

Department of Scientific and Industrial Research
Common Research and Technology Development Hubs (CRTDHs)

Department of Scientific and Industrial Research (DSIR) has established three Common Research and Technology Development Hubs (CRTDHs) at CSIR- Institute of Himalyan Bioresource Technology (IHBT), Palampur, CSIR- Centre for Cellular and Molecular Biology (CCMB), Hyderabad and CSIR- National Institute for Interdisciplinary Science & Technology (NIIST), Thiruvanthapuram in the first phase.

Well defined proposals are invited from MSEs for taking up innovative product development activities by utilizing the research and technology development infrastructure of respective institutions as per the terms & conditions specified.

Center	Sector	Coordinator Contact Details	Link for Downloading Application Proforma for Micro and Small Enterprises (MSEs) for Undertaking Work In CRTD Hubs
NIIST	Environmental Interventions	Dr. Ajit Haridas ajitharidas@niist.res.in	http://www.niist.res.in/english/wp-content/files/Application_Proforma_NIIST.pdf
CCMB	Affordable Health	Dr. P.S. Raju rajucsir@ccmb.res.in	http://www.ccmb.res.in/news/year-2015/crtdh_2015.pdf
IHBT	Affordable Health	Dr. Mahesh Gupta mgupta@ihbt.res.in	http://ihbt.res.in/EOI_CRDTH_IHBT.pdf
