NOTICE

Urgent Attention all Candidates participating in NEET-PG Counselling 2022:

All candidates participating in NEET PG Counselling 2022 are hereby informed that the Provisional Result for Round-1 of PG Counselling which was uploaded yesterday i.e 27.09.2022 is being withdrawn since some PG DNB institutes did not complete their address profile on portal due to which their seats were not visible when 'State Filter' was applied by the candidates during Choice filling, even though their seats were included in the seat matrix of Round-1 and were available for Choice Filling.

Keeping in view the larger public interest, the competent authority has decided to open the Choice Filling again and issue a fresh result for Round-1 as per following schedule. Kindly note that the candidates who are satisfied with their choices exercised earlier need not make any changes and the software will pick earlier locked choices of candidate for seat processing. However, those who want to make changes in their choices can unfreeze their choices after giving 'Consent' on MCC portal.
