

## **UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY (UIET), PUSSGRC, HOSHIARPUR**

Keeping with its long tradition of pursuing excellence in teaching and research, Panjab University, Chandigarh established a Regional Centre in the Kandi area of Punjab to cater to the academic needs of the rural students of the region. Earlier known as Swami Sarvanand Giri Regional Centre, this campus was renamed as Panjab University Swami Sarvanand Giri Regional Centre in the year 2011. Spread in picturesque environment near Shivalik foothills, the centre is a landmark donation of 10.86 acres of lush green area along with infrastructure in the land of saints (Hoshiarpur) by Late Dr. Lajpat Rai Munger. The Centre was started with an aim to provide innovation and pre-eminence in the fields of Engineering and Research, conforming to the standards of Panjab University, Chandigarh. The Panjab University Swami Sarvanand Giri Regional Centre (PUSSGRC) in Hoshiarpur is the largest multi-faculty off-campus establishment of Panjab University having University Institute of Engineering and technology (UIET), Department of Computer Science and Applications (DCSA) and University Institute of Legal Studies (UILS).

UIET, Hoshiarpur offers Graduate Engineering programs in four branches i.e. Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Information Technology (IT), and Mechanical Engineering (ME). The institute has well qualified faculty committed to both academics and research. Some of the faculty members have DST/CSIR funded/sponsored research projects. The centre has well-equipped infrastructure, self-sufficient state-of-the-art laboratories and workshops. The secured campus offers hostel accommodation for both boys and girls with Wi-Fi facility, Health Centre, Cafeteria, 1 Gbps (1:1) leased Internet line Connectivity, bus for transportation, 24 hours uninterrupted power supply through hotline etc. Apart from academics, UIET (PUSSGRC) Hoshiarpur also promotes interaction of students and faculty with the experts from industries and other organizations through National level conferences, symposiums, seminars, short term courses and workshops on regular basis. The department also has a rich collection of library books with latest edition.

The institute takes pride in its stellar achievements in shaping successful careers, with students placed in top organizations like Infosys, Larsen & Toubro Limited (L&T), Quark, Dario Health, Jungle Works, Intellipaath, Cognizant, HashedIn, Unthinkable Solutions, Resec, CodeInsight, GreyB, Auxilobits, Penthara Technologies, ChicMic, Growth Natives, bebo technologies, McKinley Rice, XenonStack, and many more. The highest on-campus package

of ₹11 LPA was offered by Infosys for the role of Specialist Programmer and 7 LPA for Digital Specialist Engineers. This year has been remarkable for placements as several students got multiple placements. Notably, 12 on-campus drives were conducted, with total 32 placement drives. The institute actively supports students' growth through placement preparation tests, mock placement drives, workshops, seminars, expert talks, and industrial visits, enhancing employability and industry readiness. UIET's alumni excel globally in leading organizations, public sector roles, armed forces, and entrepreneurial ventures like Coding Bits, which have created substantial employment opportunities. In addition, the Central Placement Cell, Panjab University provides active support to UIET, PUSSGRC for campus placements.

For channelizing the energy of the students, the campus also offers NSS, NCC, Gymnasium and all other necessary sports amenities. It also houses an air-conditioned auditorium with a seating capacity of more than 300 persons for academic and cultural activities.
