### Strategy Building

#### Stake-Holder's Feedback

<b>Question</b>	<b>Response</b>
<b>A. What will make India as one of the top innovative countries in the world? Is it by</b>	<b>If yes, how and if not, why?</b>
1. Increasing patents per million population	
2. Increasing publications in leading scientific journals	
3. Efficient use of ICT infrastructure	
4. Increasing the manufacturing base of the country	
5. Creation of Microfinance mechanisms	
6. Doubling or trebling the current GDP per capita and improving the quality of life of its people	
7. Any Other	
<b>B. Is R&amp;D expenditure a compulsion for you? If yes, briefly explain how to address the following issues?</b>	
1. Do you feel a shortage of PhDs in your area enabling you to carry out R&D?	
2. Can you create the infrastructure required for carrying out R&D on your own or require financial support for the same?	
3. Would you like to establish linkages with public funded R&D institutions of the country or would prefer doing R&D in-house?	
4. How do you think R&D in public funded institutions can be commercialized?	
5. Are you serious about protecting your intellectual property? If yes, do you feel the resource crunch in doing so and are looking for other support measures?	

<p>6. Are you happy with the available fiscal benefits for R&amp;D, or would like to suggest any other?</p> <ul style="list-style-type: none"> <li>➤ 200% weighted tax deduction under 35(2AB) of IT Act</li> <li>➤ Customs and excise duty exemption</li> </ul>	
<p><b>C. If, R&amp;D is not your priority, does the following inspire you for R&amp;D spending and briefly explain how R&amp;D can be made attractive to you</b></p>	
<p>1. DSIR's in-house R&amp;D recognition certificate</p>	
<p>2. Recognition, awards and accolades for outstanding R&amp;D efforts</p>	
<p>3. Success stories on R&amp;D efforts leading to enhanced competitiveness and quantum jump in turn-overs, etc.</p>	
<p>4. Aspiration to become globally competitive</p>	
<p>5. Support other than financial support required to enhance your global competitiveness and achieve a quantum jump in turn-over</p>	
<p>6. Any other</p>	
<p><b>D. Services Offered by DSIR</b></p>	
<p>1. Desirable time that DSIR should take for issue of Recognition / Registration letter to in-house R&amp;D units, SIROs and PFRIs</p>	
<p>2. Desirable time that DSIR should take for issue of Form 3CM/3CL for fiscal incentives u/s 35(2AB)</p>	
<p>3. Desirable time that DSIR should take for issue of Certificate for Accelerated Depreciation Allowance</p>	
<p>4. Desirable time that DSIR should take for funding of projects</p>	
<p>5. Desirable frequency for generation of knowledge/technology based reports &amp; their dissemination</p>	
<p>6. On what policy matters DSIR should give inputs?</p>
