Proposals Invited under Consultancy Promotion Programme

The Consultancy Promotion Programme envisages to promote and strengthen consultancy capabilities for both domestic and export markets. Support is generally considered by DSIR to consultancy promotion organisations / institutions and related agencies for various activities as outlined in the guidelines of Consultancy Promotion Programme (Please see DSIR website **www.dsir.gov.in**).

The Department of Scientific & Industrial Research (DSIR) under its Plan Scheme Consultancy Promotion Programme invites proposals on :

a)   Export of Consultancy Services from India to Potential countries from Asia & Pacific Region, Africa Latin America, CIS Countries and Europe etc.

b)   Setting up of Consultancy Clinics/ Incubation Centre. The objective is to provide need based professional advisory and expert services at door step to the industry, particularly to SMEs, to make them technologically and managerially more effective and competitive

c)   Setting up of Design & Engineering Centres. The objective is to promote sector specific centres / facilities for SME's to meet their design, engineering and consultancy requirements

d)   Consultancy Capability Studies in Important Sectors

Interested consultancy organisations having good track record may send their application in the prescribed proforma (which may be downloaded from DSIR website www.dsir.gov.in) at the following address giving details of the proposed project, including title of the project, objectives, project cost, duration, action plan, output, expected commercial output and expected benefits along with annual reports for the last 3 years to:
