Sir,

Sub: Seat Matrix for UG Academic Year of 2020-21-reg.
Ref. No.532/2/11/12/Ug.Admission/19-20/ESICMC &
PGIMSR/Esst/Vol-6, dated:02/11/2020.

This has reference to the letter of the Dean ESIC-MC & PGIMSR, Rajajinagar, Bengaluru, vide letter cited in the above reference. In this connection, though constitutional amendment has been made providing reservation to an extent of 10% to the Economically weaker section of the forward communities, the State Government is yet to issue appropriate roster points for inclusion of the same in the seat matrix.

Under the above circumstances, such of the eligible candidates falling under Economically weaker section of the forward communities (whose castes do not fall under any of the categories) are required to seek the reservation by making option entries in respect of Government of India pooled seats. As regards reservation in respect of available seats in the State Quota, they are invariably required to wait for the issuance of appropriate orders by the Government, in the backward classes department.

This is for your information and needful action in the matter.
