

ADMISSION BROCHURE

JOINT ADMISSION COUNSELLING (JAC) DELHI-2024

Coordinating Institute
Delhi Technological University
Shahbad Daulatpur, Bawana Road, Delhi - 110042

Joint Admission Counselling (JAC) for admission to Undergraduate Programmes in Delhi Government funded premier universities, offering Engineering and Architecture programmes started in the year 2014, as an initiative of the Govt. of NCT of Delhi, to avoid multiple admission counselling and save the candidates and their guardian from the resulting inconvenience because of shifting of students from one institution to the other during the admission process. This year, Delhi Technological University (DTU), Netaji Subhas University of Technology (NSUT), Indira Gandhi Delhi Technical University for Women (IGDTUW), Indraprastha Institute of Information Technology, Delhi (IIIT-Delhi), and Delhi Skill and Entrepreneurship University (DSEU) are participating in JAC for their B.Tech. and B.Arch. programmes, which is being conducted online with the support of the National Informatics Centre (NIC). The admissions are done on the basis of rank of students in Joint Entrance Examination, JEE (Main) conducted by the National Testing Agency (NTA). This year, 7333 seats in Engineering offered by the five participating institutions, and 90 seats in B. Arch offered by two participating institutions are to be allotted through JAC Delhi. The counselling procedure and schedule will be made available on the JAC Delhi website <https://jacdelhi.admissions.nic.in>. Candidates and their parents/guardians are advised to regularly visit the JAC Delhi website.

This year, Delhi Technological University is the coordinating institution for JAC Delhi.

Disclaimer: This admission brochure contains collective information for admission to DTU, NSUT, IGDTUW, IIIT-Delhi, & DSEU. All possible care has been taken to compile the information correctly in the brochure. However, in case of any inadvertent error/deviation, the official version of the participating Universities / Institutes and Government authorities shall be final.

Important Dates for Online Registration for B. Tech. & B. Arch. Programmes

1.	Commencement of Online Registration and Choice Filling	May 31, 2024 (Friday) from 10:00 A.M.
2.	Last Date and Time for Online Registration (Registration Form filling, Registration fee payment and Choice filling.)	June 23, 2024 (Sunday) till 06:00 P.M.

Important NOTE: The above-mentioned dates refer to the starting and the closing dates for the registration.

Registration is only open as per the below mentioned timelines – May 31, 2024 to June 23, 2024. Registration will not be allowed any further, throughout the JAC Delhi Admission Cycle.

Registration-cum-Counselling Fee

Rs. 1,500/- + Transaction Charges (as applicable)

Participating Universities / Institutes, Nomenclature and Duration of Programmes

S. No.	University / Institute	Programme	Duration
1	Delhi Technological University (DTU)	B. Tech.	4 Years
2	Netaji Subhas University of Technology (NSUT)	B. Tech.	4 Years
		B. Arch.	5 Years
3	Indira Gandhi Delhi Technical University for Women (IGDTUW) (for female candidates only)	B. Tech.	4 Years
		Dual Degree B. Tech.(MAE) + MBA	6 Years
		B. Arch.	5 Years
4	Indraprastha Institute of Information Technology Delhi (IIIT-Delhi)	B. Tech.	4 Years
5	Delhi Skill and Entrepreneurship University (DSEU)	B. Tech.	4 Years

Contents

Chapter 1 Programmes offered by the Participating Universities / Institutes.....	6
Chapter 2 Eligibility Conditions.....	43
2.1 Region	43
2.1.1 Delhi Region Candidates (85% of seats)	43
2.1.2 Outside Delhi Region Candidates (15% of seats)	43
2.2 Qualifying Examination	43
2.3 Criteria of Minimum Marks in Qualifying Examination	43
2.3.1 B. Tech. Programmes offered by NSUT, DTU, IGDTUW, DSEU and Dual Degree B.Tech. (MAE) + MBA at IGDTUW.....	43
2.3.2 B. Tech. Programmes at IIIT-Delhi.....	44
2.3.3 B. Arch. Programmes at NSUT and IGDTUW.....	44
2.4 Minimum Marks Criteria in Qualifying Examination for candidates belonging to Reserved Categories / Sub-Categories.....	44
2.4.1 For DTU, IGDTUW, NSUT and DSEU only	44
2.4.2 For IIIT-Delhi only	44
2.5 Age Criterion.....	44
Chapter 3 Reservation and Distribution of Seats	45
3.1 Reservation Policy	45
3.2 Seat Conversion Rules	48
3.3 Certificates Required for Reserved Seats at the Time of Document Verification	48
3.4 University/Institute wise seat distribution	52
3.4.1 Delhi Skill and Entrepreneurship University.....	59
3.4.2 Delhi Technological University (DTU).....	53
3.4.3 Indira Gandhi Delhi Technical University for Women (IGDTUW).....	54
3.4.4 Indraprastha Institute of Information Technology Delhi (IIIT-Delhi)*.....	58
3.4.5 Netaji Subhas University of Technology (NSUT).....	54
Chapter 4 Procedure of Online Registration	60
4.1 Online Registration and Counselling Fee Payment.....	60
4.2 Choice Filling, New Registration in Subsequent Rounds and Change of Choices	62
4.3 Allotment of Seat and Result Declaration	63
4.4 Physical Reporting.....	64
4.5 Freezing of Branch and Institute/Branch Upgradation	66
4.6 General Instructions	66
Chapter 5 Online Counselling Procedure	67
5.1 Seat Allotment – General Rules	67
5.2 Online Counselling.....	67

5.2.1	First Round of Counselling.....	67
5.2.2	Second Round of Counselling	68
5.2.3	Third Round of Counselling.....	69
5.2.4	Fourth Round of Counselling	70
5.3	Upgradation of Admitted Candidates (after Round 4).....	71
5.4	Spot Round (subject to availability of seats).....	72
5.5	Reporting at the Final Allotted University / Institute.....	72
5.6	Upgradation/Branch Change after Commencement of Session	72
Chapter 6 Fee Structures.....		73
6.1	Procedure to Pay Seat Acceptance Fee at the Time of Online Counselling	74
6.2	Procedure to Pay Balance Seat Acceptance Fee.....	75
6.3	Withdrawal of Allotted Seat and Refund of Fees	75
Chapter 7 Certificates and Formats.....		76
7.1	Certificate in Respect of Defence Category (CW)	76
7.2	Medical Fitness Certificate	77
7.3	Certificate for Differently Abled Person (PD).....	78
7.4	Suitability Certificate for Availing Admission against Differently Abled Person (PD)	84
7.5	Certificate for Economically Weaker Section (EWS).....	85
7.6	Certificate for Availing Admission Against Kashmiri Migrant Quota	86
7.7	Affidavit for Single Girl Child	87
7.8	Documents Required at the Time of Physical reporting for Admission	88
Chapter 8 Eligibility Criteria for Bonus Points at IIIT-Delhi.....		89

Delhi Technological University (DTU)
(Formerly Delhi College of Engineering)
(Established by the Government of NCT of Delhi vide Delhi Act 6 of 2009)

Delhi Technological University (DTU) came into being after the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi. DTU is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas and matters connected therewith or incidental thereto. The university, in its various avatars, namely, the 'Delhi Polytechnic' and 'Delhi College of Engineering' (DCE), has served the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and, is globally recognized for its outstanding education, research and innovations. Currently, the University offers various inter-disciplinary and industry oriented programmes in Science, Technology, Management, and allied areas at **Undergraduate, Postgraduate and Doctoral** level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions both at national and international level. The University lays great emphasis on assisting students in the development of national character, self-confidence, leadership and fostering an ecosystem for creativity and imagination.

The stellar performances of DTU are reflected in the recognitions and awards from National and International Agencies as listed below:

- DTU placed at the **29th position** in 2023 **NIRF Ranking** among the engineering institutions.
- DTU has been ranked among **top 10 institutes** in India in terms of **placement and higher studies** as per **NIRF** data in the Engineering category.
- DTU has been ranked **8th** by **India Today's** best government engineering colleges ranking 2023.
- DTU has been placed at **201-250** bracket in the **Asia University Ranking**, **601-800** bracket in the **Engineering & Technology Ranking** and **801-1000** bracket in the **World University Ranking** published by **Time Higher Education** in 2024.
- **18 faculty members** of DTU are featured in the 2023 **World Ranking of Top 2% Most Influential Scientists** released by **Stanford University**.

Vision & Mission of DTU

Vision:

"To be a world class university through education, innovation, and research for the service of humanity"

Mission:

1. To establish centres of excellence in emerging areas of science, engineering, technology, management, and allied areas.
2. To foster an ecosystem for incubation, product development, transfer of technology, and entrepreneurship.
3. To create environment of collaboration, experimentation, imagination, and creativity.
4. To develop human potential with analytical abilities, ethics, and integrity.
5. To provide environment friendly, reasonable and sustainable solutions for local and global needs

Programmes Offered

The university offers 14 Undergraduate Engineering Programmes, 25 Postgraduate Engineering Programmes, 5 MBA Programmes, an M.Des Programme and 4 M.Sc. Programmes. Besides this, the University offers other 3 undergraduate programmes in the field of Design (B. Des.), Management (BBA) and BA (Hons) Economics. The university offers 20 Ph.D Programmes in all areas of engineering, science, management, English and economics. The UG and PG programmes of DTU provide most modern curricula, based on the Choice Based Credit System (CBCS), having rich mix of courses from science, engineering, management, social sciences, humanities, fine arts, liberal arts, classical music, sports, etc. The course curricula have been developed with a view to integrate advancements in science and engineering, thereby incorporating industry relevant technologies. To offer further flexibility, there is provision for credit transfer and earning credits through massive online courses (MOOCs) from different platforms such as NPTEL, SWAYAM, etc. The curriculum is regularly updated keeping in view the new technologies and changes in industries and society.

Programme Name	Programme Code
Bio-Technology	BT
Chemical Engineering	CHE
Civil Engineering	CE
Computer Science and Engineering	CSE
Electronics and Communication Engineering	ECE
Electrical Engineering	EE
Environmental Engineering	ENE
Engineering Physics	EP
Information Technology	IT
Mathematics and Computing	MCE
Mechanical Engineering	ME
Mechanical Engineering with specialization in Automotive Engineering	MAM
Production and Industrial Engineering	PIE
Software Engineering	SE

The University also offers Minor specializations to the students to enhance their knowledge base in a specific domain and employability. Minor is a secondary area of study which students can opt either from their own discipline or any other discipline. A Minor is awarded to a student along with major discipline provided the student earns requisite credits from the prescribed basket of courses for that Minor. In all 44 Minors have been introduced by various academic Departments as detailed below:

Academic Department	Minor Specialization
Department of Applied Chemistry	Chemical Engineering (For students of other Disciplines)
	Polymer Technology
	Petrochemical Engineering
Department of Applied Mathematics	Mathematics & Computing (For students of other Disciplines)
	Industrial Mathematics
	Computational Intelligence
Department of Applied Physics	Engineering Physics (For students of other Disciplines)
	Material Science & Engineering
	Minor in Photonics
Biotechnology	Biotechnology (For other Disciplines)
	Biological Computing
	Public Health
Department of Civil Engineering	Civil Engineering (For students of other Disciplines)
	Sustainable Infrastructure
	Disaster mitigation and management
Department of Computer Science & Engineering	Computer Engineering (For students of other Disciplines)
	Machine Learning
Department of Software Engineering	Software Engineering (For students of other Disciplines)
	Data Analytics
Department of Electrical Engineering	Electrical Engineering (For students of other Disciplines)
	Machine Learning for IOT Systems
	Power Electronics and Renewable Energy Systems
Department of Electronics and Communication Engineering	Electronics and Communication Engineering (For students of other Disciplines)
	VLSI Design
	Signal Processing & Machine Intelligence
	Advanced Communication Systems
Department of Environmental Engineering	Environmental Engineering (For students of other Disciplines)
	Environmental Remediation & Control
	Sustainability and Environmental Management
Department of Mechanical Engineering	Mechanical Engineering (For students of other Disciplines)
	Production Engineering (For students of other Disciplines)
	Automotive Engineering (For students of other Disciplines)
	Energy Technology
	Operations and Supply Chain Management
	Design and Automation Engineering
Department of Information Technology	Information Technology (For other discipline)
	Cyber Forensics & Cyber Laws
	Artificial Intelligence and Machine Learning
Delhi School of Management	Supply Chain Management
	Marketing Management
	Innovation and Entrepreneurship
Department of Humanities	Economics
	English
Department of Design	Industrial Design

Faculty and Research

The university has a very talented pool of experienced, as well as young faculty members who are highly qualified in their area of specialization and have very good national and international exposure. To encourage the students and faculty for research and innovation, the university has provisions like funding for students' innovative projects, financial assistance to students for attending internship overseas, research project grant to all faculty members etc. To celebrate the individual's excellence in research, the university offers **research excellence awards** to researchers in three categories of awards annually, namely, *Outstanding Research Awards*, *Premier Research Awards*, and *Commendable Research Awards*. The awards are open to all the researchers of DTU. In addition, university also recognizes excellence in teaching. The university has been granted with the Technical Education Quality Improvement Program (TEQIP) project by MHRD. The project provides funds to faculty and students to organize and attend various faculty development programs, seminars, and conferences.

Ranking and Rewards

The university is having ISO 9001:2015 certification since 27.11.2018, accredited with 'A' grade by NAAC (National Assessment and Accreditation Council) and has been accorded 2(f) and 12-B status by the University Grants Commission (UGC). Many of its UG & PG engineering programmes are also accredited by the National Board of Accreditation (NBA). The University is consistently ranked among best 10 engineering institutions as per the various independent surveys on best engineering institutions of the country. The university has been ranked 8th by India Today's best government engineering colleges ranking 2023. The 2023 NIRF rankings placed DTU at the 29th position among the engineering institutions and at 40 in the categories of universities. DTU has been placed at 801-1000 bracket in the Times Higher Education World University Ranking 2024.

Campus and Infrastructure

DTU has 164 acres of a lush green, tech-savvy main campus, consisting of 16 academic departments, research centers, and residence for students, faculty, and staff. At present the university has more than 14,000 students in its undergraduate, postgraduate, and Ph. D programmes. DTU has a EDUSAT studio utilized for recording of lectures, events, and talks. Besides the main campus, the university has another campus located in East Delhi, offering BA (Hons.) Economics, BBA and 4 MBA programmes.

Computer Centre

DTU has a well-equipped computer centre to cater to the needs of students and faculty of the university. It is housed in a magnificent state-of-the-art building having specialized laboratories to provide variety of platforms and computing environment for UG, PG students and research scholars. The centre possesses a number of servers and over 240 intel core i5 computer systems. In addition, the centre has more than 15 server engines hosting different applications such as websites & portals, SPSS, Mathematica, MatLab, Ansys, DNS, LDAP, proxy, Email services, Network Monitoring System (NMS) etc. The centre is fully networked through high-end intelligent network switches, and possesses round the clock 10 Gbps NKN leased line and a 1 Gbps backup leased line in a different pipe for the LAN wired & Wi-Fi connectivity for the academic, administrative, residential and hostel blocks of the campus providing high speed internet facilities on all the nodes. It also has the latest versions of compilers, scientific, technical and engineering softwares for the students of various programmes.

Library and Knowledge Centre

Delhi Technological University library building is a four-storied, esthetically designed, centrally air-conditioned structure with a seating capacity of 450. DTU Library, with a collection of more than 2,29,155 text and reference books and a large number of e-journals, e-books, and manuscripts in digital format, is

one of the highly rich engineering libraries in the country. DTU Library provides remote access facilities to all its readers through cloud-based remote access software. The library also helps researchers to maintain due integrity and ethics by providing the facility of similarity check to avoid instances of plagiarism. It has a very active presence on Facebook. Various current awareness services, monthly new arrivals, and user information literacy programs are continually organized throughout the year.

Outreach, Extension and Business Incubation Activities

The university has established many centers like **Center of Outreach & Extension Activities**, **Center of Human Resource Development (HRDC)** and **Equal Opportunity Cell**. The center of outreach & extension activities organizes a variety of activities for promoting public awareness, especially for deprived sections of society including awareness programmes on engineering for class X/XI/XII students. The HRDC center aims to upgrade and enhance the skills and knowledge of faculty at DTU. The university has also established the DTU Innovation and Incubation Foundation (DTU-IIF), pursuant to sub-section (2) of section 7 of the Companies Act, 2013 and rule 8 of the Companies (Incorporation) Rules, 2014. The center offers incubation infrastructure, including space, computing resources, connectivity, common tools, and environment for co-working, collaboration, and innovation. Currently, **57 active start-ups are working in the Centre**. DTU-IIF has received a project of Rs 5,00,000,00/- from DST.

Sports and Other Outdoor Activities

The students of DTU are facilitated by excellent sports complex for indoor and outdoor games. DTU has 4 x 400m racing track, fields for football & hockey. A cricket pitch and courts for volleyball, basketball, tennis, badminton, along with facilities for indoor games. A well-equipped gymnasium is also available in the sports complex in addition to gymnasium facilities in each hostel. The university has engaged coaches in almost all the games to coach the students and nurture university teams. Students are encouraged to participate in various sporting events and tournaments held in, and around NCR of Delhi. From the academic year 2018-19, as per the revised curriculum, the university offers foundation electives to the students of first year and second year of B.Tech. programmes and in these sports have big share of electives.

Hostels for Men, Women and Health Centre

The University has 09 boys' and 03 girls' hostels to accommodate 1614 boy and 800 girl students. Every hostel has its own common room and gymnasium. The hostels are connected via the campus-wide Wi-Fi as well as wired network, enabling the residents to browse the Internet and access online library resources for their academic and research-related tasks. DTU has a full-fledged health center where services of five medical practitioners and round the clock nursing facilities are available. The university has a health centre with OPD facilities in the area of medicine, ophthalmology, dentistry and physiotherapy.

Events and Festivals

The university organizes annual cultural, literary, sports and technical festivals. These festivals not only provide an opportunity to the students to connect with the professional world, but also an opportunity to display their creative and technical skills in several interesting events and activities organized during the fests. The **ENGIFEST, one of the most popular student's cultural event of northern India**, is the annual cultural extravaganza of the university and offers a good mix of literary, cultural, and entertainment events. The **INVICTUS** is annual technical festival of the university where all technical societies of the university host various technical events and competition.

Placements

DTU has been ranked among top institutes in India in terms of placement and higher studies as per NIRF data (2023) in the Engineering category. The university students are placed in reputed companies offering a promising and high-profile career in domains like core sector software and IT services, research, consulting and analytics. More than 282 companies visited the campus in last academic year for campus placement and there were 1820+ offers. More than 316 students have received offers above 20 LPA and there are 709 offers between 10 to 20 LPA. The average package for B. Tech is Rs. 15.45 lacs. The highest domestic package is 85.3 LPA. Some of the top recruiters include Atlassian, Microsoft, Google, Salesforce, Adobe, Intuit, Uber, Texas Instruments, Sprinklr, Qualcomm, GAIL, BEL, Maruti, KPMG, PWC, BAIN, Mckinsey etc.

These leading companies not only offer jobs to the final year students but they also offer paid internships to pre - final year students with highest stipend upto Rs. 2 lacs per month and average stipend of Rs. 71,000 per month.

Fee Waiver Schemes, Scholarships and Financial Assistance

The university provides fee waiver to students with lean financial background. There is a provision of up to 100 percent waiver of the tuition fee component of the total academic fees for those students who fulfill the laid down criteria. In the last academic year, the university granted tuition fee waiver to 829 students amounting to Rs. 9.49 crores. Further, a merit scholarship of Rs. 10,000/- is awarded to the respective topper of all branches of B. Tech. programme. Several Merit-cum-Means scholarship schemes are offered by Govt. of India and Govt. of NCT of Delhi for students belonging to different categories. A dedicated window with Nodal officer is available at Academic Section (UG) for handling all queries related to scholarship Schemes. Students may approach there on any working day between 10:00 am to 2:00 pm.

