Dated: 21-08-2023

NOTICE

This is in reference of earlier Notice dated 18.08.2023 wherein list of joined candidates of Round-1 of PG Counselling 2023 was published and joined candidates were advised to check their names in the published list to verify that the allotted college has taken admission 'online' and admission letters have been generated through MCC Reporting portal.

It was also informed that any admission which is not reported on intramcc portal will be treated as 'Null & Void'. Such seats will be deemed to be vacant and again be processed in next round leading to cancellation of seats of already allotted candidates.

MCC has received information that there are still some institutes who have not taken online admissions. Therefore, in larger interest of candidates MCC is coordinating with such colleges to make all the admissions online because of which **Choice Filling for Round-2 of PG Counselling 2023 has been delayed and is expected to start on 22.08.2023.** A fresh schedule for Round-2 will be uploaded soon on MCC website.
