5. The guest faculty teacher will produce his monthly bill at the end of the month as per terms and conditions laid down.

Having perused the guidelines extracted above, and having heard learned counsel for the rival parties, we are satisfied, that the aforesaid Criterion adopted for inducting the staff as guest faculty was purely a-political. All the petitioners in the instant writ: Petitions were engaged by the procedure depicted in the guidelines/criteria extracted above. The petitioners were engaged during the month of December, 2005, As per lip, criteria, their engagement can continue only upto 31.3,2006, and not thereafter. It is this aspect of the matter which has bothered the petitioners and has brought them to this Court. They seek continuation in service till regular engagement is made by the State government through a regular process of selection. This claim of the petitioners primarily emerges from the decision rendered by the Apex Court in Hargurpartap Singh and others Vs State of Punjab and others (Civil Appeal No.8745 of 2003, decided on 7.11.2003).

During the course of hearing learned Additional Advocate General Haryana, informed us, that a requisition has already been made of the Haryana Staff Selection Commission (hereafter referred to as he Commission) to fill up all the vacancies in the different teaching cadres. We are informed by the Financial Commissioner-cum-Principal Secretary to Government of

Haryana in the Department of Education (Who is present in court in person), that approximately 9000 vacancies will be filled up in furtherance of the aforesaid requisition.

The aforesaid arrangement to induct guest faculty came to be made on 17.12.2005 to overcome the shortfall in the teaching cadres. The guidelines/criteria, under reference, allow the newly engaged staff to continue till 31.3.2006 i.e. till the end of the present academic session. But we are informed by Mr. R.S.Gujral, that the next academic session shall commence on 10.4.2006, The major', which was fairly taken to facilitate adequate teaching in schools which are short of sanctioned strength of the teaching cadre, cannot now be withdrawn till a regular process of selection is made, for just reason. We are, therefore of the view, that the guest faculty !Mit the guest to which the petitioners were engaged, shall be permitted to continue till regular process of selection is made, for just the same reason. We are, therefore of the view, that the guest faculty to which the petitioners were engaged, at all the permitted at continue till regular recruitment is made. A Division Bench of this Court arrived at the time same conclusion, as has been recorded above, in Rajwinder Kaur and others V/S State of Punjab and others (Civil Writ Petition No. 7882 of 2004, decided on 11.04.2005), after making a reference to the decision rendered by the Apex Court in Hargurpartap Singh and Others Vs State of Punjab and Others (Civil Appeal No. 8745 of 2003, decided on 07.11.2003, wherein it was held as under.

'Leave granted.

The appellants in these cases were employed on adhoc basis in several colleges in thetete.de of Punjab. There being a threat of termination of Weir services, they filed writ petitions before the High Court seeking for the relief of regularization, minimum pay scale and to continue in their present posts until regular appointments are made. All the reliefs were rejected by theHigh Court and so far as the relief relating to continue them in their present posts until regular incumbents are appointed the High Court stated that the Government will have to follow its policy decision dated 23<sup>rd</sup> July 2001.

We have carefully looked into the' judgment of the High Court and other pleadings that have been put forth before this Court. It is clear that though the appellants may not be entitled to regular appointment as such it cannot be said ile3t they will not be entitled to the minimum of the pay scale nor that the<sup>y</sup> should not be continued till regular incumbents

are appointed. The course adopted by the High Court is to displace one adhoc arrangement by another adhoc arrangement which is not at all appropriate for these persons who have gained experience which will be more beneficial and useful to the colleges concerned rather than to appoint persons afresh on adhoc basis. Therefore, we set aside the orders made by the High Court to the extent the same deny the claim of the appellants of minimum pay scale and continuation in service till regular incumbents are appointed. We direct that they shall be continued in service till regular appointments are made on minimum of the pay scale. The appeals shall, stand allowed in part accordingly".

We also express our hope and desire, that the State Government shall expedite the process of regular recruitment, which has already commenced by the submission of a requisition to the Commission, which shall be completed at the earliest. Till such time, as the process is completed, the guest faculty shall remain in place.

Our aforesaid direction shall be subject to the condition, that there is still work available at the institutions where the guest Faculty is engaged. In case of less admission in an institute, in the next academic session, it will not be essential for the respondents, to continue a person originally engaged for the institute. Be that as it may, the services of one teacher shall not be dispensed with to accommodate another one by any kind of temporary arrangement.

