Hon'ble Shri. Justice P.B.Varale, Judge Bombay High Court, Mumbai It is historical occasion for all of us. We are doing this programme as per approval given by Hon'ble Chief Justice and Hon'ble Executive Chairman, MSLSA. COVID-19 has given us an opportunity to virtually inaugurate laying down foundation stone ceremony of ADR centre at District Court, Aurangabad.

The Load on traditional judicial system, number of working judicial officers and number of matter instituted made it necessary to create new mode of dispute resolution in the form of Alternative Dispute Resolution. Some times, because of several factors, much time is required in regular process for adjudication and person who instituted proceeding will not be able to see result of the same. Therefore, for some matters, with the help of lawyers, dispute may be resolved by adopting one of the mode of Alternative Dispute Resolution and people will get speedy justice.

I appeal all advocates to participate in Alternative Dispute Resolution mode. Aurangabad District Bar Association always participating in all modes of ADR. It should be continued for long. I also appeal all to follow principals of constitution continuously as said by Saint Tukaram in Marathi "gsph nku nsxk nsok] rq>k folj u Ogkok".
