

From

Director
Secondary Education, Haryana,
Panchkula

To

1. All District Education Officers in the State
2. All District Elementary Education Officers in the State.

Memo No. KW 4/33-2011-SE(4)

Dated: 19-9-2022

Sub: Consolidation of co-located schools and rationalization of Government Middle and High Schools.

In continuation of this office memo number KW 4/33-2011- S.E.(4) dated 13.8.2022 on the subject cited above.

Vide letter under reference various schools located within one kilometer distance in the same village/ward were consolidated in the highest school, making them a "Single School Unit" (hereinafter called Master school) with different campuses. After the consolidation of these schools General Transfer Drive 2022 has been conducted by rationalization and normalization of posts on the basis of consolidated student strength of all such schools.

Therefore, the teachers transferred during the General Transfer Drive in the Master School and the consolidated schools in it are meant for all campuses and are to be utilized for all campuses. But it has come to the notice of the Department that local communities are agitating with the presumption that lower schools have not been provided with teachers during the transfer drive. Therefore, the following directions are hereby issued for strict compliance:-

1. The number of Rationalized posts and Teachers transferred and earlier working in all campuses of these schools are part and parcel of the Consolidated Single School Unit running in different campuses. Therefore, combined Time table be prepared for all the consolidated campuses in such a way that students of these campuses are provided with the teacher by optimum utilization of available teachers.
2. The name and school code of the highest school may be written on the main gate of all the campuses of the Consolidated Schools to avoid public misconception among the public.
3. The shifting of students from upper campus to lower campus and vice versa can be done only for the convenience of the students. It is made clear that if it is convenient to the students and reduces the walking distance from their residence to school, section of higher classes can be created in the lower campuses of the school. The head of the institution can do this with the approval of the SMC.

List of all such schools is attached herewith for the information of all
t h e concerned.

This may be brought to the notice of all concerned for strict
compliance.

9/19/22
Director Secondary Education, Haryana,
Panchkula

Endst. No. Even

Dated:

A copy is forwarded to the following for information and necessary Action
