

**Directorate of Geology & Mining Uttarakhand Dehradun**  
**Expression of Interest (EOI)**

**For**

**Empanelment of companies for Slope Stabilization Analysis  
study of Mining Leases areas granted in different districts of  
Uttarakhand State**

1. To minimize environmental impact, ensure the safety of villagers, and maintain economic viability, the Directorate of Geology & Mining, Uttarakhand will conduct comprehensive slope stability analysis studies for each mining lease area allotted to mine owners across various districts of Uttarakhand.

2. The Directorate of Geology & Mining, Uttarakhand invites applications from reputed companies engaged in the business of slope stabilization analysis through an Expression of Interest (EOI).

3. Interested companies may download the EOI document (containing detailed terms and conditions) from the websites of **dgm.uk.gov.in** or **uktender.gov.in** starting from 16 September 2025.

4. The Expression of Interest, prepared in accordance with the instructions provided in the EOI document, must reach the address mentioned below on or before 5:00 PM, 27 September 2025. The EOI submissions will be opened on 28 September at 11:00 AM in the presence of the bidders or their authorized representatives who wish to attend.

An envelope must be superscripted "**Empanelment of Companies for SSA**" so as to reach the following address by on or before 5.00 PM, 27 September, 2025.
