

No. NF- [ ] Dated 04.02.2022

**Provisional List of Companies within the ambit of NFRA as of 31 March 2021**

(Refer Rule 3(1) of NFRA Rules 2018)

1	National Financial Reporting Authority (NFRA or the Authority) has been constituted on 1st October, 2018 by the Government of India under Sub Section (1) of section 132 of the Companies Act, 2013.
2	Rule 4(1) of the NFRA Rules 2018 prescribes that the Authority shall protect the public interest and the interests of investors, creditors and others associated with the companies or bodies corporate governed under rule 3 by establishing high quality standards of accounting and auditing and exercising effective oversight of accounting functions performed by the companies and bodies corporate and auditing functions performed by auditors.
3	Rule 4(2) of the NFRA Rules 2018 requires the Authority, inter alia, to maintain details of particulars of auditors appointed in the companies and bodies corporate specified in Rule 3 of NFRA Rules 2018.
4	As per Rule 3 of the NFRA Rules 2018, following classes of companies and their auditors are governed by scope of the Authority's functions and duties relating to monitoring and ensuring compliance with accounting and auditing standards, overseeing the quality of service under sub-section (2) of section 132 or undertaking investigation under sub-section (4) of such section in respect of auditors.
4.1	Rule 3(1)(a): companies whose securities are listed on any stock exchange in India or outside India;
4.2	Rule 3(1)(b): unlisted public companies having paid-up capital of not less than rupees five hundred crores or having annual turnover of not less than rupees one thousand crores or having, in aggregate, outstanding loans, debentures and deposits of not less than rupees five hundred crores as on the 31st March of immediately preceding financial year;
4.3	Rule 3(1)(c): insurance companies, banking companies, companies engaged in the generation or supply of electricity, companies governed by any special Act for the time being in force or bodies corporate incorporated by an Act in accordance with clauses (b), (c), (d), (e) and (f) of sub-section (4) of section 1 of the Act;
4.4	Rule 3(1)(d): any body corporate or company or person, or any class of bodies corporate or companies or persons, on a reference made to the Authority by the Central Government in public interest; and
4.5	Rule 3(1)(e): a body corporate incorporated or registered outside India, which is a subsidiary or associate company of any company or body corporate incorporated or registered in India as referred to in clauses (a) to (d), if the income or networth of such subsidiary or associate company exceeds twenty per cent. of the consolidated income or consolidated networth of such company or the body corporate, as the case may be, referred to in clauses (a) to (d).
5	In order to perform the functions and duties of the Authority, one of the important pre-requisites is to compile and establish a comprehensive master database of the companies and their auditors within the scope of the Authority. This exercise involves following critical steps and reconciliations of data from different sources.
5.1	Listed Companies: Master data available in Corporate Data Management (CDM) system of Ministry of Corporate Affairs (MCA) has been considered as the primary data source, which is reconciled with data of listed companies provided by the 'Three (3)' national stock exchanges of India currently recognised by the Securities and Exchange Board of India, viz., BSE, NSE and MSE (Metropolitan Stock Exchange). Also, companies appearing as listed in CDM, but on defunct/derecognised stock exchanges have to be eliminated. Please refer to worksheet 'Listed Co.Reconciliations' for more details of this reconciliation.
5.2	Unlisted Companies: Unlisted Companies with certain parameters above prescribed thresholds as on the 31st March of immediately preceding financial year. Such companies have been identified based on the annual return (MGT-7) filed by the companies for the financial year 2020 (financial year immediately preceding financial year 2021). It may be noted that there may be companies who are yet to file the annual returns for the financial year 2020, accordingly, this data may require further revisions at a later date.
5.3	Insurance companies, Banking companies, companies engaged in the Generation or Supply of Electricity, companies governed by any special Act: Companies engaged in Insurance and Banking activities have been identified from the annual reports and information published by the Prudential Regulators of these sectors viz. Reserve Bank of India (RBI) and Insurance Regulatory and Development Authority of India (IRDAI). Specific identification of companies in other categories e.g. Electricity generation and supply companies will be taken up in due course.
5.4	Statutory Auditors of above class of companies: It is equally important to compile basic master data of the statutory auditors of the various class of companies governed by the Authority under Rule 3(1) of the NFRA Rules 2018. As of now, this important data point has been compiled based on the auditors' detailed available in the annual financial statements of listed companies for the financial year 31 March 2021 and information obtained from RBI and IRDAI for Indian branches of Foreign Banks & Insurance Companies, respectively. It may be noted that there are companies whose annual financial statements are not yet available in public domain, accordingly, this data would require further updation/revisions at a later date.
6	This comprehensive exercise of compilation of data base of companies covered by NFRA Rules/their auditors from CDM and its reconciliation with other important data bases was being performed for the first time as of 31 March 2019.
7	Stakeholders and Public at large are requested to review the provisional data published and advise the Authority about corrections necessary, and of suggestions for improvements and amendments, if any.

(Refer Rule 3(1) of NFRA Rules 2018)

Sl.No.	Specified Class of Companies	No.of Companies	Notes
1	Clause (a) of Rule 3(1) - Companies whose securities are listed on any stock exchange in India or outside India	<a href="#">5,563</a>	(i)
2	Clause (b) of Rule 3(1) -Unlisted public companies having paid-up capital of not less than rupees five hundred crores or having annual turnover of not less than rupees one thousand crores or having, in aggregate, outstanding loans, debentures and deposits of not less than rupees five hundred crores as on the 31st March of immediately preceding financial year	<a href="#">1,156</a>	
3	Clause (c) of Rule 3(1) -Insurance companies, Banking companies, companies engaged in the Generation or Supply of Electricity, companies Governed by any Special Act for the time being in force or bodies corporate incorporated by an Act in accordance with clauses (b), (c), (d), (e) and (f) of sub-section (4) of section 1 of the Act	<a href="#">101</a>	(ii)
<b>Total</b>		<b>6,820</b>	

Notes	
(i)	Primary source of this data is from master data of companies captured in Ministry of Corporate Affairs (MCA) data base i.e. MCA21. Companies reported as 'Listed' in MCA21 are reconciled (Refer worksheet ' Listed Co. Reconciliations' ) with the list of companies obtained from the Three (3) recognised national stock exchanges which are currently active viz. BSE, NSE and MSE. Further, companies with 'Inactive' status in MCA database are excluded from the above numbers. Listed Insurance and Banking Companies are excluded from this line as those are included as part of companies under clause 3(1)(c) below.
(ii)	Primary source of this data is as follows
(a)	Insurance Companies: Extracted for the list of insurance entities reported in the Annual Report of Insurance Regulatory and Development Authority of India (IRDAI). Entities engaged in insurance broking activities are not considered.
(b)	Banking Companies: Extracted for the list of banking entities reported in report of Reserve Bank of India (RBI) "Report on Trend and Progress of Banking in India" published on annual basis.
(c)	Electricity Generation and Supply Companies: Reliable data source to be identified. Currently, this category of companies are included if those are part of companies under clause 3(1)(a) or clause 3(1)(b) of NFRA Rules 2018.
