**ORDER NO. 6/83-2022 HRG-I (1)**

**DATED, PANCHKULA: 12/08/2022**

Whereas, Smt. Sunita Malik [024600] has filed the CWP No.19771 of 2022 in the Hon'ble High Court of Punjab & Haryana, Chandigarh and prayed for directing the respondent no. 3, to decide the representation dated 22.08.2022 or to decide the Email dated 28.08.2022 so that the name of the petitioner may be considered in Transfer Drive-I initiated by the department as per her correct points obtained by her i.e. 71.8301 instead of 61.8712 which is stated to be typographical error by the department.

The writ petition was disposed of vide order dated 05.09.2022. The operative part of the order is as under:-

*"Learned counsel for the petitioner(s) submits that keeping in view the statement of the learned State counsel, the present petition(s) may kindly be disposed off having been not pressed any further but prays that keeping in view the fact that the respondents have agreed to look into the grievance of the petitioners, the petitioner(s) be allowed to continue at their present place of posting so that in case their claim is accepted by the respondents, they do not suffer harassment of shifting base again.*

*Learned State counsel opposes the said prayer of the learned counsel for the petitioner(s). Keeping in view the above, the present petitions are disposed of having been not pressed any further.*

*It is directed that the respondents will abide by the undertaking as recorded hereinabove and further till the representation(s) are decided by the respondent-department, in case the petitioners have not been relieved so far, they be allowed to continue at their present place of posting so that in case claim of the petitioner(s) is accepted by the respondents, they do not suffer harassment or prejudice. It is made clear that in case claim of the petitioner(s) is not accepted by the respondents, the petitioners will be bound to comply with the order of transfer so as to join at their new place of posting.*

*In case, after the decision of the respondents, the petitioner(s) feel aggrieved, they will be at liberty to avail an appropriate remedy available with them for the redressal of their grievance.*

***A photocopy of this order be placed on the files of connected cases."***

In compliance of the above said order, the representation dated 09.09.2022 of the petitioner were examined at length. The Government of Haryana framed Teacher Transfer Policy, 2016 which was notified on 29.06.2016 and the same was amended on 01.06.2017 and further amended from time to time. The vision of the policy of 2017 is to ensure equitable, demand based distribution of teachers/heads to protect academic interest of the students and to optimize job satisfaction among its employees in a fair and transparent manner. As per provision of this policy, a teacher has given right to compete against a vacancy of his choice and the teacher earning highest points shall be entitled to be transferred against a particular vacancy through transfer drive and then he/she will be protected for five years. The main object of the policy is to grant protection of 5 years only to those teachers who got posting by competing with other teachers. Since a right has been given to every teacher to compete against every vacancy if he /she has not already completed 5 years stay against that very vacancy and if protection of 5 years is granted to a teacher of manual posting, then the right of a teacher to compete against that vacancy will be frustrated. Therefore, if the government decided to protect to those teachers who have been transferred through manual mode between two transfer drive then the right of other teacher to compete against that very post will be frustrated and this action will be against the vision of this policy and which is not the intention of the framer of the policy. Online transfer is more fair and transparent than the manual posting as there is no human interference and hence the protection of 5 years stay has been granted to teacher who got posting after competing with other employees. Further, the power of manual posting between two transfer drive has been provided with some check and balances. Further the provisions of the mandatory participation of manual posting in next transfer drive regulates the discretionary power of the authority to whom the power is provided within the provisions of the policy for manual postings. There is a rational nexus to the object which is to be achieved. Further in order to discourage the practices of the teachers seeking manual posting, the condition for mandatory participation in the next transfer drive is imposed in cases of manual transfer order.

That further the issue of mandatory participation for manual posting had also been raised before the Hon'ble High Court in the bunch of cases

tagged with CWP No. 15099 of 2021 titled as Ashish Bala V/s State of Haryana and Ors. and the Hon'ble High Court has declined to interfere and dismissed the writ petition.

