

Jeevan Pramaan

Digital Life Certificates for Pensioners

Jeevan Pramaan portal helps pensioners to submit Digital Life Certificate from anywhere including home using biometric authentication (Aadhaar platform) of Pensioner. It eliminates the need of pensioner to be present physically at the office of pension disbursing agency (PDA) or Certificate Authority. DLC is created on the data provided by pensioner and can be accessed by pension disbursing agencies for pension processing. It is an add-on method to the existing ways of submission of life certificate.

KEY HIGHLIGHTS

- Hassle-free Anytime, anywhere even from home submission of DLC
- Auto SMS to Pensioner with DLC information
- Automatic transfer of DLC to Pension Disbursing Agency
- Release of Pension by PDA on successful processing
- No need to visit PDA office physically
- Digitization cuts down logistic hurdles
- Helpful for aged and / or the infirm pensioners
- No compromise with integrity of process

“After the push towards self-certification, this digital life certificate was another enabling mechanism which would benefit the common man.”

— Hon'ble PM on the Launch of Jeevan Pramaan on 10th November 2014

Digital Life Certificate - Process Flow (Jeevan Pramaan)

IMPACT

Eliminated the need of physical presence of Pensioner at Pension Disbursing Agency (PDA) Office or certification authority for creation of Life certificates.
