7.A combined study of Para D,K,L and Section 36 of PWD Act clearly states that in no case Quota of reservation canbe reduced from 3% and vacancy due to non availability of suitable category must be carried to next year aš backlog in case of direct Recruitment whereas in case of Promotion it should be interchanged among the other category of disability if a candidate of particular category not available. So Promotion should be given to the standing PwDs in the seniority irrespective of category of Disability so that they may not deprived of their legitimate rights.

So in the welfare of Differently abled Community, we humbly request you to grant benefit of Reservation in Promotion to 3% of total Headmaster Promoted from 1.1.1996 til datel paying due regards to the instructions of Worthy CS Haryana as well as the spirit of The Rights of Persons with Disabilities Act,2016.