That the persons who were manually adjusted due to various reasons between the time period of two general transfer drives are liable to compulsorily participate in the next drive and the same has been provided in the un-amended Policy of 2017 itself at Para 2 clause 8(i)b(i) which is reproduced as under:-

**b) Deemed Vacancy:**

i. Involuntary deemed vacancy: A post of any cadre (whether teaching or non-teaching), held by a teacher previously or presently in the school education department in a regular capacity for a period of five years or more on the qualifying date in present zone of posting; or

A post occupied by a teacher given temporary manual posting due to non-availability of online transfer drive or technical problems or compulsions of administrative or litigational nature.

That Para 2 of 8(i)(b)(i) which was originally consisted in the Teacher Transfer Policy of 2017, was inadvertently left out by the Department while amending the policy in the year of 2021. Thereafter, the same has been incorporated again by the issuance of corrigendum on 25.08.2021.

That the petitioner is governed by the Haryana State Education School Cadre (Group-B) Service Rules, 2012. According to the rules the employee is liable to serve at any place within or outside Haryana. The rule 12 (1) of the 2012 rules is reproduced here under:-

***"A member of the service shall be liable to serve at any place, whether within or outside the State of Haryana on being ordered so to do by the appointing authority."***

Further, it is relevant to mention here that there are various reasons for manual postings and some of these exigencies are as follows:

- **New Appointment:-**

Whenever a new employee joins the department, the employee is posted manually to the station as the online mode is available only for the General Transfer Drive which is held once in a year and the department allocate temporary station to

him/her with the condition that whenever the department will conduct the online transfer drive he/she will have to participate compulsorily in that drive. Therefore, it is mandatory for the employee to join at the appointed station and to participate in the next transfer drive for permanent posting and further when he/she accepts the appointment order he/she has to give joining at the said station.

- Promotion cases:-

Whenever an employee is promoted to the promotional post, he has to be posted on a fresh station and that exercise is conducted manually with the condition that he/she has to participate compulsorily in the next transfer drive.

- Court cases:-

Whenever a stay has been granted by the Hon'ble Court to any of the transferred employee, then the department has to issue the manual transfer orders for the employee in whose place, such stay has been granted.

- Conversion of normal schools to the Model Sanskriti Schools:-

With a view to provide quality education to the students in the State, the Department has converted some normal schools in the Model Sanskriti Schools in which the students are to be taught under the CBSE pattern and the teachers are also selected in those schools through the screening process. Therefore, the employees who did not applied for Model Sanskriti Schools or were not selected in the interview process were adjusted manually in other schools. Therefore, to provide them proper stations, their participation in the General Transfer Drive is required.

- Administrative Grounds:-

In some cases to conduct a fair enquiry, a person who was transferred at some other place manually or some persons who, by any means were able to get the relaxation in the policy were also liable to participate mandatory in the next transfer drive. It is germane to mention here that in such type of orders it was specifically mentioned that they have to participate compulsorily in the next transfer drive, as in the case of petitioner. She /He will

able to get relaxation in the policy on the recommendation of the District Level Committee.

That the petitioner ie. Sunita Malik [024600] was promoted to the post of Principal on 15.06.2022/17.06.2022 considering her MIS points as 71.8712 and given temporary posting at GSSS Saradheri[151], Ambala through online counselling. Now, Sh. Neeraj Vikram[0001456] has been posted at GSSS Saradheri, Ambala vide order dated 28.08.2022 against the petitioner. Earlier, the MIS points of the petitioner on the portal were shown as 71.8712 as the petitioner had filled disease of her spouse as "Chronic Heart Disease" which is admissible for 10 points as per policy. But, she edited her profile before filling the choices in the General Transfer Drive and mentioned disease of her spouse as "Heart Disease" which is not admissible for points as per the policy and also get this verified from the DDO and competent authority. Now, she has been allotted total points of 61.8712 purely based on her merit and verification and due to which she remained unallocated based on her choice of preference. She was marked for round-2 under which the petitioner has not filled any preferences during the round-2 of the General Transfer Drive. Therefore, she could not get any station. Now, as per the allotment policy of anywhere, she was searched for post unfilled in the previous district of allotment and thereafter in the adjacent districts i.e. Yamunanagar, Panchkula, Kurukshetra. As the system could not find any unfilled post of Principal in the same or adjacent border districts, she was transferred anywhere in Haryana as per policy and the petitioner has been allotted the station in Government Senior Secondary School ,Shahpuria[2931], Sirsa on 09.09.2022.

