JAC Delhi-2026

Public Advisory

Beware of Touts/Agents Promising Admissions in NSUT, DTU, IIIT-Delhi, IGDTUW, and DSEU

For the academic session 2026-27, Netaji Subhas University of Technology (NSUT), Delhi Technological University (DTU), Indira Gandhi Delhi Technical University for Women (IGDTUW), Indraprastha Institute of Information Technology Delhi (IIITD), and Delhi Skill and Entrepreneurship University (DSEU) are participating in JAC Delhi-2026 for admissions to their B. Tech and B. Arch programmes. The admission process is being conducted online with technical support from the National Informatics Centre (NIC). Admissions to all participating universities are conducted through a completely transparent, centralized, and merit-based online counselling process based solely on the Common Rank List (CRL) obtained by candidates in the Joint Entrance Examination (JEE Main) conducted by the National Testing Agency (NTA). This year, Netaji Subhas University of Technology is the Coordinating University for JAC Delhi-2026.

It has come to the notice of the University that certain agents/touts are falsely claiming to be representatives of participating universities and are misleading candidates and parents by promising admissions to various programmes. These individuals are reportedly demanding money through online payment applications, bank transfers, or cash in exchange for admission assurances. Some candidates have also reported receiving misleading calls, messages, and emails offering "Direct Admission" in participating institutions.

Candidates and parents are hereby strongly advised not to fall prey to such fraudulent activities, calls, messages, or assurances made by unauthorized persons.

Please note that all authentic information regarding counselling, admissions, seat allotment, schedules, and admission procedures is published only through the official JAC Delhi website: <https://jacdelhi.admissions.nic.in>.

Candidates are advised to strictly follow only the instructions, notices, and updates available on the official JAC Delhi portal. JAC Delhi and participating universities shall not be responsible for any transaction or communication made with unauthorized persons/agents/touts.

Chairman, JAC Delhi-2026
