**Subject: Attachment of officials of Divisional Accountant Cadre as Trainers to Drawing and Disbursing Officers for uploading of Pension Revision Cases on Online Diary Application (ODA)**

Sir,

Reference: Finance Department letter no. **2/23/2016-1 Pension (FD)** dated **11.01.2019**

The office of the Principal Accountant General (A&E) Haryana has developed an Online Diary Application (ODA) for submission of Pension Revision Cases for pre 2016 pensioners which are required to be submitted as per Finance Department Notification and clarification no. 2/23/2016-1 Pension (FD) dated 10.01.2018, 11.10.2018 and 07.12.2018. In this regard, the office of the Principal Accountant General (A&E) Haryana had proposed that to facilitate familiarization and expeditious submission of these Pension Revision Cases, training on ODA be provided to officials of Divisional Accountant cadre under Principal Accountant General (A&E) Haryana and SAS officials under Director General, Treasury and Accounts Department who shall then act as Trainers for Training of officials of Administrative Department including Drawing & Disbursing Officers and Pension Sanctioning Authorities. This proposal was agreed to by the Finance Department through their letter under reference.

Office of the Principal Accountant General (A&E) Haryana has taken up the training of officials of Divisional Accountant Cadre in phases and mapped 20 DDOs against each official of Divisional Accountant who has been trained so far. A total of 52 officials of Divisional Accountants Cadre have been trained and Drawing and Disbursing Officers mapped.

A total of 52 orders for each of these officials of Divisional Accountants cadre under different IV Phases have been issued so far by the office of the Principal Accountant General (A&E) Haryana. All concerned Drawing and Disbursing Officers may seek guidance from the designated official of Divisional Accountants Cadre (assigned as Trainer on ODA) for the submission of concerned Pension Revision cases as well as provide information to them to assist in monitoring of the functionality created.

This is to assist in implementation of the existing instructions on the matter. These do not imply that the remaining Drawing and Disbursing Officers await assignment/attachment of trainers before submission of cases on ODA but we required to do so based on existent instructions.

The DDOs who have not been specifically attached with any DAO for training can also seek guidance and have training for submission of pension revision cases online.

Yours faithfully

Accounts Officer
