No.74/SCOSTA/SKS/09

Dated: 16/10/09

NOTICE

Following contents with regards to SCOSTA-CL certification shall supersede the contents issued vide Notice No.74/SCOSTA/SKS/09 dated- 12/05/09.

Modified SCOSTA-CL test scripts were released (STK Ver. 1.2) vide Notice No.74/SCOSTA/SKS/09 dated- 12/05/09. All the future epassport implementation of SCOSTA-CL shall be tested through STK Ver. 1.2. The existing valid SCOSTA-CL certificate holders (epassport) are required to up-grade their existing products for complying with the latest test scripts. There shall be no testing fee for revalidation of existing valid certificates. However certificate holders shall be required to submit fresh samples (soft-mask + hard-mask or only hard mask).