Keeping in view the provisions in the rule, there is no force in the representation of the petitioner. Hence, the claim of the petitioner is hereby rejected with direction to join at the new place of posting.

I ordered accordingly.

**ORDER NO. 6/86-2022 HRG-I (1)**

**DATED, PANCHKULA: 12/09/2022**

Whereas, Sh. Ravi Kumar [059200] has filed the CWP No.20406 of 2022 in the Hon'ble High Court of Punjab & Haryana, Chandigarh and prayed for setting aside the order dated 28.08.2022 passed by respondent no.1 qua the respondent no. 4 as the petitioner is already posted there and he has not been transferred anywhere till date. Further, the petitioner prayed for directing the respondents to allow the petitioner to continue give his services at the present place of posting as there is no transfer order for the petitioner and respondent no. 4 may be posted at any other place as the petitioner is already posted there and there is no vacant post.

The writ petition was disposed of vide order dated 08.09.2022. The operative part of the order is as under:-

*"Notice of motion.*

*On the asking of the Court, Mr. Harish Nain, learned Assistant Advocate General, Haryana, who is present in Court, accepts notice on behalf of the respondents- State.*

*Learned counsel for the respondents submits that in case the petitioner raises the grievance as raised in the present petition before the authorities concerned within a period of two days from today, an appropriate order on the said representation will be passed within a period of next ten days and till the said representation is decided, the petitioner will be allowed to continue at the present place of posting in case not already relieved.*

*Learned counsel for the petitioner, submits that keeping in view the statement of the learned State Counsel, no further grievance of the petitioner survives in the present petition and is disposed of as having been not pressed, with liberty to file the representation.*

*Disposed of as not pressed, with the liberty aforesaid."*

In compliance of the above said order, the contents of the writ petition was examined at length. The Government of Haryana framed Teacher Transfer Policy, 2016 which was notified on 29.06.2016 and the same was amended on 01.06.2017 and further amended from time to time. The vision of the policy of 2017 is to ensure equitable, demand based distribution of teachers/heads to protect academic interest of the students

and to optimize job satisfaction among its employees in a fair and transparent manner. As per provision of this policy, a teacher has given right to compete against a vacancy of his choice and the teacher earning highest points shall be entitled to be transferred against a particular vacancy through transfer drive and then he/she will be protected for five years. The main object of the policy is to grant protection of 5 years only to those teachers who got posting by competing with other teachers. Since a right has been given to every teacher to compete against every vacancy if he /she has not already completed 5 years stay against that very vacancy and if protection of 5 years is granted to a teacher of manual posting, then the right of a teacher to compete against that vacancy will be frustrated. Therefore, if the government decided to protect to those teachers who have been transferred through manual mode between two transfer drive then the right of other teacher to compete against that very post will be frustrated and this action will be against the vision of this policy and which is not the intention of the framer of the policy. Online transfer is more fair and transparent than the manual posting as there is no human interference and hence the protection of 5 years stay has been granted to teacher who got posting after competing with other employees. Further, the power of manual posting between two transfer drive has been provided with some check and balances. Further, the provisions of the mandatory participation of manual posting in next transfer drive regulates the discretionary power of the authority to whom the power is provided within the provisions of the policy for manual postings. There is a rational nexus to the object which is to be achieved. Further in order to discourage the practices of the teachers seeking manual posting, the condition for mandatory participation in the next transfer drive is imposed in cases of manual transfer order.

