Memo No. TA-HR (DMC)/NPS/ 2022/ 1030

Dated: 23/05/2022

Subject: Ambassador and Champion Model for Nodal offices implementing National Pension System (NPS) in the State Government Sector.

Please find enclosed PFRDA letter no. PFRDA/17/07/12/0002/2020-RnS-CG dated 22.07.2021 on the above mentioned subject, which is self explanatory in nature.

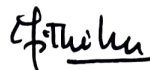

2. Vide above letter, Pension Fund Regulatory Development Authority (PFRDA) has conveyed regarding starting of "**Ambassador and Champion Model for Nodal Offices implementing National Pension System (NPS) in the State Government Sector.**" Each DTA as an Ambassador, shall be eligible to compete under the "Champion" model. The Ambassadors getting the maximum scores would be awarded as the "Champions of NPS in State Government Sector". The period for adjudging the nodal office performances would be April 2022 to March 2023. The performance of the Nodal offices during aforementioned period would be judged on the scoring based on following indicative list of parameters under NPS:-

- (i) Reduction in-Delay in PRAN Generation; Nil Credit PRANs; Non-IRA PRANs; number of PRANs without Nomination and Mobile numbers and Errors in fund remittance.
- (ii) Increase in Subscriber credit coverage.
- (iii) Improvement in Turnaround Times for resolution of Grievances and processing & authorization of Exit/withdrawal requests.

3. From above, it is clear that to become champion of NPS, our DTOs/DDOs are required to be more active. But, from review of monthly reports on above parameters, it transpires that neither the DTOs are carrying about effective monitoring nor DDOs are taking it seriously. The number of pending parameters are not reducing significantly. Meetings have also been organised with the erring DDOs/DTOs in the recent past, but no improvements have been witnessed so far. Taking cognizance of this issue, Government had also issued directions to all concerned vide memo no. 2/18/2010-1 Pension dated 23.07.2018 (copy attached).

You are, therefore, requested to take the matter seriously and get the different parameters of NPS subscribers updated in association with DDOs under your jurisdiction. This task is required to be completed within one month from issue of this letter. You may contact to Sh. Ramesh Chand , AO-cum-Nodal Officer (NPS) in case of any assistance. The matter will be reviewed by higher authority shortly.

Sir/Madam,

Kindly refer to this Department's guidelines issued vide letter No. 1/1/2014-1Pension dated 04.12.2008 in relation to the NPS and other instructions from time to time on the subject cited above.

It has been observed that the service of Haryana Government employees are being regularised after 01.01.2006 from the date of their joining in the various departments due to Court cases or administrative decisions. Apart from above, the issue of updating of Nominations, e-mail address, Mobile Number and Bank details as well as, latest address of subscribers is also pending since long. Pension Funds Regulatory Development Authority, New Delhi (PFRDA) has taken serious on this issue.

Keeping in view of the above facts, it is, therefore, requested to issue the instructions to the concerned DDOs under your kind control to (i) **update the legacy amount** as per Govt. instructions No. 1/1/2004-1Pension dated 04.12.2008 with immediate effect and (ii) **to update the** Nominations/e-mail address/Mobile Number/Latest Address of the subscribers for smooth functioning of NPS scheme,

22.07.2021

Shri Sunil Saran, IES
Director General,
Directorate of Treasuries & Accounts Department
Government of Haryana,
30, Bayes Building, Sector -17 C,
Chandigarh -160022,

Dear Sir,

Subject - Ambassador and Champion Model for Nodal offices implementing National Pension System (NPS) in the State Government Sector

PFRDA has been regularly interacting with the State Government Nodal offices through various forums, for smooth implementation and operationalization of NPS in the State Government Sector. During such interactions the various operational and supervisory areas of concerns are flagged by PFRDA with the Government Nodal offices and the offices are advised to take necessary corrective action to streamline the NPS related activities.

2. In its endeavor to further strengthen the implementation and operationalization of NPS, PFRDA has decided to establish a process to recognize the valuable contribution of the Nodal offices in operationalization of NPS in the State Government Sector. The said process has been termed as **Ambassador and Champion Model for Nodal offices implementing National Pension System (NPS) in the State Government Sector.**

3. Under the proposed **Ambassador Model** Director General, presently registered as Directorate of Treasuries & Accounts in the CRA system is being nominated as an **Ambassador**. The Nodal office so nominated as an "Ambassador" is responsible for strengthening implementation of NPS and would have the following roles;

- Arranging for regular training of the underlying offices.
- Update oneself and further train/educate/disseminate information on regular basis regarding process improvements/system developments under NPS.
- Improvement in quantitative and qualitative operational parameters of performance under NPS.

4. Each DTA nominated as an Ambassador, shall thus be eligible to compete under the "Champion" model. Hence, under the Champion Model, your office for being chosen as Champion would be competing amongst Nodal offices nominated as Ambassadors in other State Governments. The Ambassadors getting the maximum scores would be awarded as the "Champions of NPS in State Government Sector".

5. To aid the nodal offices to cope up with the hardships being faced during the pandemic period and to provide ample time to the offices to prepare themselves for the process towards selection of Champions, the period for adjudging the nodal office performances would be April 2022 to March 2023. The performance of the Nodal offices during aforementioned period would be judged on the scoring based on following indicative list of parameters under NPS:

- Reduction in - Delay in PRAN Generation; Nil credit PRANs; Non-IRA PRANs; number of PRANs without Nomination and Mobile numbers and Errors in fund remittance.
- Increase in Subscriber credit coverage
- Improvement in Turnaround Times for resolution of Grievances and processing & authorization of Exit/withdrawal requests.

6. I hope you will appreciate PFRDA's present endeavor and consider issuing necessary directions to all your underlying offices DTOs/DDOs to contribute towards effective conduct of the said recognition exercise. PFRDA shall be extending all necessary support and cooperation to facilitate improvement in the NPS related activities & parameters in your underlying offices.

With Regards.

Yours Sincerely,

(Sumeet Kaur Kapoor)
Chief General Manager
