All District Elementary Education Officers,

Memo No. 1/43-2024 eGov/ITCELL

Dated, Panchkula, the 11/06/24

**Subject: - Regarding submission of Sports Infrastructure details along with GIS Mapping.**

I am writing to inform you about the submission of data on Sports Infrastructure facilities. It was requested that Government and Private schools are required to submit their sports infrastructure facilities, including GIS coordinates, on the Sports Infrastructure Portal by 09.05.2024. This requirement applies to schools that have sports infrastructure facilities available. You can access the portal at <http://117.239.183.208/SportsInfra2024/>.

Upon reviewing the data, it has been observed that the progress of data submission regarding Sports Infrastructure facilities is very low. For instance, in Faridabad district, only four schools have submitted their data, indicating that only four schools in the district have Sports Infrastructure facilities and remaining schools do not have such facilities. **Due to insufficient progress in data submission, the deadline for portal submissions has been extended to 15.06.2024.**

Therefore, all DEOs/DEEOs are requested to instruct the schools under their jurisdiction to submit the required information by 15.06.2024 (11:59 PM) without fail on the portal. For any technical difficulties, please feel free to contact our helpline at 0172-5049801 between the hours of 9:00 AM and 5:00 PM on all working days.
