No.1/65-2022-eGov./IT Cell

Dated: 25.01.2023

In continuation of Deputation orders dated 19.01.2023 and 21.01.2023, it is comes in the notice of Department that various DDOs are not relieving the employees who are deputed by the Department vide orders under reference with plea that their current place of posting mentioned in the deputation orders does not match with their actual working place.

For this, it is made clear that three rounds of transfers for regular teachers and two rounds of transfers for the guest teachers were executed by the Department. Thereafter, Districts were again allocated to the guest teachers and new stations were issued by the District Authorities. Various teachers arranged the stay orders against their transfer orders. Therefore, the current place of posting of some teachers mentioned in deputation orders can be different from their actual place of working.

It is, therefore, directed to relieve such employees from their actual place of working to save from the hardship so they can join their new place of Deputation immediately.