That further the issue of mandatory participation for manual posting had also been raised before the Hon'ble High Court in the bunch of cases tagged with CWP No. 15099 of 2021 titled as Ashish Bala V/s State of Haryana and Ors. and the Hon'ble High Court has declined to interfere and dismissed the writ petition.

That the persons who were manually adjusted due to various reasons between the time period of two general transfer drives are liable to compulsorily participate in the next drive and the same has been provided in the un-amended Policy of 2017 itself at Para 2 clause 8(i)b(i) which is reproduced as under:-

**b) Deemed Vacancy:**

i. Involuntary deemed vacancy: A post of any cadre (whether teaching or non-teaching), held by a teacher previously or presently in the school education department in a regular capacity for a period of five years or more on the qualifying date in present zone of posting; or

A post occupied by a teacher given temporary manual posting due to non-availability of online transfer drive or technical problems or compulsions of administrative or litigational nature.

That Para 2 of 8(i)(b)(i) which was originally consisted in the Teacher Transfer Policy of 2017, was inadvertently left out by the Department while amending the policy in the year of 2021. Thereafter, the same has been incorporated again by the issuance of corrigendum on 25.08.2021.

That the petitioner is governed by the Haryana State Education School Cadre (Group-B) Service Rules, 2012. According to the rules the employee is liable to serve at any place within or outside Haryana. The rule 12 (1) of the 2012 rules is reproduced here under:-

***"A member of the service shall be liable to serve at any place, whether within or outside the State of Haryana on being ordered so to do by the appointing authority."***

Further, it is relevant to mention here that there are various reasons for manual postings and some of these exigencies are as follows:

- **New Appointment:-**

Whenever a new employee joins the department, the employee is posted manually to the station as the online mode is available only for the General Transfer Drive which is held once in a year and the department allocate temporary station to him/her with the condition that whenever the department will conduct the online transfer drive he/she will have to participate compulsorily in that drive. Therefore, it is mandatory for the employee to join at the appointed station and to participate in the next transfer drive for permanent posting and further when he/she accepts the appointment order he/she has to give joining at the said station.

- Promotion cases:-

Whenever an employee is promoted to the promotional post, he has to be posted on a fresh station and that exercise is conducted manually with the condition that he/she has to participate compulsorily in the next transfer drive.

- Court cases:-

Whenever a stay has been granted by the Hon'ble Court to any of the transferred employee, then the department has to issue the manual transfer orders for the employee in whose place, such stay has been granted.

- Conversion of normal schools to the Model Sanskriti Schools:-

With a view to provide quality education to the students in the State, the Department has converted some normal schools in the Model Sanskriti Schools in which the students are to be taught under the CBSE pattern and the teachers are also selected in those schools through the screening process. Therefore, the employees who did not applied for Model Sanskriti Schools or were not selected in the interview process were adjusted manually in other schools. Therefore, to provide them proper stations, their participation in the General Transfer Drive is required.

- Administrative Grounds:-

In some cases to conduct a fair enquiry, a person who was transferred at some other place manually or some persons who, by any means were able to get the relaxation in the policy were also liable to participate mandatory in the next transfer drive. It is germane to mention here that in such type of orders it was specifically mentioned that they have to participate compulsorily in the next transfer drive, as in the case of petitioner. She /He will be able to get relaxation in the policy on the recommendation of the District Level Committee.

That as per the MIS profile data of the petitioner ie. Sh. Ravi Kumar [059200], he was posted as Principal in Government senior Secondary School Atela Khurd [4123], Charkhi Dadri and joined on 26.04.2012. In the General Transfer Drive, 2019 the petitioner was allotted the same school. It means the petitioner was posted in the same school from the year of 2012 to 2019 i.e 7 years in zone -7. After that, during the

General Transfer Drive- 2022, the respondent no. 4 i.e Sh. Devender Kumar [042132], Principal was posted in the said school on 28.08.2022 but the petitioner was not allotted any station in the Round-1 of the General Transfer Drive as stations opted by the petitioner has been given to those candidates who have more merit points than the petitioner. Moreover, the petitioner did not opt the station i.e. Government senior Secondary School Atela Khurd [4123], Charkhi Dadri in his preferences in the Round-1 of General Transfer Drive.

