

Important Notice
General Transfer Drive (July- August 2022)
for Principals, HMs, ESHMs, PGTs and TGTs

This is for information of all concerned that Department has issued transfer orders of various categories on 28.8.2022. In this connection following clarifications are hereby issued:-

1. Since C&V Cadre is a district Cadre hence C&V teachers need to be posted within the district. To give them posting within district it was decided to first allocate schools to C&V Teachers prior to TGTs of that subject so that they can be protected within the district. During this exercise it is possible that TGTs may view allocation to a C&V teacher having lesser merit than him against a school of his preference and TGT may get lower preference. Since this a policy decision at the level of Department, hence such type of reports may be considered valid for the purpose of allocation of schools.
2. The Department is reviewing allocation of Principals and will issue a revised list very soon, hence all Principals who have been allocated schools, may wait for the new list before relieving from their previous place of posting.
