NOTICE

Kind Attention Candidates:

It is for the information to all candidates that MCC is receiving queries regarding various aspects of counselling. The candidates are advised to make note of the following points in reference to ongoing NEET PG Counselling 2020

- The Choice Locking option will be available on last day of Choice Filling i.e 22nd March, 2020 (Sunday), 03:00 PM onwards. Candidates are advised to fill, edit and save their options by that time. The choices submitted and saved by a candidate will be locked by the system at the time of last date/time of choice locking as mentioned in Counselling Schedule even if the candidate does not lock choices on his own.
- Candidates who want to participate in AFMS Counselling have to register on MCC website. Only Registration will be done on MCC website and rest of the counselling will be carried out by AFMS counselling authorities. For more information candidates may visit AFMS website www.afmcdg1d.gov.in
