

Important Notice Regarding Filling of Stations

It is clarified that **submission of station preferences is mandatory** for all teachers currently working as **BRPs or ABRCs**.

Only those candidates who are **already adjusted in a school** may select the option *"No, I do not want to choose a station"* by indicating the name of their present posting school.

In view of various court cases, the Department has decided to adjust all **Guest/Regular Teachers** working as BRPs or ABRCs in schools against their respective posts. Therefore, all concerned are once again requested to **fill maximum number of preferences**, otherwise they will be posted under the **"anywhere" category** by the system.

Time for filling preferences is also extended up to 20.09.2025
