## About the University:

The University was established in 1955. It is a state-government university. The university is re-accredited with 'A' Grade by NAAC CGPA-3.11. Presently, more than 50,000 students are pursuing their studies in 11 faculties, 27 postgraduate departments, and 148 affiliated colleges. A total of 42 courses are offered at the university, including arts, home science, law, medicine, pharmacy, architecture, and homeopathy. This university offers internationally acclaimed education, including doctoral (Ph.D.) programs, and is regarded as a great place to conduct research. Students from 15 countries are currently studying and learning at the university. University facilities include education, gyms, swimming pools, sports complexes, dormitories, medical facilities, and recreation areas spread over 86 acres. In honor of the first Home Minister of India, Sardar Vallabhbhai Patel, the word “Vallabh” As Gujarat’s oldest education hub, the town is known for its student-friendly environment and diversity of students.

## About the B.Ed. & M.Ed. Special Education Cell:

Special Education is one of the important areas in the field of disability rehabilitation. Our University is one of the few Universities which are contributing to the rehabilitation and Special Education area. B.Ed. & M.Ed. Special Education cell is running B.Ed. Special Education (MR/ID) since 2012 and M.Ed. Special Education from 2014. The department has conducted six in-service training and sensitization programmes to aware and sensitize the personnel who are directly or indirectly dealing with a differently abled person (Divyangjan) of central and state government, local bodies and other service providers. It is a project under the Ministry of Social Justice and Empowerment, Govt. of India and Rehabilitation Council of India, New Delhi. Similarly, department has conducted several national conferences and workshops with CRE status. The Department has also taken care of its social responsibility hence awareness programmes, information, rallies regarding disability & causes its prevention, and early intervention programmes are also conducted time to time in rural as well as urban areas throughout the academic years.

## About the CRC:

The Department of Empowerment of Persons with Disabilities (Divyangjan) Ministry of Social Justice and Empowerment has set up Composite Regional Centre for Skill development, Rehabilitation and empowerment of Persons with disabilities (CRC) in various states to provide both preventive and promotional aspect of Rehabilitation like Education, Health, Employment, and Vocational training, research and Manpower development for Persons with Disabilities (Divyangjan).

The Composite Regional Centre for Skill development, Rehabilitation and empowerment of Persons with disabilities (Divyangjan) has been set up in Heritage city of Ahmadabad in August 2011, Under Administrative control of Ali Yavar Jung National Institute for Speech and Hearing Disabilities, Mumbai, an autonomous body under Department of Empowerment of Persons with Disabilities (Divyanjan), Ministry of Social Justice and Empowerment, Govt. of India.

Our main objective is to serve all categories of disabilities in one roof. Our service ranges from the academic to clinical and committed to further the cause of the all types of disability as per CRC objectives. Within short period we have made our place in the field of Disability rehabilitation. Also, we are mandate to implement the Scheme of Department of Empowerment of Persons with Disabilities (D), Govt. of India in the state of Gujarat.

## About the Theme

Psychologists and Educationists have expertise in the areas of assessment, evaluation, interventions and management. They are involved in identifying the needs of diverse learners and their families. Teaching and learning processes, from both cognitive and behavioural perspectives, allow professionals in the field of educational psychology to understand individual differences in intelligence, cognitive development, motivation, self-regulation, and self-concept, as well as their role in learning process. Educational psychology relies on quantitative methods, including testing and measurement, to enhance educational activities related to instructional design, classroom management, assessment, which serve to facilitate learning processes in various educational settings across the lifespan.

This means researchers & professionals can play a unique and pivotal role in the development of new and innovative services in the evaluation practices and existing services for diverse learners. Findings of conference will not only provide evidence for desirable intervention effects in the improvement of remedial teaching and training, effective intervention methods, innovative methods and instructional strategies for the students, but also give a platform for interaction which will lead to entire and holistic approach of scholastic development, mental well-being and effective interventions for diverse learners & it will also demonstrate correlated significant outcomes.

### The sub themes of conference are as under:-

• Educational Psychology and School Development	• Personality factors and individual differences among learners
• Effectiveness of holistic therapies & interventions	• Ethical issues in holistic psycho educational interventions
• Developmental disabilities & Psychological strategies	• Social and Cultural Issues of Diverse Learners
• School education, interventions & holistic approach	• Learning, Memory and Neural Development
• Mental Health Issues of learners & solutions	• Parents & Community awareness towards diversified learners
• How to make classroom teachings more efficient and effective	• Guidance and Counseling services
• Role of Yoga & Pranayam in mental health & stress management of learners	• Comprehensive Disability Inclusion
• New Education Policy-2020 with reference to RPWD Act and Inclusion	• Proactive Measure for Employment to PwDs
• Policies and Rights of Learners with Disabilities	• Pedagogical & Andragogical Concerns in Education
• Implications of Indian Psychological Concepts in Education	• Developing Research Insights in Teachers

**Note: Any other topics related to conference title are accepted**
