Memo No.: TA-HR(DMC)/DEO-II/2026/2828-31

Dated: 21/04/2026

Subject: - Regarding the Selection of Vendor/Company as System Provider (SP) for procurement/ services related to Digital Signature Certificates (DSCs), including integration of PKI components and DSC registration modules with existing web applications, bearing RFP No. e-Tender/HARTRON/CO(ICT)/RFP-DSC/2025-26/03.

Your kind attention is invited toward this office memo No. TA-HR(DMC)/DEO-II/2023/4467-75 dated 24.05.2023 on the subject noted above.

2 Vide above letter, it was conveyed that this Department has procured Rate Contract and Annual Maintenance Contract through HARTRON for Digital Signature (e-Token) on behalf of all Departments of the State, the validity of which was upto 27.04.2024. This AMC & Rate Contract was renewed from time to time and was valid upto 28.02.2026.

3 Now, HARTRON after inviting fresh tender has finalized new Rate Contract & AMC Charges for purchase of new Digital Signature (e-Token) and certificates in favour of M/s Gujarat Narmada Valley Fertilizers & Chemicals Limited (GNFC) (n-Code) for two years i.e. from 10.03.2026 to 09.03.2028 as per following terms & conditions:-

#	Cost components	Unit Rate
1	Digital Signature Certificate with USB tokens (Class 3 signing and encryption) with 2 years validity.	731.6/-
2	Digital Signature Certificate without USB tokens (Class 3 signing and encryption) with 2 years validity.	123.9/-

Validity and e-Token warranty:-

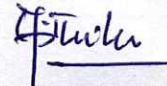

- i. The validity of the Digital Signature Certificate will be two years from the date of generation thereof.
- ii. An auto generated alert via email will be sent to the user before 30 days of expiry of their Digital Signature Certificate.
- iii. M/s Gujarat Narmada Valley Fertilizers & Chemicals Limited (GNFC) (n-Code) will provide a dedicated support and helpdesk services through phone, email and SMS alerts by qualified and competent support team for assisting users of the concerned Department/office.
- iv. If any of the USB Token is found defective/ non-functional/ non-responsive within the warranty time period, M/s Gujarat Narmada Valley Fertilizers & Chemicals Limited (GNFC) (n-Code) will replace that USB Token. The concerned Department/office shall provide a fresh application for reissuance of CLASS-3 DSC, if required.

4 It is further intimated that existing users (DDOs) having DSC/Tokens of Bit4id have to perform few steps for seamless operation of DSC on client software of GNFC (n-Code). The steps to be taken before use of existing DSC/Tokens is described at **Annexure-'A'** attached with this letter.

5 In case of any difficulty in the above services, Departments may contact on following helpline numbers of M/s Gujarat Narmada Valley Fertilizers & Chemicals Limited (GNFC) (n-Code):-

Joint Director (DMC)

for: Director General, Treasuries & Accounts
Department, Haryana, Chandigarh

Steps for installation of Client software of nCode Solutions, GNFC Ltd.

1. Download the software from following links:

- **PKI Component Download Link:**
http://103.20.104.57:8080/Download/JAVA/HARTRON_14-04-2026_09-03-2028.zip
- **Dongle/Token Driver download link:**
https://www.ncodesolutions.com/drivers/InnaITDSC_Setup_New.zip

2. Installation of the software:

- Extract the **PKI Component zip** files to a local folder with password ncode@123.
- Install the PKI component (32 bit or 64 bit depending on the computer).
- Do not run the setup using “**Run as administrator**”
- Install the **Dongle/Token Driver**
- Allow/enable Java or security prompts if required.
- Connect the DSC dongle and proceed with bill signing in e-Billing.

3. Installation of Additional Certificates for Existing Bit4id Dongle

- For users with an existing **Bit4id dongle**, additional certificates must be installed on the DDO’s local machine to ensure proper functioning of the DSC.

Certificates and Download Links:

1. **Certificate Name:** CCAIndia2022
Download Link: <https://www.signxca.com/repository/aia/CCAIndia2022.cer>
2. **Certificate Name:** SignX CA 2022
Download Link: <https://www.signxca.com/repository/aia/SignX%20CA%202022.cer>
3. **Certificate Name:** SignX Sub-CA for Class 3 Organization 2022
Download Link: <https://www.signxca.com/repository/aia/SignX%20sub-CA%20for%20Class%203%20Organization%202022.cer>

Steps to Install Certificates

1. Download the required certificate files from the links provided above.
2. Double-click on each downloaded certificate file (.cer).
3. Click on “**Install Certificate**”.
4. Select “**Local Machine**” (if prompted) and click **Next**.
5. Choose “**Place all certificates in the following store**”.
6. Click on “**Browse**” and select:
Trusted Root Certification Authorities
7. Click **OK**, then **Next**, and finally **Finish**.
8. A confirmation message will appear stating that the certificate has been successfully installed.

Note:

- Repeat the above steps for all the certificates. Ensure all the above certificates are installed in the Trusted Root Certification.

4. Dongle Registration in treasury

Steps for DDO DSC Registration in OTIS by DTO:

The **District Treasury Office (DTO)** will register the Digital Signing Dongle for DDOs.

1. Insert the dongle in USB port.
2. DTO logs in to the OTIS portal using a valid **User ID (dtotaa..)** and **Password**.
3. Navigate to the following menu:
Other Tasks → Register Digital Signing Dongle for DDOs
4. Select the respective DDO and complete the dongle registration process.
