01

NDAL-ALIS is an online web based central application system which creates a database of arms licences.

02

It facilitates the entry of detail of Arms licence issued/renewed by the Arms Licence Issuing Authority (ALIA) across the country.

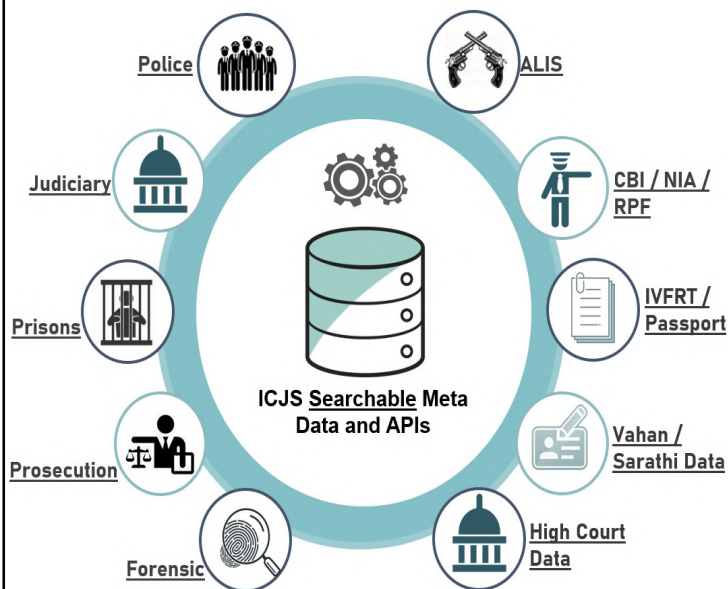

03

The system validates the data and generates a Unique Identification Number (UIN) for each licence holder.

04

It is successfully working in the State Home Department and all the 52 District Arms Licence Issuing Authorities of M.P.