Our aforesaid direction shall also be subject to the right of the authorities to effect transfers, in case of administrative exigency, or in case personal and public reasons require so. This exercise of transfer shall, however, not be used as a tool to dispense with the services of the guest faculty. We acknowledge and respect the suggestion made by Mr. R.S.Gujral that while making transfer of the regular faculty, it will be open to the department to displace members of the guest faculty. However, such transfer will not result in the culmination of the services of any such employee. While effecting transfer of the guest faculty, we expect and hope, that the respondents will follow the original criterion laid down by them i.e. they would accommodate the guest faculty at the nearest station possible.

Needless to mention, that it will be open to the State Government to seek any further clarification, as it desires in individual matters, in case it becomes essential for the State Government to

dispense with the services of the guest faculty, for reasons other than the reasons expressed above.

The petitioners are also aggrieved, because they are not being paid emoluments equal to the minimum wages being paid to the regular teaching faculty. It is not possible for us to accept the instant prayer of the petitioners, as they have certainly no right to make the aforesaid claim, inasmuch as, their engagement is, by and large, without following any process of selection. Furthermore, it would also not be possible to proceed against the guest faculty departmentally in case of misconduct in view of the nature of their employment. The Supreme Court in State of Haryana Vs. Jasmer Singh 1997(1) SLR 143, declined a similar claim for minimum wages raised in the hands of the daily wagers. The aforesaid judgment was subsequently reaffirmed by the Apex Court in State of Orissa and others Vs. Balram Sahu and others, 2002(6) SLR 542, wherein again it was held, that daily wagers are not entitled to minimum pay of a regular employee. Since the petitioners have been engaged to discharge duties only for limited periods in the day, and in some cases, for limited number of days, we are of the view, that their claim for wages at the minimum of the pay scale fixed for regular employees, is misconceived. We, therefore, hereby, decline the instant the prayer petitioners.

Writ petition stands disposed for accordingly.

It has been observed by the department that in some cases of or teachers, they are posted in such schools where a teacher engaged on the guest faculty is working and consequently the services of such guest teachers are dispensed with. Thus resulting into net depletion in the number of teachers in the department. The scheme of engaging the teachers on guest faculty was initiated with an objection that the studies of the students should not suffer due to shortage of teachers.

You are therefore directed that if a regular teacher is transferred against a vacancy where a guest teacher is engaged under such situation such transfer orders should not be implemented and the same may be referred back to the Directorate for review/appropriate necessary action.

**SUBJECT: - INSTRUCTIONS IN RESPECT OF ENGAGING GUEST  
TEACHERS IN THE GOVT. SCHOOLS.**

\*\*\*\*\*

Those guest teachers who have been relieved from their duties to the promotion of any regular teacher are coming to the Directorate for their further adjustment in the near-by schools against vacancies. They have told that District Education Officers concerned have advised them to approach the Directorate for their further adjustment.

The department has already issued clear cut instructions vide order No. 15/59-2005 CO(4) dated 16.11.2007 and dated 17.11.2007 in which all the District Education Officers and District Elementary Education Officers have been instructed "that no fresh Guest Teacher is to be engaged in the Government Schools. However, in case of an extreme exigency, where the shortage of teacher is adversely affecting the studies of the students, the District Education Officer/District Elementary Education officer will seek prior permission for engaging Guest teacher from the Directorate with giving full justification of the case". Further, it has come to the notice that press reports are appealing in the local papers wherein District Education Officers/District Elementary Education Officers are reported to have issued statement to the effect that no transfer and no promotion can be allowed against Guest Faculty. This is a wrong and no such

statements be given to press in future. It has been directed vide order No. 15/59-2005 CO (4) dated 16.11.2007 that no transfer is to be done against a Guest Faculty by treating that post as vacant. Appointments by promotions are a kind of fresh appointments and they can be posted at a place where Guest Faculty is working by treating it as a vacancy.

In spite of these instructions the District Education Officers and District Education Officers/District Elementary Education Officers are sending the applicants for the Guest Teachers to approach the Directorate for further adjustment. Moreover, the District Education Officers are giving vague statements in the various newspapers and due to these vague statements, the public is misguided and is approaching the Directorate unnecessarily. Therefore, all be District Education Officers and District Elementary Education Officers are advised to restrain from giving such vague statements in the newspapers and adopt the right approach in accordance with the instructions issued by the Directorate in this regard.

