

The eCourts, a Mission Mode Project, was conceptualized by "National Policy and Action Plan for Implementation of Information and Communication Technology (ICT) in the Indian Judiciary – 2005", submitted by e-Committee (Supreme Court of India), with a vision to transform the Indian judiciary by ICT enablement of courts.

- 01 Efficient & time-bound citizen centric service delivery
- 02 Improved transparency of information and easier access to the stakeholders
- 03 Enhance judicial productivity both qualitative and quantitative
- 04 Made the justice delivery system affordable, accessible, cost effective & transparent