Further, Delhi Technological University in collaboration with DELL, has initiated Dell Aspire Scholars from this academic year. DELL Aspire Scholars is a distinctive scholarship program, designed to unite a cohort of ambitious students dedicated to both academic excellence and community leadership. Chosen first year scholars will benefit from tailored career coaching, mentorship, and ongoing support extending from their collegiate journey to professional endeavors along with financial assistance. DTU is also offering around 25 merit based scholarships with the support of its Alumni. These scholarships are offered to meritorious students from distinct backgrounds based on criterion proposed by the esteemed Alumni. DTU also provides merit scholarship to the toppers of each branch of BTech Program annually.

Financial assistance for presenting research papers in international/ national conference, innovative projects and for overseas internship is also provided to the deserving students.

University Student Internship Program (USIP)

University has a provision for student's internships through the USIP in which the selected interns are assigned to various academic and administrative units. These student interns while assisting the various departments and units obtain hands on exposure to the working of the university. They are paid a stipend of Rs. 3500/-per month.

Connectivity

More information about DTU can be accessed at <https://dtu.ac.in/>

Netaji Subhas University of Technology (NSUT)
(Formerly Netaji Subhas Institute of Technology)
(Established by the Government of NCT of Delhi vide Delhi Act 06 of 2018)

Netaji Subhas University of Technology (NSUT) is a center of higher technical education in India. NSUT (formerly Netaji Subhas Institute of Technology, affiliated to University of Delhi) is an autonomous Institution under Govt. of NCT of Delhi. It was established in the year 1983 as Delhi Institute of Technology with the objective of meeting the growing demands of manpower in the emerging fields of engineering and technology with a close social and industrial interface. It is beautifully landscaped, with lush green and fully residential campus sprawling in 145 acres of land with all facilities including faculty & staff residences, hostels, cooperative mess, sports complex, banks, kiosks and other amenities. The main campus of the University located at sector-3 Dwarka, houses the diverse community of students, faculties, staff and visitors. Over a period of time, the university has carved a niche for itself, both nationally and internationally, for excellence in education and technical research.

Govt. of NCT Delhi has expanded the NSUT in 2020 further into two more campuses namely East Campus (Formerly Ambedkar Institute of Advanced Communication Technologies & Research) at Geeta Colony and West Campus (Formerly Ch. Brahm Prakash Government Engineering College) at Jaffarpur. The Main Campus of University is located at Sector-3 Dwarka, having a lush green campus spread across 145 acres, to house a diverse community of students, faculty, staff and visitors. A total of thirteen academic departments works in concerted awareness to ensure that students receive the highest possible quality education with wide assimilation.

The University has a smart APJ Lecture Theatre Complex which is energy-efficient, and has cutting-edge technology as its essential feature in every aspect of usage. It has ten Smart Lecture Halls with a seating capacity of 125 each, and a Multipurpose Hall with 270 audience seating capacity. These lecture halls have been equipped with audio/video system for recording and live streaming of lectures, VRV air-conditioning, Godrej furniture, CCTV surveillance system, acoustics etc.

NSUT continues to be a prominent place in popular surveys. The University has been ranked among the top engineering colleges including the IITs and NITs. An amalgamation of its efforts to maintain this benchmark has steered NSUT towards reaching newer and bigger goals. The students have won laurels for their alma mater in several national and international competitions. Year after year, students have availed internships (in MNCs, PSUs and foreign universities). A number of students of NSUT have also been offered admission in the MS/MBA programs in some of the most prestigious universities across the globe. This provides them with an exposure to the world beyond and helps them to imbibe variegated learning experience. Students have also succeeded in getting their research papers published in reputed international journals and conference proceedings every year. The University is a signatory of MoUs with over a dozen international universities and organizations.

Vision:

To be a premiere University of global recognition that provides excellence in Education, Research and Development, to create potential innovators and leaders to serve Society and Nation.

Mission:

- To promote academic growth by offering state-of-the-art Undergraduate, Postgraduate and Doctoral programs and to impart emerging and new knowledge in Research & Development.
- To identify the thrust area of specialization in education based on perception of Regional and National as well as global needs.
- To undertake collaborative projects which offer opportunities for long term interaction with leading Academia and Industries to cater to the needs of the Society and Nation.
- To foster human potential by inculcating responsible behavior, Environment, improvement, Ethics, Innovation and Entrepreneurship.

Programs offered

The Main Campus of the University offers 12 B.Tech, 11 M.Tech, 2 MBA and 3 M.Sc. programs. Besides this, the University offers Bachelors programmes in the field of Design (B.Des), Business Administration (BBA, BBA-IEV), and 2 masters programmes (MA) in English and Applied Psychology.

The East Campus offers 3 B.Tech and 4 M.Tech programs.

The West Campus offers 3 B.Tech and 1 M. Tech. programs. Besides this it offers Bachelor of Architecture (B.Arch.) course.

The University also offers Ph.D programs in engineering, sciences, management, humanities and social sciences. NSUT has embarked on its journey towards excellence in academics through the introduction of a novel system of learning that is being followed in many reputed universities globally. The Choice Based Credit System (CBCS) has been proposed by University Grants Commission (UGC) on recommendations of the National Knowledge Commission, to improve the quality of higher education in India. NSUT proposes to adopt CBCS for its Bachelor of Technology courses

CBCS is the mother of student centric educational reforms. A student is provided with an academically rich, highly flexible learning system blended with abundant provision for skill practice and activity orientation that he/she could learn in depth without sacrificing his/her creativity. A student can exercise the option to decide his/her own pace of learning- slow, normal or accelerated plan and sequence his/her choice of paper, learn to face challenges through term work/ project work and may venture out to acquire extra knowledge/ proficiency through add-on facilities. The great advantage of CBCS is that the learning process is made continuous and the evaluation process is not only made continuous but also made learner-centric and is designed to recognize the capability and talent of a student.

Details of B.Tech. programs in NSUT are as given below.

Programme Name	Programme Code	Number of Seats
NSUT, Main Campus, Dwarka		
Bio-Technology	BT	90
Computer Science and Engineering	CSE	216
Computer Science and Engineering (Artificial Intelligence)	CSAI	144
Computer Science and Engineering (Data Science)	CSDS	72
Electrical Engineering	EE	180
Electronics and Communication Engineering	ECE	216
Electronics Engineering (VLSI Design and Technology)	EVDT	72
Information Technology	IT	144
Information Technology (Network and Information Security)	ITNS	72
Instrumentation and Control Engineering	ICE	180
Mathematics and Computing	MAC	90
Mechanical Engineering	ME	216
NSUT, East Campus, Geeta Colony		
Computer Science and Engineering (Big Data Analytics)	CSDA	72
Electronics and Communication Engineering (Artificial Intelligence and Machine Learning)	ECAM	144
Computer Science and Engineering (Internet of Things)	CIOT	72

NSUT, West Campus, Jaffarpur		
Civil Engineering	CE	72
Geoinformatics	GI	72
Mechanical Engineering (Electric Vehicles)	MEEV	72
Bachelor of Architecture	BArch	40

NSUT offers its B. Tech. students the option of Minor degree in various disciplines. **Minor degree** refers to a supplemental second discipline of study and concentration that often complements the major. Some students use a minor degree to pursue personal interests, while other students may pursue a minor to gain specific specialization and make themselves more attractive to employers. University has laid out a framework of required courses a student is required to complete to earn their selected minor. Minor degrees offered by various departments of NSUT are as given below.

Department	Minor Degrees
Electronics and Communication Engineering	Communication and Networking
	RF, Microwave and Signal Processing
	Microelectronics Circuits, VLSI and Embedded Systems
Computer Science and Engineering	Artificial Intelligence
	Data Science
	Software Designing and Development
Information Technology	Network Computing and Security
	Machine Intelligence and Data Analytics
Mechanical Engineering	Automobile
	Computer Aided Design
	Robotics and AI
	Manufacturing & Industrial Engineering
Instrumentation and Control Engineering	Biomedical Instrumentation
	Robotics and AI
	Intelligent Control
Electrical Engineering	Renewable Energy Systems
	Power Systems
	Power Electronics and Electric Drives
Biological Sciences and Engineering	Health Technologies
	Agriculture and Environment Technologies
Civil Engineering	Structural Engineering and Construction Management
	Geotechnical and Transportation Engineering
	Environmental Engineering and Water Resources
Geoinformatics	Geoinformatics

For example, student of Bio-Technology or Instrumentation and Control Engineering or Mechanical Engineering or Electronics and Communication Engineering may opt for minor degree in Artificial Intelligence along with Major degree in BT or ICE or ME or ECE. Similarly, a student of Computer Science and Engineering may opt for Minor degree in Data Science or Robotics and AI or Health Technologies or any other of his/her choice.

Degree Offering Faculty/Departments

NSUT has eighteen departments under eight faculties.

1. Faculty of Information Communication and Technology (ICT)
 - a. Department of Electronics and Communication Engineering (Main Campus)
 - b. Department of Electronics and Communication Engineering (East Campus)
 - c. Department of Computer Science and Engineering (Main Campus)
 - d. Department of Computer Science and Engineering (East Campus)
 - e. Department of Information Technology (Main Campus)

2. Faculty of Electrical and Mechanical Engineering
 - a. Department of Mechanical Engineering (Main Campus)
 - b. Department of Mechanical Engineering (West Campus)
 - c. Department of Instrumentation and Control Engineering (Main Campus)
 - d. Department of Electrical Engineering (Main Campus)
3. Faculty of Interdisciplinary Studies
 - a. Department of Biological Sciences Engineering (Main Campus)
 - b. Department of Geoinformatics (West Campus)
4. Faculty of Infrastructure Technology
 - a. Department of Civil Engineering (West Campus)
 - b. Department of Architecture (West Campus)
5. Faculty of Design
 - a. Department of Design (Main Campus)
6. Faculty of Sciences
 - a. Department of Mathematics
 - b. Department of Physics
 - c. Department of Chemistry
7. Faculty of Humanities and Social Sciences
 - a. Department of Humanities and Social Sciences
8. Faculty of Management Studies

Research

The faculty and students at NSUT are active in research areas such as Analog Signal Processing, VLSI, Wireless and Optical Communications, Image Processing, RF and Microwave Engineering, Computer Networks, Artificial Intelligence, Data Science, Software Engineering, Soft Computing, Robotics, Industrial Engineering, Composites, Welding, Modern Methods of Manufacturing, Industrial Engineering, Process Control, Renewable Energy, Power Electronics, Hybrid Energy System, Bio-medical Instrumentation, Intelligent Control, Mathematics, physics and Chemistry. The faculty members have published more than 1600 research papers in reputed international journals and conferences since 2016. They have also won several awards for their research contributions.

Computer Centre

Central Computer Centre at NSUT is a state-of-the-art facility for nurturing the computing requirements of its students and faculty. It is well equipped with 400 All-in-One Desktop Computers with best-in-class configuration. These computers are populated with all the software required by the students in their curriculum. Central Computer Centre looks after the operation of the campus wide network (wired and Wifi) of NSUT which covers every nook and corner of the campus. NSUT has a 1 Gbps Internet Link from NKN which is being upgraded to 10 Gbps in the coming few months. Computer Centre also manages the University's Webserver, Email facility for every NSUTian and Cloud based University Management System.

Center of Excellence (Artificial Intelligence)

To support the academics in AI, the Centre of Excellence (CoE) in Artificial Intelligence at NSUT shall provide the high-performance computing (HPC) facility for the institutions of Degree and Diploma levels under Govt. of NCT of Delhi. The Centre of Excellence is developed with the financial support from the DTTE/DKDF. High-performance computing applications in Artificial Intelligence shall make use of Deep Neural Network Models, which typically consist of very large matrix multiplication and accumulation operations. These operations can be computed on multiple cores and are embarrassingly parallelizable on Graphical Processing Units. Further, Tensor cores enable these operations in mixed precisions without losing any accuracy.

The University is in the process of establishing two more Centres namely- Centre of Internet of Things, and Fab Lab.

State of the Art Studio

State of the art Studio has been set up for recording and live streaming of lectures, interviews and debates etc. This studio will also be used for imparting skill based short-term courses in photography, video editing, cameraman etc.

Student's achievements

The University students have been a regular recipient of accolades at various International events and competitions. CANSAT - Team Kalpana-1, an undergraduate student's team, reached the finals of CANSAT Competition 2018 conducted by American Astronautical Society (AAS) and NASA by securing a percentile rank 7 out of 165 teams worldwide. A Delegation of students from NSUT was awarded the Outstanding Delegate accolade in World Health Organization and the Diplomatic Mention award in GA - SPECPOL at the 64th edition of Harvard National Model United Nations in 2018. Team Ares, a team of space enthusiasts, qualified for the European Rover Challenge 2018 which was conducted by the Mars Society & The European Space Society and is the first and only Indian team to qualify in their first attempt. Venture Deep roots, a company that makes Computer Vision based Intelligent Platform, won the award for the 'Most Investable Idea' at YSIF, Peking University, Beijing. It was the only Indian enterprise to be selected among 35 excellent ideas presented at the summit.

Campus Facilities

The University Campus has Medical Facility (including Physiotherapy and Homeopathy), Power backup, Incubator centre (for students, alumni and faculty), yoga & meditation Centre, Gym facility, University management system, university networking system, internet facilities, broadband facilities, fully Wi-Fi campus, CCTV cameras, bio metric system, Student Activity Centre, sports complex, Two banks, ATM, beautiful horticulture department & landscaping lawns and a shopping complex. A prominent feature of NSUT's campus is the vast expanse of flora & fauna that envelopes its entirety.

Counselling facilities are available in NSUT. A trained and professionally qualified Psychologist is available at the campus to attend the various psychological and emotional needs of the students.

Placements

The past performance of the outgoing batches has done us proud. In the past, eight students have been offered an annual package of Rs. 1.25 crores by Google. Apart from that, various companies like Goldman Sachs, Intuit, Microsoft, Amazon, Walmart, Linkedin, Tower Research, Adobe, Direct I, Qualcomm, Texas Instruments, Synopsys, SanDisk, Nvidia, Maruti, Samsung, Bain, KPMG, McKinsey, PWC, GAI, BEL, C-Dot, Aricent and Accenture among others have been visiting NSUT regularly for placements and the number of companies has been on the rise ever since. A number of PSUs have also visited the University and have been recruiting regularly. NSUT has also witnessed its alumni become administrators by bagging Ranks 1 and 3 in the UPSC examinations.

Incubation and Innovation Foundation (NSUT-IIF)

NSUT has Incubation and Innovation Foundation (NSUT-IIF) within the university campus. It was opened to incubate startups of NSUT students, alumni, faculty of NSUT, any other incubatee under the guideline of Delhi Government at NSUT for two years with seed money/funding from the NSUT-IIF. Netaji Subhas University of Technology won the first prize in the category "Institution Supporting Startups" sponsored by Niti Aayog and All India Council for Technical Education (AICTE). NSUT IIF provides a host of support services to start-ups and organizes selection of newer incubatees. Some of the startups incubated by NSUT IIF are Zalonin, Vkarma, CacheFi and Bonfarmo. Various societies at NSUT like IEEE, SAE, ISA, CSI, and CEDT Lab at NSUT have helped students learn skills to develop technology-based projects.

Hostels

The University maintains SIX hostels on main campus, four for the boys and two for the girl's students of the University. The four Boys' Hostels are named Aryabhata Hostel, Bhaskar Hostel, Raman Hostel and Ramanujan Hostel. The two Girls' Hostels are named Sarasvati Hostel and Kaveri Hostel. Kaveri Hostel is air conditioned hostel. Each Boys hostel has over 270 capacities. There are single seater and double

seater rooms. Each room is equipped with basic furniture like cot, chair, table, and cupboard, tube light and fan. The Girls hostel are triple seater. Each of the hostels provides mess facilities for the residents. A common room, gymnasium, reading room and sports facilities are also available for residents. There is a provision for round the clock water and electricity facilities for the hostels. It is concerted effort of the University to provide a wholesome hostel facility for the residents and help them pursue their respective academic goals to their best. The University has two Hostels to accommodate 52 male and 52 female foreign students with State-of-Art facilities. There is no hostel facility available on the NSUT east campus and west campus. *Students may stay in PGs (paying guest accommodations) outside the campus.*

Central Library

NSUT Central-Library is the heart of University. It functions from first & mezzanine floors of centrally air-conditioned Library building having plinth area of 2000 square meter. It is the largest library in the cluster, 'Delhi Government Library Network' of 'A Digital Agenda for Automation and Networking of Government Libraries from NIC'. It works to meet and promote the needs of print/electronic publications for teaching, research, training and working of each member of the University to ensure quality education & development of the nation. The automated and personalized library services are provided to each user through his/her mobile phone.

Sports Activities

NSUT offers state of art facilities in the domain of physical education, providing, fully air-conditioned Gymnasium with all the latest fitness and strength equipments, air-conditioned facility of Billiards, Pool Table and Table Tennis, indoor Badminton Court, International Size Cricket Ground with three Center Turf Pitches, Practice cricket Nets, Basket ball Courts, Volleyball Courts, Lawn Tennis Courts, 400 meter cinder Running Track, International Size Football Field. The students of NSUT participated at the various North Zone Inter University, All India Inter University Tournaments and various other national level tournaments organized by IITs, NITs and other professional Institutions. Besides participation at various sports, the Department also organizes various Inter College and Inter University Tournaments. The University is running the Foundation Elective (Sports -01 and Sports-02) course under CBCS scheme under the Department of Personality Development. The university provides professional coaching to the students of the university through professional sports coaches.

Societies and Clubs

To inculcate team values and nurture the talent of students, various university level **societies and clubs** are active in the campus like Technical Societies, Non-Technical Societies, Recreational Clubs, Literary Clubs, Automotive Clubs and Community Service Initiatives. The University is known for its brilliantly organized inter college fests - Moksha and Innovision – which are frequented by stars and musicians of international repute & attended by students from all over India. These fests facilitate holistic development, promote team culture and help free the mind & spirit.

Fee reimbursement and Incentives

NSUT has introduced the fee reimbursement for top ranking students admitted in university and the financial assistance for financially weaker students as per Chhatra Vittiya Sahayta Evam Protsahan Kosh (CVSPK) Scheme-2020. This Scheme also has the provision to give incentives for joining Defense Services or IIMs or top ranking Universities of the world, and also for selection in national level competitive examinations as GATE and UPSC. More information can be accessed at university website.

East Campus

The Campus is located at Geeta Colony, East Delhi having an area of 8.5 acres in which a state-of-art campus with ultra-modern facilities and lush green ambiance all around is built. It has four academic departments, decorated with highly educated faculty members and well-equipped laboratories. This campus is well connected to the city transport system like city-bus, metro etc. and has the facilities like centralized air conditioning in all the labs, RO system for drinking water, well equipped library, centralized computer centre, playground, rain harvesting system, nursery etc.

West Campus

The Campus is located on the outskirts of South-West Delhi, which is approximately 8 Km. from Najafgarh & about 15 Km. from Dwarka Mor Metro Station. A large number of buses ply on this route and the construction of Delhi Metro is also advancing closer to the Campus. It provides adequate opportunities to budding engineers and makes them ready to be adequately shaped for taking the challenges of evolving national and international engineering market. All the laboratories are well equipped. Since 2015, an English Language Laboratory has also been added where mock interviews, group discussions, lectures *etc* are conducted for the students. There is the summer and winter training programs for all the students such as survey camp for the Civil Engineering students so that their field surveying skills can be honed.

Geoinformatics is an interdisciplinary department which combines the use of geospatial data with information science and technology. It offers a mixture of analytical, technical, and problem-solving skills in a field which is immensely important in today's data-driven world. The department finds its importance in various fields such as defence technology, urban planning, disaster mitigation, natural resource exploration, transportation, planetary science and many more. With the ongoing technological advancements, the subject geoinformatics is also evolving and is used for solving real world problems, majorly with the help of remote sensing. At NSUT, Geoinformatics is pursued under the able guidance of faculty of Information Technology and Civil Engineering. The course majorly provides exposure to subjects of Information Technology and Civil Engineering which is used for data acquisition and management.

Connectivity

NSUT (Main Campus): NSUT Main Campus is located in Dwarka - South West Delhi.

By Metro

- 01 Km from Dwarka Mor Metro Station.
- Use the Delhi Metro Service towards Dwarka and get off at the Dwarka Mor Metro Station.
- Then board any Bus towards Dwarka from Dwarka Mor Bus Stop and get off at NSUT Main gate
- Take Auto or Cycle Rikshaw from Dwarka Mor Metro Station to reach NSUT

By Bus

- 764 - Nehru Place-Najafgarh IIT, R.K.Puram, Domestic airport, Palam, Dwarka, NSUT Main Gate
- 727 - Jawahar Lal Nehru Stadium-Najafgarh Vasant Vihar, Airport, Palam, Dwarka, NSUT Main Gate
- 783 - Shaheed Bhagat I.T.O., Barakhamba Rd, Udyog Bhawan, Teen-Murti, Dhaula Kuan, Delhi Cantt, Janak Puri, Uttam Ngr, Sewak Park /Dwarka Mor

NSUT (East Campus): NSUT East Campus is located in Geeta Colony, Delhi.

By Metro

- Kashmiri Gate Metro Station (yellow line) change the metro to Shastri Park Metro Station (Red Line towards Dilshad Garden). Take Gramin Sewa auto to reach the campus
- Laxmi Nagar Metro Station. Take bus/auto to reach the campus
- Nirman Vihar Metro Station. Take Gramin Sewa to Jheel Chowk from there campus is on walking distance

NSUT (West Campus): It is connected by DTC Buses from Najafgarh, Dwarka Mor Metro Station, JanakPuri, Uttam Nagar, and Tilak Nagar.

DTC Bus Route	DTC Bus Stand
827,821,878	Jaffarpur Hospital
835,836,848	Rawta More

For further details: Please visit: <http://nsut.ac.in/>

Indira Gandhi Delhi Technical University for Women (IGDTUW)

(Established by the Government of NCT of Delhi vide Delhi Act 9 of 2012)

(NAAC A+ Accredited University)

Education - Enlightenment - Empowerment

IGDTUW believes and materializes the fundamental truth that educating a woman is the most effective way of educating a family, a society and a nation because "Educating Women is Educating Generations". Since its inception as a University in May 2013, IGDTUW has been recognized at National and International levels as University with Holistic approach for envisioned Science, Technology, Engineering and Management (STEM) for educating Women and empowering society through rigorously and meticulously crafted programs in education and research. The stellar performances of IGDTUW are obvious in the recognitions and awards from National and International Agencies are listed briefly ahead:

- IGDTUW has proudly signed an MOU with **University of Wollongong Australia (UOWA)** for 2+2 Credit Transfer Articulation. Students enrolled in this scheme shall study 2 years each in India and Australia respectively. Students will be awarded International Degree by University Wollongong Australia (UOWA) and gets an International Exposure of Dynamic market of the technical horizon.
- IGDTUW is decorated with prestigious NAAC A+ in recent assessments. IGDTUW is only 2nd NAAC A+ Grade University in Delhi.
- It is matter of immense pride that IGDTUW secured 40th position in the overall "World's Universities with Real Impact (WURI) Ranking", as the Innovative Universities for 2023".
- The University also bagged 8th position in the special category "Entrepreneurial Spirit of WURI ranking, 2023".
- IGDTUW has been conferred with **New Code of Education Award** by AICTE for 2023 India Today Rankings 2023.
- IGDTUW makes India Proud by being shortlisted in the "The Awards Asia 2023" under the category "Outstanding Support for Students".
- Awarded the **2nd fastest growing University** by India Today group-2023.
- IGDTUW has been conferred with the prestigious FICCI University of the Year Award 2021 (1 to 10 Years Category) for its continuous commitment towards Quality Education and FICCI University of the Year Award 2022 (For Best Placements).
- IGDTUW made India Proud by raking into the band of 101-200 by prestigious 'Times Higher Education World Impact Rankings' for Sustainable Development Goal (SDG-4) i.e. Quality Education and Sustainable Development Goal (SDG-5) i.e. Gender Equality
- IGDTUW has been conferred **University Excellence Award** during Indian Engineering Congress Centenary Celebrations in December, 2021.
- IGDTUW has been conferred with "Institution of Happiness (IOH) Award" in the University and College category by QS I-Gauge and ASSOCHAM for the year 2021-22.
- IGDTUW is awarded with "Best University in North India for Teaching Excellence 2022" for dedicated and exemplary contribution towards Education, Skill and Research.
- IGDTUW is the only Government University in India, selected by QS I QUAGE for awards of **E-LEAD INSTITUTE** for E-Learning Excellence for Academic Digitization.
- Awarded with a **Diamond Rated University** through rigorous analysis against performance metrics by QS I-Gauge (Indian College & University Rating).

IGDTUW has been functioning from its historic campus at Kashmere Gate and efficiently hosting a vibrant Teaching & Learning, Research-Oriented Centers in various branches of Engineering, Technology and Management and promoting advancement & dissemination of research led knowledge among women from all over the country. The University proudly earned the name of modern women educational hub and serving a key role in meeting demands of professionally skilled (with ethical values) women workforce in

high-tech domains. The strategic intent (VMO) of the University is to foster industry relevant research, innovations and empower the women of our country through value-based higher education making them Employable, Self-Reliant, Entrepreneur, Responsible Citizen of the country with concern for Environment and Society. From Academic session 2024-25 onwards, the University is NEP 2020 compliant and shall enable flexible learning for Indian Women students. The university is committed about developing Sustainable systems and State-of-the-Art infrastructure to enable the Indian women to become future Leaders, Managers, Researchers, and Productive Team Players in the field of Science, Engineering, Technology and Management.

Infrastructure and Transforming students into Leaders through Meticulous Programs

IGDTUW has a State-of-the-Art Infrastructure comprising of modern well-equipped Labs, fully Wi-Fi enabled campus, Computer Centre, fully Automated Library, Auditorium, Multi-purpose Hall, Conference Room, Seminar Room, Hostels, Sports & Recreational Facilities, etc. Labs are equipped with high end latest hardware, software and other necessary equipment. University has procured supercomputing system i.e. **DGXA100 GPU Server** from NVIDIA which has 8 number of A100 GPUs with 40 GB memory per GPU along with 100TB storage. Also State of the Art computing labs and licensed software including MATLAB, PTC CREO, CATIA, OXYGEN Forensics Toolkit, FluidSim, NetSim etc along with a basket of open-source software and toolkits.

The university has worked hard to build a strong Academic Curriculum with a rich diversity of courses and is working towards new Academic Initiatives. Academic Innovations have always been topmost in the priorities of the University.

With globalization, today's graduates need to be flexible, to be able to learn quickly and to be able to innovate to produce products and services that can cater to local needs and global standards. The institute has designed the B. Tech. curriculum from the ground up to produce Technology-savvy Leaders and Designers for future India through the **Choice Based Credit System (CBCS)** based curriculum where student has freedom to study subjects of her choice. NEP 2020 compliance has fortified the syllabus contents and learning flexibility to best suit the aspirations of future Indian generations, requirements of Industry 6.0 and economic upbeats in the path of Developed India by 2047.

Curriculum includes subjects from **Departmental Core Courses, Departmental Elective Courses, Skill Enhancement Courses, Ability Enhancement Courses, Interdisciplinary and Multidisciplinary Courses and Generic Open Elective Courses**. Students can also join MOOC courses from NPTEL and other industry supported platforms. Students can choose the **Project Track, Research Track or Entrepreneur Track** based on her interest for minor and major project work. As per NEP 2020 guidelines, students have flexibility for Multiple Entry and Multiple Exit option during the program.

The curriculum has a broad base of courses in Engineering, Management, Humanities and Architecture. The syllabi are continuously updated and new courses are added from time to time. Academic Council and the Boards of Studies have strong representations from industry in addition to academicians from top Academic Institutions. University is offering the following programs:

Under Graduate Programs:

- **Bachelor of Technology (B. Tech.) in**
 1. Computer Science and Engineering (CSE)
 2. Computer Science and Engineering – Artificial Intelligence (CSE-AI)
 3. Electronics and Communication Engineering (ECE)
 4. Electronics and Communication Engineering – Artificial Intelligence (ECE-AI)
 5. Information Technology (IT)
 6. Artificial Intelligence and Machine Learning (AI&ML)
 7. Mechanical and Automation Engineering (MAE)

- **Six-Year Dual Degree Bachelor of Mechanical and Automation Engineering (B.Tech. - MAE) and Mater of Business Administration (MBA) with Exit Option after 4 years (DMAM)**
- **Bachelor of Architecture (B. Arch.)**
- **Bachelor of Business Administration (BBA)**

Post Graduate Programs

- **Master of Technology in**
 1. Computer Science and Engineering – Artificial Intelligence (CSE-AI)
 2. Artificial Intelligence and Data Science (AI&DS)
 3. Information Technology - Cyber Security (IT-CS)
 4. Electronics and Communication Engineering-VLSI (ECE-VLSI)
 5. Robotics and Artificial Intelligence (R&AI)
- **Master of Planning (Urban Planning)**
- **Master of Business Administration (MBA)**
- **Master of Computer Applications (MCA)**

PhD programs in CSE/IT, Computer Applications, ECE, MAE, Electrical Engineering, Management, Architecture and Planning, Physics, Chemistry, Mathematics and English.

Admission under DASA and Sports Category

Besides JAC, IGDTUW offers admissions to international students through the Direct Admission of Students Abroad (DASA) scheme. This program allows foreign nationals, Persons of Indian Origin (PIOs), and Non-Resident Indians (NRIs) to pursue undergraduate and postgraduate courses at IGDTUW. The University recognizes the importance of sports and encourages talented women sportspersons to pursue higher education. Two seats have been reserved for sports category. **For admission and information about DASA and Sports Categories, aspirants may refer IGDTUW website.**

Ecosystem for Research

Research is an integral and most important part of IGDTUW. As a Technical University we are keen on promoting faculty and students for research work.

a. Promote Quality Research

- Research Incentives and Awards to celebrate exceptional performances:** Every year, faculty members/PG/PhD researchers are awarded with a Cash Prize & Award for outstanding contribution to Research.
- Research Awards for Students:** To boost the culture of Research & Innovation, students at UG/PG Level are bestowed with Cash Prize & Certificates for best paper publication.
- Research Grants:** IGDTUW provides **financial assistance** to all the faculties/students to **participate in conferences at National/International level.**
- Premier Patent Awards:** A cash prize of **Rs. 5,00,000** is awarded along with a certificate of merit for **Grant of US/UK Patent.**
- Commendable Patent Awards:** A cash prize of **Rs. 2,00,000/-** is awarded along with a certificate of merit for **Grant of Indian Patent.**

- Promote Sponsored Research:** IGDTUW has fetched more than 15 projects from Department of Science & Technology (DST), Ministry of IT & Electronics (MietY), Department of IT and Electronics (DietY), Ministry of Education (MoE) etc with the funding of more than Rs. 20 Crores in ongoing projects. Completed project worth Rs 7 Crores is also funded by various funding agencies. Research is inherent part of IGDTUW curriculum.

- c. **Centre of Excellence:** It is a matter of immense pride and honour for faculty and students of IGDTUW that the university has set up following Centre of Excellences (CoE) with ultra-modern high-end facilities:
- i. **Centre of Excellence (CoE) in Artificial Intelligence:** IGDTUW has received a whopping grant of Rs. 8.5 Crores from DST for establishing CoE in AI.
 - ii. **Centre of Excellence in Mechatronics:** IGDTUW has received a massive funding of Rs. 8.67 Cr, given by DKDF, Delhi Govt. for set up CoE in Mechatronics to promote research on Drones, Robotics and Industrial Automation.
 - iii. **Rekhi Centre of Excellence for the Science of Happiness:** IGDTUW has signed an MoU with Rekhi Foundation for Happiness, USA to develop a platform that would help in imparting the Knowledge of Happiness and Positive Psychology and contribute towards developing an eco-system of Happy & Successful people.
 - iv. **NIDHI TBI: Department of Science & Technology, Govt has sanctioned Rs. 6 Crores to accelerate & boost** Innovation, Entrepreneurship, Start-ups and Incubation related activities at the University Campus.
- d. **Prestigious Collaborations:** IGDTUW has collaborated with several industries for knowledge updation & bridging the gap between academia and industry. Few of these collaborations worth mentioning are: **NASSCOM & CISCO** for setting up of **thingQbator** Innovation Lab & **M/s Flour Daniel** for setting up Turning Lab (both under their CSR activities), **EATON Foundation** for Internship placement and scholarship to students, **IBM India Pvt Ltd** for academic growth and Technological advancement, **Amazon AWS, Ennoble IP, GiZ Germany, ORTISLaw**, etc. University has also signed MoUs with prestigious Universities and Research Institutes across the globe including **Universiti Malasia Perlis, Malaysia, James Cook University, Australia, NAIST Japan, Maykop State Technological University, Russia, Indian Institute of Information Technology, Pune, University of Wollongong Australia (UOWA)** and others. University has a strong collaboration with **UNESCO-MGIEP** for integrating social emotional learning (SEL) into the academic curriculum.

Clubs and Societies

Students are encouraged to take part in various *curricular and extra-curricular activities, competitions, Hackathon etc.* On several occasions, they represented the university and won prizes and medals at National/International Levels and brought laurels to the university. The University has **Seven Technical Societies** like ACM chapter, IEEE, OSA, WiBD, IETE etc., **Fourteen Institute Level Societies** and **Four Clubs** focusing on various Technical, Art & Culture and Environment activities.

Placement Opportunities at IGDTUW

During Placement Season 2023-24, the IGDTUW students achieved unprecedented success in showcasing their talent and unwavering determination, securing their place as future industry leaders. Renowned tech giants like Google, Atlassian, Microsoft, Adobe, Goldman Sachs, JPMC, Cisco, Amazon, Walmart and Uber actively sought to recruit IGDTUW's exceptional students, culminating in a phenomenal total exceeding 1,200 offers at present. This momentous achievement encompasses a staggering 172 pre-placement offers, 365 coveted full-time positions, 250 prestigious six-month internships, and an additional 429 summer internships secured by IGDTUW's talented student body. The highest placement offers reached an awe-inspiring INR 56 Lakhs LPA by Adobe, a testament to the caliber of IGDTUW graduates.

Furthermore, IGDTUW fosters strong relationships with over 135 industry partners, ensuring a robust pipeline of internship, pre-placement, and placement opportunities for students as early as their second year. This year's Placement Season witnessed a wave of new industry leaders joining the IGDTUW fold, including Texas Instruments, Observe.AI, Corning, AQR Capital, and Tesco. Their presence further validates the exceptional talent pool nurtured at IGDTUW.

Adding to this remarkable accomplishment, the average compensation offered to undergraduate students stands at an impressive INR 20.04 LPA, solidifying IGDTUW's reputation for producing industry-ready

graduates with bright futures. The outstanding talent and diligence of the students, as well as the unwavering dedication of the faculty and staff at IGDTUW, have culminated in this exceptional placement season. They have left a lasting impression on the institute's history and served as a bright example for upcoming IGDTUW student generations.

Fee Waiver/Scholarships/Financial Support

Various Fee Waiver/Scholarships/Financial support schemes have been incepted in IGDTUW to motivate the meritorious students and to support the students from economically weaker sections.

- Students get benefit from various Government Schemes like Merit Scholarship, Merit-cum-Means scholarship, Post Matric Scholarship, Prime Minister Scholarship and others.
- Industries like Eaton, DLF, Nutanix and others also provide financial support to the meritorious students.
- Students are facilitated and supported to apply for Scholarships at Centre, their home State, Corporates. Further details are available on IGDTUW Website.
- Approx. 50 students get scholarships of worth 25 Lakhs from Shraman Foundation, USA
- 100% Tuition Fee Waiver to First Rank Holder of B. Tech. Program in each department under EWS Category *.

*Note: For details guidelines, please refer to university website.

Alumni Network

In addition to our remarkable placement statistics, we are thrilled to highlight the active presence of our esteemed alumni community. The IAS (IGDTUW Alumni Society), our registered alumni society, plays a pivotal role in fostering a strong bond between our alumni and the university. The University's Alumni Body is a vast and thriving community of Technocrats, Senior Executives, Successful Entrepreneurs, and Leaders of Society. Internships with government bodies and various MNCs are encouraged for more holistic learning. IGDTUW alumni are working with many prestigious companies like Facebook, Microsoft, Adobe, Cisco, SAP Labs, Oracle, Qualcomm, Mahindra & Mahindra, General Motors, Cognizant, Aricent, Tata Consultancy Services, Yamaha Motors, Hindustan Unilever, IBM India, and many more. Many Institute's Alumni are pursuing higher studies at the University of Johns Hopkins University, CMU, University of California, Berkeley, UCLA, New York University, University of Michigan, etc.

IGDTUW Anveshan Foundation

IGDTUW has promoted and incorporated a separate Section 8 Company under the Companies Act, 2013 to propagate Entrepreneurial Culture and Ecosystem among Women, in the year 2016. Anveshan has received a total grant of more than Rs. 12 Crores from the GNCTD and Government of India. All kind of facilitations (pertaining to the start-up ecosystem) are provided by Anveshan Foundation in five phases of such as i) Pre-incubation, ii) Incubation, iii) Acceleration, iv) Post-incubation and even v) Virtual Incubation. Anveshan provides enormous facilities to the aspirant and budding women entrepreneurs. In Pre-incubation, activities related to Motivation, Ideation, PoC, PoV, Innovation, Prototyping, MVP, Feasibility, Prior Art, Intellectual Property Right, Pitching Deck, Business Plan and Presentation skills are provided to the participants by Anveshan Foundation. A full-fledged E-Cell (Entrepreneurship Cell) is actively working for and by the University Students.

Total twenty-five private limited companies have been facilitated by Anveshan Foundation. All of these incubates are women enterprises. Incubation Center provides facilities for Company Incorporation, fully furnished air-conditioned office space, complete ICT and free consultancies in technical, business and strategic front to all of its incubatees. Many of these incubatee companies are provided seed fund of up to INR 10 lakhs.

IGDTUW Anveshan Foundation is inviting application for its next batch of Incubates. Any women candidate/ enterprise can apply online/ offline. www.anveshanfoundation.org

For more information about IGDTUW please visit IGDTUW website <https://igdtuw.ac.in>

Indraprastha Institute of Information Technology (IIIT-Delhi) (Established by the Government of NCT of Delhi vide Delhi Act 5 of 2008)

About IIIT-Delhi

Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) was created by an Act of Delhi legislature empowering it to carry out Research and Development, conduct educational programs, and grant degrees. The General Council is the apex body of the Institute, chaired by Hon'ble Lt. Governor of Delhi and the Board of Governors is the policy and decision-making body of the Institute. The Senate is empowered to take all academic decisions.

IIIT-Delhi is a comprehensive research-led teaching Institute where faculty, students, staff, and alumni work together in a spirit of discovery and creativity to build a better world. The Institute emphasises quality education, curiosity-led research, and innovation leading to entrepreneurship. The teaching activities at the Institute derive strength from the cutting-edge research conducted by faculty, strong industry linkages, and international collaborations.

Mission Vision and Values

IIIT-Delhi is committed to playing a scientific leadership role by creating new knowledge, defining the future of IT and allied areas, preparing leaders for tomorrow, and making a tangible impact for the betterment of society. Accordingly, the institute has recently re-visited the Mission, Vision and adopted some values which are mentioned below:

Vision

Be reputed for research with high scholarly impact, as also for translational research that addresses problems of the nation. Develop our students into well-rounded graduates with the knowledge and perspective to address and lead multi-disciplinary challenges. Provide an enriching environment for us and all those we interact with.

Mission

Foster Learning, Knowledge Creation, Curation, and Dissemination for a Thriving Humanity

Values

Integrity

Integrity is doing the right thing (through your words, actions and beliefs) even when no one is watching.

Compassion

Compassion is about treating others with kindness, empathizing with what they are going through, and supporting them.

Trustworthiness

Trustworthiness is the ability to be honest, dependable, and reliable.

Initiative

Initiative is the ability to be resourceful and work without always being told what to do.

Freedom of enquiry

The freedom to pursue knowledge without fear, interference or censure. To express and accept disagreement respectfully.

Academic Departments

IIIT-Delhi has six academic departments – **Computational Biology (CB)**, **Computer Science and Engineering (CSE)**, **Electronics and Communications Engineering (ECE)**, **Human Centered Design (HCD)**, **Mathematics (Math)**, **Social Sciences and Humanities (SSH)**.

Faculty

The quality of education and the institution is mainly dependent on its faculty. There are 95 regular faculty members and 11 visiting faculty members. IIIT-Delhi has, since its inception, been following a tenure-track system and recruiting Professors of Practice. These are now included in the recommendations of the National Education Policy 2020. The Institute offers generous faculty fellowships.

IIIT-Delhi is proud to have experienced teachers leading its six departments. All regular faculty members of the Institute have a Ph.D. from reputed universities in India and worldwide. Most faculty members have post-doctoral experience from abroad and regularly collaborate with researchers across the globe.

Apart from the regular faculty, several industry leaders and professionals are also associated with the Institute as Professor of Practice, Visiting faculty, and adjunct faculty.

The Institute also encourages entrepreneurship and intrapreneurship among its faculty. Over 15% of the faculty members are engaged in entrepreneurial activity on campus. Many faculty members are also associated with industries through consultancy projects, and some of them serve either as members of the Board of Directors or on the advisory committees. Faculty members have also won many accolades, awards, and esteemed fellowships including the Young Scientist Award by URSI, Ramalingaswami Fellowship by DBT, CXO Health Excellence Award, IBM Faculty Award, and Young Faculty Research Fellowship by MeitY to name a few.

Research Centres

IIIT-Delhi boasts several Research Centres, where faculty members, often from different departments, work together on collaborative research projects. Most of these Research Centres are externally funded and define their research agenda. The Research Centres are involved in high-impact, industry-facing projects. Currently there are nine research centres mentioned below;

Innovation and Incubation

IIIT-Delhi has set up a **Technology Innovation Hub (ihub)** under the National Mission on Interdisciplinary Cyber-Physical Systems to catalyze state-of-the-art research, technology transfers, industry engagement, and entrepreneurial

activities. IIIT-Delhi is also a part of the Delhi Science and Technology cluster and addresses some of the hyperlocal problems through research.

The Institute has a healthy innovation ecosystem leading to entrepreneurship. The **IIITD-Incubation Centre** is instrumental in driving the growth of entrepreneurial activities at the IIIT-Delhi campus, which includes providing incubation support, funding, infrastructure, mentoring, etc., to students, faculty members, alumni of the Institute, and other entrepreneurs working on technology start-ups. Funds from DST, MEITY, and the Delhi Government supports the Incubation Centre.

The 21st century has made us all realise the importance of developing and investing in startups that work upon adapting to evolving technologies and creating solutions for a better future. At a global level, India is emerging as one of the biggest startup ecosystems. Thus, following upon these footsteps we the **Entrepreneurship Cell (E-Cell)** of IIIT-Delhi is a group consisting of the students of IIIT-Delhi committed to foster the entrepreneurial spirit amongst the students by publishing a weekly Newsletter, organising Founder's & Wisdom talk, spreading awareness by posting insightful as well as informative content related to entrepreneurship and organising events like PitchCafe, Ideathon, the Perfect Escape, Scaleup and many more.

Ranking

Being a world-class institute, IIIT-Delhi has achieved recognition in both national and international rankings. It has also been honored as the University of the Year and received the Excellence in Faculty Award from FICCI Higher Education Awards.

Infrastructure & Facilities

IIIT-Delhi's 25-acre campus is located in Okhla Phase-III and has facilities for teaching and research, hostels for both boys and girls and provisions for facilitating sports.

The Institute takes pride in maintaining a green campus and has been bestowed with the **AICTE Clean and Smart Campus Award three times consecutively**. IIIT-Delhi has a built-up area of 100,000 square meters. The academic campus includes a modern lecture hall complex, R&D Block, state-of-the-art classrooms, research labs, a Library and Information Centre, Incubation Centre, newly-constructed hostels for boys and girls to accommodate 1800+ students, and a dining and student activity centre, multiple eateries including a 24-hour canteen, and Faculty residence blocks. The campus also has a multipurpose playing field, a gymnasium, indoor badminton and squash courts, outdoor tennis courts, basketball and volleyball courts, and an indoor swimming pool. The academic complex incorporates several green-building features and is (provisionally) GRIHA rated, zero-discharge campus with sewage treatment plants, rainwater harvesting, heat pumps, and solar power plant on terraces of all new buildings.

100%
Classrooms with audio-visual facility

40+
Conference rooms for meetings, brainstorming sessions, and discussions

3
State of the Art, stepped auditoriums with a combined capacity of 1100 individuals

7
Lecture Halls for regular assemblages, events, etc.

75+ Labs
Research and computer labs with the latest equipment

146
Faculty cabins

1800
capacity hostels for boys and girls

20+
Studio apartments for married students

2 Towers
for faculty residences with

74 flats

24*7 Open
Fully air-conditioned Library and Information Center

24*7
Medical facility for students, faculty, and staff with the residential doctor, visiting doctor, and other medical personnel

4 Stories
Student centre with canteen, mess, smart laundry, and other utility outlets

4 Stories
Sports Block with indoor swimming pool, badminton court, squash courts, gymnasium, multipurpose hall, and yoga rooms

Vibrant Student Life

The institute promotes a comprehensive academic environment that fosters a fulfilling student life, striking a balance between profound intellectual pursuits and cultivating well-rounded individuals capable of overcoming life's obstacles. With a range of support services available, including counseling, academic mentoring, and tutoring, the institute ensures that students receive additional assistance whenever required.

Multi-Cultural Campus Life

The campus is home to students from across the country and abroad. All the religious and national festivals like Diwali, Eid, Christmas, Halloween, Holi, Republic Day, etc. are celebrated in the campus with great zeal. There are more than 30 Student Clubs that add exciting dimensions to the student experience.

Placements:

The presence of world-class research facilities, close institute-industry collaborations, international exchange programs, interdisciplinary research collaborations, and industrial training opportunities help the students of IIT-Delhi excel and be ahead in the competitive professional environment. The placement drive at the Institute is a year-long activity. Fig. 1 shows the number of companies that have visited the campus and the total number of offers, and Fig. 2 shows the median salary (domestic) of the students placed.

PLACEMENT STATISTICS

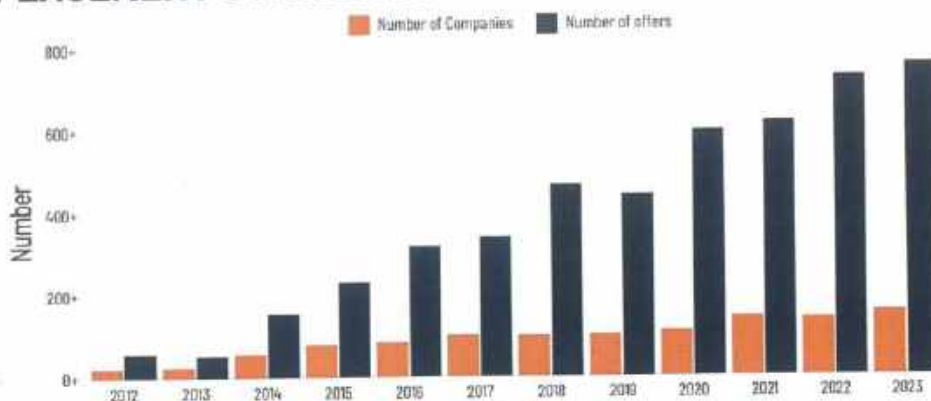

Fig. 1

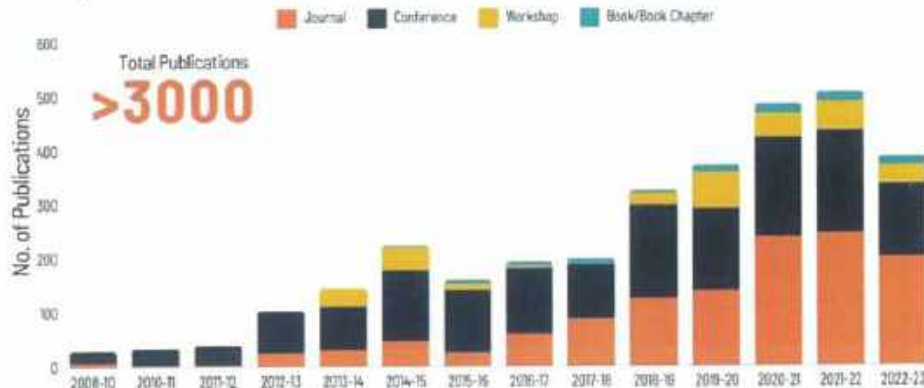

Fig. 2

Research:

PUBLICATIONS

Being a research-focused Institute, IIIT-Delhi has established a strong research culture at the Institute by encouraging the faculty members and students to publish their work in top-quality national and international academic venues. Fig. 3 shows the number of publications annually.

Academics

IIIT-Delhi believes in giving its students opportunities beyond the regular classroom teachings. A significant amount of time and effort goes into designing each course taught at IIIT-Delhi in a manner that makes our students academically strong and helps them think out of the box.

The Institute has six departments offering 8 B.Tech., 3 M.Tech., and 6 Ph.D. programs. Below are a few highlights of the programs

About B.Tech. Program

In today's technologically advanced era, there exists a wealth of opportunities for integrating systems across various disciplines to address broader societal objectives. With this in mind, IIIT-Delhi aims to cultivate interdisciplinary teaching, research, and learning environments. Our adaptable curriculum enables students to select elective courses from diverse fields such as Computer Science, Design, Electronics and Communications, Entrepreneurship, Biosciences, and Artificial Intelligence in their third and fourth years. Additionally, all eight programs incorporate Social Sciences courses into their curriculum to provide a well-rounded education.

Our engineering programs offer both depth and breadth, emphasizing a systems-centric educational approach essential for success in emerging, cutting-edge IT and engineering industries. In the first semester, the curriculum is uniform across all programs, facilitating eligible students' transition between programs. The initial two years primarily focus on core courses relevant to the respective disciplines. Unlike traditional engineering institutes, where students typically study science courses like physics and chemistry, IIIT-Delhi students delve into programming, hardware, mathematics, communication skills, and more during their first years. However, students have the freedom to explore science courses through elective options tailored to their interests and aspirations.

IIIT-Delhi offers B.Tech. in 8 disciplines i.e. **Computer Science and Engineering (CSE), Computer Science and Applied Mathematics (CSAM), Computer Science and Design (CSD), Computer Science and Social Science (CSSS), Computer Science and Biosciences (CSB), Electronics and Communications Engineering (ECE), Computer Science and Artificial Intelligence(CSAI), Electronics and VLSI Engineering (EVE)**. Certain B.Tech. programs at IIIT-Delhi are also open to Non-Science students who have studied Mathematics in class XII. Across all programs, IIIT-Delhi follows a choice-based credit system, offering students considerable flexibility in course selection. This flexibility extends to pursuing online courses, participating in exchange programs with other universities, engaging

in research activities, and more. Additionally, as part of their B.Tech. degree requirements, students are mandated to undertake self-growth and Community Work, enhancing their overall personal and professional development.

Fee Waiver Schemes

a) Chairman's Scholarship:

- Students with JEE Main rank below 1000 will be awarded a scholarship equivalent to 100% of the tuition fees.
- Students with JEE Main rank between 1000-2000 will be awarded a scholarship equivalent to 50% of the tuition fee.

b) Women Empowerment Scholarship in STEAM Education (WESSE)

Top 100 female students who scored more than 95% aggregate marks in the XII Board Exam, and gets admitted to IIIT-Delhi in any B.Tech. program will be granted a scholarship equivalent to 50% of the tuition fee provided the candidate is not eligible to get any other scholarship from a Government source. If a candidate is eligible to get any other scholarship from a government source, they must apply for the same, and the Institute shall be committed to covering the remainder scholarships.

Note: (Eligibility criteria for continuation of the Scholarship Applicable for the scholarship schemes mentioned in a & b)

- Maintain a CGPA of 7.5
- May have a maximum of 1F grade (in two semesters, in an academic year)
- They should not have a Plagiarism case
- If a student cannot complete the degree requirements in 4 years, he/she will not get this scholarship in the extended semesters.
- During Semester leave the Scholarship will not be applicable, however the students will be eligible for total of 8 active semesters.

c) IIIT-Delhi Merit cum Means Scholarship

The eligibility criteria will be as follows:

- Students in their 2nd, 3rd, and 4th years are eligible for this scholarship.
- Beneficiary under the National Food Security Scheme and possess the Card issued under the Scheme
- They should have a CGPA of 7.5 or above with a maximum 1F grade (in their last two semesters) and not have a plagiarism case.

The application process and timeline will be as follows:

1. Fresh applications will be invited each year. Every year, a student has to apply afresh.
2. The applications will be submitted after the fee payment deadline for both the Monsoon and Winter Semesters.
3. The process will be closed within the financial year.

The Selection process will be as follows:

The selection of the final recipient will be based on a performance-based criterion depending on the number of applications and budget available for that particular year. This may vary from year to year.

d) Fast Retailing Sponsorship Program

IIIT-Delhi has signed an MoU for the education sponsorship program with Fast Retailing Japan. FR is Fast Retailing Co., Ltd. is a public Japanese multinational retail holding company. In addition to its primary subsidiary Uniqlo, it owns several other brands, including J Brand, Comptoir des Cottonniers, GU, Princesse Tam-Tam, and Theory and the world's third-largest apparel manufacturer and retailer.

Under the MoU, Fast Retailing will provide full tuition & dormitory fees covering all four years of a Bachelor's degree program.

The sponsored students will get an opportunity to learn Japanese Language & Culture classes and do summer internship at Uniqlo India.

The sponsored students will also be eligible for a full time offer at Fast Retailing Japan if the student clears their selection criteria's.

a) *In addition to the fee waiver schemes and scholarships, IIIT-Delhi also provides a **Merit-cum-Means** "IGL Scholarships" for B.Tech. students established by Indraprastha Gas Limited in 2018. The scholarship aims to support seven meritorious B.Tech. students from economically weaker sections each year. These students are provided with a sum they can use to pay a part of their fee or buy books or other study-related material.*

e) Laptop Scheme: For Students from Economically Weaker Section:

The Ex-Founding Director & Distinguished Professor, Prof. Pankaj Jalote has launched a Laptop scheme in the year 2020, through which he distributes free Laptops to students who are from economically weaker sections so that they do not face any challenge during their studies at IIIT-Delhi.

The Institute is moving forward as a community and is firmly on the path towards sustainability and transformation, thereby becoming a globally respected and recognized institution. The management is committed to achieving specific goals to create an environment wherein intellectually capable, innovative, and entrepreneurial professionals are nurtured and trained to work unceasingly to serve the nation and society.

f) Kartikeya Gupta Memorial Scholarship

August 2021 onwards a Kartikeya Gupta Memorial Scholarship has been started for B.Tech., students in the memory of late Mr. Kartikeya Gupta, B.Tech.(ECE) student of 2018 batch.

More information about IIIT-Delhi can be accessed at <https://www.iiitd.ac.in/>

DELHI SKILL AND ENTREPRENEURSHIP UNIVERSITY

(A State University Established under Govt. of NCT of Delhi Act 04 of 2020)

Head Office: DSEU Dwarka Campus, Sector 9, Dwarka, New Delhi – 110077

University profile

The Delhi Skill and Entrepreneurship University Act, 2019, was passed by the Legislative Assembly of the National Capital Territory of Delhi on December 3, 2019. It received the assent of the Lt. Governor of Delhi on February 26, 2020, and was subsequently notified in the Delhi Gazette on May 26, 2020. DSEU presently operates academic programs at 24 campuses, spread across eight different administrative districts of NCT of Delhi. These campuses were made available by the GNCTD with the right to use, and they include former Polytechnics, Degree Engineering colleges, Delhi Institute of Tool Engineering, and World Class Skill Centers. Currently, DSEU offers 53 regular programs and 4 part-time programs across 23 widely dispersed campuses. The current student enrolment at the university stands at 18,529. However, we aim to increase enrolment to 40,000 within the next 10 years.

The University aims to offer a range of programs, including regular academic programs, innovative programs under the Micro Master program, Short Term Skill Credit Certificate Programs, Recognition of Prior Learning-based programs, upskilling programs, and programs catering to senior citizens.

B.Tech. Programs of Delhi Skill and Entrepreneurship University (DSEU)

DSEU is committed to offering skill-based, high-quality education to students. As a new and emerging university, we may not yet compete the longstanding technical institutions. However, we're committed to providing courses with a practical focus and real-world relevance. We recognize that in today's rapidly advancing technological landscape, there is an increasing demand for skilled professionals. Therefore, we believe that investing in technology education is crucial to keep India's workforce competitive in the global economy. By providing specialized education in diverse fields of technology, we aim to equip our students with the knowledge, skills, and competencies required to excel in their chosen careers.

In line with this vision, DSEU is proud to offer Bachelor of Technology (B.Tech) degrees in over 11 different streams/specialization this year. These streams are available at various campuses located across different districts in Delhi. Through our comprehensive curriculum, industry collaborations, and experiential learning opportunities, we ensure that our B.Tech. programs are aligned with industry demands and global standards. Our goal is to empower students to become proficient professionals who can drive innovation, solve complex challenges, and contribute effectively to the growth and development of the nation.

Academic Pursuit of Delhi Skill and Entrepreneurship University (DSEU)

The Delhi Skill and Entrepreneurship University (DSEU) has broadened its academic offerings by establishing around 100 departments across 15 different faculties. These programs are carefully designed to cater to the evolving needs of industries and to equip students with the skills and knowledge required to excel in their chosen fields. These programs will be offered across our campuses, where teaching will be imparted by the experienced faculty members who are experts in their respective fields.

VISION

- To set the standards for skilling and entrepreneurship education.
- To lead the students at DSEU to experience personal transformation, who in turn become agents of bringing changes in the community.
- To become a leading partner in the sustainable growth of the industry and the country.

MISSION

- To accord dignity to all skills by emphasizing its teaching and learning.
- To inculcate an entrepreneurial mindset for sustainable growth of the planet, the country, the society, the industry and the individual.
- To work in partnership with the industry to nurture talent which is honed to be ready-to-work on the day of graduation.

Key Principles

Delhi Skill and Entrepreneurship University has defined some key principles which are embedded in all its programs to help in the holistic development of all students:

- Develop market-linked programs by customizing them to specific job roles.
- Multiple entry/exit options and offer integrated career pathways.
- Design inclusive programs.
- Ensure holistic development by deeply integrating employability/life skills in the curriculum.
- Leverage technology.
- Equip students with an entrepreneurial mindset.

B.Tech. programmes in various campuses of DSEU are as follows:

#	Campus	B.Tech. Degree in Single Major Discipline	Seats
1	DSEU Pusa Campus – I (CO2)	Electrical Engineering (EE-C02)	60
		Printing Technology (PT-C02)	60
2	Ambedkar DSEU Shakarpur- I Campus (E01)	Electronics & Communication Engineering (EC-E01)	60
3	Bhai Paramanand DSEU Shakarpur-II Campus (E02)	Artificial Intelligence (AI-E02)	60
		Data Analytics (DA-E02)	40
4	Aryabhata DSEU Ashok Vihar Campus (N01)	Civil Engineering (CE-N01)	60
		Mechanical Engineering (ME-N01)	60
5	Guru Nanak Dev DSEU Rohini Campus (N03)	Computer Science Engineering (CS-N03)	60
6	DSEU Wazirpur I Campus (N05)	Tool Engineering (TE-N05)	40
7	G.B. Pant DSEU Okhla – 1 Campus (S02)	Computer Science Engineering (CS-S02)	120
		Electronics & Communication Engineering (EC-S02)	120
		Mechanical Engineering (ME-S02)	120
8	DSEU Okhla – II (S03)	Mechatronics Engineering (MeE-S03)	60
		Data Analytics (DA-S03)	40
		Network Engineering and Security (NS-S03)	40
9	DSEU Dwarka Campus (W02)	Network Engineering and Security (NS-W02)	40

DSEU Okhla-II Campus (S03)

Maa Anandmayi Marg (Near DJB Water Tank), Okhla Industrial Area Phase-II, New Delhi – 110020. Email ID: director-DITE@dseu.ac.in

DSEU Okhla II Campus (Erstwhile Delhi Institute of Tool Engineering - DITE) is strategically placed in the Okhla Industrial Area, one of the most highlighted industrial areas of Delhi. The DSEU Okhla II campus has a world-class infrastructure to assist the shift in the existing paradigm of skilling, acting as a means for DSEU to make skill acquisition aspirational and providing opportunities for all. Being a part of DSEU, the Okhla II campus ensures compliance to National Education Policy 2020 guidelines, to enhance the experience of students and ensure quality training. The DSEU Okhla-II campus was established with technical and financial assistance from the Government of Italy with a motto to contribute towards the development of industries in and around Delhi through supply of trained manpower, undertaking job work of machining & manufacturing of sophisticated tools.

The campus has a well-established Training and Placement Cell headed by a dynamic team of faculty members and officers who have a vast experience in teaching, and liaison with the industry. More than 23 companies visited the campus over the previous academic years. Some of these include Maruti Suzuki India Limited, Bajaj Auto Limited, Jay Bharat Maruti limited, Uno Minda, Raphe mPhibr, Addverb technologies, Knorr Bremse India, Mitutoyo, and Lynkit among many more. Pre-placement talks, Interactive sessions with the industry experts are organized by the cell on a regular basis, for the

professional development of students. DSEU Okhla: II campus' **Innovation and Incubation Foundation (IIF)** helps nurture startups and allows innovation of business models using creative thinking and problem-solving techniques. It provides for facilities such as co-working spaces, mentorships,

(You may like to read more at <https://dseu.ac.in/okhla-ii/>)

B.Tech. Programs offered at DSEU Okhla II Campus:

B.Tech. Mechatronics Engineering (MeE-S03)

Mechatronics engineering blends mechanical engineering, electrical engineering, computer science, and control systems to develop innovative solutions. Aligned to NEP 2020, this interdisciplinary approach allows engineers to design complex systems that combine mechanical structures with intelligent control systems. Mechatronics engineers design smart systems that can sense, process, and actuate physical processes. Mechatronics engineering plays a crucial role in the design and development of robots. This includes industrial robots used in manufacturing processes, as well as autonomous robots for applications such as exploration, agriculture, and healthcare. Mechatronics engineering encompasses a wide range of emerging technologies, including Internet of Things (IoT), artificial intelligence (AI), machine learning, and additive manufacturing. Engineers in this field are at the forefront of developing innovative solutions for future challenges.

The curriculum at DSEU for Mechatronics offers plethora of Discipline and Open Elective Baskets. Students have the flexibility to study courses through MOOC platforms. The students can opt for internship during their final semester. Despite being a new field, prospects for students are high as the field is extremely important for the world in the coming days and hence, students have plethora of spaces to opt from.

Today to name a few, we have alumni network in organizations like Maruti, Uno Minda, Micromatic Grinding Technologies, ID Cube, ARI Simulation, Mitutoyo South Asia Pvt. Ltd. etc. The highest package offered is to the tune of INR 9.0 LPA. Overall, mechatronics engineering offers a diverse and dynamic career path, where professionals have the opportunity to work on cutting-edge technologies and contribute to the development of intelligent systems that enhance various aspects of modern life.

B.Tech. Data Analytics (DA-S03)

Bachelor of Technology in Data Analytics is a new program being offered at DSEU Okhla II campus, which is focused on equipping students with the knowledge and skills needed to analyze and derive insights from large datasets. The program shall cover fundamental concepts in statistics, mathematics, and programming, providing students with a strong foundation in data analysis techniques. Students shall learn advanced techniques for extracting useful information from data, including data mining algorithms and machine learning methods for predictive modeling and pattern recognition. The curriculum includes training in big data technologies such as Hadoop, Spark, and NoSQL databases, enabling students to work with large-scale datasets efficiently. Students learn how to effectively visualize data using tools and techniques such as data visualization libraries, dashboard creation, and interactive data exploration methods. The program covers concepts related to business intelligence, including data warehousing, OLAP (Online Analytical Processing), and reporting tools, to help students understand how data analytics can drive business decision-making. The program shall offer opportunities for students to work on real-world projects and internships with industry partners, providing valuable hands-on experience and industry exposure.

Graduates of B.Tech in Data Analytics programs are well-equipped to pursue careers as data analysts, data scientists, business analysts, and data engineers in various industries such as finance, healthcare, e-commerce, and technology.

B.Tech. Network Engineering and Security (NS-S03)

Bachelor of Technology in Network Engineering and Security program is designed to equip students with the knowledge and skills necessary to design, implement, and secure computer networks. Students shall learn about the principles of network architecture and design, including network protocols, routing

algorithms, and network topologies. They shall gain hands-on experience in configuring and managing network devices such as routers, switches, and firewalls. The program covers topics related to cybersecurity, including threat detection and prevention, cryptography, secure network protocols, and secure software development practices.

Students shall learn how to identify vulnerabilities in network systems and implement security measures to protect against cyber-attacks. Students shall study strategies for defending against cyber threats, including intrusion detection and prevention, malware analysis, and incident response. They learn how to develop security policies and procedures to ensure the confidentiality, integrity, and availability of network resources. Students shall learn how to optimize the performance of computer networks, including techniques for traffic management, quality of service (QoS) implementation, and network performance monitoring and tuning.

B.Tech. program in Network Engineering and Security shall offer opportunities for students to obtain industry-recognized certifications such as Cisco Certified Network Associate (CCNA), CompTIA Security+, and Certified Ethical Hacker (CEH), enhancing their credentials and employability. Graduates of B.Tech in Network Engineering and Security are prepared for careers as network engineers, cybersecurity analysts, information security specialists, network administrators, and system architects in a wide range of industries, including telecommunications, finance, healthcare, government, and defense.

DSEU Dwarka Campus (W02)

Location: Sector 9, Dwarka, New Delhi-110077
(<https://maps.app.goo.gl/evTV82kz4qpYwgZF8>)

B.Tech. Programs offered at DSEU Dwarka Campus:

The Dwarka campus is set to introduce its first-ever B.Tech program. Despite being new to this offering, the campus boasts a vibrant atmosphere and is well-equipped with state-of-the-art computational facilities.

B.Tech. Network Engineering and Security (NS-W02)

A Bachelor of Technology (BTech) in Network Engineering and Security is a specialized undergraduate program designed to equip students with the technical skills and knowledge required to build, maintain, and secure computer networks and systems. This interdisciplinary field combines aspects of computer science, engineering, and cybersecurity to address the growing demand for professionals who can design, implement, and manage secure network infrastructures. With the increasing reliance on interconnected systems and the ever-present threat of cyber-attacks, the knowledge and skills gained from this program are highly valuable in helping organizations safeguard their digital assets and maintain the integrity and availability of their networks. So, if you're passionate about technology and security, this degree can be an excellent foundation for a rewarding career.

We're actively building our lab infrastructure and fostering a collaborative environment for practical learning. By partnering with industries and other institutions, we'll provide students with access to the resources, expertise, and cutting-edge equipment needed for high-end experiments.

BHAI PARMANAND DSEU Shakarpur Campus – II (E02)

Shakarpur, New Delhi, Delhi 110092.

At the Bhai-Parmanand campus, two engineering branches which will be overseen by the Faculty of Computational and IT Enabled Skills (FCITES).

The two branches which will be offered at the Bhai-Parmanand DSEU campus are:

B.Tech. Data Analytics (DA-E02) and **B.Tech. Artificial Intelligence (AI-E02)**. By offering this program, institutions contribute to fostering a workforce capable of addressing complex challenges and

driving advancements in AI-driven technologies. These programs will equip students with essential skills and knowledge to navigate the increasing demand for professionals in fields related to AI and data analytics. The campus possesses a seasoned and experienced cadre of teachers.

DSEU Pusa Campus-I (C02)

Employment Exchange Pusa New Delhi, New Delhi, Delhi 110012

B.Tech. in Electrical Engineering (EE-C02)

A Bachelor of Technology (B. Tech) in Electrical Engineering is a comprehensive program that delves into the fundamentals of electricity, electronics, and electromagnetism. Students learn to design, develop, and maintain electrical systems, from power generation to distribution. Through coursework in circuit theory, digital electronics, power systems, and control systems, they acquire the skills to tackle real-world engineering challenges. Practical training often includes hands-on projects and internships to apply theoretical knowledge in practical scenarios. Graduates of this program are equipped for careers in various industries, including energy, telecommunications, manufacturing, and automation. Additionally, they contribute to advancements in renewable energy, smart grids, and sustainable technology solutions. The interdisciplinary nature of electrical engineering fosters innovation and drives progress in the modern world.

B.Tech. in Printing Technology (PT-C02)

A Bachelor of Technology (B. Tech) in Printing Technology is a specialized program focused on the principles and practices of printing processes and technologies. Students delve into areas such as prepress, press operations, post-press, and packaging, gaining expertise in offset, digital, flexographic, and gravure printing methods. The curriculum typically covers topics like color science, image reproduction, printing materials, and quality control. Practical training often includes hands-on experience with industry-standard equipment and software, preparing graduates for careers in print production, publishing, packaging, and advertising. With the rise of digital media, the field also encompasses digital printing technologies and workflow management systems. Graduates play a crucial role in the evolving print industry, driving innovation and efficiency in printing processes and meeting the demands of diverse sectors in the digital age.

Ambedkar DSEU Shakarpur-I Campus (E01)

Opp. Madhuban Colony, Near Nirman Vihar Metro Station, Shakarpur, New Delhi, Delhi 110092

B.Tech. in Electronics and Communication Engineering (EC-E01)

A Bachelor of Technology (B. Tech) in Electronics and Communication Engineering is a dynamic program that blends principles of electronics with communication systems. Students delve into core subjects such as circuit theory, signals and systems, digital electronics, and electromagnetic field theory. They explore the design, analysis, and implementation of electronic circuits, devices, and communication networks. The curriculum also covers topics like microprocessors, antennas, wireless communication, and optical communication. Practical training often includes hands-on experience with simulation tools, communication protocols, and hardware design kits. Graduates are well-equipped for careers in telecommunications, networking, semiconductor technology, and embedded systems. With the rapid advancements in wireless communication, Internet of Things (IoT), and 5G technologies, this field offers abundant opportunities for innovation and growth, shaping the future of global connectivity and technology integration.

Aryabhata DSEU Ashok Vihar Campus (N01)

Telephone Exchange, GT Karnal Road, Near Shakti Nagar, Ashok Vihar, Bilaspur, Delhi 110033

B.Tech. in Civil Engineering (CE-N01)

A Bachelor of Technology (B. Tech) in Civil Engineering is a versatile program focusing on the design, construction, and maintenance of infrastructure and buildings. Students delve into core subjects like

structural analysis, geotechnical engineering, transportation engineering, and environmental engineering. They learn to apply principles of physics, mathematics, and material science to solve complex engineering problems. The curriculum often includes practical training in surveying, construction management, and project planning, providing hands-on experience with industry-standard tools and software. Graduates are prepared for diverse career paths in construction firms, government agencies, consulting firms, and research institutions. With a growing emphasis on sustainable development and infrastructure resilience, civil engineers play a crucial role in shaping resilient cities, transportation networks, and environmental conservation efforts, contributing to the well-being of societies globally.

B.Tech. in Mechanical Engineering (ME-N01)

A Bachelor of Technology (B. Tech) in Mechanical Engineering is a comprehensive program focusing on the design, analysis, and manufacturing of mechanical systems and processes. Students delve into core subjects such as thermodynamics, fluid mechanics, solid mechanics, and machine design. They learn to apply principles of physics and mathematics to solve real-world engineering challenges. The curriculum often includes practical training in computer-aided design (CAD), computer-aided manufacturing (CAM), and finite element analysis (FEA), providing hands-on experience with industry-standard software and tools. Graduates are equipped for diverse career paths in industries ranging from automotive and aerospace to energy and manufacturing. With the advent of advanced materials, robotics, and renewable energy technologies, mechanical engineers play a pivotal role in driving innovation and sustainability, shaping the future of technology and industry.

Guru Nanak Dev DSEU Rohini Campus (N03)

Sector 15, Sector 15A, Rohini, Delhi, 110089

At this campus, we are launching the Computer Science engineering program for the first time. However, this institution has a rich legacy of technological programs in computer engineering. It possesses the relevant infrastructure and a faculty pool with the expertise to significantly contribute to this new program.

B.Tech. in Computer Science Engineering (CS-N03)

A Bachelor of Technology (B. Tech) in Computer Science Engineering is a cutting-edge program at the forefront of technological innovation. Students delve into core subjects such as algorithms, data structures, programming languages, and computer architecture. They learn to develop software, design algorithms, and analyze complex systems. The curriculum often includes practical training in areas like artificial intelligence, machine learning, cybersecurity, and cloud computing, providing hands-on experience with emerging technologies. Graduates are well-equipped for diverse career opportunities in software development, data analysis, cybersecurity, and IT consulting. With the rapid evolution of technology, computer science engineers play a pivotal role in driving digital transformation, innovation, and societal advancement, shaping the future of technology-enabled solutions and services.

DSEU Wazirpur-I Campus (N05)

AG-18, Mahatma Gandhi Marg, Shalimar Bagh, New Delhi, Delhi 110052

Delhi Institute of Tool Engineering has a longstanding legacy dating back to its time as a polytechnic institution. In the current era, tool engineering has witnessed a resurgence with new paradigms emerging. Consequently, Delhi Skill and Entrepreneurship University (DSEU) has initiated this branch in the northern part of Delhi to foster and promote this technology field.

B.Tech. in Tool Engineering (TE-N05)

The B.Tech. program in Tool Engineering includes designing, analysis and manufacturing molds, dies, jigs and fixtures and castings ensuring thousands of products manufactured flawlessly every single day. The program includes theoretical and practical course-work to provide a deep understanding of design, analysis and manufacturing of press tools, injection molds, jigs, fixtures, gauges, automation and robotics tooling and die-casting dies. Students will have access to state-of-the-art facilities, including a fully

equipped tool room with advanced machines like CNC, wire cut, EDM etc. and modern CAD and CAE software for design and simulation. The Tool engineering program ideals for students who have a passion for design and enhancing their manufacturing skills. The program is also designed to provide hands-on learning experience that will prepare students to face various technical challenges in the industries.

Career Opportunities: Tool Engineer specializes in designing, crafting, and maintaining precision tools, dies, molds, and fixtures used in the manufacturing process. Tool Engineering offers a versatile spectrum of job roles, from designing innovative products to optimizing manufacturing processes, you can explore career opportunities as a Design Engineer, Product Design Engineer, Manufacturing Engineer, Quality Control Engineer, Research & Development Engineer etc. in industries such as automotive, aerospace, white good industries, capital goods industries, consumer electronics and defense, among others. The Campus was established with the aim of imparting quality technical education in the field of Tool Engineering for the students of Delhi & nearby areas. Our students are regularly placed in top organizations like Maruti Suzuki India Limited, Bajaj Auto Limited, Jay Bharat Maruti limited, Uno Minda, Addverb technologies, Knorr Bremse India, Mitutoyo, PPAP Automotive Limited, Enco Engineers Combine Pvt. Ltd., Radiant Polymers Limited, Addverb Technologies, Nahar Engineering Works, SMR Automotive System India Ltd, Clearpack Automation Pvt Ltd, SKH Metals Limited, Havells, Subros Ltd, Daikin, Acme drink tech Solutions and many more. The main aim of the campus is to give the assistance for placements to the students and to improve the overall worth of students as per the demands of the market and the need of industry.

"Our alumni have found remarkable success both in India and across the globe, showcasing our commitment to excellence on an international scale."

G.B Pant DSEU Okhla-I Campus (S02)

Okhla Phase 3 Rd, Okhla Phase III, Okhla Industrial Area, New Delhi, Delhi 110020

G.B. Pant DSEU Okhla 1 Campus (Erstwhile G B Pant Govt. Engineering College) providing such a learning environment was rechristened and found its home under the aegis of Delhi Skill & Entrepreneurship University (DSEU) in the year 2020. It was originally founded in the year 2007 by the Govt. of NCT of Delhi to run B. Tech programs & is proud of its excellent UPSC qualified faculty, distinguished alumni & some of the brightest minds competing year on year through the JAC counselling. The institute was established with the aim of imparting quality technical education for the students of Delhi & nearby areas. Today to name a few, we have our proud alumni in Apple India, Oracle USA, Nike USA, Accenture, TCS, Amazon, SAP, Cognizant, IBM, Hitachi, Daikin, Bluestar, Capgemini, Maruti, Nokia, Airtel, Infosys, Hughes, Yamaha, ISRO, Indian Navy etc. Our students are regularly placed in top organizations like TCS, Infosys, Maruti, Amazon, Byju's, Godrej, Accenture, Ericsson, Hitachi etc. with above industry packages.

Buoyed by the excellent faculty & staff, the campus has started M. Tech & Ph. D at G.B. Pant DSEU Okhla 1 campus from 2022-23 academic session. The institute has the goal to nurture talent & aims to be at par with the best technical colleges on a national level within the next few years. A new campus is going to be carved in the serene surroundings of Okhla wherein the students would get exposure to high-end cutting-edge laboratories, exciting research ecosystem and opportunities to rub shoulders with the technical & thought leaders from the industry & academia.

The campus is well-connected to both the magenta and violet lines of the Delhi Metro, & is strategically placed to ensure that each student seeking world-class higher education and training has a campus of DSEU within a few miles from their residence. Associating DSEU's initiative to equip hundreds of thousands of students with world-class skill education every year, the Okhla 1 campus will play a key role in empowering the country's workforce to bring it at par with the robust industry standards.

B.Tech. in Computer Science Engineering (CS-S02)

A Bachelor of Technology (B. Tech) in Computer Science Engineering is a cutting-edge program at the

forefront of technological innovation. Students delve into core subjects such as algorithms, data structures, programming languages, and computer architecture. They learn to develop software, design algorithms, and analyze complex systems. The curriculum often includes practical training in areas like artificial intelligence, machine learning, cybersecurity, and cloud computing, providing hands-on experience with emerging technologies. Graduates are well-equipped for diverse career opportunities in software development, data analysis, cybersecurity, and IT consulting. With the rapid evolution of technology, computer science engineers play a pivotal role in driving digital transformation, innovation, and societal advancement, shaping the future of technology-enabled solutions and services.

B.Tech. in Electronics and Communication Engineering (EC-S02)

A Bachelor of Technology (B. Tech) in Electronics and Communication Engineering is a dynamic program that blends principles of electronics with communication systems. Students delve into core subjects such as circuit theory, signals and systems, digital electronics, and electromagnetic field theory. They explore the design, analysis, and implementation of electronic circuits, devices, and communication networks. The curriculum also covers topics like microprocessors, antennas, wireless communication, and optical communication. Practical training often includes hands-on experience with simulation tools, communication protocols, and hardware design kits. Graduates are well-equipped for careers in telecommunications, networking, semiconductor technology, and embedded systems. With the rapid advancements in wireless communication, Internet of Things (IoT), and 5G technologies, this field offers abundant opportunities for innovation and growth, shaping the future of global connectivity and technology integration.

B.Tech. in Mechanical Engineering (ME-S02)

A Bachelor of Technology (B. Tech) in Mechanical Engineering is a comprehensive program focusing on the design, analysis, and manufacturing of mechanical systems and processes. Students delve into core subjects such as thermodynamics, fluid mechanics, solid mechanics, and machine design. They learn to apply principles of physics and mathematics to solve real-world engineering challenges. The curriculum often includes practical training in computer-aided design (CAD), computer-aided manufacturing (CAM), and finite element analysis (FEA), providing hands-on experience with industry-standard software and tools. Graduates are equipped for diverse career paths in industries ranging from automotive and aerospace to energy and manufacturing. With the advent of advanced materials, robotics, and renewable energy technologies, mechanical engineers play a pivotal role in driving innovation and sustainability, shaping the future of technology and industry.

Chapter 2 Eligibility Conditions

Admission to B. Tech. Programmes in DTU, IGDTUW, NSUT, DSEU and Dual Degree (B.Tech.+ MBA) in IGDTUW will be strictly made on Common Rank List (CRL) Rank in JEE (Main) - 2024 Paper-I, whereas the admission to IIT-Delhi will be based on percentile score obtained in Paper-I of JEE Main 2024 and bonus points for achievements in various areas like Olympiads, Programming Contest, National Talent Search, Sports, Culture, Chess, Innovation, etc. as prescribed in Chapter 8.

Admission in B.Arch Course in NSUT and IGDTUW will be strictly made on Common Rank List (CRL) Rank in JEE (Main) - 2024 Paper-II.

2.1 Region

85% seats in all the participating institutions are earmarked for Resident Indian Nationals belonging to Delhi region (as specified below), while the rest 15% seats are earmarked for Resident Indian Nationals belonging to outside Delhi region.

2.1.1 Delhi Region Candidates (85% of seats)

A candidate passing the qualifying examination from a recognized School / College / Institute located within the National Capital Territory (NCT) of Delhi will be considered for Delhi Region only.

2.1.2 Outside Delhi Region Candidates (15% of seats)

A candidate passing the qualifying examination from a recognized School / College / Institute located outside the National Capital Territory of Delhi will be considered for Outside Delhi Region only.

Note: For a candidate, who has passed the qualifying examination through Patrachar Vidyalaya, Delhi / National Institute of Open School, Delhi (NIOS), the criterion for deciding the region shall be the location of his/her centre of examination. In other words, if the centre of examination is located in the NCT of Delhi, the candidate shall be considered under the **Delhi Region** and if the centre of examination is located outside NCT of Delhi, he/she shall be considered under the **Outside Delhi Region**.

2.2 Qualifying Examination

The qualifying examination for admission to all the programmes offered by the participating Universities / Institute will be any one of the following:

- (i) Senior School Certificate Examination (12-year 10+2 course) of the Central Board of Secondary Education (CBSE), New Delhi.
- (ii) Indian School Certificate Examination (12-year 10+2 course) of the Council for Indian School Certificate Examination, New Delhi.
- (iii) Any other examination recognized as equivalent to the Senior School Certificate Examination of the CBSE.

Note: Candidates who have appeared at the annual examination in the year 2024 and have been placed in compartment (supplementary) will not be eligible for admission for the year 2024.

2.3 Criteria of Minimum Marks in Qualifying Examination

2.3.1 B. Tech. Programmes offered by NSUT, DTU, IGDTUW, DSEU and Dual Degree B.Tech. (MAE) + MBA at IGDTUW

A candidate securing 60% or more marks in an aggregate of Physics, Chemistry and Mathematics, and has passed English (Core or Elective) as a subject of study at the Senior School Certificate Examination level AND having JEE Main 2024 Rank (Paper-I) shall be eligible for admission to the B. Tech. programme provided he/she has passed in each subject separately.

2.3.2 B. Tech. Programmes at IIT-Delhi

A candidate who has secured 70% or more marks in the aggregate of best of five subjects including Physics, Chemistry & Mathematics subject to 70% or more marks in Mathematics in the qualifying examination AND having JEE Main 2024 Rank (Paper I) shall be eligible for admission.

2.3.3 B. Arch. Programmes at NSUT and IGDTUW

No candidate shall be admitted to B. Arch. Programme unless he/she has passed examination at the end of 10+2 scheme of examination with Physics, Chemistry, Mathematics, and English subjects or passed 10+3 Diploma Examination with Mathematics as compulsory subject, as the case may be AND qualified JEE Main 2024 (Paper-II) examination.

2.4 Minimum Marks Criteria in Qualifying Examination for candidates belonging to Reserved Categories / Sub-Categories

For candidates belonging to various reserved categories, namely, OBC (Non Creamy Layer), Scheduled Caste, Scheduled Tribe, and sub-categories, namely, Defence, Persons with Disabilities, who apply for seats reserved for them, the minimum marks criteria in qualifying examination are given below:

2.4.1 For DTU, IGDTUW, NSUT and DSEU only

- (i) Other Backward Class (OBC-NCL): 55%.
- (ii) Scheduled Caste (SC), Scheduled Tribe (ST): 50%.
- (iii) Defence (CW): 55%.
- (iv) Persons with Disabilities (PD): 50%.

2.4.2 For IIT-Delhi only

- (i) Other Backward Class (OBC-NCL): 65%.
- (ii) Scheduled Caste (SC), Scheduled Tribe (ST): 60%.
- (iii) Defence (CW): 65%.
- (iv) Persons with Disabilities (PD): 65%.

NOTE: There is no marks relaxation for EWS category candidates in any of the participating institutes/universities.

2.5 Age Criterion

For all participating institutions, there is no minimum or maximum age criterion.

Chapter 3 Reservation and Distribution of Seats

3.1 Reservation Policy

- a) **Scheduled Caste (SC):** 15 % of the total seats are reserved for Scheduled Caste candidates.
- b) **Scheduled Tribe (ST):**
- (i) 7.5 % of the total seats are reserved for candidates belonging to Scheduled Tribe.
- c) **Other Backward Class (OBC):** 27% of the total seats are reserved for candidates belonging to Other Backward Class (Non-Creamy Layer).
- d) **Economically Weaker Section (EWS):** 10% of the total seats are reserved for candidates belonging to Economically Weaker Section.

Further Sub-categories, namely, 'Defence' and 'Person with Disabilities' are available under each main category (General, SC, ST, OBC and EWS).

- e) **Defence (CW):** 5% of the total seats in each main category are reserved for candidates belonging to Defence sub-category in the following order of priority:

Priority I - Widows/wards of Defence personnel killed in action.

Required Certificate (Proof in Original)

- Service particulars with family details
- PPO of Liberalised Family Pension
- Education Concession Certificate/Widow I-Card issued by Zila/Rajya/Kendriya Sainik Board

Priority II - Wards of disabled in action and boarded out / invalid out from service.

Required Certificate (Proof in Original)

- Discharge Certificate with family details
- PPO of War Injury
- Original disability certificate clearly indicating the disability is attributable to Military Services and was boarded out
- Education Concession Certificate/War disabled I-Card issued by Zila/Rajya/Kendriya Sainik Board

Priority III - Widows/wards of Defence Personnel who died while in service with death attributable to military service.

Required Certificate (Proof in Original)

- Service particulars
- PPO of Special Family Pension with death attributable to Military Service
- Education Concession Certificate/Widow I-Card issued by Zila/Rajya/Kendriya Sainik Board

Priority IV - Wards of disabled in service and boarded/invalid out with disability attributable to military service.

Required Certificate (Proof in Original)

- Discharge Certificate with remarks – medical boarded out, disability attributable to military service

- b. PPO
- c. Education Concession Certificate/ I-Card issued by Zila/Rajya/Kendriya Sainik Board

Priority V - Wards of Ex-Servicemen and serving personnel/para military/police personnel who are in receipt of the following Gallantry Awards:

- | | |
|----------------------|--|
| i. Param Vir Chakra | vii. Sena/ Nau Sena/ Vayu Sena Medal |
| ii. Ashok Chakra | viii. Mention-in-Despatches |
| iii. Maha Vir Chakra | ix. President's Police Medal for Gallantry |
| iv. Kirti Chakra | |
| v. Vir Chakra | x. Police Medal for Gallantry |
| vi. Shaurya Chakra | |

Required Certificate (Proof in Original)

- a. Retired Personnel discharge Certificate/Service Particulars
- b. PPO
- c. Proof of Gallantry Award
- d. Education Concession Certificate/ ESM I-Card issued by Zila/Rajya/Kendriya Sainik Board

(In case of serving awardees, education concession certificate will be issued by Unit and countersigned by Zila/Rajya/Kendriya Sainik Board with proof of Gallantry Award)

Priority VI – Wards of Ex-Servicemen.

Required Certificate (Proof in Original):

- a. Discharge Certificate /Service Particulars
- b. Original ex-servicemen Identity Card
- c. PPO
- d. Education Concession Certificate/ ESM / Widow I-Card issued by Zila/Rajya/Kendriya Sainik Board

Priority VII – Wives of:

- i. defence personnel disabled in action and boarded out from service.

Required Certificate (Proof in Original):

Original disability certificate clearly indicating the disability is attributable to Military Services in action and was boarded out

- ii. defence personnel disabled in service and boarded out with disability attributable to military service.

Required Certificate (Proof in Original):

Original disability certificate clearly indicating the disability is attributable to Military Services and was boarded out.

- iii. ex-Servicemen and serving personnel who are in receipt of Gallantry Awards.

Required Certificate (Proof in Original):

Only the Gallantry Awards specified in Priority V shall be considered

Priority VIII – Wards of Serving Personnel.

Required Certificate: (Proof in Original)

Original Service Identity Card and Dependent Card/ Certificate issued by the Competent Authority.

Priority IX – Wives of Serving Personnel.

Required Certificate: (Proof in Original)

Original Service Identity Card and Dependent Card/ Certificate issued by the Competent Authority.

- f) **Persons with Disabilities (PD):** 5% of the total seats in each category are reserved for candidates belonging to 'Persons with Disabilities' sub-category in accordance with the provisions of "The Rights of Persons with Disabilities Act 2016" (PWD ACT). All the candidates who furnish PD certificate from any Government Hospital located in Delhi or Outside Delhi under the provisions of 'The Rights of Persons with Disabilities Act 2016, shall be eligible for claiming reservation on Delhi and outside Delhi seats (based on the location of their qualifying exam).

g) **Kashmiri Migrants (KM) (Supernumerary):**

For DTU, NSUT: 01 (One) seat over and above the total intake is available.

For IIIT-Delhi: 01 (One) seat over and above the total intake, is available in each of the B. Tech. Programme of IIIT-Delhi.

For IGDTUW: 01 (One) seat over and above the total intake is available in B. Tech. and Dual Degree programmes of IGDTUW.

For DSEU: 01 (One) seat over and above the total intake, is available in each of the B.Tech. program of DSEU.

Under this category, preference will be given to a Kashmiri Migrant candidate as per the following priority –

Priority	Kashmiri Migrant
Priority-I	who has passed the requisite qualifying examination from a school /college / institute located within the NCT of Delhi and whose parents are registered in Delhi up to 11.06.2001 as Kashmiri Migrant; and who is residing in the NCT of Delhi
Priority-II	Other Kashmiri Migrants

- h) **Single Girl Child (SG) only at DTU (Supernumerary):** 01 (One) seat in each B.Tech. programme of DTU, over and above their normal intake, is earmarked for Single Girl Child candidate (**Girl having no brother and sister alive except twin sister**) who has passed qualifying examination from a school **located in NCT of Delhi** for admission to B. Tech. programmes.

- i) **Single Girl Child (SG) only at IGDTUW (Supernumerary):** 02 (Two) seats in each B.Tech. and

Dual Degree programmes of IGDTUW, over and above their normal intake, is earmarked for Single Girl Child candidate (**Girl having no brother and sister alive except twin sister**) who has passed qualifying examination from a school **located in NCT of Delhi** for admission to B. Tech. and Dual Degree programmes.

3.2 Seat Conversion Rules

- a) After exhausting the complete list of registered claimants of PD and CW subcategory seats, remaining vacant seats in these subcategories will be transferred to respective main category (GEN/SC/ST/OBC/EWS).
- b) After exhausting the complete list of registered SC, ST, OBC and EWS claimants of the seats of their respective category, the vacant seats will be treated as unreserved. Following set of rules will be followed for each conversion.
 - i. If the complete list of registered ST Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of SC Delhi category candidates or vice versa.
 - ii. If the complete list of registered ST, Outside Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of SC, Outside Delhi category candidates or vice versa.
 - iii. If the complete list of registered SC/ST, Delhi claimants exhausts, then the remaining vacant seats under this category will be filled by creating equal number of seats in GN, Delhi category.
 - iv. If the complete list of registered SC/ST, Outside Delhi claimants exhausts, then the remaining vacant seats under this category will be filled by creating equal number of seats in GN, Outside Delhi category.
 - v. If the complete list of registered EWS, Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of GN, Delhi category candidates.
 - vi. If the complete list of registered EWS, Outside Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of GN, Outside Delhi category candidates.
 - vii. If the complete list of registered OBC, Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of GN, Delhi category candidates.
 - viii. If the complete list of registered OBC, Outside Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of GN, Outside Delhi category candidates.
 - ix. If the complete list of registered GN, Delhi claimants exhausts, then the remaining vacant seats under this category will be filled from the list of GN, Outside Delhi category or vice versa.

NOTE: *Claimant implies registered candidate who filled choices against vacant seats of respective categories/sub-categories.*

3.3 Certificates Required for Reserved Seats at the Time of Document Verification

Candidates applying for any reserved seat (i.e. SC, ST, OBC, EWS, CW, PD, KM and SG) must produce the original certificate(s) (as applicable) as mentioned below at the time of physical verification of documents. However, scanned copy of all these documents must be uploaded at the time of registration and choice filling. Please refer **Chapter 7** for the sample formats.

- a) **Scheduled Caste (SC)/Scheduled Tribe (ST) /Other Backward Class (OBC):** For admission to a seat reserved for **Scheduled Caste/Scheduled Tribe/Other Backward Class - Non-Creamy Layer (OBC-NCL)**, candidates must produce a certificate, in original, issued from an approved

district authority mentioning the Scheduled Caste/ Scheduled Tribe/ Other Backward Class (NCL), to which the candidate belongs to. A list of approved authorities is given below:

- i. District Magistrate / Additional Magistrate / Deputy Commissioner / Collector / Additional Deputy Commissioner / Deputy Collector / 1st Class Stipendiary Magistrate / City Magistrate (not below the rank of 1st Class Stipendiary Magistrate), Sub-Divisional Magistrate / Taluka Magistrate / Executive Magistrate / Extra Assistant Commissioner.
- ii. Revenue Officer not below the rank of Tehsildar.
- iii. Sub-Divisional Officer of the area where the candidates and/or his/her family normally resides
- iv. Administrator/Secretary to Administration/Development Officer (Lakshdweep & Minicoy Islands).

NOTE

1. The candidate seeking admission under reserved categories has to mandatorily produce the caste/category certificate in his/her name at the time of counselling. The certificate in the name of either of the parents (Mother/Father) or any other family member is not acceptable and the candidate will not be entitled even for provisional admission.
2. The reservation certificate should be issued from the respective state/region in which the reservation is being claimed, e.g. in case, a candidate claims the seat reserved for the Delhi Region category, he/she has to bring SC / ST / OBC certificate issued by Govt. of NCT of Delhi and should have also passed his/her qualifying examination from a School / College / Institute located in National Capital Territory of Delhi.
3. Central certificate or any certificate issued stating applicability for job will not be considered valid for admission.
4. OBC (NCL) candidates are required to produce a caste certificate issued after March 31, 2024 from the authorities as mentioned above. However, if the certificate is issued prior to March 31, 2024, it must be accompanied with an additional certificate regarding the present non-creamy layer status of the candidate, issued by the same competent authority. This additional certificate must have reference of his / her already issued original caste certificate.
5. Students claiming OBC reservation under Delhi region will be admitted under this category on the submission of a certificate to this effect from the Competent Authority of the Government of NCT of Delhi. Certificate issued by Govt. of India or any state government will not be accepted under any circumstances. A certificate issued by a competent authority of Delhi to an individual on the basis of Caste Certificate of his/her parents from another state will be accepted for claiming a seat under OBC Category **IF AND ONLY IF** the caste is in the Central List of OBC for the state of Delhi /notified OBC list by Govt. of NCT of Delhi. Refer to Delhi Govt. Revenue Department Website.

b) Economically Weaker Section (EWS): Criteria for Income and Assets:

The benefit of reservation under EWS can be availed by **persons who are not covered under the scheme of reservation for SCs, STs and OBCs** upon production of an Income and Asset Certificate issued by a competent authority based upon the following criteria:

Candidates, whose family, has gross annual income below Rs 8.0 lakh (Rupees eight lakh only) are to be identified as belonging to EWS for benefit of reservation under this category. Income shall also

include income from all sources i.e. salary, agriculture, business, profession, etc. for the financial year prior to the year of application.

Also, persons whose family owns or possess any of the following assets shall be excluded from being identified as belonging to EWS, irrespective of the family income:-

- i. 5 acres of agricultural land and above;
- ii. Residential flat of 1000 sq. ft. and above;
- iii. Residential plot of 100 sq. yards and above in notified municipalities;
- iv. Residential, plot of 200 sq. yards and above in areas other than the notified municipalities.

The property held by a "Family" in different locations or different places/cities would be clubbed while applying the land or property holding test to determine EWS status.

The term "Family" for this purpose will include the person who seeks benefit of reservation, his/her parents and siblings below the age of 18 years as also his/her spouse and children below the age of 18 years.

The benefit of reservation under EWS can be availed upon production of an Income and Asset Certificate issued by a Competent Authority after March 31, 2024. The Income and Asset Certificate issued 'by any one of the following authorities in the prescribed format as given in Chapter-7 shall only be accepted as proof of candidate's claim for 'belonging to EWS: -

- (i) District Magistrate/Additional District Magistrate/ Collector/ Deputy Commissioner/ Additional Deputy Commissioner/ 1st Class Stipendary Magistrate/ Sub-Divisional Magistrate/ Taluka Magistrate / Executive Magistrate/ Extra Assistant Commissioner
- (ii) Chief Presidency Magistrate/Additional Chief Presidency Magistrate/ Presidency Magistrate
- (iii) Revenue Officer not below the rank of Tehsildar and
- (iv) Sub-Divisional Officer or the area where the candidate and/or his family normally resides.

c) **Defence sub-category (CW):** For admission to a seat reserved for **Defence sub-category**, candidate must produce the following certificates (as applicable and as listed above under section 3.1, clause e), in original, at the time of document verification of Defence candidates:

- i. Entitlement card in original issued by the Record Officer of the Unit/Regiment of Armed Personnel of the Armed Forces in case of Armed Personnel.
- ii. Widows/ Wards/ Wives of the officers and men of Armed forces who died or were disabled on duty (both attributable to military service) must produce a certificate to that effect from the following authorities:
 - i) Secretary, Kendriya Sainik Board.
 - ii) Secretary, Rajya / Zila Sainik Board.
 - iii) Officer-in-Charge, Record Office.
- iii. Medical records in original.
- iv. Special Pension Order and Passbook indicating special pension.
- v. Gallantry Award Certificate.
- vi. Original ex-servicemen Identity Card/Discharge Book/ Pension Payment Order.
- vii. Dependency card issued by any of above mentioned authority in order to relate the relationship of the candidate with the Defence personnel.
- viii. Original Service Identity Card.
- ix. A certificate from the respective C.O. Unit in respect of serving personnel.

NOTE:

A statement to the effect that 'the death/disability is attributed to military service' is required to be included in the certificate for Priority III & IV.

THE FINAL PRIORITY WILL BE SUBJECT TO SCRUTINY BY PANEL OF DEFENCE EXPERTS AT THE TIME OF DOCUMENT VERIFICATION.

- d) **Persons with Disabilities (PD) sub-category:** For admission to seat reserved for persons with Disabilities (PD) sub-category, the candidate must produce the following certificates in original at the time of document verification for PD candidates:
- A certificate of physical disability issued by the Competent Authority as per the provision of the Persons with Disabilities Act 2016 in the prescribed format as given under the Act.
 - The Candidate with benchmark disabilities shall produce the medical certificate issued by the Govt. Hospitals duly notified by the Govt. of NCT of Delhi/Other State government and further duly verified by the Chief Medical Officer of the concerned Government Hospital.
 - A certificate, duly recommended by any of the Vocational Rehabilitation Centres for the handicapped, including Vocational Rehabilitation Centre for the handicapped, 9-11 Vikas Marg, Karkarduma, Delhi 110092, established by the Ministry of Labour and Employment.
 - Persons with Dyslexic disability can also apply under PD category and they will be required to submit a UDID Card during the verification.
- e) **Kashmiri Migrants (KM):** The candidates seeking admission under **Kashmiri Migrant seat** must produce the following documents, in original, at the time of document verification:
- A certificate from the competent authority for getting admission against Kashmiri migrant quota is to be produced by the candidates at the time of counselling/admission. Such a certificate should be issued by the concerned Deputy Commissioner of Delhi or the Competent Authority outside Delhi.
 - Provisional or original Senior School Certificate examination or an examination recognized as equivalent thereto.
 - Mark-sheet of the Senior School Certificate Examination or an examination recognized as equivalent thereto.
 - Secondary School Examination or an examination recognized as equivalent thereto (showing the Date of Birth).
 - Proof of property in Kashmir of the parent of the candidate.
 - Proof of current residence such as Ration Card, Photo Identity Card issued by the Election Commissioner, Driving License, etc.
- f) **Single Girl Child (SG) (Only for DTU and IGDTUW):** For claiming admission in this category, the Father / Mother / Guardian (in case parents are deceased) shall have to upload copy of an affidavit to this effect, duly attested by the area District Magistrate / Additional Magistrate / Deputy Commissioner / Collector / Additional Deputy Commissioner / Deputy Collector / 1st Class Stipendiary Magistrate / City Magistrate (not below the rank of 1st Class Stipendiary Magistrate), Sub-Divisional Magistrate / Taluka Magistrate / Executive Magistrate / Extra Assistant Commissioner, at the time of online registration and should produce original affidavit at the time of physical reporting at DTU/IGDTUW. (Refer 7.7).

3.4 University/Institute wise seat distribution

The following coding scheme has been adopted to identify a particular seat throughout this brochure and counselling.

REGION, CATEGORY and SUB-CATEGORY CODES

Code Format: CCSSR

Category	Code (CC)
General	GN
Scheduled Tribe	ST
Scheduled Caste	SC
Other Backward Classes	OB
Economically Weaker Section	EW

Sub-Category	Code (SS)
No Subcategory	GN
Persons with Disabilities	PD
Defence	CW
Kashmiri Migrant	KM
Single Girl Child	SG
Girl Child	GL

Region	Code (R)
Delhi	D
Outside Delhi	O

For example, category code **SCPDO** means category is **SC** (Scheduled Caste), subcategory **PD** (Person with Disabilities) and **O** (Outside Delhi region).

Chapter 4 Procedure of Online Registration

4.1 Online Registration and Counselling Fee Payment

All candidates desirous of seeking admission to the engineering programs at DTU, IGDTUW, IIIT-Delhi, NSUT and DSEU, and architecture at NSUT and IGDTUW are required to visit website jacdelhi.admissions.nic.in and fill online registration form, pay a non-refundable registration-cum-counselling fee of Rs.1500/- (plus transactions charges as applicable) and fill the choices.

INSTRUCTIONS FOR ONLINE REGISTRATION

(Online Registration is allowed only once as per the counselling schedule. There will be no further registrations or any window for choice editing)

- i) The candidate will initially authenticate himself/herself by entering following details of JEE application:
 - JEE (Main) 2024 application number
 - Name (as per JEE admit card)
 - Date of Birth (as per JEE application)

If entered details match with JEE 2024 data, candidate will be asked to enter his/her email ID and mobile number. A verification code will be sent to candidate's mobile and email ID for verification. After verification of email ID/mobile, candidate can create his/her password for JAC Delhi portal. JEE (Main)-2024 application number will be the "User ID" for the candidate. Candidate shall choose a suitably strong "Password" for subsequent logins to this counselling website. Also, he/she shall choose a security question which shall be used to retrieve the password in case he/she forgets his/her password. Candidates must ensure that **Mobile Number and Email Address** provided by them must be valid and should belong to the candidate or his/her immediate family members. These will be used by JAC Delhi for all future communications with the candidate.

- ii) It is in the interest of candidate to remember his/her Password and keep it highly confidential, to avoid misuse by other candidate, for which JAC shall not be held responsible, in any manner.
- iii) After successful authentication and verification of email ID/mobile, candidate needs to complete JAC Delhi application form in steps.
- iv) Candidate must ensure that the **BANK ACCOUNT** details filled by him/her at the time of registration must be valid and should **BELONG TO THE CANDIDATE OR HIS/HER IMMEDIATE FAMILY MEMBERS. It may be noted that refunds (if any) by JAC Delhi, will be made in this account only irrespective of the account through which the online payment was made by the candidate.**
- v) While filling the online application form, candidate will also enter details about claim of bonus point (for IIIT-Delhi).
- vi) On completion of application form, candidate needs to upload all relevant documents as per his/her category/sub-category. Medical certificate (format in section 7.2) can be submitted at the time of joining the university/institute.

Candidates will be asked to upload following documents at the time of registration on JAC Delhi portal:

- a. Mark sheet of the qualifying examination, i.e. Class XII or equivalent.
 - b. Certificate of High School or equivalent examination (i.e. Class X) as a proof of Date of Birth.
 - c. Bonus point document(s), if eligible for IIT-Delhi bonus point.
 - d. Reserved category / sub-category Certificates.
 - e. For PD sub-category:
 - i. A certificate of physical disability issued by the Competent Authority as per the provision of the Persons with Disabilities Act 2016 in the prescribed format as given under the Act.
 - ii. The Candidate with benchmark disabilities shall produce the medical certificate issued by the Govt. Hospitals duly notified by the Govt. of NCT of Delhi/Other State government and further duly verified by the Chief Medical Officer of the concerned Government Hospital.
 - iii. A certificate, duly recommended by any of the Vocational Rehabilitation Centres for the handicapped, including Vocational Rehabilitation Centre for the handicapped, 9-11 Vikas Marg, Karkarduma, Delhi 110092, established by the Ministry of Labour and Employment.
 - iv. Persons with Dyslexic disability can also apply under PD category and they will be required to submit a UDID Card during the verification.
 - f. For Defence (CW) sub-category, candidate needs to submit all the documents/certificates specified corresponding to the priority applicable to him/her, combined in a single pdf file.
 - g. Kashmiri Migrant (KM) candidates must upload/submit all the documents/certificates specified corresponding to the priority applicable to him/her, combined in a single pdf file.
 - h. Cancelled Bank Cheque copy.
- vii) Once application form is complete in all respect and all the required documents have been uploaded, candidate needs to confirm his/her registration form. The candidate will not be permitted to edit/change details filled in the registration form once the candidate confirms registration form.
- viii) **Once the application form is completed and confirmed by the candidate, he/she will have to pay a non-refundable registration-cum-counselling fee of Rs. 1500/-. In case, the amount is debited from the candidate's bank / card account but it does not reflect in candidate login or transaction is failed, the amount will be refunded to the same bank / card account automatically by the payment system within 7 working days.**
- ix) **If payment fails, the fee should be paid again for registration without waiting for the refund. The candidate may inform JAC Delhi by sending an email to payment.jacdelhi2024@dtu.ac.in providing the candidate's details (JEE Main Application Number, Name, Mobile Number, Date, Time of Transaction and Transaction number).**
- x) Candidates need to fill the choices for seat allotment, which is discussed in next section.
- xi) Candidate has to take the printout of the registration form signed by Guardian / Parents and Self, which has to be submitted at the time of admission/reporting in the institute.

Please Note:

- i) After successful registration and fee payment, candidates are required to visit the website jacdelhi.admissions.nic.in again and fill choices for seat allotment.
- ii) After completing the application form successfully, if candidate does not pay the registration-cum-counselling fee of Rs. 1500/-, he/she will not be considered for any seat allotment in any round of the counselling.
- iii) Registration fee can also be paid in cash by selecting "payment in cash/payment at SBI branch" during payment mode selection on payment page opened while clicking on payment option. After selection this payment option, candidate must fill up the mobile number and email ID and then print a challan generated by payment system. Candidate must deposit the fee in cash using printed challan at any branch of SBI.
- iv) No other mode of payment will be accepted for submission of registration-cum-counselling fee.

4.2 Choice Filling

a) Online Choice Filling:

- i) Having completed the registration process and paid the counselling fee, the candidate shall login to the website <http://jacdelhi.admissions.nic.in> using JEE main 2024 application number as login ID and a password created during registration process.
- ii) Choice filling option will be available in 'candidate login'. As per the eligibility of the candidate, available seat information relating to University/Institute and Programmes will be displayed. Candidate can select choices one by one from list of available choices and can add it to his/her preference of choices. Preference of choices can be rearranged by moving a filled choice up/down in the preference list. Candidate can also remove a filled choice from his/her preference list.
- iii) Candidates can fill in as many numbers of choices in the order of preference as they wish to fill, from the list of available choices. Editing of choices are permitted during registration window only.
- iv) The registered candidates are required to see the fee structures and available branches of each university/ institute before filling the choices.
- v) **It is in the interest of the candidate to fill maximum number of available choices so as to benefit from upgradation of seats, during any rounds of counselling.**
- vi) **Preference of choices will be locked automatically once registration period is over.**
- vii) Candidate has to take the printout of the filled choices once registration is closed.

b) Login to the Candidate's Account on JAC website

After successful login, candidate's homepage is opened and following options are displayed:

- i. **Registration Details:** Registration Detail is important for seat allotment and should be filled very carefully.

- ii. **Edit Registration:** Any mistake can be corrected in the above through "Edit Registration" option only if the candidate has not confirmed his/her registration.
- iii. **Bonus Points (for IIT-Delhi):** Candidates eligible for IIT-Delhi bonus points should fill these details carefully and upload the documents claiming the bonus points for online verification. [Refer 5.1(b)]
- iv. **Fill Choices:** As per the eligibility of the candidate, available seat information relating to University/Institute and Programmes will be displayed. Candidate can select choices one by one from list of available choices and can add it to his/her preference of choices. Preference of choices can be rearranged by moving a filled choice up/down in the preference list. Candidate can also remove a choice from his/her preference list.
- v. **Display Filled Choices:** Choices entered by the candidate will be displayed so that he/she can check the already entered information. Candidates are advised to fill maximum number of choices to increase their probability of seat allotment. Once admitted, the seat may get upgraded during subsequent round of counselling depending upon the availability of vacant seats and the submitted choices.
- vi. **Provisional Seat Allotment Letter:** A provisional seat allotment letter can be downloaded after declaration of seat allotment result of a round. This letter clearly indicates institute and category/subcategory of allotted seat.
- vii. **Admission Confirmation Status:** If seat is allotted to the candidate, and Seat Acceptance Fee is paid by the candidate, admission committee of the respective University/Institute will verify the documents physically and confirm the admission. Status of confirmation of admission will be made available in 'candidate login' of the candidate.
- viii. **Links to Pay Various Fee:** Links for all fee payments, including the Registration Fee, Seat Acceptance Fee, etc. are made available to the candidates as per counselling schedule.
- ix. **Provisional Admission Letter:** Once admission committee confirms the admission of the candidate, candidate can download his/her provisional admission letter.

c) Choice Locking & Printing of Locked Choices

- i. Choices filled by candidates will be locked automatically after the registration period as specified in the counselling schedule.
- ii. Candidates have to take the print out of the filled choices only after closing of choice filling.

d) Change of Preferences of Choices: The choices initially filled by the candidate during the registration will remain valid throughout the counselling process.

Note: JAC Delhi 2024 will not be held responsible for a candidate's lack of awareness of the schedule.

4.3 Allotment of Seat and Result Declaration

- a) **Allotment of seat (B. Tech.) and Dual Degree (B.Tech. + MBA):** After completion of choice filling period, the filled choices of all registered candidates will be processed for allotment of seats as per Common Rank List (CRL) Rank in Paper-I of JEE (Main) – 2024 for NSUT, DTU, IGDTUW,

DSEU and as per IIIT-Delhi Rank for IIIT-Delhi [merit criteria to arrive at IIIT-Delhi rank is explained in Section [5.1(b)].

- b) **Allotment of seat (B. Arch.):** After completion of choice filling period, the filled choices of all registered candidates will be processed for allotment of seats as per Common Rank List (CRL) Rank in Paper-II of JEE (Main) – 2024 for NSUT and IGDTUW.

Note: Those candidates who are eligible for both B.Tech. and B.Arch., their allotment of seat to B.Tech. or B. Arch. Will be purely based on the order of choices filled by candidates. So, all eligible candidates should prioritize between B.Tech and B.Arch carefully, during choice filling.

- c) **Result Declaration:** Result of seat allotment in various rounds will be declared as per the Counselling Schedule. The selected candidate can view/print the provisional seat allotment letter after logging into his/her account on the website <https://jacdelhi.admissions.nic.in/>.

4.4 Physical Reporting

- a) **Seat Acceptance Fee Payment:** A candidate, who is allotted a seat in a particular round, in any of the participating Universities / Institutes, is required to pay the seat acceptance fee of Rs.95,000/- (Rupees Ninety-Five Thousand only) as per the specified schedule through **ONLINE FEE PAYMENT GATEWAY of JAC Delhi 2024**.

If the candidate is allotted a seat in a particular round and he/she does not pay/ fails to pay the required seat acceptance fee as per counselling schedule, his/her allotted seat shall be cancelled and he/she will not be considered for any seat allotment in subsequent rounds upto Round 5. A candidate can initiate the seat acceptance fee payment process after logging into his/her account on JAC website <https://jacdelhi.admissions.nic.in/>. Fee payment link will be made available in 'candidate login' immediately after declaration of seat allotment results of a round.

NOTE:

Candidates should note that seat acceptance fee will not be accepted in the form of Demand Draft / Cheques/ Cash under any circumstances. Candidates are required to pay the Seat Acceptance Fee strictly as per the counselling schedule and keep one copy of fee receipt printout for their record.

- b) **Physical Reporting:** A candidate who is allotted a seat in a particular round in any of the participating University/Institute is required to report physically at the respective University/Institute for document verification. Admission committee will verify all documents physically and status of fee payments for all candidates who are allotted a seat in a particular round. **If (i) all documents are found to be in order and (ii) fee payment is successful, the admission will be confirmed by the admission committee.** Such candidates can view the status of document verification in their login and take a print of the provisional admission letter. Once provisional admission letter is available in 'candidate login', admission process is complete for such candidates. If a candidate pays the seat acceptance fee but does not report physically for document verification, his/her admission will be cancelled and he/she cannot participate in any of the further rounds. Such candidate can then participate in the Spot Round (if conducted).
- c) In case, any deficiency/deficiencies is found in the documents, or the seat acceptance fee has not been paid, the admission of candidate will be cancelled after the completion of that round. Information about the deficiencies will be conveyed to the candidate during document verification, during each round of admission. If the deficiencies are cleared by the candidate before the end of

that round, his/her admission will be confirmed. To clear the deficiency, candidate can produce new documents/additional documents as asked by admission committee of the respective University/Institute where seat is allotted before end of that round.

- d) In any case, if admission is not confirmed by admission committee due to some deficiencies in documents, candidate can be considered for seat allotment in subsequent round with changed credentials for available seats in subsequent round(s). (e.g. if candidate belongs to OBC category, and his/her certificate is not valid as per JAC Delhi requirements, he/she can be made eligible for next round of counselling as GENERAL category candidate.). In case the candidate is not allotted any seat prior to the spot round (as specified in the counselling schedule), the Seat Acceptance Fee paid by such candidates shall be refunded.
- e) Candidates must bring the ORIGINAL and SELF-ATTESTED copies of the following documents at the time of reporting at the respective University/Institute for document verification as per the counseling schedule.
- i) Receipt of the Seat Acceptance Fee Payment.
 - ii) Online created Registration Form duly signed by guardian/parent and candidate.
 - iii) Printout of filled choices (printed after closing of registration)
 - iv) Three passport size photograph.
 - v) Printout of the Admit Card & Score Card of JEE (Main)-2024.
 - vi) Marks sheet of the qualifying examination i.e. Class XII or equivalent.
 - vii) Printout out of Seat Allotment Letter downloaded from <https://jacdelhi.admissions.nic.in/>
 - viii) Date of Birth Certificate as indicated in High School or equivalent examination i.e. Class X.
 - ix) Bonus Point documents, if eligible for IIIT-Delhi bonus point.
 - x) Reserved category / sub-category Certificate.
 - xi) Medical fitness certificate original in case of General / SC / ST / CW / OBC / EWS/ SG / TP / CW / KM (Format available at 7.4 in this brochure).
 - xii) PD sub-category:
 - a. A certificate of physical disability issued by the Competent Authority as per the provision of the Persons with Disabilities Act 2016 in the prescribed format as given under the Act.
 - b. The Candidate with benchmark disabilities shall produce the medical certificate issued by the Govt. Hospitals duly notified by the Govt. of NCT of Delhi/Other State government and further duly verified by the Chief Medical Officer of the concerned Government Hospital.
 - c. A certificate, duly recommended by any of the Vocational Rehabilitation Centres for the handicapped, including Vocational Rehabilitation Centre for the handicapped, 9-11 Vikas Marg, Karkarduma, Delhi 110092, established by the Ministry of Labour and Employment.
 - xiii) For Defence (CW) sub-category, candidate needs to submit all the documents/certificates specified corresponding to the priority applicable to him/her.
- f) A candidate, who has already been admitted and gets upgraded in next round of counselling, is not required to report at the upgraded University/Institute.
- g) A candidate not admitted in any round due to non-availability of documents in the earlier rounds but is allotted a fresh seat in any of the subsequent rounds (after producing relevant

documents), needs to mandatorily report physically for admission at the allotted University/Institute as per counselling schedule, failing which his/her seat will be automatically cancelled.

4.5 Freezing of Branch and Institute/Branch Upgradation

Freezing: In case, a candidate desires to continue in the branch allotted to him/her at the time of admission or during subsequent upgradation (i.e. **does not want himself/herself to be considered for upgradation** to his/her higher preference branches in subsequent rounds of counselling), then **he/she may submit online freezing request** through JAC Delhi portal using their login. A branch will be 'frozen' only as per the schedule specified in the counselling schedule.

BRANCH ONCE FROZEN CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FROZEN THEIR ALLOTTED SEATS (KEPT THEIR SEATS ON 'FLOAT' OPTION) WILL BE CONSIDERED FOR UPGRADATION DURING SUBSEQUENT ROUNDS OF COUNSELLING.

Branch Upgradation: If the currently allotted seat is not the first choice of a candidate, such candidates may be allotted a seat from the more preferred choices of the candidate during allotment process of subsequent rounds.

- a) A candidate, who has been admitted in a branch/institute other than his/her first choice, will automatically be upgraded (depending upon the availability of vacant seats), as per his/her merit in JEE (Main)-2024 or IIT-Delhi merit (in case of admission in IIT-Delhi), to a branch/institute of his/her higher preference during seat allotment of subsequent rounds.
- b) A candidate, who has already been admitted and gets upgraded in next round of counselling, should take printout of new provisional seat allotment letter for his/her record.
- c) A candidate, who has already been admitted and gets upgraded in next round of counselling, is not required to report at the upgraded University/Institute.

4.6 General Instructions

- ❖ Candidates are advised to visit JAC DELHI website (jacdelhi.admissions.nic.in) regularly for updates.
- ❖ Candidates are required to check their dashboard on a regular basis to check their allocation and other details as per the schedule
- ❖ A candidate who is offered a seat under reserved category / sub-category in any round of seat allotment and fails to produce appropriate document in support, his/her allotted seat will be cancelled and he / she shall be considered for allotment in GENERAL category in subsequent rounds, subject to eligibility and availability of vacant seats.
- ❖ It is the sole responsibility of the candidate to prove his / her eligibility for claiming reservation under any of the reserved categories. The candidates under SC/ST/OBC/EWS categories and CW/PD/SG/KM subcategories will be required to upload the certificate(s) of the respective reserved category/subcategory issued by the competent authority (as listed in Section 3.3) at the time of registration.
- ❖ If the certificate for reserved category candidate is not found to be in order, no benefit of the reservation will be given and the candidate shall be considered for allotment in GENERAL category in subsequent rounds, as per the eligibility of the candidate and availability of seats.

Chapter 5 Online Counselling Procedure

5.1 Seat Allotment – General Rules

During this step, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of merit as explained below on the basis of the locked choices. The allotment result will be made available on the website <https://jacdelhi.admissions.nic.in/>.

a) DTU, IGDTUW, NSUT and DSEU

- i. The provisional seat allotment will be based solely on the All India Rank Common Rank List (CRL)* Rank of the candidate in the JEE (Main) 2024 examination as given by NTA.
- ii. **For B. Tech. Programmes and Dual Degree Programmes, All India Common Rank List (CRL)* Rank in Paper-I of JEE (Main) 2024 will be considered.**
- iii. Other than the above-mentioned merit rank, seat allotment will be done by considering all the details provided by the candidate in his/her ONLINE application like category, region, minimum qualification eligibility criterion, choices filled etc.

b) IIT Delhi

A separate merit list as described below, will be used for seat allotment in IIT-Delhi.

- i. Final percentile score obtained in paper-1 of JEE Mains 2024.
- ii. Bonus points, if any, as defined in Annexure A (Maximum upto 2 points)
- iii. IIT-Delhi merit list will be based on the total of the above two.
- iv. In case of a tie, candidate with a higher rank in JEE 2024 shall rank higher.

* In case CRL is not unique, a unique rank will be generated for each candidate for allotment of seats using the following parameters in the order mentioned below applicable for all the participating Universities/Institutes:

- a) JEE Main Rank
- b) 12th PCM Marks (descending)
- c) 12th Marks in Maths (descending)
- d) 12th Marks in Physics (descending)
- e) 12th Marks in Chemistry (descending)
- f) Date of Birth (person with age greater to be given preference)

Note: All participants of JAC Delhi 2024 counselling are intimated that admissions to various B. Tech. Programmes at IIT-Delhi will be made as per IIT-Delhi ranking. The mechanism of arriving at IIT-Delhi ranking is defined above in conjunction with Chapter 8 about eligibility for Bonus Points. *All interested candidates are hereby advised to read it carefully and avail the benefits of Bonus Points as applicable individually.*

5.2 Online Counselling

Online counselling will be done in 5 rounds.

5.2.1 First Round of Counselling

- a) The choices filled by the candidates during ONLINE registration will be processed centrally and the institute-wise cutoffs will be made available on the JAC Delhi website and the seat allotment result will be made available on the Candidate's login.
- b) All candidates who are provisionally allotted a seat in any round of counselling are required to pay the Seat Acceptance Fee of Rs. 95,000/- using a fee payment link available in their login.

- c) Admission committee will verify the documents physically and check status of Seat Acceptance Fee payment as per schedule mentioned for each round. If all the documents are as per requirement and the Seat Acceptance Fee has been paid by the candidate, his/her admission will be confirmed by admission committee and status will be made available to the candidate. Such candidates can download the provisional admission letter from JAC Delhi website.
- d) **Freezing:** In case, a candidate whose admission is confirmed and who has downloaded the provisional admission letter, desires to continue in the branch and institute allotted to him/her at the time of admission or during subsequent upgradation (i.e. **does not want himself/herself to be considered for upgradation to his/her higher preference branches in subsequent rounds of counselling**), then **he/she must submit online freezing request** through JAC Delhi portal using their login. Branch freezing requests can be submitted only after the admission is confirmed by the admission committee till last date mentioned in counselling schedule of each round.

BRANCH ONCE FREEZED CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FREEZED THEIR ALLOTTED SEATS (KEPT THEIR SEATS ON 'FLOAT' OPTION) WILL BE CONSIDERED FOR UPGADATION DURING SUBSEQUENT ROUNDS OF COUNSELLING

- h) In case, any deficiency/deficiencies is found in the documents, or the seat acceptance fee has not been paid, the admission of candidate will be cancelled after the completion of that round. Information about the deficiencies will be conveyed to the candidate during document verification, during each round of admission. If the deficiencies are cleared by the candidate before the end of that round, his/her admission will be confirmed. To clear the deficiency, candidate can produce new documents/additional documents as asked by admission committee of the respective University/Institute where seat is allotted before end of that round.
- e) For candidates, whose admissions are not confirmed due to some deficiencies, seat allotted to the candidate will be cancelled. Such candidates may be considered in next round of counselling with changed credentials (e.g. if OBC certificate is not valid, category may be changed from OBC to GENERAL).
- f) In case, the admission of a candidate who has paid the academic fee of Rs. 95,000/- is not confirmed because of some deficiencies/inconsistencies in his/her documents, the seat acceptance fee paid by him/her will be refunded within 20 days after last date of withdrawal (refer counselling schedule).
- g) **Failing to pay the Seat Acceptance Fee against allotted seat, his/her allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent online rounds.**
- h) Based on the number of candidates completing the document verification and number of withdrawals made by admitted candidates, the vacant seats available thereafter will be used for seat allotment in second round of counselling.

5.2.2 Second Round of Counselling

The following types of candidates are eligible for seat allotment/upgradation:

- i. **Type - I:** All registered candidates who were not allotted any seat in the first round of seat allotment.
- ii. **Type-II:** All candidates who were allotted a seat in the first round of counselling, paid prescribed Seat Acceptance Fee as required, also got their documents verified successfully and didn't freeze their seat.

iii. **Type-III:** All candidates who were allotted a seat in the first round of counselling, paid prescribed Seat Acceptance Fee as required but their admissions were not confirmed by admission committee due to some deficiencies in their documents and admission committee permitted them to participate in next round of counselling with changed category/subcategory/region.

a) Candidates of Type – I, who are allotted a seat in this round will have to pay the Seat Acceptance Fee (refer Chapter 6 for details) as per the counselling schedule (available on the website <https://jacdelhi.admissions.nic.in/>).

For a candidate failing to pay the Seat Acceptance Fee as per the counselling schedule, his/her allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent online rounds.

b) Candidates of Type - II may either be allotted a seat of **higher** preference choice or their previously allotted seat will remain unchanged. They can, if they wish, freeze their allotted seat or wait for upgradation in subsequent round(s).

c) Candidates of Type-III will participate in second round of seat allotment with changed category/subcategory/region. Like Type-I, they may be allotted a fresh seat but they need not pay the Seat Acceptance Fee as they have already paid it in first round.

d) In case, a candidate, who has been admitted/upgraded in this round, desires to continue in the seat allotted (*i.e. he/she **does not want to be considered for upgradation to his/her higher preferences in subsequent rounds of counselling***), then he/she may submit an online freezing request through JAC website using candidate's login on the day mentioned in counselling schedule (after confirmation of admission).

5.2.3 Third Round of Counselling

The following candidates are eligible for Round-3 of Counselling:

- a) The registered candidates who have not been offered any seat.
- b) The registered candidates who were allotted seat in some round of counselling, but the seat was cancelled due to some deficiency (or any other legitimate reason).
- c) The admitted candidates of rounds 1, 2 of counselling, who paid prescribed Seat Acceptance Fee as required, also got their documents verified successfully and didn't freeze their seat (such candidates are eligible for institute/branch upgradation only).

Procedure for participation in Round 3

Type I Candidates (those who do not hold any seat in any of the participating institute)

Previously registered candidates who do not hold any seat.

Type II (those who already hold a seat in any of the participating institute)

All admitted candidates who already hold a seat but not freezed their allotted branch in the previous rounds.

Seat Allotment Procedure

- a) Candidates of Type – I, who are allotted a seat in this round will have to pay the Seat Acceptance Fee (refer Chapter 6 for details) as per the counselling schedule (available on the website <https://jacdelhi.admissions.nic.in/>).

For a candidate failing to pay the Seat Acceptance Fee as per the counselling schedule, his/her allotted seat will stand automatically cancelled and the candidate will not be considered for seat allotment in round 4.

Candidates of Type - II may either be allotted a seat of **higher** preference choice or their previously allotted seat will remain unchanged. They can, if they wish, freeze their allotted seat or wait for upgradation in round 4.

- b) In case, a candidate, who has been admitted/upgraded in this round, desires to continue in the seat allotted (i.e. **he/she does not want to be considered for upgradation to his/her higher preferences in subsequent rounds of counselling**), then **he/she must exercise the Branch Freezing option available in 'candidate login' on JAC Website on the day(s)** mentioned in counselling schedule (after confirmation of admission).

5.2.4 Fourth Round of Counselling

The following candidates are eligible for Fourth Round of Counselling:

- i. **Type - I:** All registered candidates who were not allotted any seat in the third round of seat allotment.
- ii. **Type-II:** The admitted candidates of rounds 1,2,3 of counselling, who paid prescribed Seat Acceptance Fee as required, also got their documents verified successfully and didn't freeze their seat (such candidates are eligible for institute/branch upgradation only)
- iii. **Type-III:** All candidates who were allotted a seat in the third round of counselling, paid prescribed Seat Acceptance Fee as required but their admissions were not confirmed by admission committee due to some deficiencies in their documents and admission committee permitted them to participate in next round of counselling with changed category/subcategory/region.

Procedure for Round 4

Seat Allotment Procedure

- a) Candidates of Type – I, who are allotted a fresh seat in this round will have to pay the Seat Acceptance Fee (refer Chapter 6 for details) as per the counselling schedule (available on the website <https://jacdelhi.admissions.nic.in/>).

For a candidate failing to pay the Seat Acceptance Fee as per the counselling schedule, his/her allotted seat will stand automatically cancelled.

Candidates of Type – II, may either be allotted a seat of **higher** preference choice or their previously allotted seat will remain unchanged. They can, if they wish, freeze their allotted seat or wait for upgradation in subsequent round(s), if any.

- b) Candidates of Type-III, will participate in fourth round of seat allotment with changed category/subcategory/region. Like Type-I, they may be allotted a fresh seat but they need not pay the Seat Acceptance Fee as they have already paid it in first round

In case, a candidate, who has been admitted/upgraded in this round, desires to continue in the seat allotted (i.e. he/she does not want to be considered for upgradation to his/her higher preferences in subsequent rounds of counselling), then he/she must exercise the Branch Freezing option available in 'candidate login' on JAC Website on the day(s) mentioned in counselling schedule (after confirmation of admission).

5.2.5 Fifth Round of Counselling

The following candidates are eligible for Fifth Round of Counselling:

- i. **Type - I:** All registered candidates who were not allotted any seat in the fourth round of seat allotment.
- ii. **Type-II:** The admitted candidates of rounds 1,2,3,4 of counselling, who paid prescribed Seat Acceptance Fee as required, also got their documents verified successfully and didn't freeze their seat (such candidates are eligible for institute/branch upgradation only)
- iii. **Type-III:** All candidates who were allotted a seat in the fourth round of counselling, paid prescribed Seat Acceptance Fee as required but their admissions were not confirmed by admission committee due to some deficiencies in their documents and admission committee permitted them to participate in next round of counselling with changed category/subcategory/region.

Procedure for Round 5

Seat Allotment Procedure

- a) Candidates of Type – I, who are allotted a fresh seat in this round will have to pay the Seat Acceptance Fee (refer Chapter 6 for details) as per the counselling schedule (available on the website <https://jacdelhi.admissions.nic.in/>).

For a candidate failing to pay the Seat Acceptance Fee as per the counselling schedule, his/her allotted seat will stand automatically cancelled.

Candidates of Type – II, may either be allotted a seat of higher preference choice or their previously allotted seat will remain unchanged. They can, if they wish, freeze their allotted seat or wait for upgradation in subsequent round(s), if any.

- b) Candidates of Type-III, will participate in fifth round of seat allotment with changed category/subcategory/region. Like Type-I, they may be allotted a fresh seat but they need not pay the Seat Acceptance Fee as they have already paid it in first round

In case, a candidate, who has been admitted/upgraded in this round, desires to continue in the seat allotted (i.e. he/she does not want to be considered for upgradation to his/her higher preferences in subsequent rounds of counselling), then he/she must exercise the Branch Freezing option available in 'candidate login' on JAC Website on the day(s) mentioned in counselling schedule (after confirmation of admission).

5.3 Upgradation of Admitted Candidates (after Round 5)

After completion of Round 5, an internal upgradation of all the admitted candidates will be done according to the rules mentioned below. The resulting vacancies, if any, after internal upgradation will be filled in the spot round.

- a) Only those candidates who are already admitted and have not withdrawn their admission upto completion of the document verification stage of fifth round of counselling are eligible for upgradation. This upgradation is made against the vacant seats after Round 5.
- b) There shall be upgradation for candidates involving all participating Universities/Institutes by taking the maximum rank of last round of counselling cut-off of JEE Main Rank (Paper I) in each category & region for DTU, NSUT & DSEU as base cut off ranks.

5.4 Spot Round (subject to availability of seats)

A SPOT ROUND of counselling may be conducted for the vacant seats, if any, available at DTU, IGDTUW, IIT-Delhi, NSUT & DSEU after upgradation of admitted candidates. The detailed instructions for conduct of Spot Round, rules for participation etc. will be made available on the JAC Website after completion of Round 5.

Candidates who did not Report or Withdrew or his/her admission got cancelled (due to any deficiency/reason) or were not allotted any seat during the regular rounds will be eligible in the Spot Round against the available vacancies only. Candidates who are already holding a seat are not eligible to participate in the Spot Round.

5.5 Reporting at the Final Allotted University / Institute

All provisionally admitted candidates are required to visit the website of allotted institute/university /JAC Delhi Website for commencement of classes and payment of balance fee (if any). Admitted candidates need to pay the balance fee at the final allotted University / Institute AS PER FEE PAYMENT SCHEDULE available on respective institute/university/JAC Delhi website, failing which, the admission of the candidate automatically stands cancelled *ipso facto*.

5.6 Upgradation/Branch Change after Commencement of Session

Some of the participating institutes/universities may execute branch upgradation/change after commencement of session as per the regulations of the respective institute/University. Students may contact to their respective institute/University for further information/guidelines.

Note: The decision of the Joint Admission Committee 2024 regarding the eligibility/admission of any applicant shall be final. All the candidates claiming reservation under various categories / sub-categories must have been issued respective category/sub-category certificate, on or before the date of registration.

Chapter 6 Fee Structures

The admitted candidates are required to pay only a part of the Seat Acceptance Fee during online reporting/spot round of the counselling. The details of the total academic/Seat Acceptance Fee for various participating institutions/universities are given below. NOTE

- Delhi Government has launched an attractive Higher Education Guarantee Scheme, For details please visit Delhi government site.
- Hostel and mess fee have to be paid separately. Please refer to website of the individual University / Institute for details.

6.1 Procedure to Pay Seat Acceptance Fee at the Time of Online Counselling

All candidates, who are provisionally allotted a seat first time in any of Round 1 to Round 5 of counselling are required to pay the Seat Acceptance Fee of Rs. 95,000/- using a fee payment link available in their login.

Following payment modes are available:

(i) By Credit Card / Internet Banking through Payment Gateway

Candidates can pay their Seat Acceptance Fee of Rs.95,000/- as per their seat allotment round using Payment Gateway facility accessible on the JAC website in the candidate's login account. Candidates may kindly note that while making the payment, in case the transaction fails or takes time to reflect, then they can write to the JAC payments helpdesk email payment.jacdelhi2024@dtu.ac.in

(ii) By Cash at any branch of SBI using SBI Collect e-Challan

Alternatively, candidates may pay their Seat Acceptance Fee of Rs.95,000/- as per their seat allotment round (plus additional bank charges) through cash payment at any branch of State Bank of India using the SBI e-Challan.

- **Only those** Candidates, who pay their initial Seat Acceptance Fee and complete the document verification process successfully, will be considered as SUCCESSFULLY ADMITTED CANDIDATES.
- **Important Note:** Candidates, when they get seat allotment for the first time (in any round) and do not pay their Seat Acceptance Fee, will forfeit their seat allotment automatically and will not be considered for subsequent rounds of Online Counselling. IT IS THUS MANDATORY FOR THE CANDIDATES TO PAY THE SEAT ACCEPTANCE FEE TO BE CONSIDERED FOR THE SUBSEQUENT ROUNDS OF ONLINE COUNSELLING.

6.2 Procedure to Pay Balance Fee

Every participating institute will notify separate schedule for payment of balance fee at their respective website. The admitted candidates are thus advised to visit website of allotted institute/university for details of balance fee payment.

6.3 Withdrawal of Allotted Seat and Refund of Fees

An admitted candidate can withdraw his/her admission during the counselling period (as specified in the counselling schedule) by submitting online request through JAC Delhi portal on or before last date of withdrawal mentioned in counselling schedule.

- a) If the candidate withdraws his/her admission on or before the last date of withdrawal as mentioned in the counselling schedule, his Seat Acceptance Fee (Rs. 95,000/-) will be refunded without interest after deducting Rs.1000/- (Rupees One thousand only) as processing charge.
- b) Fee refunds for all withdrawals will be processed within 20 days after last date of withdrawal.
- c) The academic fee deposited by the admitted candidates will be forfeited, if he/she withdraws after the last date of withdrawal as mentioned in the Counselling Schedule. **No amount shall be refunded if the admitted candidate withdraws after the last date and time of withdrawal as mentioned in the counseling schedule.**
- d) Withdrawal request through application and/or E-mail will not be considered. Candidate can withdraw his/her admission through candidate's JAC login only.
