

Syllabus for Transport Science and Technology PGQP08 (i)

1. Surveying
2. Geology
3. Engineering Geology
4. Hydrology
5. Transport Engineering
6. Pavement Engineering
7. Chemical Engineering
8. Material's property
9. Chemistry of materials
10. Mechanical Engineering
11. Metallurgical Engineering and Sciences
12. Environmental Engineering and Sciences
13. Fluid Dynamics
14. Thermal properties of materials
