ARUNACHAL PRADESH

- (i) SRA&ULR- Nil
- (ii) CLR- Nil
- (iii) NLRMP – Rs.48.60 lakhs

The Govt. of Arunachal Pradesh has submitted the same proposal using Aerial Photography and Ground Truthing in some areas and using HRSI and Ground Truthing in some other areas. The cost indicated per sq.km. is 50,000 & 90,000. Since, the rates are 16,500 per sq.km. and 15,500 per sq. km. respectively, it may be pertinent to mention that Arunachal Pradesh has not yet started Survey & RE-survey work in each Siang district because of non-cooperation of IIT Guwahati. We have called a meeting on 29th August, 2014 for sorting the matter which was cancelled. The funds have been sanctioned for survey/resurvey in East Siang district:
