

Shri Nitin Gupta, Chairperson, NFRA

Shri Nitin Gupta, an officer of 1986 batch of Indian Revenue Service, is currently the Chairperson, National Financial Reporting Authority (NFRA) since 23rd July, 2025. He replaces Ms Ravneet Kaur, Chairperson, Competition Commission of India who had been holding additional charge of NFRA since 01st April 2025.

2. Shri Nitin Gupta earlier served as the Chairman, Central Board of Direct Taxes (CBDT) from June 2022 to June 2024. He has over 39 years of rich and diverse experience with the Government of India as a member of the Indian Revenue Service (Income Tax), specializing in tax administration, compliance reforms, data analytics, and financial governance. Throughout his distinguished career, Shri Nitin Gupta has been recognized for his reform-driven approach, and ability to lead complex administrative transformations.

3. His professional experience spans across key assignments in the Income Tax Department and Ministry of Finance, where he led pioneering initiatives in automation, faceless assessments, and taxpayer services. As Chairman CBDT, he was instrumental in integrating advanced technologies such as artificial intelligence and big data analytics to improve compliance, transparency, and ease of doing business. He played a critical role in expanding the tax base through pre-filled tax return forms, computer assisted scrutiny mechanisms, and strengthened enforcement using integrated financial data from GST, securities, and real estate. Under his leadership, the direct tax-to-GDP ratio reached record levels, and tax revenues showed consistent year-on-year growth, reflecting effective administration and better taxpayer outreach.

4. Shri Nitin Gupta held leadership and strategic roles during his tenure, including as Member (Investigation), CBDT, where he oversaw large-scale investigations into financial irregularities and tax evasion. He worked closely on policy-level matters including tax reforms, bilateral agreements, and regulatory frameworks impacting cross-border taxation and corporate reporting.

5. Shri Nitin Gupta also worked as Director General in the Competition Commission of India, New Delhi, for a period of more than three years.

6. Shri Nitin Gupta holds a degree in Civil Engineering and Law. He has also undertaken Executive Education Program at the Wharton School, University of Pennsylvania, USA, specializing in leadership and public financial management.
