Subject: Reduction of qualifying percentile in NEET-MDS, 2026 for PG admission - reg.

Sir,

This is to inform that it has been decided to lower the qualifying cut-off percentile for NEET-MDS, 2026 by **10 percentile** for each category (General, SC/ST/OBC, and UR-PWD), in pursuance of the DCI's MDS Regulations, 2017 and the 2nd proviso in clause 7(1) of DCI's Master of Dental Surgery Course (1st Amendment) Regulations, 2018. Accordingly, the revised qualifying percentiles for NEET-MDS, 2026, for the academic session 2026–27 are as follows:

S.No	Category	Prescribed cut-off percentile (As per Information Bulletin)	Revised cut-off percentile
1.	General Category (UR/EWS)	50	40
2.	SC/ST/OBC (Including PWD of SC/ST/OBC)	40	30
3.	UR-PWD	45	35

The NBE is, therefore, requested to bring out **revised results** in accordance with the above lowered qualifying percentiles, and the MCC is requested to take appropriate action on a **priority basis**.

Yours faithfully,

 29/9/26
