NOTICE

(Updation/ Correction of MIS Profiles)

For a long time teachers have been demanding that the facility for updation/ correction of their MIS profiles be made available. The department has recently amended the interface of MIS Portal. But now the facility for updation/ correction of MIS Profiles had been activated. So teachers should immediately check their profiles to make it upto date.

Importance of MIS Profile

1. Used for transfers.
2. Used for promotions.
3. To be used for ACPs.
4. To be used for Reimbursements (Medical etc.)
5. To be used for NOCs for going abroad.
6. To be used for grant of leave etc.

The sanctity of data be maintained meticulously by comparing it with the actual service record available with the schools. Any wrong information may give rise to disciplinary as well as criminal consequences against the **teacher concerned** and the **profile approving authorities**.

In case of any difficulty, the teachers may contact at helpline no. 0172-5206666.
