NOTICE

Verification of OCI/NRI Candidates for NRI Eligibility

It is hereby informed to all **Overseas Citizen of India (OCI)** and **NRI** Candidates participating in MCC Counselling that they are required to **first get their credentials verified** by the **NRI Document Verification Team of MCC** to establish their eligibility under the **NRI category**, wherever applicable.

After successful verification of their documents and confirmation of their eligibility, such candidates will be able to view **both NRI seats and Indian Unreserved (UR) seats** during the choice filling process. Candidates may then exercise their choices based on their preferences from among the seats displayed to them.

Hence the candidates are requested to exercise the option of 'YES' for the following question at the time of registration for counselling

'Whether you want to apply for NRI Quota seats'

All OCI and NRI candidates are advised to complete the document verification process well in advance to avoid any inconvenience during choice filling.
