NextGen mParivahan Mobile App

Digital India
Power To Empower

To facilitate greater convenience for citizens and increase accessibility, a super app, 'NextGen mParivahan, has been developed by the eTransport Division of NIC by encapsulating all the features, functionalities, and related utilities pertaining to transport-related services in a single-stop platform.

Single-point Facilitator of Transport Services	*75+ Online Services*	*State-Specific Variations Addressed*
10+ Crore App Downloads	*30+ lacs daily hits*	

Key Features

- Real time details for Insurance/PUCC validity, pending challan, etc.
- Real time Status & Information on various RC & DL services
- Virtual DL/RC creation & storage in mobile - no need to carry physical documents.
- Location-based Emergency Services - include Calling Ambulance, Notifying Contacts.
- Stolen or Blacklisted Vehicle Status - used by citizens, Banks, Insurance and Enforcement Agencies.
- Time-bound sharing of RC with others.
- Verifiable QR code for DL and RC - offline verification of any encrypted DL or RC.
- RTO/PUCC/Traffic Office Location Guide on Map.
- Option for Multilingual interface

Benefits

Establishes a single, unified channel for all the citizen centric services of Transport sector

Operates in an integrated ecosystem for increased efficiencies and synergies

Provides 24X7, on-the-go access to the desired services/information

Reduces hassles related to procedural, documentation

Facilitates an intuitive User Interface for easy onboarding and accessibility of services
