

Name : H. Jeyaseeli Flora
Designation : Director (Consultant)
Unit : CRC MADURAI
Qualification : M.R.Sc., B.Ed.
Experience : 20 years
CRR No. : A11223
Mobile : 9003896185
E-Mail : directorcrcmadurai@gmail.com

Significant Achievement:

Awards:

- **Gold Medal & Sr. Elizabeth Rose Best Rehabilitation Worker Award** – Holy Cross College (2013)

✓ Innovation & Technology:

- Developed innovative tools like:
 - **VIKAS** – Visual Intervention Kit (Android app and physical kit)
 - **Dignify** – Digital reading app for visually impaired
 - **Stroller** – Mobility device for blind children
 - **Smart Vision Glass** – Assisted in product evaluation and training

Publications:

Published research on functional vision assessment, low vision services, and neurodevelopmental disabilities in leading ophthalmology journals, focusing on children with autism, retinopathy of prematurity, and multiple disabilities.

Projects:

Led and contributed to various vision rehabilitation projects,

- The **Vision Aid Project** (2018–2024) - Expanded low vision services, developed a National Resource Centre, and implemented online vision and occupational therapy programs.
- **Smart Health Global Technology (SHG)** - Evaluated and enhanced Smart Vision Glass (SVG) and trained professionals across hospitals.
- **KSOS Low Vision Project** in Kerala, Coordinated the training for optometrists and organized capacity-building workshops.
- **Mindtree Foundation** -Co-developed assistive apps like **VIKAS** and **Dignify** and created innovative tools for children with special needs.
- **Universal Coverage** - implemented developmental assessments for children with **ROP**, organized low vision screening camps in Tamil Nadu, and led vision rehabilitation initiatives across primary eye care centers.
- Additionally, provided vision assessments and rehabilitation strategies for young children with visual impairments in **Bihar**.