Petitioner was eligible for the round-2 of the General Transfer Drive but he did not lock his preferences in round-2. Therefore, he could not get the station in the second round also. Now, as per the allotment policy of anywhere, he was searched for post unfilled in the previous district of allotment and thereafter in the adjacent districts i.e. Bhiwani, Rohtak, Jhajjar, Rewari, Mahendragarh. As the system could not find any unfilled post of Principal in the same or adjacent border districts, he was transferred anywhere in Haryana as per policy and the petitioner has been allotted the station in Government Senior Secondary School, Bhuna [2191], Kaithal on 09.09.2022 as per transfer policy.

Keeping in view the provisions in the rule, there is no force in the claim of the petitioner. Hence, the claim of the petitioner is hereby rejected with direction to join at the new place of posting.

I ordered accordingly.

**DATED, PANCHKULA: 12/08/2022**

Whereas, Smt. Bimla Sheoran[048229] has filed the CWP No.19612 of 2022 in the Hon'ble High Court of Punjab & Haryana, Chandigarh and prayed for quashing the order dated 15.03.2021 to the extent of imposing the condition on the petitioner to compulsorily participate in the next transfer drive. Despite the petitioner having not completed five years on her present place of posting. The petitioner further prayed for directing the respondents not to force the petitioner to compulsorily participate in the Transfer Drive-2022.

The writ petition was disposed of vide order dated 05.09.2022. The operative part of the order is as under:-

*"Learned counsel for the petitioner(s) submits that keeping in view the statement of the learned State counsel, the present petition(s) may kindly be disposed off having been not pressed any further but prays that keeping in view the fact that the respondents have agreed to look into the grievance of the petitioners, the petitioner(s) be allowed to continue at their present place of posting so that in case their claim is accepted by the respondents, they do not suffer harassment of shifting base again.*

*Learned State counsel opposes the said prayer of the learned counsel for the petitioner(s). Keeping in view the above, the present petitions are disposed of having been not pressed any further.*

*It is directed that the respondents will abide by the undertaking as recorded hereinabove and further till the representation(s) are decided by the respondent-department, in case the petitioners have not been relieved so far, they be allowed to continue at their present place of posting so that in case claim of*

*In case, after the decision of the respondents, the petitioner(s) feel aggrieved, they will be at liberty to avail an appropriate remedy available with them for the redressal of their grievance.*

*A photocopy of this order be placed on the files of connected cases."*

In compliance of the above said order, the case of the petitioner was examined at length. The Government of Haryana framed Teacher Transfer Policy, 2016 which was notified on 29.06.2016 and the same was amended on 01.06.2017 and further amended from time to time. 9

- New Appointment:-

After that, the nomenclature of the said school was changed in to Government Model Sanskriti Senior Secondary School Raipur Rani, Panchkula and the petitioner was dislocated from the above said school vide order no. KW(HR) 24/2-2020 ACD(14) dated 07.03.2021/08.03.2021. Thereafter, the petitioner was adjusted manually at GSSS Thapli [5804], Panchkula vide order dated 15.03.2021. In the order dated 15.03.2021, the note was also there for participation in the next transfer drive. The petitioner was joined in GSSS Thapli, Panchkula on 17.03.2021. It shows that the petitioner accepted the order with the conditions.

That the schools having student's strength of more than 262 were offered for the General Transfer Drive but GSSS Thapli, Panchkula was not offered as the student strength is less than 262. Moreover, the petitioner participated in the General Transfer Drive and filled 8 choices during the transfer drive. But the petitioner could not get the station of

her choice as her points (68.16) was less than those who were allotted the stations.

That the petitioner was eligible for the Round-2 of the General Transfer Drive but she did not fill up any preferences in round-2.
