e-Step In

'eStepin'- Why wait in line when you can book online!!!

This module provides a facility for the public to take appointments, so that their wait time in the office

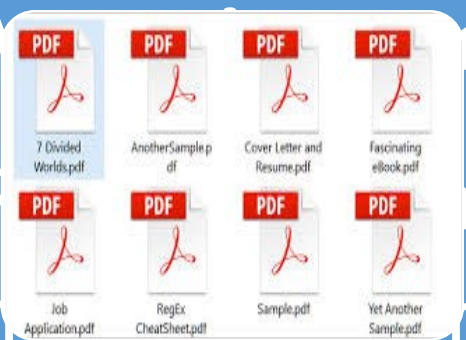

cannot point out, the rate list for a property. By marking the names of every unit on the map and with GIS, the public will be able to fetch the rate list just by clicking the property on the map. This would facilitate the process and on the other hand help the sub-registrar to

Viewing the latitude and longitude of the property is captured while registering the document. This has been started from 1 Jan 2019.

My process

Instrument's copy has to be sent in Tehsil for registration on-line by sending pdf to tehsil office.

# Coverage under online registration

S.No.	Functionality	Current Status	Future plan	Timeline
1.	Total number and Percentage of SROs covered	100		
2.	From which year is digitized legacy data available & the backlog, if any	1958 to current year.		
3.	Availability of search facility of document based on Name, Property details like survey number, deed number, etc.	yes		
4.	Search facility of legacy data available to SRO and/or citizens	Yes, since 1958		
5.	Percentage of Aadhar seeding in the RoR & Cadastral map by LR Dept and its availability to SRO	No	Land record and registry integration is under process.	

# Ease of registration

S.No.	Functionality	Current Status	Future plan	Timeline
1.	Online facility for booking appointment slot for registration	yes		
2.	Pre-registration search facility about the RoR, Cadastral map etc for citizens	yes		
3.	KYC systems in operation: a. Aadhar linkage b. Aadhar authentication c. Any other document/Icards allowed	no	Is to be available in virtual registration system.	
4.	Requirements & functions of Notary public, witnesses and Gazetted officer in registration process	Two Witnesses required		
5.	Dynamic deed templates availability	yes		
6.	Whether anywhere registration is allowed in the state	no		

# E-stamping & fees etc.

S.No.	Functionality	Current Status	Future plan	Timeline
1.	Circle Rates/ Ready Reckoner Rates/ Guideline values / Collector Rates for lands: Availability online	yes		
2.	E-Calculator (Online Stamp duty calculator) availability to compute fees	yes		
3.	Online payment facility for application fee - Stamp duty, registration fees, etc.	yes		
4.	Whether citizens are capable to purchase stamps online?	No, Rs. 10 Stamp is available for eNakal.		
5.	Integrated e-stamping facility availability in the software itself	No , Stamp Lock facility is available.		

# Integration with other systems

S.No.	Functionality	Current Status	Future plan	Timeline
1.	Percentage of SROs integrated with Revenue Offices and Land Record database and its embedded nature	100		
2.	Whether SRO and/or citizen can check litigations online for a property scheduled for registration	No		
3.	Does every registration of land, plot, apartment trigger a corresponding digital mutation in the RoR	no		
4.	Is party/ owner names and area details checked from Land Records (RoR) before registration	yes		

# Integration with other systems

S.No.	Functionality	Current Status	Future plan	Timeline
5.	Is past registration data available for checking & validation by SRO	yes		
6.	Whether separate DLC rate are available for flats/ apartments	Yes		
7.	Whether system are integrated for registration of agreements vis a vis final deed / sale registration.	yes		
8.	Whether sale of Govt Land is blocked/ red-flagged	no		
9.	System integration with Authority/TCP approval and with the ULBs	no		

# AI/ML, GIS & BI

S.No.	Functionality	Current Status	Future plan	Timeline
1.	Whether (AI Nibhrit) solution is available for masking personal information of PAN, Aadhaar number and fingerprint impressions on registered pdf deeds	no		
2.	Whether circle / guideline locations map georeferenced are available on GIS platforms?	yes		
3.	Whether BI based dashboards available for decision support?	yes		
4.	Whether circle rate/ guideline rates can be checked by selecting area of interest from the map or mobile app ?	yes		
5.	Whether Block chain technology is being utilized.	no		

# States – Specific Innovations

## **1. eNakal**

In view of providing citizen centric services and transparency, initiative of providing copy of registered instruments digitally was recently launched via e-nakal initiative which has received aplomb success.

## **2. Bar Code**

For security and auto feeding of public reference id at SRO end.

## **3. QR Code**

For On Line eNakal payment.

## **4. Mobile app**

Citizen users will use this mobile application to capture location coordinates and location images and generate GIS ID based on this information.

## **5. GIS**

User can easily get information on MAP about the government price of land from 0 to 50,200,350 meters each and every Distt. in Uttarakhand.

## **6. On Line Registry in Tehsildar Login.**

All registered documents are available in concerned tehsildars login.

## **7. Virtual Registration System**

Virtual Registration is a process through which the documents related to movable or immovable properties are registered electronically, i.e. sale, gift, loan etc. In the e-Registration various stages/processes like deed drafting, execution or deed signing, duty payments, presentation, admission of execution etc. are performed electronically and online through the notified system.
