

## **Objectives**

The main objectives of the Department are:

- (1) to increase productivity of rainfed/degraded land through the process of integrated watershed management,
- (2) to support States/UTs for implementation of Digital India Land Records Modernization Programme (DILRMP) with the aim to achieve a comprehensive land governance system known as Integrated Land Information Management System and
- (3) to administer land reforms and other related matters relating to land such as administration of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (RFCTLARR), the Registration Act, 1908 etc.
