MEMO NO. 8/1-2020 Co (1)

**SUBJECT: ONLINE TRANSFER POLICY OF MINISTERIAL STAFF-2020.**

-----

In suspension of letter No. 8/1-2020 Co (1) dated 05.03.2020, the Government has approved the following policy to regulate the transfers of Ministerial Staff working in the School Education Department.

1. **Vision:** To ensure equitable distribution of Ministerial Cadre Employees of the Department at different locations in a fair and transparent manner and to maximize job satisfaction amongst employees and further to improve performance of the Department.
2. **Application:** This policy shall be applicable to Clerks working on regular basis in the field offices/schools the Cadre strength of which is 500 sanctioned post or above.
3. **Definitions:** In this policy, unless there be anything repugnant in the subject or context;
  - a) 'Blocked Posts' means the vacancies of a cadre remain unfilled at any given point of time due to shortage of employees in the department.
  - b) 'Employees of Special Category' means the blind employees or the differently abled employees or their child(ren) and spouse, women employees, women headed households, widows, widowers, couple case, employees suffering from Diseases of Debilitating Disorder;
  - c) '**Prescribed Tenure**' means the tenure of appointment for a period of five years. While calculating the tenure of an employee for the purpose of this policy, the date from which someone is working in a zone on 31<sup>st</sup> March of the calendar year of transfer shall be counted irrespective of

the fact he has been appointed by temporary transfer or otherwise. However, an employee may participate in the transfer drive subject to completion of minimum three years service in a zone;

- d) **'Qualifying date'** for the purpose of calculation of vacant post(s), weightage/merit points calculation shall be the 31<sup>st</sup> March of the calendar year of transfer.;
- e) **'Service'** means duty period and all kinds of leave including extraordinary leave availed by a Govt. employee during the prescribed tenure.
- f) **'Transfer'** means posting/appointment from one zone to another on or before completion of prescribed tenure in a Zone;
- g) **'Vacant post for transfer'** means
  - (i) a post not occupied by any employee;
  - (ii) a post presently occupied by an employee for a period of five years or more;
  - (iii) a post on which an employee has been appointed by temporary transfer or due to non-availability of online transfer drive;
  - (iv) a post occupied by an employee who has been adjudged eligible and allowed by the competent authority to participate in general transfer drive even if he has not completed the prescribed tenure in the zone where he is presently posted.

**Note 1.** Where there are Blocked Posts in cadre the same shall be excluded from the number of vacant posts for transfer.

**Note 2.** The post against which an employee has been posted/transferred on compulsion of administrative reasons or litigational nature shall also not be included in the vacant posts for transfer.

**Note 3.** The Department shall prepare the list of vacant posts for transfer and notify them for the benefit of stakeholders before inviting the online options for transfer. Depending upon input from stakeholders, such list may be amended if required and deemed fit in the administrative/public interest.

- h) **'Zone'** means an area prescribed by the competent authority for the purpose of calculation of prescribed tenure and entitlement of an employee for transfer from

one zone to another under this policy. The definition of zones for the purpose of this policy has been prescribed in Annexure 'A'.

**4. General Principles:**

**i) Time Schedule for online transfer:**

- (a) General transfer online will be made only once in year. However, transfer/posting necessitated by promotions, direct recruitment, posts needed to be filled up in public interest, can be made anytime by the competent authority.
- (b) The online process will be completed upto 31<sup>st</sup> March and implemented after 31<sup>st</sup> March or as per exigency/convenience of the Department.

**ii) Liable to be posted anywhere:**

Employees are liable to be transferred under this policy in any Zone or any where in the State, in public interest, on completion of prescribed tenure.

**iii) Computerization of relevant service record of employees:**

The Department shall ensure that all employees enter their service record in MIS or HRMS portal whichever is used for the transfer of the employee. Every employee shall be responsible for the accuracy and regular updation of data in the Management information System in respect of his credentials, otherwise the Department shall be at liberty to post him anywhere in the State.

- iv) Rationalization and Blocking of posts:** To avoid disproportionate concentration of employees at a particular station, the department should rationalize their sanctioned posts and also block actual vacant post to be kept vacant in the transfer drive. In the long run, however, the department may increase/decrease the total number of sanctioned posts as per the assessment/requirement in consultation with Work Assessment Cell in the Administrative Reforms Department and Finance Department.

**v) Procedure to be adopted:**

The definition of zones prescribed for teacher's transfer policy would be applicable for the purpose of this policy also.

- (a) In case of Zone-1, Zone-2, Zone-3 and Zone-4, if an employee has completed five years of stay then such zone shall not be made available to him giving option of

-4-

stations whether in online transfer drive or offline manual/temporary allocation. But in case of Zone-5, Zone-6 and Zone-7 the stations shall be made available to the employees regardless of their stay in these zones as these three zones comprise of rural as well as far-off areas from urban centers.

- (b) The Department would be at liberty to post an employee 'Anywhere in the State' if he/she fails to get one of his/her preferred options. Therefore, all eligible employees shall fill up as maximum options as suitable to them so that their chances of getting posted on an up-opted station may be reduced.

**5. Merit Criteria for allotment of post :**

- a) Merit for allotment of vacant post to an employee shall be based on the total composite score of points earned by the employee, out of 80 points as described below. The employee earning highest points shall be entitled to be transferred against a particular vacancy.
- b) Age shall be the prime factor for deciding the claim of an employee against a vacancy since it shall have weightage of 60 points, out of total points.

NOTIFICATION

NO: 1/60-2016-eGov/CO

Dated, Panchkula, the 23.06.2017

During implementation of transfer policy in the year 2016-17, it was noticed that some zones in some districts were given insignificant number of schools to the extent of making such zones nearly non-existent zones. A case in point is that of Gurugram zone no.2 where only two schools were included in. This imbalanced classification limited the teachers' choices in some zones unreasonably.

As such scenario gives rise to operational difficulties, so this year the department again invited suggestions from the stakeholders on the need of redefining of these zones across all the districts of the state including the new district of Charkhi Dadri.

After consideration of the suggestions the zones have been redefined where need be, in term of note 4 of para 4 of the Teachers' Transfer Policy, 2016 issued vide No. 1/71-2015-eGov dated 05.06.2017, as follows. The benefits under the revised zoning will be available prospectively.
