**Dated: 14.12.2020**

## **NOTICE**

### **Urgent Attention:**

MCC is in receipt of grievances from many candidates regarding changing Fee Structure of Super Speciality colleges that the fee being demanded from candidates at the time of Reporting for Round-1 of SS Counselling 2020 is more than what was shown at the time of Choice Filling specially in the colleges of Telangana.

Time and again MCC has directed colleges to mention the Fee structure clearly on their respective websites for the information/ benefit of candidates. Hence, colleges are advised to facilitate candidates in this matter. Further, it is notified that MCC is the allotment authority having no role in the fixation of fee structure of D.M/ M.Ch courses and hence any legal complication arising out of matter related to fee will be dealt by the college at their level.

This issues with the approval of competent authority.
