

A Report on Felicitation Ceremony of Pan India Product Proliferation of Key NIC Products organized on 1st October 2021

NIC has been playing an instrumental role over the years in executing key IT projects, in close collaboration with Central and State Governments, making the last-mile delivery of government services to the citizens a reality, through a variety of digital solutions.

Over the last few years many of the NIC projects have matured to a level where these projects are recognized as products. In order to recognize the efforts & hard work of officers at ground level for their contribution towards product enrichment and to create a healthy competition among the colleagues, the award felicitation ceremony was organized. To begin with, the products having Pan India proliferation like eCourts, eHospital, eOffice, ePrison, GePNIC, ServicePlus, S3WaaS were chosen for the award felicitation event.

Parliamentary Matters & Programme Management Systems Division (PM & PMS), successfully organized the Award Felicitation Ceremony under the directions of DG(NIC) and HoG(PM&PMS) to felicitate three(3) best people for “Pan India Product Proliferation of Key NIC Products” on 1st October, 2021.

The event started with a welcome address by DG-NIC, Dr(Ms) Neeta Verma about the various milestones achieved by the respective Key NIC Product Divisions where officers have worked tirelessly and raised their projects to a standard product level. She also acknowledged the great efforts put in by the respective state and district teams in the successful implementation of the NIC products across the nation.

Each Key Product HoG shared his/her experiences about the conceptualization and proliferation of the product. They further explained the key parameters for the selection of Gold, Silver and Bronze awards and the role played by each awardee in carrying out the pan India product proliferation.

DG NIC then felicitated each of the awardees with award certificates under Gold, Silver & Bronze category through video conferencing. The event was also viewed by numerous NIC officers through Webcasting. Each of the awardees expressed their gratitude to DG and their respective HoGs for recognition of their hard work and also thanked their SIOs, HoDs and other colleagues for their continuous support especially during pandemic.

In the closing remarks, DG NIC congratulated all awardees and appreciated them for their performances in taking the products to next level of IT revolution. She acknowledged the various challenges faced by the respective teams in realizing

the dreams of a product into a reality. She advised teams to work on the revamping of their products as per the changing dynamics of the industry in coming days with dedicated focus on areas like Microservices, Software as a Service (SaaS), Cloud, Security, Data Protection, Emerging Technologies, Containers, Kubernetes etc.

In the end, she complimented PM & PMS Division for successfully hosting the event in a well-organized manner.
