The Principal Secretaries, Revenue Department of all States/UTs

Subject: Districts to see the impact of NLRMP in identified Districts.

Sir,

I am directed to say that this Department has decided to focus on identified 1 or 2 districts in each State regarding implementation of NLRMP where the Programme has made or is expected to make visible impact. This Department will closely monitor the progress of implementation of activities under the Programme. A list is enclosed showing districts selected in your State. These districts have been selected on the basis of funds released under NLRMP and feedback on performance of the programme by the State officials from time to time.

2. You are, therefore, requested to confirm within 7 days from the receipt of this letter that the State agrees to the choice of district in the State for the purpose. Otherwise you may give the name of the districts which you feel more suitable. If no reply is received within 7 days the district indicated in the enclosed list will be treated as final.

Encl. As above.