It has been noticed that the data with regard to guest teachers is not fully available and can never be kept up to date at the level of the Directorate and therefore, large number of stations where the computerized record of the Directorate shows vacancy are no actually vacant as a guest faculty is working on that post. It has been decided that for all future transfer proposal, first it would be established from the Head of the Institution where the transfer is intended to be done, as to whether a clear vacancy exists in that school or not. After receiving this information about facts and if a clear vacancy is available and no guest faculty is working there only then the transfer orders will be issued.

**CHANDIGARH.**

**Guidelines for temporary adjustment of displaced guest teachers.**

The State Government have issued instructions from time to time for engaging guest teachers at the local institutional level against vacancies in the interest of studies of students studying in Government schools. The BEOs and Heads of Institutions were authorized to engage guest teachers on per period basis from amongst the candidates available in the same village etc. in accordance with the procedure laid down in the guidelines. The guideline clearly stipulates that once a regular teacher becomes available, the guest teachers will be dis-engaged.

**2.** Groups of guest teachers have been meeting various functionaries of the State Government with a request for temporary re-engagement if vacancies were available else-where, pending arrival of regular employees.

**3.** The State Government has considered this matter and has decided the following course of action on the subject:-

**(i)** There will be a complete ban on engagement of fresh guest teachers. For any requirement for engagement of guest teachers, only those persons who had worked as guest teachers under the Education Department in Haryana and were displaced due to the arrival of a regular incumbent, will be considered. The detailed procedure to be followed in this matter is given as under:-

**(a)** Whenever a vacancy arises in any school, and it is considered necessary to engage a Guest teacher in the interest of studies of children, the authority competent to engage Guest Teacher, will display the vacancy on the notice board of the school and inform the Panchayat through a written communication to the Sarpanch of the village, and invite application from the displaced Guest Teacher available in that village for that category. If such a displaced guest teacher belonging to the same village is available, then he/she could be engaged. If more than one displaced Guest Teacher from the same village is available, then the one having higher merit may be considered for engaging.

**(b)** When no displaced Guest Teacher from the same village is available, the Head of the Institution will send intimation of the vacancy to the DEO/DEEO office along with justification for engaging a Guest teacher in the interest of studies of students.

- (c) DEO/DEED of the respective districts will compile such information received from schools Block-wise every month and display it on the notice board on first working day of the following month. Displaced guest teachers may obtain the information from notice board in the offices of DEO/DEEO and may submit their request to the DEO/DEEO for engagement as guest teacher for a particular school/schools.
- (d) Against the vacancies displayed on the notice board, displaced guest teachers may be recommended by the DEO/DEEO for the engagement to the head of the institution as per needs/BEO in the following manner;

**(i) First Priority:**

First priority will be accorded to those guest teachers who were displaced from the same Block in which the vacancy has occurred. In case there are more than one applicant, then the one with more experience will be recommended;

**(ii) Second Priority:**

If no displaced guest teacher from the same Block is available, then a displaced guest teacher from other blocks of the same district having longest experience as guest teacher out of the available applicants will be recommended;

**(iii) Third Priority:**

If no displaced guest teacher from the same district is available, then a displaced guest teacher from anywhere in the State having longest experience as guest teacher out of the available applicants will be recommended.

4. Only those guest teachers, who were engaged within the terms of guest teachers policy before the imposition of ban dated 17.11.2007, would be considered for adjustment under this policy. Further those guest teachers, who were engaged after dated 17.11.2007 with the explicit approval of the Director concerned, they will also be considered.
5. DEO/DEEOs will compile and enlist all the applications of each category recommended upto 10<sup>th</sup> every month and display the same on the office notice board by 15<sup>th</sup> day of the same month. DEO/DEEOs will issue to the eligible applicants a letter of recommendation for engagement by the relevant school head/BEO. The displaced guest teacher who has been issued a recommendation letter will report to the relevant institution within 2 working days.

6. In case the displaced Guest Teacher fails to report within the stipulated time, then the Head of the School shall treat it as vacancy and inform the DEO/DEEO for inclusion in the list of vacancies for next month. The Guest Teacher who fails to join will be debarred from being considered for engagement in future.

