In every paper, all questions will be of **Multiple Choice Questions (MCQ)** type, with four answer options. There will be **50 (fifty)** questions in each paper with full marks **100** and the duration of test will be **90** minutes.

2.5 Mode of answering in the examination

- Questions are to be answered on specially designed optical machine-readable response (**OMR**) sheet, which will be evaluated by Optical Mark Recognition method. Thus, it is very important to follow the correct method of marking.
- Candidates will indicate response to the questions by **darkening the appropriate circle/bubble completely with blue/black ink ball point pen.**
- Any other kind of marking e.g., filling the circle/bubble incompletely, filling with pencil, cross mark, tick mark, dot mark, circular mark, over writing, scratching, erasing, white ink, marking outside the circle/bubble etc. may lead to wrong/partial/ambiguous reading of the response. **WBJEEB will be, in no way, responsible for such eventuality and this may lead to cancellation of OMR sheet.**
- Response marking cannot be edited/changed/erased/modified. Hence it is advised that candidate should be sure about the answer before marking and should not put any stray mark on which he/she does not want to attempt.

2.6 Scoring Methodology

- All questions will have four answer options.
- Only one option is correct.
- Correct response will yield 2 (two) marks.
- Incorrect response will yield -1/2 (25% negative) marks.
- For any combination of response with more than one option, the said answer will be treated as incorrect and will yield -1/2 (25% negative) marks
- No response will yield zero mark.

2.7	<p>Ranking Methodology and Rank Cards</p> <p>WBJEEB will prepare merit ranks based on the candidates' score in the entrance tests. Individual candidates will be able to view and download his/her Rank Card, which will contain score and rank. WBJEEB does not publish any general rank/score list.</p> <ol style="list-style-type: none"> The rank shall be in the name and style of 'GMR' (General Merit Rank). Ranking shall be done in the descending order of marks scored in the entrance test. Counselling/allotment of seat/admission will be done based on GMR only (not on category ranks). Category ranks are only for information to candidates. Category ranks are generated based on information given by the candidates during online application. If during verification, any candidate's claim is found invalid, his/her category rank will be cancelled and the candidate will be considered in General category only with his/her GMR. Category ranks of other candidates will not be revised.
2.8	<p>Tie-breaking Methodology</p> <ol style="list-style-type: none"> In case of tie, the candidate obtaining less negative score will have higher rank and will get higher position in merit list.
