General Transfer Drive of HT/PRT

Whereas during the General Transfer Drive of Head Teachers and JBT/PRT teachers, option of 'Yes/No' for Voluntary Participation was opened for eligible HT/PRTs from 24.01.2022 to 26.01.2022 (midnight). During data verification, it is observed that option for Voluntary Participation was inadvertently opened for few employees who are eligible for compulsory participation in General Transfer Drive as per Teachers' Transfer Policy. Few such teachers used their option for 'Yes' and then neutralize the same by opting 'No' thereafter, whereas few teachers opted 'Yes' who are otherwise also eligible for compulsory transfer (list of such teachers attached).

Further, regarding calculation of service for schools whose zone are revised/changed, it is clarified that, in case any employee is posted in a school before change of its zone and continues in the said school, his/her service shall be counted in pre-revised zone. However, the said school shall be available to the said employee in new zone during transfer, if such employee has not completed the requisite service in the new zone, which has been assigned to the said school.

In view of giving fair opportunity to all, department has decided to extend time for Voluntary Participation upto 27.01.2022 (midnight).