7. Following schedule will be observed for implementing the guidelines:-

<b>Sr. No.</b>	<b>Action</b>	<b>Time</b>	<b>For example</b>
<b>1</b>	Intimation by Head of the School to DEO/DEEO.	25 <sup>th</sup> of every month.	25 <sup>th</sup> Nov.2008.
<b>2</b>	Compilation and display on Notice Board by the DEO/DEEO	1 <sup>st</sup> working day of the following month.	1 <sup>st</sup> Dec. 2008.
<b>3</b>	Filing of application by displaced Guest Teachers,	Upto 10 <sup>th</sup> of the month at Sr.No.2.	10 <sup>th</sup> Dec.2008.
<b>4</b>	Finalization and issue of recommendation letter to the Guest Teacher for a particular school by the DEO/DEE° office.	15 <sup>th</sup> of the month at Sr.No.2.	15 <sup>th</sup> Dec.2008

8. It is made clear that in case a displaced guest teacher fails to apply within stipulated time or fails to appear before the DEO/DEEO on the date of finalization, his case would not be considered.

9. The interested displaced guest teachers will bring their experience certificate from the Head of the Institution/(BR) in accordance with the guidelines to be issued separately.

10. It is reiterated that in terms of the instructions of the State Government as well as decision of Courts including Hon'ble Supreme Court, the Guest Teachers have no right for re-engagement or for their continuation as such, as they were engaged at the local level without issuing a general advertisement and without preparing a general merit list. . As such, the guest teachers have no right for re-engagement or for continuation of their services in any manner. This adjustment policy is being issued as a matter of expediency as a stop gap

arrangement till the regularly recruited persons becomes available. It is also made clear that the State Government is under no legal obligation to adjust the displaced guest faculty and no State wide list for adjustment will be kept. It is up to the guest faculty to look for suitable vacancies in the districts of choice and apply for consideration for engagement if possible.

**DATED CHANDIGARH, THE 12.12.2008**

**Subject:- Issuance of Experience Certificate to guest teachers engaged as per policy/instructions of the State Government.**

\*\*\*\*\*

In continuation of this office Memo No.15/59-2005 CO(4) dated 2.12.08 under which at Sr.No.9 it has been mentioned that the displaced Guest Teacher who is interested for his/her adjustment will have to bring the experience certificate from the Head of Institution/BE0 where he/she had served as Guest teacher. It is hereby directed that the experience certificate henceforth will be issued to the Guest Teachers on a prescribed proforma which are being got printed by this office and would be dispatched to all the DEOs/DEEOs separately.

2. The interested displaced guest teachers will submit his/her application with two photographs for experience certificate to the Head of the Institution where he/she was teaching. The Head of the Institution will prepare the experience certificate, enter the particulars and paste a photograph in a separate register to be maintained for this purpose and will officially forwarded the certificate to DEC concerned for his counter-signature. The DEO concerned will check and countersign the certificate and enter the particulars in a separate register to be maintained in his office and issue the certificate after inscribing his office dispatch no. & date of issue on the space provided on the right side of the certificate. Further in supersession of previous letter No.15/59-2005 CO(4) dated 6-5-08 the experience would be calculated as under:

**(i)** The JBT teachers are paid remuneration on per day basis.

Therefore, while calculating the experience of JBT Teachers in number of weeks, their experience can be worked out by dividing the number of days taught by a Guest Teacher by 7 (seven). For example if a guest teacher has been paid remuneration for 283 days, his/her experience works out to  $283 \div 7 = 40.4$  weeks or 40 weeks.

- (ii) In case of other teachers i.e. Masters, C&V Teachers and Lecturers etc, the experience in number of weeks will be calculated by dividing the number of periods taught by that guest teacher by 30 in case of Lecturer, 36 in case of Master and 39 in case of C&V teacher. For example if a guest teacher (Master Category) has taught 1245 periods then his/her experience would come out to  $1245 \div 36 = 34.5$  weeks or 35 weeks.

It is requested that this letter may be circulated to all the Heads of the Institutions working under your control and the above instructions regarding experience certificate may be followed in letter and spirit.

\*\*\*\*\*

As you are aware that the studies of the students may not suffer due to shortage of teachers, the guest faculty teachers have been engaged in Govt. Schools. It has been noticed in the past that posting of newly appointees/promoted teachers are made against the guest teachers despite the fact that vacancies are available in other schools where no guest faculty teacher is working and immediate requirement of teacher is there in such schools. In such a situation the studies of the students badly suffers due to the fact that the guest faculty teacher is not immediately made available as per the adjustment policy. Keeping in view of the above it has been decided that in future while posting of newly appointed/promoted teachers of various categories it may be tried first that such vacancies may be filled up against which no guest teacher is working and therefore, studies are suffering in the absence at a guest/regular teacher. Only after the aforesaid vacancies are filled up. the spill over regular appointees/promotees may be posted against vacancies on which guest teachers are working.
