It is to submit that UJVNL has already submitted the plant wise or head wise details with justification for O&M expenditure to the Hon'ble Commission. Further, it is to submit that UJVNL incurred O&M expenditure as per the requirement of the plant for efficient operation of the Power Plant.
